## WORDS FROM OUR PASTOR, REV. DR. ALBERT JEBANESAN

Dear TCCC family and guests,

At one of our meeting last year, the need for us to have a Church Fair at TCCC was mentioned. I write this message acknowledging the tradition of generosity members of the TCCC have shown in helping the least advantaged and in supporting social programs. I am grateful to our own church members for supporting our outreach programmes to alleviate human suffering due to natural and man-made disasters in Canada, Sri Lanka, India and the rest of the world.

Our social and moral teaching requires that we never turn our eyes and our help from those who are hurting, those who are living on the margins. The Covenant demands that we always reach out to them. Scripture tells us in Matthew 25 that what matters in the end is our ability to answer the question "When did we see you Lord?".

**For I was hungry and you gave me food. I was thirsty and you gave me drink. A stranger and you welcomed me. Naked and you clothed me. Ill and you cared for me. In prison and you visited me.**

I am really *very* excited that we are having a Church Fair this year and I encourage us all to get involved. The idea is that no one will be excluded from this day of Church Fair, which will include fun for everyone, games, food, entertainment, etc.

அன்பான திருச்சபை மக்களுக்கு,

கடந்த வருடத்தின் நடுப்பகுதியில் ஆலயத்தில் அறுவடைத் திருநாள் நிகழ்வினை வைக்கவேண்டும் என்ற கருத்தை வழிகாட்டியொருவர் முன்மொழிந்தார். தமிழ் கிறிஸ்தவ திருச்சபை எப்போதும் தேவையுற்றோருக்கு உதவும், சமுதாய மேம்பாட்டுக்கு ஊக்கமளிக்கும் அமைப்பாக இயங்கி வந்திருக்கிறது. இலங்கை, இந்தியா, கனடா போன்ற நாடுகளில் மனிதன் உருவாக்கிய அல்லது இயற்கை அனர்த்தத்தினால் ஏற்பட்ட அவலங்களுக்கு நாம் திருச்சபையாக உதவியதை நன்றியோடு நினைவு கூருகிறேன்.

மனிதர்கள் பாதிப்புகளை சந்திக்கும்போது, வாழ்வின் விளிம்பை நோக்கி பயணிக்கும் போது, உதவிக்கரம் நீட்டுவது என்பது, கிறிஸ்தவ அறநெறி சார்ந்த நமது பொறுப்பு. மத்தேயு 25 இலே நாம் பதிலளிக்க வேண்டிய வினாவொன்று முன்வைக்கப்படுகிறது. ஆண்டவரே உம்மை நாங்கள் எங்கே கண்டோம் என்ற வினாவுக்கு நமது பதில் என்ன?

**வஸ்திரமில்லாதிருந்தேன், எனக்கு வஸ்திரங்கொடுத்தீர்கள் வியாதியாயிருந்தேன், என்னை விசாரிக்க வந்தீர்கள் காவலிலிருந்தேன், என்னைப் பார்க்கவந்தீர்கள்.**

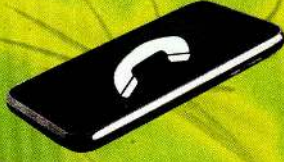

இவ்வருடத்திலே ஆலயத்தில் அறுவடைத் திருநாள் நிகழ்வு நடைபெறுவது மகிழ்ச்சியான விடயம். நாமனைவரும் ஒன்றுசேர்ந்து இந்நிகழ்வை சிறப்புற நடத்த வாழ்த்துக்கள்.

## **SHALOM PROJECT - Empowering War Widows & Children for Shalom**

### **Progress report for the period of April 1<sup>st</sup> 2017 – March 31<sup>st</sup> 2018**

The goal of this project is Empowering war widows for their skills development and enable their children in education and training towards a cohesive community development.

Objectives are:

- O.1. Empowering Women groups of 5 villages towards Social Development (300 women).
- O.2. Empowering a total of 300 women with life-skills (100 stage 1, 200 stage 2), and income generational support by way of seed capitals, training etc.
- O.3. Support a total of 500 children with catch up education (evening / holiday) classes and provide them necessary nutrition
- O.4. Support 100 homes to have basic furniture for education (table, chair and small rack)
- O.5. Provide top up educational utensils for 200 school going children during the middle of the year.
- O.6. Equip a total of 10 ill-equipped schools with basic library facilities and minimal recreational (both in-door and out-door) facilities

Below are the details of key project activities/deliverables that have been accomplished towards meeting the objectives stated above.

#### **1. Training of Self Help Groups (SHGs):**

- a. Regional Training programs held for 30 Community Leaders from Vellankulam, Madukkarai, Periyamadu, Vannerikulam and Navajeevanam villages on SHG setup and ongoing support
- b. A Training Camp held to provide basic training in SHGs to war widows and 150 women attended the training camp.

2. Children's Clubs on weekends – These are held in 5 villages, 2 in each village. Each club has more than 50 children attending and benefitting by these clubs, which focus on study and play activities. Since the mothers go for work, the children are left behind alone at home and these clubs provide a safe place for the children to be and they also provide a learning environment for them. In addition, some of the children don't have anything to eat until the mothers return home. Therefore, the Saturday lunch provided in the clubs is appreciated by all.
3. Evening classes are conducted by teachers (stipend paid) to enhance the children's learning experience and also help them with their homework.
4. Work has commenced in providing basic furniture for education (desks and chairs) for 100 children.

Note: Mothers have expressed gratitude for the furniture, but have appealed to us to give the children school books every year. The teachers had mentioned that now these children come to

school because we had given them school books and bags at the end of last year.

They wish us to continue this program. This activity is expected to cost at least Rs.500,000/- per year.

5. Library & recreational Facilities:

- a. Cupboards and story books were purchased. These books are available for borrowing/return by the children thus helping them to develop their reading skills. The Mothers have also requested story books for their reading pleasure.
- b. The children have been given, volley balls, badminton racquets and board games for their leisure activities.

6. Scholarships were approved (funded by TCCC) for 6 children who were qualified for the University entrants @ Rs.25,000/- each. Only 3 were given the scholarships as two got married and did not go onto the university and one was not given the entrance. The remaining funds (3 that didn't go to university) are available for future scholarship.

7. The overall project monitoring is done by the committee through Monitoring visits and Executive coordinator visits with accommodation. These visits are carried out regularly.

The project was able to accomplish most of the objectives stated above, but at the same time, through input from the widows and observations by the volunteer staff, the consensus is that the women are not yet ready for the implementation of SHG program. They are still struggling with poverty and trying to live with their day to day labour wages. That too depending on whether work is available. They do not have an income earning program of their own to start the SHGs.

Their appeal to us is to provide them with income earning programs such as providing financing to purchase goats, cows, poultry etc. to rear and sell the milk/eggs to generate income or help them with the Ground nuts cultivation etc. Some were into Home Gardening but due to broken water pumps they are unable to continue.

Therefore, for the next phase, our request is to support the following with the committed funds.

1. Implement income earning projects that they have requested with the money set aside to implement the SHGs
2. Invest in purchase of school books instead of future spend on furniture - desks and chairs?
3. Provide funding for purchase of bicycles @ one bicycle per family to help with income generation activities and for children to go to school as well as for the older children if any, to go to Killinochchi for tuition classes.
4. Provide funds for Young school leavers to pursue some form of vocational training. Support A level students to go to Killinochchi for their Tuition classes.
5. Funds to be set aside to help the elderly women with their medicines and hospital visits.

The Shalom executive committee thanks the Tamil Christian Church of Canada for their financial support and partnership in this worthy endeavor. We look forward to working with you to help the War widows and Children reach their God given potential.

## Hearing aids help keep the brain fit

Did you know that untreated hearing loss in older adults has several health-related consequences, including negative effects on the brain? It probably wouldn't surprise you to learn that the brain structures responsible for sound and speech shrink faster in older people who have hearing loss, but hearing loss can also affect overall brain size and function, including memory.

It's because the areas of the brain responsible for sound and speech don't work in isolation – they have other roles, including being involved in the early stages of mild cognitive impairment and Alzheimer's disease.

The best defense is a good offense! A hearing aid can help keep our brain fit, especially in our golden years. Treated hearing loss means improved (and likely more) communication, as well as active stimulation of the brain. Without treatment, you, your parent, or your grandparent risks faster mental decline and dementia, including trouble with memory and problem-solving.

Take action as soon as you notice signs of hearing loss in yourself or a loved one. It's important to see a hearing professional for testing, advice, and treatment.

## HOW TO PRAY FOR YOUR CHILD

1. Pray NOTHING hinders your child from accepting Christ as his/her personal Savior early in life (Matthew 19:14).
2. Pray your child learns to know God and will have a deep desire to do God's will for his/her life (Psalms 119:27, 30, 34, 35).
3. Pray child hears stories from the Bible that will be a basis for his/her decisions throughout life (Ecclesiastes 12:1, Psalms 71:17).
4. Pray child will-develop a keen sense of right and wrong and that he/she will truly abhor evil and cling to that which is good (Psalms 139:23-4).
5. Pray child will increase in wisdom (mentally) and in stature (physically) and in favor with God (spiritually) and man (socially). (Luke 2:52). This prayer covers his/her total development to his/her full potential.
6. Pray that child will develop a thankful heart and a positive mental attitude (Psalm 126:2-3, Romans 8:31).
7. Pray that God protect child from Satan and his/her wiles in every area of his/her life (John 17:55, Psalm 121).
8. Pray that God would destroy the enemies in his/her life whether they be weaknesses, lying, selfishness etc. (Psalms 120:2; 140).
9. Pray that God would make him/her successful in the work God has for him/her to do (Psalm 118:25, 139:9-10).
10. Pray he/she have a strong sense of belonging to a family that is loving and dwells together in unity (Psalms 133, Colossians 3:12-14).
11. Pray he/she will respect authority (Romans 13:1, Ephesians 6:1-4).
12. Pray that his/her entire life will be a testimony of the greatness and love of Christ (Philippians 2:15-16 Thess 5:2-3).

If you pray one of these a month, you will have your child covered for a year!

## TCCC – our history

During the past thirty to forty years, most Western countries had experienced a growing religious diverse society. Immigration from non-Western countries to Europe, United States and Canada in the 1960s and 70s altered the ethnic and religious landscapes in the host societies. Due to an influx of immigrants from India and Sri Lanka beginning in the 70s and 80s, it is reported that the first Tamil carol service was held in the year 1971 with the gathering of 25 people in Canada.

This service continued from 1971 – 1973 and the Good Friday service was added to the annual Carol service in 1974. Christian from both India and Sri Lanka (Ceylon) joined together to have common Tamil services in 1976. In 1980, Bible study groups were formed. In 1983, a thanksgiving service was included. In 1985, a committee was formed to oversee the Christian work among the Sri Lankans, Indian and Pakistanis in Toronto. An average of 150 – 175 people attended the Tamil worship services held at the West Ellesmere United Church, Scarborough, Ontario. The first monthly Tamil worship service was introduced in 1986 organized by a voluntary committee. A Church committee was duly appointed to manage the affairs of the Church in 1986. The Church committee appointed a subcommittee to draft the constitution, by-laws and statement of faith. The Tamil Christian Church of Canada (“TCCC”) was formally registered on November 24, 1986 and became a charitable organization on February 10, 1987.

The Church decided to have two services a month starting in 1988. In 1991, the church moved to St Paul’s L’Amoreaux, Scarborough, Ontario. Due to the growing congregational needs, on January 1, 1994 the church moved to the Bridletowne Park Church, Scarborough, Ontario. The TCCC was also recognized as a denomination with the Office of the Registrar General of the Ministry of Consumer and Commercial Relations, Ontario. This has given TCCC pastors the ability to solemnize weddings in the Province of Ontario.

The TCCC general body approved the affiliation with the Wesleyan Methodist Church (“WMC”) in 2014. The District governing body of the Wesleyan Methodist Church unanimously approved the affiliation between WMC and TCCC on February 13, 2015. The TCCC general body decided to move to the Milliken Wesleyan Methodist Church in Markham, Ontario on September 6, 2015.

The above milestone summary statements are meant to set a general framework to help the church move forward in a united effort.

Our purpose is found in Matthew 28: 18 – 20 - Share Christ, build disciples and move *Towards a Christ Centered Community*.

We believe this is what God has called the Church to do.

## WHAT I LEARNED

I've learned - that it's not what you have in your life but who you have in your life that counts.

I've learned that no matter how thin you slice it, there are always two sides.

I've learned - that you can do something in an instant that will give you heartache for life.

I've learned - that you should always leave loved ones with loving words. It may be the last time you see them.

I've learned - that either you control your attitude or it controls you.

I've learned - that money is a lousy way of keeping score.

I've learned - that sometimes when I'm angry I have the right to be angry, but that doesn't give me the right to be cruel.

I've learned - that true friendship continues to grow, even over the longest distance. Same goes for true love.

I've learned - that maturity has more to do with what types of experiences you've had and what you've learned from them and less to do with how many years you've lived.

I've learned - that you should never tell a child their dreams are unlikely or outlandish. Few things are more humiliating, and what a tragedy it would be if they believed you.

I've learned - that no matter how good a friend is, they're going to hurt you every once in a while and you must forgive them for that.

I've learned - that it isn't always enough to be forgiven by others. Sometimes you have to learn to forgive yourself.

I've learned - that no matter how bad your heart is broken the world doesn't stop for your grief.

I've learned - that just because two people argue, it doesn't mean they don't love each other and just because they don't argue, it doesn't mean they do.

I've learned - that your life can be changed in a matter of hours by people who don't even know you.

I've learned - that even when you think you have no more to give, when a friend cries out to you, you will find the strength to help.

I've learned - that writing, as well as talking, can ease emotional pains.

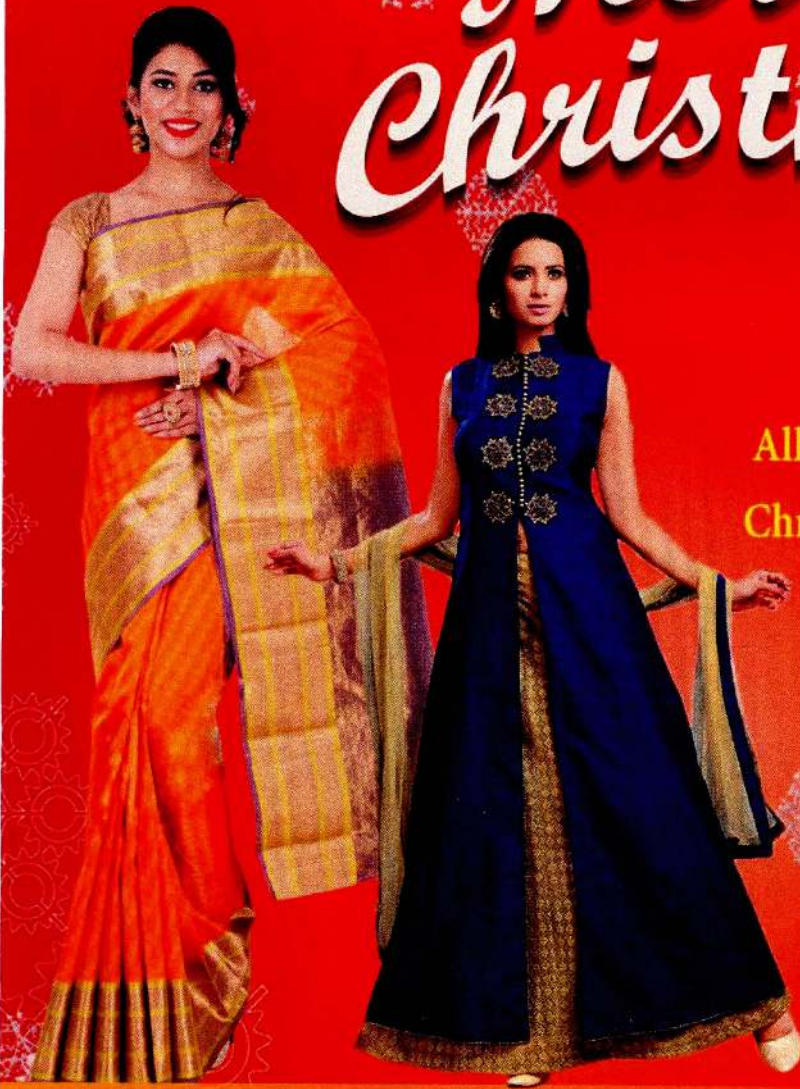

I've learned - that credentials on the wall do not make you a decent human being.

I've learned - that the people you care most about in life are taken from you too soon.

# TOP TEN REASONS TO BELIEVE IN THE CHRISTIAN FAITH

1. **The Credibility of Its Founder:** Peter spoke for Jesus' closest followers when he said, "Lord, to whom shall we go? You have the words of eternal life. We believe and know that You are the Holy One of God." (John 6:68-69)
2. **Reliability of Its Book:** The integrity of this historical and geographical record is supported by archeology. The Bible continues to speak not only with spiritual power but with convincing prophetic accuracy.
3. **Explanations for Life:** It is the Christian faith that reflects a caring attention to detail so evident in the species and ecosystems of the natural world. It is Christ who clothed himself in our humanity to feel what we feel and then to suffer and die in our place.
4. **Its Continuity with the Past:** The Christian faith offers continuity with our deepest ancestral roots. Those who trust Christ are accepting the same Creator and Lord worshiped by Adam, Abraham, and Solomon.
5. **Its Foundational Claim:** The first Christians were witnesses. They risked their lives to tell the World that with their own eyes they had seen an innocent man die and then miraculously walk among them 3 days later.
6. **Its Power to Change Lives:** Not only were the first disciples dramatically changed but so were their worst enemies. Paul was transformed from a killer of Christians into one of their chief advocates (Galatians 1:11-24)
7. **Its Analysis of Human Nature:** The Bible says that society's real problems are problems of the heart. In an age of information and technology, failures of character have scandalized institutions of the family, religion, and the arts.
8. **Its View of Human Achievement:** Generation after generation has hoped for the best. We have conceived technologies that will deliver us from the oppressive slavery of work. Yet we are as close as ever to what the New Testament describes as the end times. (Matthew 24:5-31)
9. **Its Impact on Society:** From roof tops to necklaces to earrings, we see the sign of the cross, bearing visible witness to Christ's death. Social relief agencies have been fueled by the direct or residual values of The Bible.
10. **Its Offer of Salvation:** No other faith offers everlasting life as a gift to those who trust the One who has overcome death for them. No other system offers assurance of forgiveness and adoption into the family of God.
