INTRODUCTORY NOTE

The year 1945 saw the Centenary of the Royal Asiatic Society of Ceylon. During this period, Thirty-Six volumes, comprising One Hundred numbers of its Journal, have been issued, and this INDEX OF CONTENTS is, therefore, presented as a companion to these numbers. Although errors and omissions may have occurred unwittingly, nevertheless the Compiler hopes that the work will prove useful to readers of the Journals. References under Author, Title, sub-title, etc., of each paper are given.

The Compiler offers his thanks to Dr. P. E. Pieris, C. M. G., and Major Aubrey N. Weinman, Librarian, Colombo Museum, (now on War Service), for encouragement and assistance in the compilation.
