ලක්ෂ්මන් ජයකොඩි මහතා (திரு. லக்ஷ்மன் ஜயக்கொடி) (Mr. Lakshman Jayakody)

What do you mean by "as and when the necessity arises". Is he aware that the necessity has arisen now? There are so many unlicensed telephones in cars fixed

with all the Very High Frequency machinery and quipment. Due to the security situation of this country, will he cause an immediate investigation ?

එම. විත්සන්ට පෙරේරා මහතා
(திரு. எம். வின்சன்ட் பெரேரா)
(Mr. M. Vincent Perera)

I answer on behalf of the Minister of Agricultural Development and Research and Minister of Food and Co-operative.

(a) No. There is no evidence to show that the original report dated 15.03.78 had been changed. He was dismissed from service as charges 1 and 2 combined were proved.

[சி. சிவசக்தி பேரேசா மனா]

(b) Yes.

(c) No. There was no order made by the Minister as he was not able to give such an order in terms of the Co-operative Employees Commission Act. However, the Secretary, Ministry of Food and Co-operatives had asked the Co-operative Employees Commission to expedite their decision on certain issues raised by the Society against the reinstatement of this officer.

(d) No. Mr. Algawatta is not entitled to any arrears of salary in terms of the Co-operative Employees Commission order. Sub sections 1 and 2 of Section 35 (4) of the Co-operative Employees Commission Act. No. 12 of 1972, do not apply as the matter was not canvassed in a court of Law.

(e) Does not arise.

QUESTIONS ON LRC LANDS : STATEMENT BY MINISTER OF PARLIAMENTARY AFFAIRS AND SPORTS AND CHIEF GOVERNMENT WHIP

Mr. Speaker, between 25th October and 7th November 1984, 17 Questions were asked by hon. Members of the Opposition on LRC lands in 17 districts.

On 21.12.84 I asked for one year's time to answer these Questions.

Since then every endeavour has been made to collect the data required to furnish these Answers. However, it has been found that on account of the complex nature of the Questions the material to be collected is really extensive. The Questions relate to the long period between 1972 and 1984. Virtually every file in the custody of the LRC has to be perused to extract the voluminous details.

The staff of the LRC has been further retrenched since then, making it all the more difficult to extract the information required.

This task will also involve such heavy expenditure that one may even ask whether such expenditure is worth the while.

Therefore, hon. Members will appreciate the magnitude of this task.

However, the LRC is prepared to furnish such information as is available. But I would ask hon. Members who wish to get any particular information to address His Excellency the President, who will strive to furnish such information as available on each individual case.

Thank you, Mr. Speaker, for granting me this opportunity of explaining these reasons to the House.

லக்ஷமன் சயகோடி மனா
(திரு. லக்ஷமன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

As this is in regard to Questions that we have asked, I would like to say that there is an easy way of collecting these details.

சியேசர் கபாஈயகைவம
(பிரதிச் சபாநாயகர் அவர்கள்)
(Mr. Deputy Speaker)

Order, please ! This statement cannot be debated.

லக்ஷமன் சயகோடி மனா
(திரு. லக்ஷமன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

No, Sir, I am not debating it. I am asking whether it is possible to do it this way. It is a very easy method. At the moment the JEDB, the SPC, the NLDB and other organizations have taken over some of the lands for capitalization purposes and they have made certain proposals. Now, all that we want to know is what happened to the identification of the lands and to whom they are now divested, because the information that we have is that some of the lands that have been given to certain people and certain individuals are now not in –

சியேசர் கபாஈயகைவம
(பிரதிச் சபாநாயகர் அவர்கள்)
(Mr. Deputy Speaker)

Now you are making a statement which requires a reply.

லக்ஷமன் சயகோடி மனா
(திரு. லக்ஷமன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

No, I do not want a reply. I only want to tell him that it has now gone to a third party, a fourth party and a fifth party. There is another occasion where, quite correctly, the lands that have been taken have been bulldozed.

சியேசர் கபாஈயகைவம
(பிரதிச் சபாநாயகர் அவர்கள்)
(Mr. Deputy Speaker)

I am sure you will appreciate that no discussion should take place on this statement.

லக்ஷமன் சயகோடி மனா
(திரு. லக்ஷமன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

Sir, what I say is, go to these boards and corporations and ask them the ownership because they will have details of ownership of the lands –

சியேசர் கபாஈயகைவம
(பிரதிச் சபாநாயகர் அவர்கள்)
(Mr. Deputy Speaker)

Yes, but it requires time and rechecking.

ආර්. ප්‍රේමදාස මහතා (අග්‍රාමාත්‍යතුමා, පළාත් පාලන, නිවාස හා ඉදිකිරීම් ඇමතිතුමා, මහාමාර්ග ඇමතිතුමා, හදිසි අවස්ථා මහජන පරිපාලන ඇමතිතුමා සහ පාර්ලිමේන්තුවේ සභානායකතුමා)

(Mr. R. Premadasa - Prime Minister, Minister of Local Government, Housing & Construction, Minister of Highways, Minister of Emergency Civil Administration and Leader of the House of Parliament)

We fully appreciate the concern of the hon. Member and we are prepared to help. What the Hon. Minister says is, if you can tell us what information is necessary, without processing and spending unnecessary money we will make arrangements so that you can sit with the officials concerned from the relevant files extract whatever information you need, and then and there you can pose your questions to the respective officials. It will be voluminous otherwise. You will appreciate that unnecessary money will be spent in gathering this information, when that information can be made available to you. We are always prepared to ensure that this House is all the necessary information that hon. Members seek, and after that you can make use of that information on the floor of the House.

 (திரு. லக்ஷ்மன் ஜயக்கொடி)
 (Mr. Lakshman Jayakody)

Mr. Deputy Speaker, we are not going to oppose this but I want to bring to the notice of the Hon. Minister certain glaring defects in this particular form of the Regulations that you have submitted pertaining to the scheme of registration of exporters in 1985.

In the Gazette notification itself, it says under Clause

- 4 -
- “4. These regulations shall not apply to-
 - (a) articles exempted under Sections 3, 4 & 5 of the EXPORT REGULATIONS - 1979, made under the Imports & Exports (Control) Act, No. 1 of 1969 ; and
 - (b) articles manufactured and exported under G.C.E.C. Law No. 4 of 1978 of the National State Assembly.”

The articles exempted by the Regulations under the Imports & Exports (Control) Act are personal effects that are to be taken away. That includes gems, jewellery and any type of valuable article of that nature. What happens is, they can be taken away saying that they are personal effects. We are sitting in a Committee now and we have found that, apart from the fact that stones are being taken away in an illegal manner by smuggling, ladies of very high position are taking away a lot of gold and gems as personal effects. Those can be valued even at Rs. 2 to 3 million. So I want to bring to the notice of the Hon. Minister that, using that clause, anything can be taken away. As a result you are losing exports, you are losing export duty, you are losing export money and you are losing valuable gems of this country. That is one matter.

Secondly, the Hon. Minister said that he is trying to be liberal in the interests of better exports. I quite agree with him. He is going to give these powers to the Export Development Board, and that is a very laudable thing. But you are not prepared to give all the information that is needed for the Export Development Board to plan its export strategies. The Export Development Board will not get a correct picture of all the exports.

How does this happen? When you exempt the GCEC Law you are exempting all teas that are going in bags, you are exempting all manufactured rubber goods that are going under that organization, you are exempting all locally manufactured cloth subsequently converted to garments and sent to the GCEC and exported, you are exempting many of the commodities that are manufactured from raw materials that are here under the GCEC and then sent abroad. Where are you going to get the correct picture? Why are you exempting them? The Customs have the returns. The Customs gets the figures. If the Customs can get the figures I cannot see why you cannot give the figures to your organization.

Today we know that there is a lot of interaction between the FIAC and the GCEC. We know that cloth that comes into this country under the FIAC is subsequently passed to the GCEC to be manufactured there on sub-contract and sent along to the FIAC and then sent out. Sometimes it happens the other way. The cloth comes to the GCEC free of import duty. Then it gets to the sub-contractor of the FIAC Organization, back to the GCEC, and exported duty free. Therefore, Sir, you will not get the correct picture. The total picture gets distorted. I do not know why you got excited. I want to know the details of the merger of companies report in which you say has taken place as the "Daily News" today, headlined "Monitoring Giant Mergers." This is something that has come out in the Cabinet.

"Cabinet yesterday discussed a memo submitted by Trade and Shipping Minister M. S. Amarasiri, in regard to the merger of Liptons and Brooke Bonds - two multi-national companies operating in Sri Lanka.

Government was concerned whether such a merger would create a giant monopoly, adversely affecting tea prices in the international market."

I do not know why you have got up now! You are behaving like some people at Thimpu - suddenly you get up! I do not know whether there is a merger. I do not think that a merger has taken place here. But we are aware that certain shares of Brooke Bonds were purchased by Lever Brothers, London, and I think certain shares of Liptons were also purchased by Lever Brothers, London, but I do not know whether there is a merger. But I am happy that the Hon. Minister came out with it. I would like to have a statement from the

Hon. Minister whether there is a merger of these two tea companies here. Because it is going to be very relevant to the quantum of tea that is going to be exported out of this country. Therefore, I would like to have a statement from the Hon. Minister regarding what appears in the press today. Probably he has got more information from the Tea Board and perhaps he will be able to let us know what it is all about. There is something up his sleeve, if not it would not come up here. I am sure there must be something for the Hon. Minister to have gone to the Cabinet, and in Cabinet to come out with it, and for the Cabinet briefing. Everyone is agog to find out what this is about. And by doing this if you do not clear the air there may be another serious situation where the tea prices will crash some more. You can recollect how Sir John when he was the Prime Minister, long long ago, when in London made a statement once asking the housewives of London, "Why the hell are you paying so much for our tea?" and what happened. The tea prices crashed. One little word that came out from the former Prime Minister at that time resulted in a crash of the tea market in this country. People have forgotten this. That was the starting point, let it be remembered, of the decline of the tea prices of this country and also the decline of the tea estates of this country, not the land reform. That is where it started in 1955.

I am going back prior to 1956, that is where it happened. And not only that if you want me to go on to trade at that time -

එම්. එස්. අමරසිරි මහතා

Why did you not remedy it during your time?

ලක්ෂ්මන් ජයකොඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

Why did you not remedy it after eight years even today? Today the prices are declining some more. The point is not that. One has to be careful when dealing with export prices. It is very easy to believe anything and come out with it. But the fact remains that these have repercussions. A little story of this nature is going to have grave repercussions and because of that, the Hon. Minister must come out with it and let us know the true position.

Then on the next page, Sir, of this document on registration, all Government Departments are included, exports of State Corporations are included, exports of

[ලක්ෂ්මන් ජයකොඩි මහතා]

limited liability private companies are included, public companies are included, partnerships are included, proprietorships are included, branches of foreign companies are included, agents of foreign companies are included, but the Government Business Undertakings are not included. The Government Business Undertakings of the British Ceylon Corporation – the BCC – is not included, the Government Business of Commercial (Teas) is not included. Government Business Undertakings on Essential Oils, etc., is not included. I do not know why he does not include them. After all, they are all our businesses. They will turn round and say, we are not prepared to send you the form and get an export licence. I do not know why you have excluded them. We are with the Hon. Minister where he wants to gather this type of information. I must say that the Hon. Minister is trying to do something but he is not doing everything. I think he should go into these matters in detail and get all the information.

Sir, the Export Development Board is the organization which should get all the information, secret or otherwise. If not, you will never be able to plan it. You must give teeth to the EDB, if you want to give a correct picture to the people who come here for export promotion. They all go to the EDB to get information. If they go there and find that the correct information is not there, the people who come here to do purchases will lose faith in that organization.

Therefore, I would like the Hon. Minister to consider these little comments that I have made and see that the GCEC, imports and exports and also the Government-Owned Business Undertakings are included in this Regulation.

එම්. එස්. අමරසිරි මහතා
(ති. රු. எம். எஸ். அமரசிரி)
(Mr. M. S. Amarasiri)

I am glad the hon. Member for Attanagalla has brought a number of matters to the notice of this House.

The Sri Lanka Export Development Board has now formulated a scheme for registration of exporters. This scheme was drawn up in consultation with exporters, Chambers of Commerce and the principal public sector institutions concerned with the provision of services to exporters.

The objectives of the Scheme of Registration of Exporters are :

- (1) to identify institutions or persons undertaking exports;
- (2) to collect up-to-date information on exports and exporters for the maintenance of a Data Bank;
- (3) to select exporters who could be recommended to Government and Non-Government institutions to

provide additional facilities in the process of export documentation, eg : post shipment documentation facilities, etc.;

- (4) to facilitate import procedures for exporters importing raw materials for the purpose of manufacture for export. that is for local exporters;
- (5) to monitor the performance of exporters for the Export Expansion Grant Scheme, Duty Rebate Scheme, Presidential Exports Awards Scheme and other Schemes implemented by the Sri Lanka Export Development Board.

One of the outcomes of this Scheme would be to provide a unique registration number for every exporter. All Departments regulating exports such as the Customs Department, Controller of Imports & Exports and the Controller of Exchange have agreed to the use of this number in their records as well.

So it is generally for the benefit of the exporters that we are doing this.

The hon. Member for Attanagalla also mentioned about the GOBU, the Government-Owned Business Undertakings. I think if you cannot take it under sole proprietorship. I will include it because the Colombo Commercial Company comes within that. I will include the GOBU also as the last item if it does not fall within sole proprietorship. I can do that.

The hon. Member for Attanagalla mentioned about people carrying gems. The Customs Department is there to check that. Those are matters for the Customs to do effective checks and take suitable action. If they carry gems there is the Customs Department. They have to be active on that and take suitable action. By this Regulation we are trying to help the general exporters who are finding it difficult to attend to documentation and other things.

The hon. Member for Attanagalla also mentioned about the merger. This is the note I presented to the Cabinet yesterday because there was information that Liptons and Brooke Bonds – these are multi-national companies – have merged. If that is so we were thinking whether the merger of these two companies would affect the tea trade of Sri Lanka. I studied this. I find that Liptons on the export market –

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. රු. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

Have they merged ?

එම්. එස්. අමරසිරි මහතා
(ති. රු. எம். எஸ். அமரசிரி)
(Mr. M. S. Amarasiri)

Well, the information is that they have merged there, not in Sri Lanka, but their shares are here. We have to check on this. I am going to look into this matter. But

the position is that in the tea export trade, I think Liptons and Brooke Bonds put together, their share of the export market is about 13.5 per cent. There are other exporters who have a share of about 7 per cent, 6 per cent, 5 per cent and 4 per cent. It is true that they are the major exporters, but even if they merge together then their share in the export market would be about 13 per cent. Very soon I am bringing a Bill to Parliament about this Fair Price Trading Law. That is also going to restrict this type of big companies merging together and then trying to exploit the market. Well, that Bill will come before Parliament very soon. I am presenting matters in the Cabinet later. But in the meantime, as you mentioned, we are conscious of this fact, whether they would be able to monopolise the tea market in our country. I do not think so because their export market share is only about 14 per cent even if they merge together. But as you know, in the auctions many of them discuss things before they come to the auction. That has been the practice in Sri Lanka tea auctions.

Sir, he mentioned about the tea prices. Well, I think, you must be aware that tea production has gone up during 1984. There were various reasons for that. Due to more fertilization, good weather and so on, tea production has gone up. Both the SPC and the JEDB figures will show that. Also the private sector plantations have improved their production. The world tea trade, the export tea consumption in the world has remained static. Last month I sent a team of officers to India because India Sri Lanka are two major tea exporters in the world. We have had discussions. They are very useful and helpful to us. The Indian Government has also agreed with us for some compromise formula. The Indian Government I think export about 225,000 tons to the market and we are also exporting about 200,000 tons per year. Therefore we are the two major exporters and we are getting the assistance of the Indian Government also to see that quality tea is put into the market. As you know today there is a price for quality tea and the price will come down only if off grade tea comes into the auction. I have been very careful and we have taken suitable action in that.

(Mr. M. S. Amarasinghe)

We are going to stop that. I have recommended to the Tea Board to appoint a Committee to check on this off-grade tea coming into the market. That is the problem. We have to stop that. We have to sell quality tea. Some teas, the JEDB tea fetched about Rs. 200 a kilo. Then for teas like the BOP, the average came to Rs. 45. Then it went up to Rs. 50. Then the Fannings went up to Rs. 65. We have a price for the quality tea.

ලක්ෂමන් ජයකොඩි මහතා

How much of orthodox teas and how much of CTC teas are you referring to ?

එම්. එස්. අමරසිරි මහතා

(**ති. ඉ. එස්. අමරසිරි**)
(Mr. M. S. Amarasinghe)

About the orthodox tea and the CTC tea, recently there was a market for CTC with Pakistan. People in Pakistan are getting used to CTC tea. We are going to get some of the estates to manufacture CTC teas [Interruption] - There is a certain quantity, but we are going to improve that. Both the JEDB and the SPC have agreed that they should also promote CTC teas. As you know the EEC countries, the United States and the Arab Countries like the orthodox tea.

I come from the tea land and I know about tea. In the Southern Province we produce the best tea. That is why there is a market. The market for orthodox tea is very good. But the consumers in Pakistan are getting used to CTC. There are other countries who are getting used to CTC because it is an easy way of making tea. That is why I have recommended that we must manufacture tea to meet the needs of the consumers. We have to look into consumer preference and meet the consumer demand. Therefore, I have recommended that we should go in for the manufacture of CTC.

Mr. Deputy Speaker, I agree with the Member for Kotmale. You know this off-grade rubbish tea is manufactured. Many of these smallholders do not pluck the best bud. The planters may say 1 1/2 or 2 1/2 but sometimes they pluck matured leaves and as a result the manufactured tea goes bad. That is the position. That is why I have recommended that off-grade tea should not be brought into the auctions. We must be very careful. This rubbish tea must not come into the auction. This is what happens. They buy it cheap, mix it with grade tea and then export it.

(Mr. Lakshman Jayakody)

Sir, we want to come to the item about Cey-Nor. So I have only one question about this. What is this all about ?

එම්. එස්. අමරසිරි ම. තා
(ති. ල. எம். எஸ். அமரசிரி)
(Mr. M. S. Amarasiri)

These are Regulations about newsprint. Sometimes when newsprint is imported, it is used for other purposes, other than printing of newspapers. So, therefore, I have brought this under licence, because there is a duty waiver that we give to the newspaper printer. For that purpose we have to have some check, some type of monitoring. It is for that purpose that I am bringing these Regulations.

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ල. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

If he thinks of monitoring, there are so many things that he should have monitored and stopped—all these rackets that are taking place in this country—as the Minister of Trade and Shipping. That is not the point. The point is, here is a situation where he had to bring in certain laws in order to control the import of newsprint. Now the, reason he is bringing these Regulations is that he is accepting the position that it is being used for something else other than for printing and therefore he is regulating it. Now that product had gone into some other thing like bag-marking. Let it be anything.

එම්. එස්. අමරසිරි මහතා
(ති. ල. எம். எஸ். அமரசிரி)
(Mr. M. S. Amarasiri)

For making of these cyclostyled paper.

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ල. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

Now the point is this. Before a Regulation of this nature is brought, I wonder whether they discuss the matter with the Paper Corporation—the next Regulation

[ලක්ෂ්මන් ජයකොඩි මහතා]

is about the Paper Corporation – because of the very fact we are made understand that there are certain items of paper now – the paper market is going up for those items – that the Paper Corporation cannot give at the moment but which it originally did, for the simple reason that the Paper Corporation in Valachchenei is in dire straits over the ethnic problem. They have not started the Embilipitiya one. Therefore, one sector of the paper manufacturing industry or the paper using industry is going to get completely knocked off.

එම්. එස්. අමරසිරි මහතා

(ති.රු. எம். எஸ். அமரசிரி)

(Mr. M. S. Amarasiri)

No.

ලක්ෂ්මන් ජයකොඩි මහතා

(ති.රු. லக்ஷ்மன் ஜயக்கொடி)

(Mr. Lakshman Jayakody)

I thought the Government is having free enterprise or freedom of enterprise or free trade and so on. Now, the Regulations are coming one by one. But why you are bringing these Regulations is because newsprint is being used for something else and you want to safeguard you want to protect. That protection is not going to help you because that raw material is not available.

එම්. එස්. අමරසිරි මහතා

(ති.රු. எம். எஸ். அமரசிரி)

(Mr. M. S. Amarasiri)

Your position is that local manufacture would be affected ?

ලක්ෂ්මන් ජයකොඩි මහතා

(ති.රු. லக்ஷ்மன் ஜயக்கொடி)

(Mr. Lakshman Jayakody)

Yes, the local manufacture is going to be affected because—

එම්. එස්. අමරසිරි මහතා

(ති.රු. எம். எஸ். அமரசிரி)

(Mr. M. S. Amarasiri)

It would not. I will see that it does not.

ලක්ෂ්මන් ජයකොඩි මහතා

(ති.රු. லக்ஷ்மன் ஜயக்கொடி)

(Mr. Lakshman Jayakody)

I can understand if the Paper Corporation was working. He could have then shifted the entire production lines of the Paper Corporation at that time after speaking to them, but the Paper Corporation itself is not working. So, therefore, the local manufacture is going to be affected. he promised, “I will see that the prices come down. I will see that the prices of manufactured articles will come down within two months. That the articles will be manufactured. I will do this and that.” That is good on a political platform, but when it comes to a case of manufacture, hard construction, it would not work. You will have to retrench people. Then he will have another problem and the Minister of Labour also will have a problem.

එම්. එස්. අමරසිරි මහතා

(தி.ரு. எம். எஸ். அமரசிரி)

(Mr. M. S. Amarasiri)

It will help the local manufacturer.

ලක්ෂ්මන් ජයකොඩි මහතා

(தி.ரு. லக்ஷ்மன் ஜயக்கொடி)

(Mr. Lakshman Jayakody)

I do not know how he is going to answer that. he says that he is going to help. I am so happy, but the fact remains from where is he going to get the paper ? Is he going to get it from Valachchenai ? Is he getting it from Embilipitiya ? Is he getting it from another place ? From where are you going to get the paper ? You will have to import.

එම්. එස්. අමරසිරි මහතා

(தி.ரு. எம். எஸ். அமரசிரி)

(Mr. M. S. Amarasiri)

You get the paper on application.

ලක්ෂ්මන් ජයකොඩි මහතා

(தி.ரு. லக்ஷ்மன் ஜயக்கொடி)

(Mr. Lakshman Jayakody)

There you are ! Now he says that the local manufacturer will also be given on application. Secondly, we started with newsprint on application and just now he said that if there are any local manufacturers who find it difficult to get it from Valachchenai or Embilipitiya they will have to apply and then it will be imported again.

එම්. එස්. අමරසිරි මහතා

(தி.ரு. எம். எஸ். அமரசிரி)

(Mr. M. S. Amarasiri)

This is newsprint. Do you not see the regulations ?

ලක්ෂ්මන් ජයකොඩි මහතා

(தி.ரு. லக்ஷ்மன் ஜயக்கொடி)

(Mr. Lakshman Jayakody)

I know, but newsprint is being used for something else and not for news printing itself. So, for that something else, other than for newsprint, it will have to be imported. You can see quietly what is happening. Very soon Valaichchenai production will come down and, secondly, newsprint will have to be imported for the newspapers and, thirdly, there will be a situation where our paper organisations, manufacturing organisations, will have to be closed down.

එම්. එස්. අමරසිරි මහතා

(தி.ரு. எம். எஸ். அமரசிரி)

(Mr. M. S. Amarasiri)

I do not know whether the hon. Member understood this.

ලක්ෂ්මන් ජයකොඩි මහතා

(தி.ரு. லக்ஷ்மன் ஜயக்கொடி)

(Mr. Lakshman Jayakody)

I understand the whole thing.

එම්. එස්. අමරසිරි මහතා
(திரு. எம். எஸ். அமரசிரி)
(Mr. M. S. Amarasiri)

This is a way of monitoring the newsprint that they import in rolls. They are given a rebate on duty. A duty rebate is given to newspaper printers. Some of the newsprint, a part of the newsprint, is sold out and it is being used for foolscap, roneo paper and that type of thing. For that there is a duty. So, we have asked all printers to state their requirements, their imports during the last two years. We have asked for that information. We will go on that basis. By this we can have some type of monitoring of this which will help the local producer.

ලක්ෂ්මන් ජයකොඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

Of those newspaper companies who have sold out ?

එම්. එස්. අමරසිරි මහතා
(திரு. எம். எஸ். அமரசிரி)
(Mr. M. S. Amarasiri)

You want me to tell all that on the Floor of this House ?

ලක්ෂ්මන් ජයකොඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

No. You write to me and tell me. I will be satisfied in that way.

(Mr. Festus Perera—Minister of Fisheries)

Mr. Deputy Speaker, this would not take much time. I will tell you everything. Once I tell you everything you would not ask me anything. Cey-Nor Development Foundation Ltd., is a Company Limited by Guarantee and incorporated under the provisions of the Companies Ordinance on 03.03.71. The objects of the company include the promotion of ideals and objects of the International Freedom from Hunger Campaign, education and the welfare of the Youth in Sri Lanka, engaging in and promotion of fisheries and production of food for the people of Sri Lanka and other countries and such other activities connected therewith. The income and property of the Company shall be applied solely towards the advancement and the promotion of the objects of the Company as set forth in the Memorandum of Association and no portion thereof shall be paid to the members of the Company by way of dividend, bonuses or otherwise by way of profit.

As soon as the present Government took office Mr. Arne Fjortoft on behalf of the N. G. U. had discussions with the Hon. Minister of Finance, Mr. Ronnie de Mel, Hon. Dy. Minister of Planning and Economic Affairs at the time, Mr. Naina Marikkar and the Hon. Minister of Fisheries at the time Mr. S. de S. Jayasinghe indicating N. G. U.'s interest in taking part in the accelerated development programme of the Government and signed a Letter of Intent to start three new projects. One in South of Sri Lanka, One in the West Coast, and One in the East Coast. According to this agreement N. G. U. was to meet all foreign costs of the project and the Government of Sri Lanka was to meet the local costs.

[අවසරය ලබාදීම]

The project proposals had been worked out for a Fish Net Factory, Boatyard and Ice-Plant at Matara and also for a Fish-Net Factory, Boatyard and Ice-Plant at Kalpitiya. The East Coast Project was limited to an Ice-Plant, since the study made by F.A.O. indicated that the market requirements did not warrant an additional Fish Net Factory and a Boat yard in the East. The proposed Fish Net Factory at Kalpitiya was shifted to Lunuwila as feasibility studies indicated that Lunuwila was a better site. As promised by the Norwegians the machinery for Fish Net Factories at Matara and Lunuwila were gifted and the Factories started operations. The Norwegians also gifted Ice-Plants which were installed at Gurunagar, Kalpitiya, Kaluwankerney, Nilwella, and Mattakkuliya. -[Interruption]- This is at Gurunagar. This is an Ice-Plant. There was a fish net factory there earlier.

ලක්ෂමන් ජයකොඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

What happened to that ?

ෆෙස්ටස් පෙරේරා මහතා
(திரு. பெஸ்தஸ் பெரேரா)
(Mr. Festus Perera)

That is still there. This is a separate ice plant under this agreement which was drawn up in 1977.

With the expansion of its activities Cey-Nor experienced a dearth of working capital. In 1981 a sum of Rs.13.5 million was given to Cey-Nor as a grant by the Minister of Finance and Planning on the recommendation of the Ministry of Fisheries.

In 1982, it was found that Cey-Nor had a commitment of Rs. 42,069,402 to the People's Bank. After evaluating the position NORAD came to Cey-Nor's assistance with a grant of Norwegian Kroners 6 million (approx: Rs. 18 million) People's Bank wrote off Rs. 9,129,428/44 being accrued interest from June 1980 onwards. The balance amount remaining (Rs. 15 million) was converted to a loan repayable in 60 monthly instalments. No payments have yet been made against this loan.

After discussion with the Norwegian Organizations in 1981 amendments had been proposed to the Memorandum and Articles of Association of the Company. These amendments provided for a Board Directors to be constituted on the undermentioned basis :

- (a) 4 Members to be appointed by N.G.U./Norway and U.N.F./Sweden
- (b) Secretary/Ministry of Fisheries
- (c) Secretary/Ministry of Finance and Planning or his nominee

(d) 1. member appointed by the Sarvodaya Movement

(e) 1. member appointed by the U.N. Association of Sri Lanka.

These amendments also provided for the appointment of Management Councils for the Regional Projects. The Management Councils were to consist of the undermentioned persons :-

- (a) Government Agent of the area
- (b) General Manger of the Regional Project
- (c) 3 Members who can be from among the employees of the Project on the Managing Directors' recommendation.

The Original Memorandum and Articles of Association of the Company clearly shows that the objectives of the Company was to promote the Fisheries Industry and to look after the education and welfare of the fishing community. The Foundation was meant to be a non-profit making organization. However, the amendments to the Articles of Association effected in December 1982 provides for surplus profits of the company to be channelled to the community development work carried out by FORUT in Sri Lanka. Despite claims of having made profits the Company had not given any funds for community development work so far.

I find that there had been an inexplicable haste on the part of the Chairman to have certain changes effected in the Articles of Association affecting the Directorate. Except 2 Directors the ability of the other directors to survive in the directorate from the inception had been very meagre. I find that Mr. Wimal Amarasekera, Chairman, Ports Authority, Dr. Mahalingasivam from the Finance Ministry, Director External Resources, Mr. Yogendra Duraisamy had not figured uniformly or prominently in the deliberations, and according to Dr. Mahalingasivam, some of them had deliberately been left out without invitation for meetings.

At an extraordinary General meeting of the members of Cey-nor on 14.09.82 the Chairman Mr. Anura Weeraratne had stated that "it had been felt that tit was advisable to delete the appointment of Government officials and Directors as these appointments will construe that Cey-nor is a Government Organization and as such Hon. Ministers were called upon to answer questions relating to Cey-Nor." That was his own theory.

The Deputy Secretary to the Treasury Mr. Chanmugam had informed the Chairman Cey-Nor Mr. Weeraratne that he understands that the Articles of Association are to be revised and reminding him in

terms of the letter of intent the operation of Cey-Nor, be the responsibility of a Board of Governors of whom 3 to be appointed by the Government of Sri Lanka and by the NGU of Norway. He wanted assurance that this condition is included in the new Articles of Association and that the revised articles has been concurrence of the NGU.

At two meetings on 5th November 1982, one at 10.30 a.m. and the other at 10.45 a.m. a difference of only 15 minutes, behind closed doors at a house bearing No. 16, 5th lane, Colombo 3,—I do not know whose house this is. You will have to find out—through the adoption of two special resolutions, the Memorandum and Articles of Association of the Company had been amended and Mr. Anura Weeraratne and Dr. Wickrama Weerasooriya had been elected as Directors in their personal capacity dropping the official mantle. Others were not even invited. A number of persons were not invited. They did not know even that there was a meeting. Only these two persons survived. Amendments to the Articles and Memorandum of Association had also been brought in, which had the effect of deleting certain mandatory regulations dealing with Accounts and Audit. These are mandatory regulations which cannot be dropped but these people deleted these things from the Articles and the Memorandum. In consequence of this deletion the obvious intention, as far as I can see, was to prevent any directive being given to the Directors to make the books of accounts and documents of the Company available for examination by such members of the Company who are not Directors.

ෆෙස්ටස් පෙරේරා මහතා
(திரு. பெஸ்டஸ் பெரேரா)
(Mr. Festus Perera)

After 1982 the Company had started indulging in various activities which were contrary to the principles on which the Foundation had been founded. One such activity was the import and sale of re-conditioned vehicles and most of these vehicles had been purchased by Mr. Anura Weeraratne and his close associates. This matter too is being investigated by the C.I.D.

The founders of this Project expected the Board of Directors and others working in an advisory capacity to do honorary work. However, the amendments effected

to the Articles in 1982, had provided for remuneration to be paid to the Directors. In addition, Company funds have been mis-used ; in various forms such as travelling and subsistence expenditure, entertainment expenditure and medical expenditure. I have got the particulars of the amounts drawn by the Chairman. he started by drawing Rs. 1,000 per month at the outset and ended up by drawing Rs. 3,000, per month in 1984. Apart from that I find that he had drawn subsistence allowances from CEYNOR on his trips as the Secretary of the Ministry. Thereby he has been drawing from two sources, that is from the Ministry as well as from the CEYNOR.

The composition of the membership and the procedure for admission and rejection of applications for membership have been so amended that any person, individual or body corporate who subscribes to the objects of the Company may apply in writing to the Board of Directors to be admitted as a member of the Company. The Board of Directors was given absolute power to admit or reject such applications. The Directorate had been increased from 5 to 7 giving FORUT, (the Norwegian Agency) the right to appoint one Director and the rest to be appointed by members who in turn are to be admitted by the Directors. It is a funny situation. Such a set up is without parallel elsewhere. New provisions were introduced subsequently requiring a 2/3 majority at the General Meeting for future amendments. Having done all these things they brought in a resolution to say that the articles cannot be amended unless there is 2/3rd majority. That is after packing the membership with his own people! I will tell you the people who have been brought in and the people who served as directors thereafter.

In order to rectify this scandalous state of affairs, it was evident that the Articles of Association had to be re-amended by the members so as to conform to the legal requirements of the Companies Ordinance. This is what I found. However, the problem in summoning a meeting of the members was, that no accurate record of the membership was available.

Members were just brought in and members were just chased out and there was no accurate record of the membership.

According to an unauthenticated list of members maintained by the office, some of the members were reported to have resigned. The validity of the membership register was doubtful, as some of those members who were supposed to have resigned have categorically stated to me that at no stage had they resigned from membership.

Mr. Dulip Kumar—a well known Accountant who had drafted the amended Memorandum and Articles immediately resigned on observing that he had, drafted

[මෙහිදී මෙහෙයුම් මහතා]

the articles on wrong data given by Mr. Weeraratne. As a matter of fact he came and saw me. I showed him all the details. It is even difficult to determine the membership of the Company as no proper membership registers are available!

Another peculiarity was the appointment of some of the Executives including the two General Managers as members of the Company. That is how the members were brought in. Further, as per existing Articles of Association it was not possible to remove any member unless he tendered his resignation.

In order to reorganise the Company, so that it would serve the original objectives it was established for, members were requested to resign. I told them to resign, so that we could re-organize it. The two Secretaries resigned from the Directorates but refused to resign from membership. Certain other members who wanted to support the previous directors also refused to resign. Among these members who refused to resign, are executives of the Company such as the General Manager, and the Jaffna Manager, who were brought in by the Chairman. In this situation it was not possible to summon a meeting of the members and even if a meeting was held, it was unlikely that they would agree to re-amend the Articles of Association in the manner desired. In fact, some of the members particularly the executives of Ceynor were openly stating that in the event of a general meeting of members being held, they would ensure that the new directorate would be thrown out, and the former Directors would be brought back. This possibility could not be over-ruled because the membership was very heavily weighted in favour of the former Chairman (Mr. Anura Weeraratne) and his associates.

Mr. Weeraratne has misled and misdirected the board taking the administration of the company into his own hands, and certain frauds alleged to have been perpetrated are now being investigated by the CID.

Among the misdeeds which are being investigated by the CID are the following:

(b) The purchase of a generator by Ceynor in January 1984 for Rs. 375,000. This generator is alleged to have been Ceynor's own generator, purchased for Rs. 200,000, which had been installed at Kalpitiya earlier. This had been offered back to Ceynor - property that belonged to Ceynor - by the Manager of Ceylon Rubber Products Factory owned by the Weeraratne family. A generator brought by Ceynor had suddenly disappeared. Subsequently it was sold back to Ceynor as property of Ceylon Rubber Products, which is nothing but a concern belonging to the Weeraratne family.

(b) Purchase and misappropriation of a TV set and video deck valued at Rs. 50,000 approximately on the pretence that the purchase was being made for the Ministry of Fisheries.

(c) Transfer of two 2 Sri vehicles - these were gifts that we received from Japan - 26 Sri 6998 and 26 Sri 7000, from the Ministry of Fisheries to Ceynor without any authority and the use of these vehicles for the work of Ceylon Rubber Products. That is his private concern.

(d) Drawing of unlimited amounts as entertainment expenditure. This includes the purchase of a large stocks of liquor with Ceynor funds.

The Memorandum of Articles of the Association which prevailed from November 1982 provided for the appointment of seven directors. However, there were only three directors appointed, namely Mr. Anura Weeraratne, Dr. Wickrema Weerasooriya and representatives from NGU. So there were only three directors out of the seven. Mr. W. M. Fernando, Finance Manager and Secretary of the Company, had been appointed as acting Managing Director for the purpose of a quorum only. So as to form the quorum he was appointed the Managing Director because under the Articles ex-officio he became a director. He was brought in order to get the quorum to get the things done. No steps were taken to fill the vacancies on the Board, and this was done for obvious reasons.

Investigations referred to earlier regarding serious allegations made pertaining to alleged malpractices involving misappropriation of company property and company funds commenced in November 1984. Soon after, as numerous instances of irregularities came to light, the resignation of the two Permanent Secretaries from the directorate was called for by me, and I accepted their resignations from the directorate with effect from 26th December 1984. But they did not resign from membership.

Thereafter, in order to fill the vacancies in the directorate, a new Board of Directors was appointed in January 1985 by resolution passed by the remaining directors of the former board. The reconstituted Board of Directors appointed the Acting Secretary, Ministry of Fisheries, as the new Chairman of the Board.

The newly appointed Board of Directors lost no time in closely scrutinizing the activities of the previous regime, and inter-alia a Board of Survey was appointed to examine and report on the fixed assets of the company. This was followed by an audit investigation and verification of stores.

Further remedial measures taken by the new Board included the expansion of fish net factories by installing machinery which had been earlier brought down from Matara and had been kept idling at the Mattakkuliya

Boatyard premises, by stepping up production at Mattakkuliya Boatyard where the contract for the construction of Abu-Dhabi boats had been much behind schedule, and by supplying sufficient raw materials to the Fish Net Factory at Gurunagar and the Boatyard at Karainagar so that the activities in these northern region production units may be continued in spite of the disturbances in this region. It was also found that the employer/employee relationship had reached a very low ebb under the earlier management resulting in the workers being reduced to a state of helplessness as far as their grievances were concerned.

This deplorable situation was rectified by the new management taking steps to start a dialogue with the respective trade unions in the units, and thereby winning the confidence of the employees. This had an immediate impact resulting in a vast improvement in production in fish net factories and boatyards.

The investigations referred to earlier, which were carried out independently of the CID investigations, revealed numerous instances of gross misuse of company property and company funds by the former Chairman and some of the executives of the company. Some of the assets of the company had been spirited away and unlawfully transferred to other private companies and private houses. This included the misuse and cannibalizing of vehicles. One startling discovery was the drawing of unlimited quantities of fuel on Ceynor account by the former chairman even after his resignation with the connivance of the former General Manager. Other items which were misused included generators, welding plants, TV sets, video decks, refrigerators, cupboards, chairs, beds, table tennis table, timber, iron rods, mild steel rods, fibre glass sheets, vehicle parts and spares, mattresses, weighing machines, oxygen cylinders, welded mesh and even bathroom fittings.

The following amounts due from Mr. Weeraratne and Ceylon Rubber Products, of which he is the chairman, still remain unpaid for work done and materials supplied by Ceynor during the period 1981-84 :

	Rs. cts.
From Weeraratne ..	27,443.68
From Ceylon Rubber Products ..	62,422.00

A very interesting discovery was made subsequently. Only the Hon. Members know what *goraka* is, what we put in curries. A *goraka* file was found relating to work done by Ceynor employees to dry *goraka* for the chairman where money is still due to Ceynor.

(திரு. பெஸ்டஸ் பெரேரா)
(Mr. Festus Perera)

This is *goraka*, not *jaadi*. I think he would have made *jaadi* elsewhere after making *goraka* here. Money is still due to Ceynor.

Over Rs. 125,000 worth of rubber bands manufactured by his Ceylon Rubber Products have been dumped in Ceynor, and heaps of these rubber bands are lying unutilized at the Ceynor stores.

In the course of disciplinary inquiries which followed and when explanation was called some of the officers involved brazenly claimed that as Ceynor was registered as a private company their actions could not be questioned. They even went to the extent of challenging the authority of the newly-appointed chairman and the managing director. However, disciplinary action was taken against those concerned by the new management in due course, while certain cases involving criminal charges have been referred to the proper authorities for investigation and action.

Ceynor Development Foundation Ltd. was a company limited by guarantee. There were no shareholders. No individual had contributed towards the capital. It is improper for an individual or a group of individuals against whom investigations are being conducted by the CID to manage the affairs of the company. The CID is investigating over 30 charges against the former chairman and other members of the company.

One startling discovery was that Mr. Weeraratne, for obvious reasons, had brought persons from his earlier workplaces - Ceylon Ceramics Corporation and Browns - and also brought his nephew to the company. The services of the following key employees whom he brought in have been terminated after taking over the company as various irregularities perpetuated by these individuals have come to light :

- Mr. I. Ileyperuma, General manager, brought from the Ceylon Ceramics Corporation
- Mr. B. D. Wickrama, Manager, Civil Engineering and Works, from the Ceylon Ceramics Corporation
- Mr. M. H. G. de Silva, Commercial Manager from Browns
- Mr. Kumar de Silva, a nephew of Mr. Weeraratne, from Ceylon Rubber Products, a family concern of Mr. Weeraratne.

Apart from the above, the following persons have been brought into Ceynor by the Chairman :

- Navaratnam, an accountant from Ceramics
- Jifrey, Internal Auditor, from Ceramics
- Alahakone, also from Ceramics
- David Elayapperuma also from Ceramics
- P. A. Francis, Security Supervisor, from Ceramics

[අවසරය පෙරේරා මහතා]

S. A. W. Perera, Security, from Ceramics
George Silva, Commercial Manager, from Browns
Buddima Mendis, from Browns, and
Mr. Dias - George Silva's relative.

You can see how the whole thing had been worked out. He was working in at the Ceramics Corporation earlier. He was also working at Browns. All these people whom he brought were put in key positions, and that is how all this started to take place.

The capital of the company had been contributed by the Government of Sri Lanka and with aid from Norwegian Organizations. The capital contributions as at 30th July 1985 were approximately as follows :

	Rs.
Government of Sri Lanka	15,130,000
Norwegian Organizations	51,250,000
Total	66,380,000

Since the State has contributed part of the capital and there had been no contribution from individuals, the Government has the right and a duty to protect the company, which was concerned with the development of the fisheries industry in Sri Lanka.

In my Cabinet Memorandum dated 20.12.84 I had brought to the notice of the Cabinet that as a result of the inquiry now being conducted it had been revealed that assets belonging to Ceynor Foundation Ltd. had been utilized for the personal benefit of certain people including directors and executives as mentioned. Most of the top executives were people who had been working with Mr. Weeraratne in other places.

By wresting authority illegally, directors had indulged in the abuse of official positions conferred on them by the Government of Sri Lanka. In terms of Cabinet decisions No. /1985/108 of 09.01.85 I attempted to reorganize Ceynor, but Mr. Weeraratne, with the help of certain members brought in by him, had planned to pre-empt such a move and went to the extent of getting some of the executives to resort to acts of indiscipline. I had to recommend to His Excellency that, as the reorganization could not be done as contemplated and as lending institutions and other agencies were reluctant to deal with Ceynor in view of the uncertain and nebulous state of affairs immediate action be taken to acquire the company under the Business Acquisition Act and appoint a Competent Authority for its proper management and for the purpose of pre-empting a sinister move on the part of certain corrupt elements in take over Ceynor and indulge in the misuse of available assets over which the Government holds a right. The take-over was recommended only after reaching agreement following a consultation with Forut, that is, the NGU, and the representative of NORAD, and action will be taken in due course to reconstitute Ceynor and restore it to achieve the original objectives.

With His Excellency's approval Ceynor was taken over under the provisions of the Business Acquisition Act and Mr. Frank Wickremasinghe appointed as the Competent Authority with effect from 5th July 1985.

This is what CEYNOR was and why it was taken over.

Sir, I do not want to participate in this debate at all, Sir, because apparently the Hon. Minister is now having an investigation. But some time ago I asked the Hon. Minister as to what has happened to the investigation that was carried out by the CID. Up to date he has not given me any information about it. But he said that it is being investigated. Even today I noticed that he has not come to a conclusion.

(Mr. Lakshman Jayakody)

Sir, I am not interested in all these matters for the simple reason that they are being checked up by the CID. I am amazed at the reply given by the Hon. Minister that there was interference even with the CID. I cannot understand this. Apparently, someone is trying to interfere with the CID. I do not think that can ever take place because the CID is a secret and a classified department. I have been in charge of the CID. We do not go and interfere with the CID. We used to give full permission to the CID to have a free hand in an investigation of this nature. But if you have come to know of a situation where the CID has also been tampered with, then it is your duty to tell the Minister who is in charge of the CID to take appropriate action and also to take the next logical step. What have you done ?

Have you taken the step of telling the Minister concerned that certain steps of a very serious nature have taken place ? I say this for the simple reason that two big names have come out.

ෆෙස්ටස් පෙරේරා මහතා
(ශ්‍රී. පෙස්ටස් පෙරේරා)
(Mr. Festus Perera)

I think the CID will know what to do and what steps they should take about it. They will do it.

ලක්ෂමන් ජයකොඩි මහතා
(ශ්‍රී. ලක්ෂ්‍යාණ් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

I hope so. The names of two big persons have come out. The Hon. Minister came out with the name of Mr. Anura Weeraratne and Mr. Wickrema Weerasooria. The seriousness of that is still greater when he turns around and says that a secret illegal meeting was held in a house of Mr. Wickrema Weerasooria at No. 16 in a certain place.

වෙස්ට් පෙරේරා මහතා
(ති.රු. පෙස්ටරස් පෙරේරා)
(Mr. Festus Perera)

He is wrong, Sir; I did not say it was Mr. Wickrema Weerasooriya's house. I said No. 16. I do not know whose house it is and I have still not found out whose house it is.

ලක්ෂමන් ජයකොඩි මහතා
(ති.රු. ලක්ෂ්මන් ජයාකොඩි)
(Mr. Lakshman Jayakody)

This is something very serious because he is also a very important person in this country, not only because of his connections with the Government but as a very respectable gentleman and a very senior officer who is Secretary of an important Ministry which is directly under His Excellency the President. If he was in charge of some other Ministry I would not have even spoken like this, but he is in charge of a Ministry which comes directly under His Excellency the President. He is one person who has been appointed by His Excellency the President and who comes directly under His Excellency the President. There is interference with the CID which is also coming directly under the His Excellency the President. That is something I would like to find out from the Hon. Minister because as far as I am concerned I have mentioned in this House many a time that the position of the Secretary to the Ministry of Fisheries who becomes unofficially the Chairman of Cey-nor must be changed. That was my position.

වෙස්ට් පෙරේරා මහතා
(ති.රු. පෙස්ටරස් පෙරේරා)

I am changing all that.

(ති.රු. ලක්ෂ්මන් ජයාකොඩි)
(Mr. Lakshman Jayakody)

I believe I said that somewhere round about the 4th December last year. It appears in HANSARD. I think he also said on the very same day that Members of the Government Parliamentary Group as well as the Members of the Opposition had warned him about this situation. He knew it. He cannot say that he did not know it. He knew every step, because we had warned him and the Members of the Government Parliamentary Group had warned him.

වෙස්ට් පෙරේරා මහතා
(ති.රු. පෙස්ටරස් පෙරේරා)

(Mr. Lakshman Jayakody)

Surely, you should have checked up. There were enough men in your Ministry to look into it. There was the Auditor-General and the Ministry of Finance or the Treasury.

I must make a clarification. When the company was reconstituted the Treasury representative was just left out. It was reconstituted by Mr. Anura Weeraratne and Dr. Wickrema Weerasooriya leaving the present Treasury representative out. But even before the reconstitution for a very very long time no notice of any meeting was sent to the Treasury representative.

ලක්ෂමන් ජයකොඩි මහතා
(ති.රු. ලක්ෂ්මන් ජයාකොඩි)
(Mr. Lakshman Jayakody)

Then why did you not look into it? Here is a situation where the Treasury representative has been knocked off.

He was knocked off long ago, about four or five years ago.

(ති.රු. ලක්ෂ්මන් ජයාකොඩි)
(Mr. Lakshman Jayakody)

Surely, I cannot understand the administration of this Ministry as well as Cey-Nor. We always pin down executives. We always pin down directors. The other day we had a discussion at the Consultative Committee on Ministry of Finance and Planning where he said that even Ministers who are responsible and directly involved should be held responsible for any activities.

that take place within that period. In this case of the Cey-Nor I know the Minister is a little further away than in an ordinary department. This is where I say that the officials should bring these things to the notice of the Minister and then the Minister must take immediate action. First and foremost, I think the Treasury representative also Sir, should have looked into the fact as to why he was not informed, whether they are keeping to the Articles and the Memorandum of Association, whether they are keeping to the Articles about holding meetings. And if there is no meeting held in a proper way, and the Treasury representative has not been called, he should have looked in to it as to why he was not invited, whether they were having a meeting or not or whether they were having secret meetings or whether they are having meetings and interpolating minute sheets. All these things happened under the Kalamazoo system or something. They interpolated minute sheets. This is the type of things that is happening. Sir, I wonder who are the agents of Kalamazoo – I do not know.

 (ශ්‍රී. ලංකා. ජ්‍යෙ. ජ්‍යෙ. ජී. ජී. මෙල්)
 (Mr. Lakshman Jayakody)

I think the Hon. Minister of Finance knows a little more than I know. I think he should come out with all that. But, anyway, Sir, we are interested in this matter, mainly because of the failure of the Government to look into this matter with all the information that they have. I would not blame the Hon. Minister; I would not blame him at all. I blame all the others of that department and the Ministry who should have at least warned the Minister about a situation of this nature. You cannot expect Ministers to do everything, but yet it is the duty of the Minister and it is the responsibility of the Minister to look into this matter and come to a decision, because he has made certain changes also of late. Now he has found misusing of funds, misusing of travelling funds, subsistence allowances obtained from two sources, entertainment and medical. All these things are misuse of funds, and there are certain transactions, Sir, from the People's Bank and so on. All these things have now been highlighted. Therefore, I think it is a sordid affair to come out with all these facts in a place like this. Sir, we were made to understand that Cey-Nor during this time has paid one Lanka Printing and Packaging Company for printing a calendar and that money also has been paid out of Cey-Nor funds. Cey-Nor is having a calendar, and it is paid for out of Cey-Nor fund. I think the Hon. Minister should look into that, whether this is in accordance with

the aims and objectives of that private organization. Sir, I think the Minister is quite right in having taken steps to see whether the money is properly used or not.

Now, the other day there was another situation. Cey-Nor has collected Rs. 150,000 for the President's Election Fund. Now, have you heard of a thing like that? They have collected Rs. 150,000 for the President's Election Fund and we do not know what has happened to that money! I am telling you that Cey-Nor has collected.

I am very sorry, Sir. We normally do not indulge in
this type of thing, but when it comes to the crux of it
where officials have done something wrong you will
have to go deep into the facts and find out whether any
other members of the same Ministry are involved in this
type of thing. I do not think one man alone can do this. I
would like to table all this so that you can see this for
yourself and look into it.

There is another matter I would like to raise ; that is
about a car, a Golf car bearing number 31 Sri 3409,
which belonged to Cey-Nor but which was transferred

Secretary.

(Mr. Speaker)

Has the hon. Member got evidence of this transfer ?

ලක්ෂ්මන් ජයකෝඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

The point is that this is the type of thing we get. If the Hon. Minister says 'No', I am prepared to accept it.

කථනායකතුමා
(சபாநாயகர் அவர்கள்)
(Mr. Speaker)

I am not prepared to allow this type of statement to be made on the Floor of this House. If an hon. Member is making such a statement, he must substantiate it with documents ; otherwise I am not going to allow this type of remark. It is not in keeping with the dignity of the House. You just gave a concrete case of a vehicle being transferred from Cey-Nor to the Ministry. Have you got proof of this ?

ෆෙස්ටස් පෙරේරා මහතා

ලක්ෂ්මන් ජයකෝඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

It is up to the Hon. Minister to check up.

කථනායකතුමා
(சபாநாயகர் அவர்கள்)
(Mr. Speaker)

Order, please ! I am not prepared to tolerate this type of statement.

ෆෙස්ටස් පෙරේරා මහතා
(திரு. பெஸ்ரஸ் பெரேரா)
(Mr. Festus Perera)

I say categorically that this is wrong.

කථනායකතුමා
(சபாநாயகர் அவர்கள்)
(Mr. Speaker)

Even when reference is made to a past Hansard, an hon. Member is expected to give the date and the column number. You cannot make this type of wild allegation and get off unless you have proof. I have been listening to you very carefully.

ලක්ෂ්මන් ජයකෝඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

I refer you to the Parliamentary Debates, the Official Report uncorrected version, Volume 32, of 4th December, 1984, column 793. It is from that that I quoted.

කථනායකතුමා
(சபாநாயகர் அவர்கள்)
(Mr. Speaker)

Is that about the transfer of a car ?

ලක්ෂ්මන් ජයකෝඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

No, that is about something else. I never referred to this as being in the Hansard.

කථනායකතුමා
(சபாநாயகர் அவர்கள்)
(Mr. Speaker)

No. I gave you an example and said that even when an hon. Member refers to a statement made in a past Hansard, he is expected to give all details. You are making a categorical statement that this vehicle has been transferred from Cey-Nor to the Ministry of Fisheries and I asked you a simple question : Have you got proof of your statement ?

ලක්ෂ්මන් ජයකෝඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

Yes, I have proof because I have been informed -

කථනායකතුමා
(சபாநாயகர் அவர்கள்)
(Mr. Speaker)

No, information is not proof.

ලක්ෂ්මන් ජයකෝඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

I have been informed and it has been divulged, but not here. - (Interruption). All right, if you think it is not correct, it is up to the Hon. Minister to look into it.

ෆෙස්ටස් පෙරේරා මහතා
(திரு. பெஸ்ரஸ் பெரேரா)
(Mr. Festus Perera)

I am categorically stating that the Cey-Nor has no such car nor was such car transferred to the Ministry. Why do you not accept my statement ?

ලක්ෂ්මන් ජයකෝඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

I accept it. If you say so, I accept it.

කථනායකතුමා
(சபாநாயகர் அவர்கள்)
(Mr. Speaker)

You must accept the Hon. Minister's statement.

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

It is not that I am not going to accept it, I am going to. If the Hon. Minister tells me that this particular car which belonged to Cey-Nor was not transferred to or used by the Secretary or anyone else in the Ministry, I am prepared to accept it. I am definitely prepared to accept it.

ෆෙස්ටස් පෙරේරා මහතා
(ති. ෆෙස්ටස් පෙරේරා)
(Mr. Festus Perera)

Cey-Nor never had a car like this.

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

The Hon. Minister says 'No'. I am happy he said 'No' but we have heard many other things like petrol bills being paid by Cey-Nor, as the Hon. Minister himself said. We do not know whether these were legal or illegal petrol bills that have been paid.

ෆෙස්ටස් පෙරේරා මහතා
(ති. ෆෙස්ටස් පෙරේරා)
(Mr. Festus Perera)

To whom ?

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

Why, you yourself mentioned that subsistence and petrol bills had been paid by Cey-Nor.

ෆෙස්ටස් පෙරේරා මහතා
(ති. ෆෙස්ටස් පෙරේරා)
(Mr. Festus Perera)

These are all facts that are there on paper.

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

Precisely ! I am not going to quote anything other than what you have said.

ෆෙස්ටස් පෙරේරා මහතා
(ති. ෆෙස්ටස් පෙරේරා)
(Mr. Festus Perera)

If there is anything on paper let me have it, I will investigate and let you know.

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

Now the Hon. Minister is taking a different turn. The Hon. Minister says, "I will investigate and let you know". For you to investigate I must come out with all these things ! Is it correct ?

ෆෙස්ටස් පෙරේරා මහතා
(ති. ෆෙස්ටස් පෙරේරා)
(Mr. Festus Perera)

The hon. Member must understand that I am not the God Almighty who knows everything

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

I am very happy that the Hon. Minister says that he is not the God Almighty. We know that.

ෆෙස්ටස් පෙරේරා මහතා

ලක්ෂ්මන් ජයකොඩි මහතා
(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

The Hon. Minister is a believer in the Omnipotent. We know all that. We know he is not the Almighty. But I want to emphasise the fact that actions of Cey-Nor have been all wrong. they may have been done by anyone but the fact remains that the actions are all wrong and what the Hon. Minister is now trying to do is the correct thing, that is, to make Cey-Nor Development Foundation Ltd. a government concern and appoint a competent authority to run it. Therefore, you should look into every aspect of it and find out whether there is any truth in the allegations that have been made because, as I said earlier-

ෆෙස්ටස් පෙරේරා මහතා
(ති. ෆෙස්ටස් පෙරේරා)
(Mr. Festus Perera)

(ති. ලක්ෂ්මන් ඉයාකොඩි)
(Mr. Lakshman Jayakody)

I do not want to waste my time by going into all these things. But I am happy that the Hon. Minister is looking into them. There are so many other things which I want the Hon. Minister to investigate-(*Interruption*). He is my informant.

ලක්ෂමන් ජයකොඩි මහතා
(ශ්‍රී. ලක්ෂ්මන් ජයකොඩි)
(Mr. Lakshman Jayakody)

The employees of the Cey-Nor Development Foundation have sent letters to the Hon. Minister with copies to the Hon. Minister of State, the Deputy Minister of Finance and Planning, the Hon. Minister of Foreign Affairs, the Secretary, Ministry of Finance and Planning, the Secretary, Ministry of Plan Implementation, the Deputy Secretary to the Treasury, the Director, Public Sector and the Director Public Corporations, Ministry of Finance. All that I said is stated in this letter. This letter is dated 6th June, 1985. I will table this letter. Do you want to table it? Do you want it to go into HANSARD?

කථානායකතුමා
(ආරාධනාකරු)
(Mr. Speaker)

Is it a signed letter?

ලක්ෂමන් ජයකොඩි මහතා
(ශ්‍රී. ලක්ෂ්මන් ජයකොඩි)
(Mr. Lakshman Jayakody)

It is not signed (*Interuption*). The letter is not signed. I do not want to take the responsibility for it because it has been sent to everyone. What I say is that what is stated here by the employees of the Cey-Nor Development Foundation is also what the Hon. Minister and I have been saying. These employees also state in this letter that they have to be anonymous for obvious reasons. This country has come to that level. That is what I am very worried about. People are frightened to come out and say anything because they fear a reprisal. Even if you take the hydro-cracker affair, today's headlines are enough for you to understand that because of fear he did not want to come to the country to give evidence. That is why he is being tried in absentia. Has the country gone to that level? I am very straight on this matter. Let it be recorded very carefully that everyone should be above board.

It is a very unfortunate situation if in a country the employees of a Foundation have to get up and say: "We do not want to sign this document because we fear reprisal". Reprisal from whom? It may be reprisal from one side or the other. It can cut both ways. So, this is the danger of all this. Therefore, I think it is high time we opened our eyes and ears to a situation in a country where a lot of hankey-panky is being done without the knowledge of any of these Ministers. Very soon you will find that all organizations coming under most of the Ministers will have to come under the Business Undertakings (Acquisition) Act, which we passed. I remember how the present government opposed it at that time. Wherever you find any hankey-panky has

taken place; wherever you find any misdeeds have taken place; wherever you find any sort of misappropriation taking place or funds being misused, in all cases we have created a precedent. The only way out is to create a Government business organization.

I am very happy because the Hon. Minister of Finance will like it. I can recommend to the Minister of Finance where all this hanky-panky is taking place or robbery is taking place that he has to take over every such organization under his care.

Therefore, I would urge the Hon. Minister to look into this matter, and come to a conclusion where you have got to see that organizations of this nature get a strong footing because much of CEY-NOR was utilized for the betterment of the Fishing industry. That is what I am mostly interested in. I would like to say that so far in places like Gurunagar and Lunuwila down South, funds have been utilized and we should not allow that money to go waste. We have a boat yard at Karainagar - what has happened there? Then there is a net factory at Lunuwila and a fibre glass factory at Mattakuliya.

කථානායකතුමා
(ආරාධනාකරු)
(Mr. Speaker)

Order, please! It is 12 noon. Are you going to continue?

ලක්ෂමන් ජයකොඩි මහතා
(ශ්‍රී. ලක්ෂ්මන් ජයකොඩි)
(Mr. Lakshman Jayakody)

There are only two more sentences and I will conclude.

There is also another boat yard at Mattakuliya, a net factory and an ice plant at Gurunagar. All these come under this organization. Therefore, I think there is a good reason for you to take over. We support it and I hope the Minister of Finance will keep a very careful eye on this. I would also see like to the Minister of Fisheries kindly submit the CID Report of this inquiry after its completion.

හදන්ත නියමිතව තිබුණේ අඩි 10 X 12 පාලමක්. නමුත් එය වෙතස් කර අඩි 4 ක් පලල අඩි පාලමක් හදනවා. ඊට විකක් එහායින් දැනටත් අඩි පාලමක් තිබෙනවා. එම නිසා මා ඉල්ලා සිටින්නේ කලින් සැලසුම් කළ ප්‍රමාණයට පාලම හදන්න මේ අවුරුද්දේ සල්ලි තැන්පම මේ හදන පාලමේ තවටුව පමණක් අඩි 10 ක් දිගට සාදා ලබන අවුරුද්දේ එහි උඩ කොටස හදන්න කියයි. මේ වෙතස් කිරීම කරන්න කියා නියෝග කරන ලෙස ඒ අංශය හාර ගරු ඇමතිතුමා වන ගරු අග්‍රාමාත්‍යතුමාගෙන් ඉල්ලා සිටිනවා.

As regards the other Question, I had better wait till the Hon. Minister of Industries and Scientific Affairs returns to the island.

(திரு. எம். வினசன்ட் பெரேரா)
(Mr. M. Vincent Perera)

I answer on behalf of the Prime Minister and Minister of Local Government, Housing and Construction and Minister of Highways, and Minister of Emergency Civil Administration.

The road mentioned by the hon. Member does not belong to the Highways Department. A sum of Rs. 110,000 has been allocated to Executive Engineer (Highways), Nittambuwa, by G. A., Gampaha, out of DCB funds for the constructions of a bridge at this site. The money allocated is adequate only for a foot bridge. A bridge for vehicular traffic at this site will cost approximately Rs. 800,000. If this amount can be allocated from the DCB or DDC, such a bridge can be constructed. Pending further instructions regarding this matter from GA, Gampaha, the work has now been suspended.

ලක්ෂ්මන් ජයකොඩි මහතා
(திரு. லக்ஷ்மன் ஜயக்கொடி)
(Mr. Lakshman Jayakody)

The basement is for a ten-foot bridge. I do not think that report is correct. There you are ! This is the type of report that we get.
