## CAMBRIDGE LOCAL EXAMINATIONS, 1900.

**A**N Examination of Senior and Junior Candidates, in accordance with the Regulations of the Revised Code, will be held at Colombo, Kandy, Galle, Jaffna, and Batticaloa on December 10, 1900, and the following days. Forms of entry duly filled up should be sent to the Director of Public Instruction not later than August 4, together with the following fees, which should be paid as follows:—

- (1) A Bank draft or Post Office order on England payable to Dr. J. N. Keynes, crossed "Mortlock & Co.," at the rate of £1 for each candidate, as the Cambridge fee. *No cash, or Money order, Bank draft, or cheque in favour of the Director of Public Instruction will be accepted.*
- (2) A Post Office order (not Postal order), Bank draft, or crossed cheque in my favour at the rate of Rs. 2.50 for each candidate, as the local expenses fee. *Cash will not be accepted.*

**N.B.**—Forms of entry will be accepted from August 6 to August 17 inclusive on payment of an extra fee of Rs. 5.

Forms of entry may be had from the Director. It is requested that Managers will only apply for such number of forms as they actually require, and that they will not encourage any student to enter as a candidate unless they are satisfied that he has a fair chance of passing the examination.

Religious Knowledge, as a subject of examination, is not necessary for Colonial Students, and no grant or award under the Revised Code will be made directly or indirectly dependent on marks gained for Religious Knowledge.

Candidates (whether under age or over age) must forward with their entry forms certificates of the registration of their birth, unless such a certificate has been sent to this office for a previous examination. Affidavits will not be accepted.

Fees cannot be returned. If notice of withdrawal is received by the Local Secretary more than sixteen days before the commencement of the examination, a voucher will be sent, which will enable the student to enter in another year without further fee to the University, subject to the usual conditions of age. The Syndicate do not undertake to grant a similar voucher in any case in which the full sixteen days' notice has not been given. Applications made within sixteen days of the examination will, however, be considered, if accompanied by a medical certificate, stating that the candidate is physically unfit to take the examination. No applications received after the commencement of the examination can be considered. Students holding vouchers must apply for fresh forms of entry and return them to Local Secretaries on or before August 17 in the year in which they wish to be examined.

**N.B.**—The Mathematical Prize will be awarded on the results of the Cambridge Senior Local Examination of December, 1900, to the candidate, under 19 years of age, who passes the best examination in Mathematics.

The Gilchrist Scholarship of the value of £150 per annum for three years, offered by the Trustees of the Gilchrist Educational Trust, will be awarded to the candidate who passes the best examination in the Senior Cambridge Local, 1900, in terms of the Gilchrist Regulations, copy of which is hereto appended.

Office of the Director of Public Instruction,  
Colombo, January 30, 1900.

S. M. BURROWS,  
Director.

## NOTES.

Changes have been introduced in the arrangement of the sections included in the Junior Local Examination, and the conditions for obtaining a certificate have been modified.

Candidates for all the examinations are now allowed to count towards a Class in Honours the marks for every subject in which they have satisfied the Examiners, whether they pass in the whole section of which that subject forms a part or not, and all the subjects in which successful candidates pass will be mentioned in the certificate.

Candidates are no longer required to take the whole of the Religious Knowledge Section.

Detailed schedules for Physical Geography, Junior and Senior, can now be obtained from the Local Secretary.

Students are desired to observe that in cases where any of the regulations made for the conduct of the examination are disobeyed the certificate may be refused.

\* \* \* *In mentioning certain editions of the subjects selected for Examination, the Syndicate have no desire to exclude from use other editions which now exist or may hereafter be prepared.*

## EXAMINATION OF JUNIOR STUDENTS.

No one born before December 15, 1884, can be admitted as a Junior Student under the ordinary conditions. Those born on any of the days from December 15, 1882, to December 15, 1884, both inclusive, may be admitted to the Examination, but they can obtain a Pass Certificate only.

These dates being determined by a Grace of the Senate, no application for a relaxation can be considered.\*

## PART I.—COMPULSORY.

Every student will be required to satisfy the Examiners in (1) Writing from Dictation, and (2) Arithmetic

## PART II.

The examination will comprise the subjects mentioned in the following thirteen sections. Students will be required to satisfy the Examiners either (a) in three of the ten sections 1—10, or (b) in two of the ten sections 1—10, together with two subjects out of any other two of the sections 1—13. No student may enter for more than seven of the sections 1—10, or for more than eight sections altogether. One at least of the four subjects of section 1 must be taken by all students, unless their parents or guardians object to their examination in that section.

**N.B.**—No student can take two papers set at the same time in the Time Table.

A certain number of marks will be assigned to Handwriting. Composition will be taken into account.

\* Persons who desire to pass the examination in order to be exempted from any preliminary Examination for which the local examinations are accepted as a substitute or for any professional or business purpose can be admitted above the age of 18, but they will neither be placed in the class list nor receive the usual certificate. The Syndicate will inform the General Medical Council or other authorities of the success of such students.

Students are required to satisfy the Examiners in this part of the paper; but in cases of failure the translation of the unprepared passages of ordinary difficulty may be taken into account. (3) One or more passages of ordinary difficulty not contained in the books named will be set for translation into English. In order to obtain the mark of distinction students will be expected to do fairly well in this part of the paper.

B.—*In the Examination in Latin, French, German, and Spanish* : One or more passages will be set for translation from English into the language. A student cannot obtain the mark of distinction in the language without satisfying the Examiners in this part of the paper.

The names of the boys who pass with credit will be arranged in three honour classes, the first class of juniors being further subdivided into two divisions. In each of these classes and divisions, and also in the list of those who pass to the satisfaction of the Examiners, yet not so as to deserve honours, the candidates will be arranged in alphabetical order under the several centres. After the name of every boy will be added the school (if any) from which he comes to attend the examination, and the name of his schoolmaster. Separate lists will also be given of those senior and junior boys who may specially distinguish themselves in particular parts of the examinations, and in these lists the boys will be arranged in order of merit. *The names of those who pass the examination for juniors between the ages of 16 and 18, and of those who pass the examination for seniors above the age of 19 will be placed in lists by themselves, in alphabetical order, not in any class of honours.* Similar classes and lists will be drawn up for girls, but the names of those who do not request that their names may appear will not be given.

The classes of honours are determined solely by the total number of marks obtained by the student. No marks are counted for any subject unless the student passes in that subject. Regard will be paid to handwriting and spelling.

The students who pass with credit or satisfy the Examiners will receive certificates to that effect, which will be sent to them through the Local Secretaries. Every certificate will specify the subjects in which the student has passed with credit or satisfied the Examiners, and the class obtained, if any.

### DETAILED REPORTS.

After the class lists have been issued in each year the Syndicate will be prepared to inform the masters and mistresses of schools, on receipt of a payment of one shilling for each student, of the manner in which their pupils have acquitted themselves in the several subjects in which they have been examined, describing each as *good, moderate, weak, &c.*; and also to place their pupils in order of merit among themselves in each subject and on the whole examination.

\* A detailed schedule can be obtained on application to the Local Secretary. The schedule for 1900 is identical with that for 1899.
