Message from the President

I want to thank you all for taking the time to be with us this evening, to celebrate our journey as a premier cricket academy.

This year marks seven years since the Markham Cricket Academy's inception in 2007. The academy has grown to become one of the best cricket teams in Toronto.

The Academy has produced teams who won the U15 Conference and Division Championships, became Under-13 conference Division Champions T&DC Tournament. In addition, our team entered and won the first ever Markham Premier Cricket League Championship. We also have the honour of introducing our cricket tournament - The 2014 Markham Mayor's Cup. The Markham Sixes represented by Markham Cricket Academy won the Championship and we were proud to have one of our players, Mr Aran Pathmanathan selected in Ontario squad Mr. Stephan Rajasingam, selected for the 2014 Canadian Under 19 National Squad.

The Markham Mayor's Cup is the crowning achievement of our plan to create a North American youth cricket league in association with the academy. It gives a new opportunity to develop and promote the game of cricket among youth across Canada. We were able to organize a regional tournament that brought youth from Markham, Mississauga, Brampton, Scarborough, Durham and other cities in Ontario together to compete in a league tournament. It is our hope that in the years to come the Markham Mayor's Cup will extend to cricket teams across Canada. It is the first of its kind in this country and I am humbled to have seen the dream become reality. This tournament provides an outlet for youth, particularly those from newly settled immigrants to Canada, giving them the chance to play competitive cricket with their peers.

We also delighted to say we have our own indoor facility for cricket. For an academy that is only seven years old, these are significant achievements which would not have been possible without the support and generous donations that you have extended as our sponsors, friends and supporters.

The academy exists for boys who enjoy the game of cricket. I have watched each one who takes part in the academy develop confidence and build upon their experiences, learning new skills and gaining greater knowledge of the sport. Their dedication, commitment and talent have not gone unnoticed. I have every confidence that many of them will go on to achieve greater heights in the game of cricket in Canada.

It would be remiss if I did not also express my wishes and acknowledgement of our 11 and under beginners at MCA. I am so pleased with their healthy and active participation striving to perform their house matches with excellence. It brings a smile to my face to see their self-confidence, team spirit, courage and commitment while playing. Congratulations to all of you!

Our academy is known for its status as an organisation with high standards. There have been many who helped me to achieve this. First, I want to thank my wonderful wife and my beloved children. You sacrificed your time and voluntarily gave yourselves with dedication and pride. You were always there to encourage me to follow my dreams, to see MCA become what it is today and for the game of cricket to grow and thrive here in Canada. I would like to thank my coaches. Coach Kishav Sukhu, thank you for standing by me through thick and thin. You have been a real strength to the boys and me. I reserve my sincere gratitude to Coaches Kishav Sukhu and Rajamohan Samuel. Your dedication and care to train our teams is, in a word, brilliant! On behalf of Markham

Cricket Academy. I want to thank many parents who have contributed their valuable time especially, Mr. Muhammad Arshad Rafiq and Mr.Sutharsanan Thambithurai, Mrs. Yoga Patman their undivided encouragement and participation throughout and made sure the players looked after and properly guided. My heartfelt thanks go out to all of you. It is my hope that you will continue to give your utmost assistance, guidance and training of the teams well into the future.

My message would be incomplete if I fail to recognize Honourable Radhika Sitsabaiesan, Member of Parliament, Her Excellency The premiere of Ontario Kathleen Wynne, The member of Provincial Parliament for Markham-Unionville, Michael Chan, Honorable Bal Gosal, Minister of State (Sport), Honorable Shelly Glover, Minister of Canadian Heritage & Official languages, His Excellency Mayor Frank Scarpitti, Town of Markham, Logan Kanapathy, the future councillor Ward 7, Town of Markham, Ms.Junita Nathan, the future Trustee –York Region District School Board, Town of Markham, Ward 7 & 8 and Neethan Shan, Candidate-City Councillor Scarborough Rouge River ward 42 those who have given felicitation messages. It is indeed overwhelming to know that you took the time apart from your busy schedule to attend this function and mark the 7th annual award night, making it a big success. The sponsors, the media and the well-wishers who have supported in their own way, encourage and contributed to creating a successful year for the MCA, not only in terms of our victories in the tournaments but also development and future of the Academy- my students- your children and our citizens.

I cannot end without extending my thanks and gratitude to the encouragement and support of the parents. You play an important role in the ongoing success and sustainability of this academy. Without you we would not have been able to move forward. I want to thank each and every one of you who came and cheered the team, brought food and beverages, gave advice were there for our teams.

Last but not least, I want to thank our wonderful group of intelligent, hardworking, talented boys who really are the ones who made this event possible. I felt like a proud father to all of them. They know I care them deeply and have their best interest at heart which is most important for me. Our coaches and I have worked with them and tried to impress upon them a sense of discipline, team work and new skills to prepare them not only to be great cricketers but also responsible citizens as well. It is my hope that this Academy to continue to flourish at its peak level.

Thanks & Regards

Gerard Rajendram

MESSAGE FROM MAYOR SCARPITTI

On behalf of Members of Council and the City of Markham, I am pleased to extend a warm and sincere welcome to everyone attending the *7th Annual Award Night Celebrations 2014* hosted by the Markham Cricket Academy.

I appreciate the dedication and commitment of the Markham Cricket Academy in promoting cricket in our community and ensuring that players are taught the skills and discipline required to become outstanding cricketers.

I congratulate the Markham Cricket Academy on their success as one of the best cricket teams in the GTA, having won the U15 Conference 1 & 2 and Division Champions, U13 Conference and Division Champions 2014 T&DCA Tournament. It's exciting to see your squad, newly entered and won the Championship in the Markham Premier Cricket League.

Cricket is more than fun – it teaches us life skills that can be used off the field. Through sports, our youth participate in healthy exercise, advance their personal skills, learn leadership, and share in positive camaraderie. They also learn to win, and lose as a team. I commend the dedication and commitment of the coaches, parents, sponsors and volunteers for providing time and leadership to teach our young athletes about cricket and sportsmanship.

The City of Markham is proud of its multicultural demographics and the passion for the game of cricket. It leaves no doubt that our province has one of the most effectively run academies in the country not to mention one of the strongest too!

As Mayor, I am proud of your contribution to our community, and I extend best wishes to all of you for a most enjoyable evening.

Yours sincerely,
