Ministry of Industry  
and Commerce

*It is with great pleasure that I send this message of felicitation on the occasion of the 10th Edition of the Jaffna International Trade Fair 2019 (JITF), the multi-faceted mega trade exhibition of Northern Province.*

*The multiproduct JITF expo series, is more than a consumer fair –the reason my Ministry endorses this event. JITF has become a key trade networking event in the Northern Peninsula. As a result of JITF's growing reputation it is now even referred to as the "Gateway to the North". I am pleased that the Jaffna Municipal Council, the Sri Lanka Convention Bureau and International Business Council too are supporting this event which has become a definite meeting point and a platform for Chambers and Businesses from not only the Northern Province but from other provinces as well.*

*The successes of JITF recorded year after year and the increasing joint ventures, tie ups, large orders reported from this event are clear signs that the growth of the Northern Province now extends to its business sector as well. In this background I am pleased that*

*my Ministry is endorsing this mega expo which has become a must-see networking platform for bigger local and international entrepreneurs who seek new linkages.*

*I and my Ministry wish great success to the organisers and all participants of JITF 2019.*

Hon. Rishad Bathiudeen M. P.  
Minister Of Industry And Commerce,  
Resettlement Of Protracted Displaced  
Persons & Cooperative Development Of  
Sri Lanka

## Message from

Hon. Dr. Suren Raghavan  
Governor  
Northern Province

*I am pleased to send this felicitation message to the 10th Edition of "Jaffna International Trade Fair 2019 (JITF 2019)" organized by Lanka Exhibition and Conference Services (Pvt) Ltd (LECS) together with the Chamber of Commerce & Industry of Yarlpanam (CCiy) with the support of Jaffna municipal Council, Sri Lanka Convention Bureau (SLCB) and International Business Council.*

*Jaffna International Trade Fair which is now organized for the 10th successful year is the largest international trade exhibition in Northern Province for the products, equipment and machineries of multi-sectors like Construction, Automobile, Apparel, Agriculture, Information Technology, Hospitality, Banking and finance. I feel that due to the inspiration of JITF, people of Northern Province from various sectors get a great exposure and experience by having introduction of modern trends and technology to an area which has been isolated for over three decades.*

*I understand that the number of Exhibitors and trade-visitors are annually increasing for*

*Jaffna International Trade Fair (JITF). JITF has become as the key networking and sourcing platform for the traders from local, national and international markets. JITF grows gradually as an access to Public and private partnership in North, as face to face meetings and dialog with key officials from the public and private sectors are annually held at the Trade Fair.*

*I am very happy to congratulate the regional, national and international organizations which play the key, facilitative and supportive roles to organize 10th Jaffna International Trade Fair in a successful way.*

*I look forward to your continued success. I would like very much to accompany all of you to move forward for ensuring the steps towards advancement and development of our people.*

Thanks

Dr. Suren Raghavan,  
Governor,  
Northern Province

S. Balachandran  
Consul - General of India  
Jaffna

*The Jaffna International Trade Fair (JITF) has grown from strength to strength since its inception in 2010. The 10th edition of the Fair is scheduled to be held from 25-27 January, 2019.*

*Positioned as the only fair of its kind on a global scale in Jaffna, the Fair has attracted participation from Indian companies on a regular basis. With connectivity to Jaffna improving, we expect the Fair to realise its full potential.*

*I am sure the participants would benefit from the growth story of Jaffna and return each year in a big way.*

*I wish the organizers and each participant all success with JITF 2019.*

*I am happy to send this message to the souvenir of 10th Jaffna International Trade Fair which is scheduled to be held on 25th January 2019 for three consecutive days. This is a great achievement of Lanka Exhibition and Conference services (Pvt) Ltd, together with Chamber of Commerce and Industry of Yarlpanam (CCiy) with the support of the Sri Lanka Convention Bureau (SLBC), Consulate General of India and the Jaffna Municipal Council.*

*I whole heartedly congratulate the activities of Jaffna International Trade Fair and wish all success for the ever and ever.*

*Emmaanuel Arnold  
Mayor  
Municipal Council, Jaffna*

*This is a social event annually to give the Northern part of the country a face lift by introducing modern trends and technology. Jaffna International Trade Fair is recognized to be one of the key events that have been continuously taking place in order to provide all kind of facilities for the "upliftment" of trade industries, education, hospitality, construction, automobile, apparel, agriculture, information technology, banking etc. and lot of more to showcase their valued products and services which will be importance for the development of the North and East of Sri Lanka. The untiring effort of the organizers is praise worthy.*

*Lanka Exhibition & Conference Services (Pvt) Ltd*

*It is with great pleasure that I extend this message for the 10th Jaffna International Trade Fair (JITF). We at Lanka Exhibition & Conferences Services (Pvt) Ltd, as the organizer of this mega event are confident that exhibitions of this nature will create a gateway to facilitate trade in the north for the business community in Sri Lanka to meet the potential entrepreneurs and investors.*

*As per the statistics there is a significant increase of the visitors to the exhibition year on year which clearly indicates that the northern population has increased as a result of the environment being conducive for people to live with the rapid development of infrastructure in the north and east streamlining the living conditions of the northern community.*

*Special attractions at JITF will be the "Made In Jaffna" pavilion with over 40 stalls, under the flagship of Chamber of Commerce & Industries of Yarlpanam (CCiy).*

*I take this opportunity to thank all government personnel and organizations who have been very supportive towards*

*making this event a reality. I also wish to express my sincere thanks for the continuous support of this trade exhibition to the Ministry of Industry & Commerce, former Ministry of Traditional Industries & Small Enterprise Development, the Chamber of Commerce & Industries of Yarlpanam, the Jaffna Municipal Council, Consulate General of India in Jaffna, the Sri Lanka Convention Bureau and all Exhibitors, Sponsors & participants.*

*I also thank the people of Jaffna for their continued support in making JITF a great success year after year.*

*Lanka Exhibition & Conference Services (Pvt.) Ltd.*

*The Northern most tip of the country, its capital will be set alight for the 10th consecutive year with the commencement of the Jaffna International Trade Fair (JITF) 2019 from the 25th to the 27th of January 2019.*

*The Exhibition which has risen to a 'must attend' event by the citizens, businessman, traders and entrepreneurs of the North will be held at the Municipal Grounds Jaffna, at the heart of the peninsula. The trade fair which comprises both local and international stalls, caters to a diverse variety of needs and services and has been considered the single most focal point for a wide spectrum of investors and citizens.*

*Organizing the 10th edition of JITF ensures that the northern region is still one of Sri Lanka prime untapped markets in terms of trade and investment. This event undoubtedly is considered the most focused exhibition and Trade Fair in Jaffna.*

*I take this opportunity to welcome all local and international exhibitors, delegates and visitors to Jaffna while thanking and wishing all our valued sponsors and exhibitors the very best at JITF.*

*I also wish to convey my sincere thanks and gratitude to all stakeholders who have supported us immensely in making this year's JITF a success.*

V. K. Vignesh

Chairman

Chamber of Commerce and Industries Yarlpannam

*I'm honored to be involved in one of the most prestigious event of Jaffna. It is my great pleasure to extend heartfelt greetings and deliver a message on the occasion of JITF which is scheduled to be held on 25th, 26th and 27th. I am confident that the success story of the JITF will continue to consolidate the achievements of the previous years.*

*I take this opportunity to thank, Hon. Ragavan Governor of Northern Province, Hon. N. Vethanayagan, Government agent / district secretary, His Worship Emanuel Arnold, Mayor, Jaffna municipal council, Hon Balachandran Consul General, Consulate General of India, Local Heads of Sri Lanka Army, Police and other Officials of the State agencies; for your valuable support to make this trade fair a meaningful one.*

*It is a highly remarkable event which has always been a platform to the Small and Medium industrialists, business entities and entrepreneurs. JITF offers great opportunity to the business community to showcase/exhibit their products – in line with the theme of SEE TOWARDS JAFFNA. I believe potential investors could make use of the opportunities presented by the JITF. While government of Sri Lanka has given top priority to attract foreign direct investment,*

*potential overseas investors could interact with the local business community aimed at finding firsthand information as to the possibility of investing in the northern region.*

*I'm proud of many accomplishments of the JITF in the past years and look forward to generate an atmosphere of growth for industries, trade and business here in Jaffna. I convey my gratitude to the exhibition organizer, Lanka Exhibition and Conference Services and other stakeholders for their contribution and immeasurable support for cherishing the event successfully. It is heartening to see the role played by the media in disseminating the news of the JITF. I respect the involvement and dedication of the sponsors.*

*May the Fair be a successful event in the sphere of economy and businee.*

Secretary General/ Chief Executive Officer  
National Chamber of Exporters of Sri Lanka (NCE)

The NCE which is the only private sector chamber which exclusively supports and provide services to Sri Lankan exporters, and service providers to exporters, considers it a privilege to be a part of the Jaffna International Trade Fair (JITF), to facilitate its objective of bringing economic prosperity to the people in the North.

The NCE has over the last few years been actively engaged in a project supported by the International Labour Organization (ILO) to link member exporters of the chamber with producers of agricultural and fisheries products in the North, to enable them to supply their products to the international market place.

This project which has already established firm business linkages between the member exporters of the chamber and producers in the North has enabled to effectively contribute to the economic prosperity of the people in the North, and thereby facilitate the reconciliation efforts of the Government between the peoples of the North and the South.

In the above context, the Chamber has been participating in the JITF for the last five years to extend its services to further develop

business linkages between the member exporters of the chamber and producers in the North. The JITF which has developed in to a comprehensive business focused exhibition to support the economic development of the northern region has provided a good platform for member exporters of the Chamber to network and expand business linkages with the producers in the North for mutual benefit, as well as to meet other business partners, and investors, to further strengthen economic linkages for the prosperity of the northern region.

The National Institute of Exports (NIOE) which is the professional training affiliate of the NCE will have a separate stall in the Education Pavilion at the exhibition to promote the professional courses conducted by the NIOE among export related Stakeholders in the Northern Province. Currently the NIOE conducts three professional courses at the Certificate, Advanced Certificate, and Diploma levels on International Trade Management. Additionally the NIOE conducts on line courses which facilitates the execution of 'Cross Border Trade Transactions', efficiently and in a cost effective manner. These on line training courses are particularly beneficial to employees in export oriented enterprises,

*as well as school leavers who wish to embark on a career in the field of exports, with the advantage of being able to follow the on line programs at their own leisure, while being employed, or engaged in other educational activities.*

*The NCE will also lead a delegation of 8 export oriented member companies, with NCE and NIOE staff members, to gain first-hand experience on the activities of the Exhibition, to explore opportunities to develop trade with producers in the Northern Province, as well as to enhance their export related business activities by interacting with overseas buyers who visit the Exhibition*

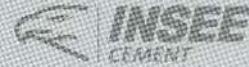

*The event also enables the establishment of linkages with the different State Institutions and policy makers for business development at a time when Sri Lanka is focusing on political and policy approaches to promote reconciliation and opportunities for private investment in the region.*

*The chamber is pleased to endorse the JITF since it provides a useful platform to achieve economic benefits to all participant stake holders. The chamber looks forward to engage actively in the JITF and similar events in the future as well.*

Idea Group limited

The starting point of the Idea Group Limited, was as a software development company which provided dealer networking solutions to a major Tele communication company. Later the company established as "idea", while extending the services towards digital document management. SIM card solutions was provided since 2010 and succeeded in diversifying the service chain. The growth of the organization was well established in a very short period of time & broadened the horizons from its core business to move into new business opportunities in the market & became a group of companies.

Presently, Idea Group Limited is more concentrated in construction material manufacturing. Good combination of product development Engineers, Architects and Designers create innovative and more practical product to the construction industry. Product range of the company is creating value addition to Sri Lankan domestic and commercial market, by distributing products Island-wide through the island-wide showroom network. So Jaffna International Trade Fair idea Group highly appreciate as show case for local manufactures, in this flat form we can make closer approach towards our valued

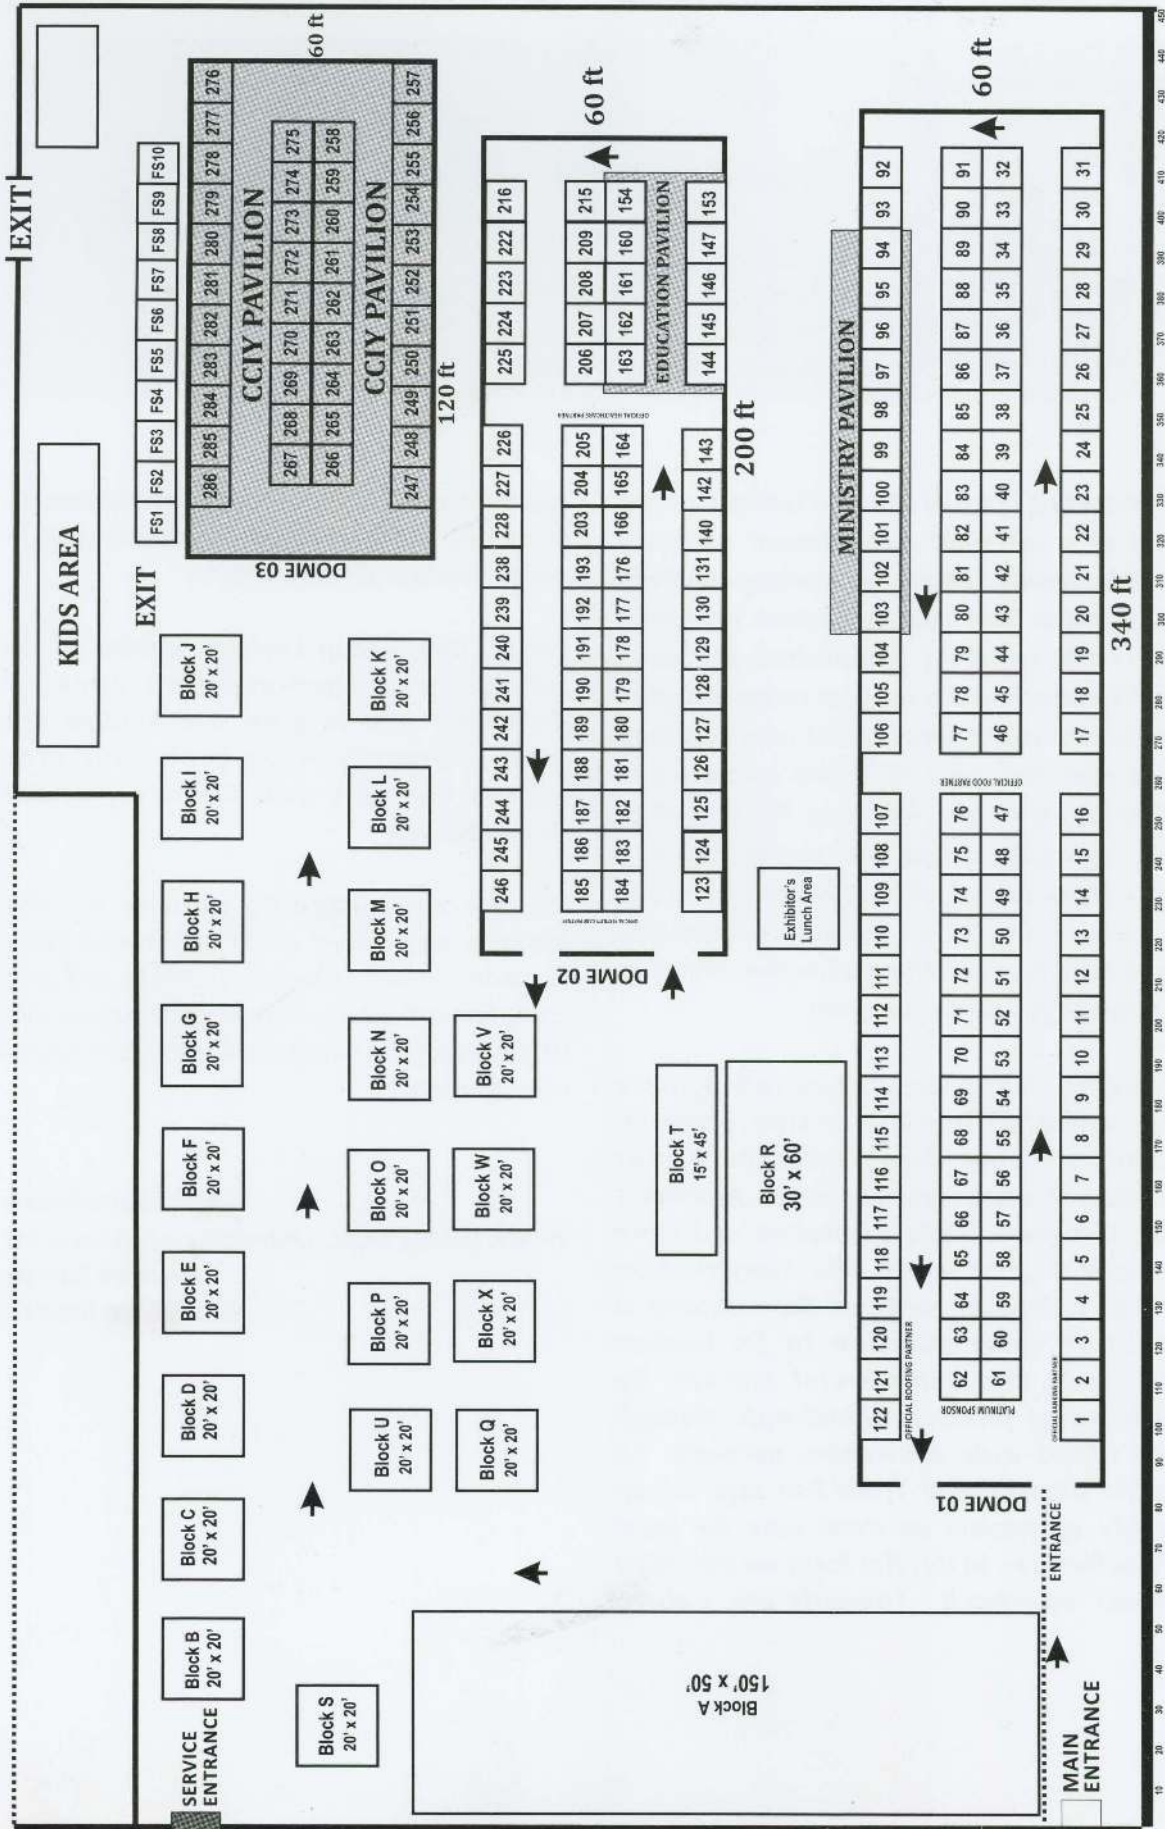

customers who are living in Jaffna peninsula, especially with our so called brands I-roof, I-panel Veera and many more..

Today, Idea Group Limited consists of 20 subsidiary companies which paved a diversified way to grow and enlarge the group's strength, while promoting eco-friendly concepts as a Corporate Social Responsibility

We are committed to execute all the business operations in an environmentally responsible manner and its strong compliance framework ensures the objective of achieving the best practice environmental management

Wayamba Polymers (Pvt) Ltd is a Sri Lankan company incorporated in 1996 under the Companies act no. 17 of 1982. The manufacturing plant is in Bamunakotuwa, Wariyapola and the Head Office is in Nawala, Rajagiriya. Our brand name WYKE stands for sustainable innovation, superior product quality, adherence to the highest standards, continuous product development and excellence in performance and dependable after sales services.

The company's strength lies in its technical expertise with a strong Research & Development arm capable of fabricating own production machines, moulds and other accessories which gives us the ability to produce customised items. The Company uses the Rotational Moulding technique well established in Europe, United States, Australia and New Zealand. This technique provides robust and strong durable products.

Some of the more popular items are traffic furniture such as linkable separators which can be water-filled for additional stability, road cones, composters for organic waste (domestic and institutions), Grease Traps for waste water separation (domestic and hotel kitchens), and a range of litter bins of varying sizes, designs and standard colours. Our range of liquid storage products include large volume water tanks and milk cans of varying capacities.

WYKE utility trolleys are available in a range of capacities that can be used in hospitals, markets, factories and even in agriculture. WYKE marine products include highly buoyant double hulled boats for inland waters and safety rings. Wayamba Polymers uses

low density and high density polyethylene to produce its product range and long period warranties show the confidence we have in the products we manufacture.

All our products are available in a range of colours and sizes.

LIVE MORE

Our new identity, as brought to life by our logo, is made of the four pillars by which we stand strong. The human hand, encompassing the care we provide to all who visit. The shield, depicting protection from sickness and disease. The letter 'A', for Asiri, a proud reminder of who we are. The cross of health, at the heart of all we stand for.

As these pillars join together to bring to life what we so proudly stand for, we are happy to announce that every member of Asiri Group of Hospitals is coming together in synergy under one corporate name - Asiri Health - to help you, the people of Sri Lanka, live more.

Asiri Health boasts over 30 years of specialising in medical care. The group comprises of Asiri Medical Hospital, Asiri Surgical Hospital, Asiri Central Hospital, Asiri Hospital Matara and Asiri Laboratories.
