GOVERNMENT CONTRACTS.

THE under-mentioned particulars of Contracts approved by Government for Supplies during 1894 are published for the information and guidance of Heads of Departments. In order to avoid delay in making up store returns and claims for articles issued, which arises from the practice of Indenting departments including in the same requisition stores to be procured from several contractors. Departments applying for stores in future are to furnish separate requisitions to correspond with the different contracts for each section of stores.

By His Excellency the Governor's command,

E. NOEL WALKER, Colonial Secretary.

Colonial Secretary's Office, Colombo, December 13, 1893.
