GOVERNMENT ADVERTISEMENT.

His Excellency the Governr is pleased to publish the following particulars for the information and guidance of persons travelling from one station to another in this Island and all Officers of Government, Civil and Military, to whom the same may relate, are required to govern themselves accordingly.

1st.—After the first of April next the Collectors of Districts are authorized, from time to time, to grant reasonable advances and assistance to Postholders or persons in charge of Rest Houses, for enabling them to purchase articles required by Travellers, such as Rice, Fowls, Eggs, and Milk; and such supplies may accordingly be had at all places where such persons are stationed.

2ndly.—A quarterly tariff of prices will be fixed by the Collector and other principal servants of Government in each District, for the several articles of supply according to instructions, which will be published for general information, and the Postholder or keeper of the Rest House will be allowed to charge 25 per cent on these prices.

3rd.—All complaints of Travellers against those persons are to be addressed to the Collector of the District, who will enquire into the circumstance, and, if necessary, report the same to Government that the Postholder or Rest House keeper may be removed if any instance of misbehaviour is substantiated against him.

4th.—All Gentlemen of His Majesty's service, Civil and Military, Dutch Inhabitants, Strangers and others travelling with conveyances and attendants, are required to subscribe their names in a Book to be kept by the Postholder, or Rest House keeper, and also to specify the payment of any articles with which they may have been furnished, it being found that the abuses hitherto complained of have principally arisen from referring the payment of such accounts to servants.

5th.—The Postholder or Rest House keeper is to report to the Collector, any instance in which violence may have been used, the established charges not paid, or any other impropriety committed by Travellers or their attendants, and in addition to such redress as the Law affords, His Excellency hereby declares that such conduct will be marked with severe animadversion through the proper official channels of each service. Collectors of Districts are to report all complaints of that nature to the Chief Secretary for His Excellency's information.

6th.—Complaints against persons not in the service or employ of Government, are to be enquired into by the Collector, in his capacity of Justice of Peace, or referred to any other Magistrate having local jurisdiction, and it is particularly recommended, and expected by His Excellency, that abuses committed by servants, being

of greater frequency and more complained of than any other, be in all cases prosecuted according to the existing Laws.

7th.—The Commandant of Corps and Stations from which Military Detachments may be made, the Officers in charge of such parties, and all other Officers under whose command they may come, or who may in any manner be employed or concerned in conducting such service, are to consider it their particular and imperative duty to prevent and redress all attempts at violence, fraud or impropriety by those under their command, and to report the occurrence of any material causes of complaint to proper authority.

8th.—The places undermentioned are those, at which Postholders or Rest House keepers are stationed at present, and where supplies of Rice, Fowls, Eggs, and Milk, may be procured.

4. On receipt of the Chief Secretary's or Collector's order, the Postholder or Headman, shall provide Chules and Chule-bearers, allowing two men for each Palanquin, or Horse, and two to accompany a party of Baggage coolies—receiving in advance for each man half his pay—at the rate payable to any other coolies—these Chule-bearers shall not be compelled to proceed further than the next Rest house or station, when they shall receive the remainder of their pay—and an entry of their names, and the payment, shall be made in the Postmaster's Minute Book

ABSTRACT of the Regulations in force for the Collection of the Customs in Ceylon.

THE Duties on Goods imported and exported in British Vessels are in general levied according to rates stated in certain Tables herewith published, being collected from the several Regulations relative to this branch of Revenue.

In the instances of articles not enumerated in those Tables, the importer shall produce his Invoice, and shall be charged duty on the value at the rate of 5 per Cent on goods the produce of Europe and at the rate of 10 per Cent on other goods imported in British vessels, and $7\frac{1}{2}$ & 15 per Cent on goods imported in Foreign vessels.

Where no Invoice exists, or that produced is suspected, the Collector shall appraise the goods at his discretion.

If the owner be dissatisfied, three appraisers, one to be appointed by the Collector, another by the owner and they two to choose a third, are to value the goods, and the decision of two of them is final.

Cotton cloths, except those imported from Great Britain or Ireland and Naukens, are assorted by the importer, and if the Custom House Officers are not satisfied with the assortment, it is referred to three arbitrators, one named by the Collector, the second by the importer, and they two to choose the third, and their decision is final. If the importer has put more than a third of any particular portion of his cloth into an inferior class, he shall be liable to pay double duty. Such cloth as is to pay advalorem, is to be appraised by the Government appraiser at its price in this market, subject to reference to appraisers chosen as above mentioned.

Where duty is ascertained from Tables, or by assessment on appraised value, if the goods are imported in Foreign vessels, one half more is to be added to the rate excepting it shall be made appear by the Master &c. of such foreign vessel that at the Ports of the Country to which such Vessel belongs, similar articles if exported in British vessels are only liable the same rates of duty as if exported in vessels belonging to the said Country.

Goods exported in Foreign vessels are liable to a duty of eight per Cent advalorem over and above the duties on such goods when exported in British vessels; unless it shall be proved that no higher duty is levied in the Ports of the Country to which a foreign vessel

belongs on such articles, when imported in a British vessel, than when imported in the Vessels of that Country itself.

Foreign vessels can only import from or export to Ports belonging to the Country to which the vessel belongs.

Neither British or Foreign vessels may bring from any foreign Country, articles composed of Cotton, Steel, Iron, or Wool of foreign manufacture.

Spirits may be warehoused without payment of warehouse duty as long as convenient.

And be re-exported on payment of one tenth of the import duty.

No spirits can be removed for Island consumption, or exported but in the same Packages as imported; and remain at the risk of the importer while in the Custom house.

In case of goods alleged to be damaged during the voyage and after shipment at the port of Export, the Collector of Customs being first satisfied that the damage did so occur, is to view the same, or on the request of the importer to cause the same to be inspected by two indifferent persons, whom the Collector may select; and on such view or inspection to frame a report of the quantum of damage, in which, the same being approved by the Commissioner of Revenue; a proportionate abatement of duties may take place.

No Goods shall be landed until the Ship's papers and a full Manifest of goods on board are lodged at the Custom House.

But the Certificate of Registry or Sea Pass of Vessels of or exceeding 350 Tons burthen, need not be lodged at the Custom House; but must be exhibited to and examined by the Collector of Customs; and the Master of such Vessel must, previous to any goods being landed for Trade, enter into bond to the King, in a sum not exceeding Three Thousand Rix Dollars, for the due observance of the Regulations for the Customs and the duties of the Port, in respect to the Vessel and all goods therein imported or to be exported in her. The bond to be cancelled on the Port Clearance being taken out previous to the vessel quitting the Port.

No Goods may be exported from the Island for Trade on vessels not regularly entered at the Port.

Goods exported or attempted to be exported contrary to this rule are to be confiscated and owner liable to a fine of double the value.

If it shall appear, that any goods have been on board; not mentioned in the manifest, either by search (which Custom House Officers are authorized to make) or otherwise, the Commander or principal person on board who gave in the manifest, shall be liable to a penalty equal to the value of such goods, to be ascertained by appraisement; and the goods if landed are liable to double duty.

All Boneys and coasting vessels belonging to Ceylon, are to be

registered in the Custom House of the District to which they belong.

The Registry to be renewed on any change of property if the person to whom the vessel is transferred be a resident in the Island. The new Registry to be made within one month after the Vessel comes to the Port nearest the new owners residence. The Collector of Customs previous to allowing the new registry is to satisfy himself of the correctness of the Transfer.

No other document in the nature of a Sea Pass is necessary besides the Certificate of Registry for square rigged Vessels under 30 Tons, or for Doney's of any size; But square rigged Vessels, sloops or schooners above 30 Tons, must have a Sea Pass under the Governor's signature and seal, on a Stamp of One Hundred Rix Dollars: under a penalty of Twenty Rix Dollars for every month such Vessels may navigate without such Pass, save only, when the time it is granted for may expire while a Vessel is absent from the Island.

A Drawback is allowed on the re-exportation of all articles except Grain, equal to nine-tenths of the Import duties if the Goods are exported within two years: but the Drawback does not extend to any additional duties imposed as penalties for breaches of the regulation.
