# Lions Clubs International Objectives

**TO CREATE** and foster a spirit of understanding among the peoples of the world.

**TO PROMOTE** the principles of good government and good citizenship.

**TO TAKE** an active interest in the civic, cultural, social and moral welfare of the community.

**TO UNITE** the clubs in the bonds of friendship good fellowship and mutual understanding

**TO PROVIDE** a forum for open discussion of all matters of public interest; provided however, that partisan politics and sectarian religion shall not be debated by club members.

**TO ENCOURAGE** Service – minded people to serve their community without personal financial reward, and to encourage efficiency and promote high ethical standards in commerce, industry, professions, public works and private endeavors.

## ***LIONS CODE OF ETHICS***

TO SHOW my faith in the worthiness of my vacation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self - respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business, it is not necessary to tear down another's; to be loyal to my clients or customers and true to my self.

WHENEVER a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that True friendship exists not on account of the service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation, my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labour and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build and not destroy.

## MESSAGE FROM THE DISTRICT GOVERNOR

*Dear Lion V. Socklingam President N.L.C*

It give me immense please to forward this message to you when you install New Club Officers for the Lionstic year 2003 -2004.

Changing the baton of leadership in Lionism every year gives an opportunity to new leaders to further the Lionistic endeavors in a better way that the year ended. I do trust that your new Club Officers with immense experience in Lionism will work as a team to continue the good work of their predecessors.

Dear Lions family of Nallur, I am happy indeed to mention that during my year of leadership you have had accomplished excellently in serving the community and I hope that the same spirit of Lionsm will prevail in your Club during the ensuring year extending your fullest support and co-operation to your new District Leader, District Governor Lion Dr. Rohan Perera, to achieve excellence in Lionism.

My Lion Lady Dr. Rebecca is delighted to join me in wishing you a successful installation ceremony.

*Lion O'Regan Pinghe MJF J.P*  
*District Governor - 306 B*

## MESSAGE OF PAST INT. DIRECTOR

The Installation ceremony of the elected officers of a Club is a ceremonial occasion which highlights for both the membership as well as the community invited to participate an opportunity of meeting the persons responsible for the running of the club in the coming year together with some knowledge of the responsibility of each office.

As the ceremony of installation proceeds; the installing officer requests the attention of the members not elected to office in order to remind them that they were responsible for electing these officers. As a result, even though the officers being installed have signified their willingness to carry out the responsibilities outlined, they cannot effectively and fully do so without the support and the cooperation of all the membership. This principle is highlighted in the important words of the Membership Induction Ceremony – “Lionism is a cooperative effort in which each and every member shares the load”.

It will be noted that at this stage in the ceremony, those elected to various office are standing behind the President flanked on each side by the Secretary and the Treasurer supported very closely by the Chairman of the Membership Committee. The Directors and the Vice Presidents form the background providing the solidarity and the image of a Team with its Leader.

I have no doubt that your installing Officer will take the necessary steps to highlight these important aspects of Installation finally, that the members of the Club will get together for their first meeting and identity areas which require study which should be followed by planning and implemented by Team Work.

I have no doubt that the Lions of Nallur will proceed in this manner or an even more effective manner bearing in mind that the essence of their existence is benefit to the community through relevant service.

I wish all those present an enjoyable evening.

I wish you and all those present an enjoyable and rewarding meeting on the 20<sup>th</sup> June.

*Lion. P.J.C Chuck Wijenathen M.J.F*

## **MESSAGE FROM THE DISTRICT GOVERNOR ELECT – 306B**

Congratulations and best wishes to you install New Club Officers for the Lionistic Year 2003 – 2004.

In this aspect your Club in existence for the past 14 years had extended this opportunity to Lion members of your Club without prejudice to accept leadership and continue the good work of their predecessors.

My Lion Lady Priyaneetha joins me in wishing all success to the incoming Club Officers to achieve excellence in Lionism.

## MESSAGE FROM THE CABINET SECRETARY

*Dear Lion V. Sockalingam President N.L.C*

I am indeed happy to be associated with you at least by way of a message when you are installing your new Club Officers for year 2003/2004.

The happy moments that we shared with you when we visited your region with District Governor Lion O'Regan Pinghe in October 2002, and the number of very noble service projects carried out to mark the visit are still very fresh in our mind.

We were very happy to note that you and your club were rewarded at the twenty fifth annual convention of the District for the invaluable contributions you had made in pursuit of District Governor's service call QUEST FOR THE BEST.

Whilst thanking you for whole-hearted support and cooperation extended to me which made my task as cabinet secretary a very pleasant and enjoyable one, I am sure members too can be proud of the excellent leadership given by Lion Sockalingam to your club as president to reach for new heights in service and administration.

My Lion Lady Leema joins me in wishing the incoming president, the principal club officers and all the Lions and Lion Ladies of Nallur a very successful year of accomplishments in your service effort of REACHING NEW FRONTIERS under the stewardship of incoming District Governor Lion Dr. Rohan Perera.

**Lion Boniface Fernando**

## EDITOR NOTES

I thank the members of Nallur Lions Club for entrusting the task of publishing the souvenir to me this year also. Earlier it was decided to have the installation ceremony during July 2003. But the installation ceremony and to publication of the souvenir has to be advanced to June to avail the opportunity of the visit of the vice District Governor Elect and other Lion dignitaries from Colombo. Therefore the publication of souvenir could not be brought out as planned earlier. However in the midst of my acting secretary work I am in a position to bring fourth the issue with the help of the members, printer and well wishers. My special thanks are due to those member and non members who have given advertisement and messages of felicitation for this souvenir.

## LIONS CHARTER ANNIVERSARY (14<sup>TH</sup>)

A club's "Birth day" is celebrated on its charter anniversary day and is usually on a convenient day fixed during the official visit of the Governor. Northern Clubs combine this event usually towards the end of their Lionistic year with the installation of office bearers for the ensuing year.

### *What is a charter?*

When 20 or more persons come together with an intent to form a Lions Club, and having obtained the approval from the District Governor Lions International through their sponsor club, an organization report is submitted, dues are then collected and the International share of same is paid. The sponsor club then fills out an "Application for charter form" and submits to the International. If the International is satisfied that all requirements have been met and the proposed members have agreed to abide by the constitution and the aims and objectives of the Association, a charter certificate is issued by the international admitting the club as a member of the Association. This certificate is signed by the Int. President and the Executive Secretary and contains the names of the charter members. Charter membership closes 90 days after the date of the club's application or at its actual presentation, whichever occurs first.

Lions international emphasizes on the importance of celebrating the charter anniversary every year.
