Secretary to Council.

ABSTRACT of the Regulation of Government No. 9, 1825 consolidating and amending the former Regulations respecting the Collection of Sea Customs in Ceylon.

THE Duties on Goods imported and exported are in general levied according to rates stated in certain Tables herewith published.

In the instances of articles not enumerated in the Tables, the Importer shall produce his Invoice, and shall be charged duty on the value at the rate of 5 per Cent on Goods the produce of Europe imported in British Vessels, and at the rate of 10 per Cent on other goods likewise imported in British Vessels; and $7\frac{1}{2}$ per Cent on goods the produce of Europe imported in foreign Vessels and 15 per Cent on other goods in like manner imported in foreign Vessels.

Where no Invoice exists, or that produced is suspected, the Collector shall appraise the goods at his discretion.—(V. C. 4.)

If the owner be dissatisfied, three appraisers, one to be appointed by the Collector, another by the owner, and they two to choose a third, are to value the goods, and the decision of two of them is final.—(Vide Clause 4.)

Cotton Cloths the duty levied upon which, as specified in Tables No. 1 and 2 depends upon the Assortment of the Cloth, as assorted by the Importer, and if the Custom House Officers are not satisfied with the assortment, it is referred to three arbitrators, one named by the Collector, the second by the Importer, and they two to choose the third, and their decision is final. If the Importer has put more than a third of any particular portion of his Cloth into an inferior class, he shall be liable to pay double duty.—(V. C. 5.)

Such Cloth as is to pay *advalorem*, is to be appraised by the Government appraiser at its price in this market, subject to reference to appraisers chosen as above mentioned.—(V. C. 6.)

Where duty is ascertained from Tables, or by assessment on appraised value, if the goods are imported in Foreign Vessels, one half more is to be added to the rate excepting it shall be made appear by the Master &c. of such Foreign vessel that at the Ports of the Country to which such Vessel belongs, similar articles if exported to this Island in British vessels are only liable the same rates of duty as if exported in vessels belonging to the said Country.—(V. C. 8.)

Goods exported in Foreign vessels liable to a duty of eight per Cent ad valorem over and above the duties on such goods when exported in British Vessels; unless it shall be proved that no higher duty is levied in the Ports of the Country to which such Foreign vessel belongs on such articles, when imported in a British vessel, than when imported in the Vessels of that Country itself, and that such articles when so imported in British Vessels are entitled to the same privileges and advantages with respect to Warehousing, and internal consumption, or otherwise, as when imported in vessels belonging to such foreign State.—(V. C. 9.)

Neither British nor Foreign vessels may bring from any foreign Country, articles composed of Cotton, Steel, Iron, or Wool, of foreign manufacture.—(V. C. 7.)

Spirits may be warehoused without payment of warehouse duty as long as convenient.—(V. C. 29.)

And be re-exported on payment of one-tenth of the Import duty.—(V. C. 29.)

No spirits can be removed for Island consumption, or exported but in the same Packages as imported; and remain at the risk of the importer while in the Custom House.—(V. C. 29.)

In case of goods alleged to be damaged during the voyage and after shipment at the port of Export, the Collector of Customs being first satisfied that the damage did so occur, is to view the same, or on the request of the importer to cause the same to be inspected by two indifferent persons, whom the Collector may select; and on such view or inspection to frame a report of the quantum of damage, on which, the same being approved by the Commissioner of Revenue, a proportionate abatement of duties may take place.—(V. C. 10.)

No goods shall be landed until the Ship's paper and a full Manifest of Goods on board are lodged at the Custom House.—(V. C. 41.)

But the Certificate of Registry or Sea Pass of Vessels of or exceeding 150 Tons burthen, need not be lodged at the Custom House, but must be exhibited to and examined by the Collector of Customs previous to landing Goods therefrom, unless such vessel have transactions with Government, or shall have brought Troops to this Island, and the Master of such Vessel must, previous to any goods being landed for Trade, enter into bond to the King, in a sum not exceeding Three Hundred Pounds, for the due observance of the Regulations for the Customs and the duties of the Port, in respect to the Vessel and all goods therein imported or to be exported in her. The bond to be cancelled on the Port Clearance being taken out previous to the vessel quitting the Port. No such Bond however required if the Master prefer lodging his Register as before enacted.—(V. C. 42.)

No Goods may be exported from the Island for Trade on vessels not regularly entered at the Port of Export.—(V. C. 45.)

Goods exported or attempted to be exported contrary to this rule are to be confiscated and owner liable to a fine of double the value.—(V. C. 45)

If it shall appear, that any goods have been on board, not mentioned in the manifest, either by search (which Custom House Officers are authorized to make) or otherwise, the Commander or principal person on board who gave in the manifest, shall be liable to a penalty equal to the value of such goods, to be ascertained by appraisement; and the goods if landed are liable to double duty.—(V. C. 41.)

* All Square rigged or other coasting vessels belonging to Ceylon, are to be registered in the Custom House of the District to which they belong.—(V. C. 37.)

* The Registry to be kept, agreeable to forms furnished by Government.—(V. C. 37.)

† The owner of every such vessel to provide himself with a Certificate of Registry, to be kept on board the vessel always, except when she is in port, at which time it is to be lodged in the Custom House.—(V. C. 37.)

GOVERNMENT ADVERTISEMENT.

IT Having become expedient to assimilate the rates of Boat hire of Artificers, and of Coolies and other Port Charges at the Ports of Colombo, Trincomale and Galle to the present Currency of the Island being British Sterling Money, and to make certain fractional alterations in converting the same. His Excellency the Governor with reference to the Regulations of Government No. 13 and 19 of 1824 is pleased to direct that the following Schedule of rates be substituted and established at the aforesaid Ports accordingly and charged on all such occasions to which they refer.

With respect to the charge for Anchors and Grapnels, His Excellency desires it may be distinctly understood that it is not the intention of Government to interfere with the Merchants or other Individuals in supplying the Public in General, and that the charge is merely inserted, that in cases of necessity from the absence of other means of supply, a fixed rate may be made known at which Anchors and Grapnels can be had from Government.

By His Excellency's Command.

(Signed) JOHN RODNEY,
Chief Sec. to Govt.

Chief Secretary's Office,
Colombo 21st December 1825.
