2.—The Chairman of the Committee, on receiving an application for a Loan, will forward the same together with the Title-deeds to the Trustees, who, if satisfied as to their legality, will cause the property to be appraised, and examine the sureties as to their sufficiency.

Its object is to relieve the really necessitous, and, as far as possible, to suppress mendicity in the Settlement; and the means employed for the attainment of these objects are the personal investigation of the cases referred to the Society for relief; the detection and exposure of the pretences of unworthy objects; the relief of the really necessitous, either temporarily or permanently, as the cases require, and the funds of the Society admit; or by obtaining for them relief from other sources, or the means of employment, if capable of working.

The Committee meet for the despatch of business, on the last Friday of every month, at seven o'clock p. m., in the Vestry of St. Paul's Church.

THE CEYLON MISSION

OF THE CHURCH MISSIONARY SOCIETY.

The Mission was first established in this Island in the year 1818. It has *four Stations*; viz., COTTA, KANDY, NELLORE, and BADDAGAMA. *Nine* Missionaries in Holy Orders, *ten* Catechists, and *ninety-seven* others, being probationary Catechists, Native Schoolmasters &c.; making in all *one hundred and sixteen* Labourers.

There are *forty* stated Congregations with an average attendance of *two thousand four hundred and eighteen*. The number of regular Communicants is *one hundred and thirty three*. It has *fifty eight* Schools, containing *two thousand four hundred and sixty two* children [2036 boys, and 426 girls] besides *seventy one* Seminarians, and Institution Youths, all of whom, except two, are boarded, clothed, and educated at the expense of the Society.

The whole of the Holy Scriptures, and the Book of Common Prayer, have been translated into the familiar Singhalese, and printed at the Cotta Press; besides many Elementary School Books, and a large number of Religious Tracts which have been circulated, and readily received by the Natives.

The British and Foreign Bible Society have recently authorized a new Edition of 2000 Copies of the Cotta Version of the Scriptures to be printed at the Cotta Press, and the work is now in progress.

The prospects of the Mission are encouraging in all its branches of labour. The Congregations, though in some places small, are very attentive. The School Children and Seminarians are making creditable progress in the acquirement of both religious and general knowledge; and many new Schools might be established, at the request of the Natives, if the Mission had the means of supporting them.

The affairs of the Mission are conducted by a Committee consisting of all the Church Missionaries in the Island, who meet yearly at Cotta on the business of the Mission.

The Revd. J. KNIGHT—*Chairman, absent on leave.*

The Revd. J. BAILEY—*Secretary.*

By His Excellency's Command,

Colonial Secretary's Office,
Colombo, 11th November 1837.

THE RIGHT HONBLE THE GOVERNOR is pleased to direct that the following Rules for establishing a Parcel Tappal be published, for general information.

By His Excellency's Command,

P. ANSTRUTHER,
Colonial Secretary.

Colonial Secretary's Office,
Colombo, 24th November, 1837.

It having been found expedient to establish for the public convenience a Parcel Tappal between Colombo and the principal Outstations, Notice is hereby given that from the 1st of January next, such a Tappal shall be established under the following Rules and Conditions, with a proviso, however, that the conveyance of parcels through the Post Office will be given up as soon as any establishment of the same nature shall be set up by private persons—and with the exception of the road between Kandy and Colombo, on which a conveyance of that nature already exists.

The following Rules will be strictly abided by:

1. The Tappal will be despatched twice a week, namely, each Tuesday and Friday, from Colombo, and arrangements will be made with the Post Offices at Outstations for parcels being brought to Colombo also twice a week, on days to be fixed by the several Government Agents.

2. All private parcels, not exceeding 6 lbs. in weight, and being made up in a form which can be conveniently carried, which may be brought to the Post Office before 5 on the days above-mentioned, shall be duly forwarded.

3. In order that the Parcel Tappal may not interfere with the regular post, the Post Master General, or Government Agent or Assistant Government Agent at Outstations, will be authorized to call on any person sending or receiving a parcel in which he may suspect letters to be enclosed, to open it at the Post Office in his presence.

4. No parcel can be franked; all below one pound shall be charged as if they were of that weight, and the following rates will be levied:—

Double letter postage for every parcel of a pound weight, or less than a pound, and two pence for every extra pound for each distance of 72 miles, and an additional charge of ten shillings for every single letter found in any parcel.

5. The Post Office will be answerable for no parcels containing money or jewels, but for additional security any person sending such parcels should give notice at the time to the Post Office Clerk, and take a receipt in writing, specifying the weight of the parcel.

General Post Office,
Colombo, May 14th, 1838.

NOTICE is hereby given that in cases where private individuals may be desirous of sending EXPRESSSES from Colombo to outstations, or vice versâ, on sufficient notice being given at this Office, or at the Post Offices at the chief Outstations, arrangements will be made for despatching such expresses, unless something should at the time occur to render it inexpedient for the Public Service that they should be sent, in which case information will as speedily as possible be given to the applicants.

The charges will be as follow :

For an express from Colombo to Kandy, or vice versâ	£ 0 12 0
----- Galle	0 13 6
----- Jaffna	3 4 6
----- Point Pedro	3 9 0
----- Trincomalie	2 10 0

But it is strictly to be understood that the weight of such despatches is to be limited to 8 ozs.—and that, in order that they may not injure the revenue of the Post Office, which derives no advantage from this arrangement, a declaration will be required that the despatches convey no other letters but those of the party at whose instance the Express is sent.

GEORGE LEE,
Postmaster Genl.
