The tenders are to be made on forms which will be supplied upon application at the office of the Director of Public Instruction, and no tender will be considered unless it is furnished on the recognized form.

All other deposits will be returned upon signature of a contract.

Sufficient sureties will be required to join in a bond for the due fulfilment of each contract. The amount of such bond, and all other necessary information, can be ascertained upon application at the Office of the Director of Public Instruction.

The Government reserves to itself the right, without question, of rejecting any or all tenders, and the right of accepting any portion of a tender.

Samples of rice must be deposited at the Office of the Director of Public Instruction in sealed packets or bottles, labelled with the tenderer's name, before the date on which the tenders are to be opened.

The necessary cooking utensils should be provided by the contractor.

Persons whose tenders have been accepted by Government will be required to bear the expense of having security bonds prepared for the due performance of their contract, which bonds will be subject to the approval of

the Attorney-General, whose fees should be paid by the contractor, but such bonds may be drawn by the tenderers own lawyers.

On bonds which have been drawn by the tenderers' own lawyers the name and stamp of the Proctor who drafted the bond should be affixed, in order to facilitate the work of the Crown Counsel.
