Moji Bay, South-West Buoy.

Notice is hereby given that the buoy marking the south-western extremity of the shoal in Möji bay, Shimonoseki straits, which was notified under the date of February 5, 1895, as having broken adrift from its moorings, has been replaced in its position.

DΙ

The height of the buoy above the water is 15} ft. instead of 10 ft. as heretofore.

> Count KURODA KIYOTAKA, Minister of State for Communications.

Tokyo, March 16, 1895.

The following information has been received from the Japanese Government :-

Ootate Light.

The height above sea is 264 ft. instead of 200 as previously reported, and the directions of the sectors S 57° E and S 32° E should have been S 65° E and S 40° E.

Cochin-China Three Kings' Rocks.

H.M.S. Rattler reports a fourth rock, 1 cable north of the Three Kings, and the sea was observed breaking heavily two cables to the northward.

Wenchau.

The following directions for entering Wenchau have been received from H.M.S. Redpole.

After passing White rock, head up for Hutau point, passing the next point at about 3 cables distant, then steer for Tent point with Hutan point in line with N.E. point of Hokeen Island astern, E.N.E., until abreast Tent point then follow Sailing Directions. All beacons have been removed, but the services of the Customs' boatman can be obtained at the lower anchorage, provided he is not held responsible for the safety of the ship.

Shoals off Haitan Island.

ITH reference to the Gazette Notification dated April 26, 1895, published in the Gazette of April 26, 1895, the following Notification by the Bombay Government is published for general information.

By His Excellency the Governor's command,

Colonial Secretary's Office, Colombo, May 9, 1895.

E. NOEL WALKER. Colonial Secretary.

No. 1,697.—Bombay Castle, April 29, 1895,

In exercise of the power conferred by Act I. of 1870, the following Rules for Quarantine against Cholera have been made by the Government of Bombay, with the previous sanction of the Governor-General in Council: they have effect from the 24th instant in the Ports of Aden, Perim, and the Somáli Coast as a temporary measure:

I .- The Commander of every vessel, including buggalows or other native craft, arriving from the Red Sea ports in the Hedjaz shall, before entering the harbour, indicate by signal the port from which such vessel has come.

II.—Such Commander shall not, except as hereinafter provided, allow any communication, either with the pilot boat, except orally, or with the shore, or with any other vessel or boat in the harbour.

III.—Immediately on arrival the Commander shall cause the letter R of the Commercial Signal Code to be hoisted, and shall keep the said flag flying during his stay in port or until authorized by the Health Officer to haul it down. If communication with the shore is not desired, the vessel shall anchor at such place as may be pointed out by the Port authorities, having regard to the season of the year. If communication with the shore is desired, the Health Officer shall go alongside the vessel, and, after all necessary inquiries, shall direct the Commander to take the vessel to the quarantine anchorage duly appointed and notified in that behalf by the Resident, there to remain for a period of seven days from the date of arrival or for the shorter period prescribed in Pulo IV, and undergo disinform period of seven days from the date of arrival or for the shorter period prescribed in Rule IV., and undergo disinfection, which should apply as well to crew. passengers, effects, and susceptible goods.

IV .- If the Health Officer of the Port has sufficient evidence that no cases of a suspicious nature have taken place on board during the voyage, and if the vessel is besides in good hygienic condition, the duration of the quarantine

will be diminished according to the following scale :-

After	eight day	s of voyage	•••		six davs	of quarantine.
Do.	nine	do.	•••	***	five	do.
Do.	$_{ m ten}$	do.	***	•••	\mathbf{four}	do.
	$_{ m eleven}$	do.	•••	•••	$_{ m three}$	do.
Do.	twelve	do.	•••	•••	two	do.
Do.	thirteen	do.	and upwards	***	twenty-f	our hours of quarantine.

V.—If during the period a vessel is at the quarantine anchorage aforesaid any case or cases of cholera should occur on board, the said vessel shall remain in quarantine for a period of seven days from the date of the last case occurring, and be subject to all the prohibitions provided for in Rule III.

VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of seven days. If a case of cholera occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.

VII.—Any mails or cargo which may be brought by any vessel so arriving shall be landed under such precautions as the Health Officer may deem necessary to prevent the spread of the disease.

VIII.—It will be the duty of the Port officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores, and other articles as may be required by those on board. Such supplies will be placed on the boarts of the vessels in quarantine to be unknowned by members of their court. on the boats of the vessels in quarantine to be subsequently removed by members of their crews.

IX.—All vessels arriving at Aden, Perim, and the Somáli Coast which may have communicated with vessels

coming from the Red Sea ports in the Hedjaz shall be subjected to the same quarantine as vessels arriving at Aden, Perim, and the Somáli Coast from the Red Sea ports in the Hedjaz.

X.—All vessels which have undergone quarantine in the manner above prescribed should have the fact clearly stated on their Bills of Health.

By order of His Excellency the Right Honourable the Governor in Council,

J. DEC. ATKINS, for Secretary to Government.

TITH reference to the Notification of April 30, 1895, published in the Gazette of May 3, 1895, the following Notification by the Bombay Government is published for general information.

By His Excellency the Governor's command.

Colonial Secretary's Office, Colombo, May 9, 1895.

E. NOEL WALKER, Colonial Secretary.

No. 1,701.—Bombay Castle, April 29, 1895.

In exercise of the power conferred by Act I. of 1870, the following Rules for Quarantine against Plague have been made by the Government of Bombay, with the previous sanction of the Governor-General in Council: they have effect from 15th April, 1895, in the ports of Aden, Perim, and the Somali Coast as a temporary measure:—

I.—The Commander of every vessel, including buggalows or other native craft, arriving at Aden, Perim, and Somali Coast ports from the Red Sea Coast from Lith to Lohaiya shall, before entering the harbour, hoist a yellow flag (or if entering a port at night time, show whatever quarantine light signals are customary in the port) and indicate by signal the port from which such vessel has come, and shall keep such flag and signals flying until permitted to take them down as hereinafter provided. The pilot on going alongside the vessel shall direct the flag prescribed above to the hoisted, if it has not already been done.

D 1*

II.—Such Commander shall not, without first having obtained permission as hereinafter provided, allow any communication, except orally, with the shore or any other vessel or boat, excepting with the boat supplying pilots,

and in that case communication shall be limited to receiving on board the pilot, his servant, and baggage.

III.—On any such arrival being signalled, the Health Officer of the Port shall, as soon as possible, go alongside the vessel and ascertain by inquiry from the Commander whether any person on board is suffering, or has during the voyage suffered, from plague, and if the Health Officer is satisfied by such inquiry that no person on board is suffiering, or during the voyage has suffered, from plague, and if the ship carries a qualified Medical Officer, quarantine shall be dispensed with, and pratique granted.

If the vessel does not carry a qualified Medical Officer, he shall direct the Commander to take the vessel to the quarantine anchorage duly appointed and notified by the Resident, and there to remain for a period of eight clear days from the date of arrival in the harbour. The Health Officer shall also direct the Commander to prohibit, during the period for which the vessel remains at the quarantine anchorage as aforesaid, all communication, except such as

is hereinafter provided for, between such vessel and the shore or other vessels and boats in the harbour.

IV .- If the Health Officer, as the result of the inquiry made under paragraph III. above, shall have reason to believe at the time when the vessel arrives in the harbour that any person on board is suffering, or during the voyage has suffered, from plague, he shall direct the Commander to take the vessel to the quarantine anchorage as aforesaid, and there to remain for a period of fifteen days from the day of arrival in the harbour; and shall further direct that during such fifteen days intercourse between the said vessel and the shore or other vessels and boats in the harbour

shall be prohibited as provided in Rule III.

V.—If during the period a vessel is at the quarantine anchorage aforesaid any case or cases of plague should occur on board, the said vessel shall remain in quarantine for a period of fifteen days from the date of termination of the last case either by death, recovery, or removal from the vessel, and be subject to all the prohibitions provided for

in Rules III. and IV.

VI.—When any vessel has been placed in quarantine as aforesaid, the Health Officer may direct the removal of so many of the passengers and crew as may not be suffering from illness, and whose services may not be required on board the vessel, to such particular spots as may not be sunering from times, and whose services may not be required on board the vessel, to such particular spots as may from time to time be selected by the Resident as places of quarantine, there to remain for a period of eight days, or if the vessel has been placed in quarantine for fifteen days, for a period of fifteen days. If a case of plague occurs among such passengers and crew during any such period, they shall remain in a place of quarantine for a period of fifteen days from the date of the occurrence of the last case of such illness.

VII.—Any mails or cargo which may be brought by any vessel so arriving shall be landed under such

precautions as the Health Officer may deem necessary to prevent the spread of the disease.

VIII.—It will be the duty of the Port Officer to facilitate the conveyance to all vessels in quarantine of such supplies of provisions, stores, and other articles as may be required by those on board. Such supplies will be placed

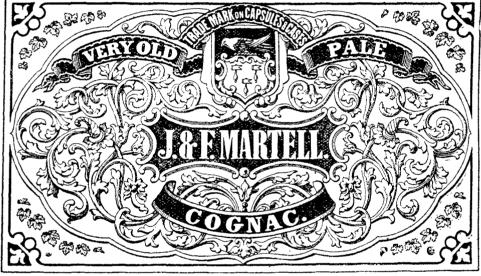

on the boats of the vessels in quarantine to be subsequently removed by members of their crews.

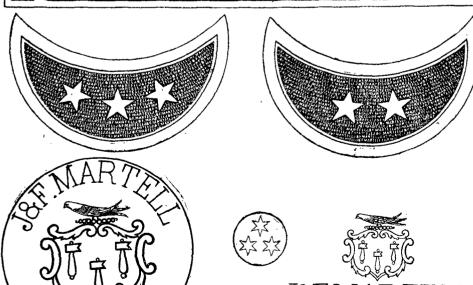

IX.—All vessels arriving at Aden, Perim, and the Somali Coast, which may have communicated with vessels coming from the Red Sea Coast from Lith to Lohaiya, shall be subject to the same rules as vessels arriving at Aden, Perim, and the Somali Coast from the Red Sea Coast from Lith to Lohaiya.
