### **MESSAGE FROM THE PRESIDENT**

*We are publishing this Souvenir to commemorate the Sixth Annual Sports Festival, organized by the JSSA Canada. Once again I welcome you all to this most awaited and unique event.*

*We have enjoyed with eagerness its progress during the last six years in the field of sports. The rapid growth from year to year with the membership of the schools growing up to fifty as we reach the millenium year, is a testimony to our marvelous achievements.*

*Our Fifth Annual Badminton Tournament took place on Saturday, May 20, 2000 at Centennial College which was a great success. We had six different age groups from under - 15 to Over - 50 ( Both Sexes) and mixed doubles for Under-40 & Over-40. More than 100 players participated. I wish to thank the sponsor and Chief Guest Dr. Shan A. Shanmugavadivel.*

*Today we invite each and everyone of you to share the joy of being part of the J.S.S.A. to celebrate the Sports Festival and encourage the participants. Let us unite as one family for the benefit of our future generation. May J.S.S.A survive and continue to promote unity, love, dedication, encouragement and hope in the years to come.*

*I would like to thank on behalf ov the J.S.S.A Canada the Sponsor and Guest Mr. P Kayilasanathau. The Guest of Honor Mr. V Suntharathas. the members of the Executive Committee, Members of the Sub Committees, the officials, the participants and the spectators for their support and co-operation to make this year's Sports Festival a Success.*

*Long Live and God Bless J.S.S.A.-CANADA.*

*A. Jogaratnam*

## **Message from the Guest of Honor .....**

*I am greatly pleased, elated and personally honoured to give this message as the Guest of Honour for the J.S.S.A's Sixth Annual Sports Festival especially so in the Olympics 2000 year*

*I have been closely associated and to a great extent involved with the J.S.S.A Jaffna as an athlete from St. John's College and later Jaffna College and after some years later as a Judge/Referee when I was a teacher at Jaffna Hindue College and the Principal at Manipay Memorial English School. Here too I have been serving in the Executive Committees and also as the announcer both for the Badminton tournaments and the J.S.S.A Sports Festivals.*

*J.S.S.A has been established to promote, encourage and sustain the spirit of Sportsmanship in all its sporting activities. J.S.S.A need to be complimented and congratulated for providing this great opportunity to the members of our community and to the sportman and sportswoman to come together for a day to achieve, relax and enjoy.*

*In this context, mention must be made about the dedicated efforts, the continued hard work by the President and the different committees. The depth of their knowledge, the breadth of their experience and the length of their involvement have brought J.S.S.A to their meritorious and praiseworthy level.*

*A special message to our younger generation. Approach life's problems with fortitude, self-control and with a sense of balance nurturing proper values and attitudes while maintaining disciplined enthusiasm in whatever you do. Believe in the Latin dictum "Mens sana in corpora sana" meaning a sound mind in a sound body*

*My best wishes go to all the participants, individuals and teams - to make this day a wonderful one. Have the physical and mental courage - an unflinching resolution to persevere to the end, so to say till the last whistle is blown transforming adversity into triumph; yet, develop the culture of uncomplaining acceptance of defeat on or off the field. Win with humility; lose with dignity.*

*Finally my humble request to the J.S.S.A :*

- 1. To try to float a sports scholarship fund to encourage the latent talents in our younger generation.*
  - 2. To organise a table - tennis tournament as well.*
- May the J.S.S.A grow from Strength to Strength!*

*Thank You,*

***Yours-in-sports***  
***V. Sunthartha.***

## **JAFFNA SCHOOLS SPORTS ASSOCIATION - CANADA**

Message from the General Secretary - J.S.S.A. Canada

*Welcome to the Sixth Annual Sports Festival at Birthmount Stadium, for another enjoyable day of participating and witnessing Netball, Cricket, Soccer, Volleyball and Relay events. I am happy to announce that this year we have 50 schools participation in the millennium's first Sports Festival conducted by J.S.S.A. Canada. I am certain that the participating schools in this year's events will all benefit once the day is done. The Annual Sports Festival has grown more than a place to compete but now a meeting place for friends and colleagues from Canada and other parts of the world during the summer holidays. The introduction of exhibition children soccer under twelve, will no doubt add an interest to the already exciting program.*

*In participation in this friendly competition, the players and spectators remember the old happy times they had experienced in their respective schools back at home and the contribution that these schools had made to shape their future. For a people living and working in an alien milieu, events such as the Sports Festival provide a chance to recapture and relive the spirit of togetherness and a sense of belonging, which have been disrupted by events beyond their control.*

*I would now like to offer our warmest thanks to my colleagues, the alumni associations and their members, who have extended their co-operation and support to conduct this year's Annual Sports Festival. Without your generous commitment to J.S.S.A., this day would have never been possible.*

*Good Luck to all the participation schools and have an enjoyable day.*

*Anton K. Sandrasagra*

### **Message from the Chief Guest .....**

*I have great pleasure in sending this message to the J.S.S.A. on the occasion of their seventh anniversary sports festival.*

*It is gratifying to note that the J.S.S.A. has celebrated the event successfully for the past six years, thus following their high traditions and fostering healthy competition in sports...*

*As expatriates from Jaffna, we recall with pride that the J.S.S.A. in Jaffna had been doing an admirable service in promoting sports activities among the Jaffna youths. Their members had often successfully competed with sports associations in other parts of Sri Lanka.*

*The J.S.S.A. in Canada is determined to maintain and enhance their glorious record.*

*I congratulate the J.S.S.A. in Canada and wish them all success*

*P. Kayilasanathan*
