Centennial Service Challenge Press Release

Lions Clubs International Announces Global Initiative to Serve 100 Million People by 2017

Toronto, Canada, July 8, 2014 – Lions Clubs International President Joe Preston announced a new global initiative to serve 100 million people by 2017 at the association's 97th annual International Convention held in Toronto. The Centennial Service Challenge is a humanitarian initiative that brings Lions clubs around the world together in service to celebrate the association's 100th anniversary in 2017.

"This is a special time for Lions Clubs International and our members," said International President Preston. "For nearly 100 years, Lions clubs have served their communities and touched the lives of millions of people. The Centennial Service Challenge is an opportunity for Lions to celebrate our 100th anniversary by doing what we do best – serving others."

Over the next three and a half years, Lions clubs will work to achieve the goal of serving at least 100 million people by participating in the association's Global Service Action Campaigns, which support youth activities, vision programs, hunger initiatives, and environmental projects around the world.

"Lions clubs are known for their efforts to save sight, but we do so much more," said International President Preston. "The Centennial Service Challenge highlights the important humanitarian work we do and our impact in communities around the world. It's an honor to lead such dedicated men and women who are working to make their communities stronger."

Lions Clubs International is the largest service club organization in the world. Its 1.35 million members in more than 46,000 clubs are serving communities in more than 200 countries and geographical areas around the globe. Since 1917, Lions clubs have aided the blind and visually impaired, championed youth initiatives and strengthened local communities through hands-on service and humanitarian projects.

History

In 1917, Melvin Jones, a 38-year-old Chicago business leader, told members of his local business club they should reach beyond business issues and address the betterment of their communities and the world. Jones' group, the Business Circle of Chicago, agreed.

After contacting similar groups around the United States, an organizational meeting was held on June 7, 1917, in Chicago, Illinois, USA. The new group took the name of one of the invited groups, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. A constitution, by-laws, objects and a code of ethics were approved.

Within three years, Lions became an international organization. Since then, we've earned high marks for both integrity and transparency. We're a well-run organization with a steady vision, a clear mission, and a long – and proud – history.

Beginning in 1917

Melvin Jones asked a simple and world-changing question – what if people put their talents to work improving their communities? Almost 100 years later, Lions Clubs International is the world's largest service club organization, with 1.35 million members in more than 46,000 clubs and countless stories of Lions acting on the same simple idea: let's improve our communities.

1920: Going International

Just three years after our founding, Lions became international when we established the first club in Canada. Mexico followed in 1927. In the 1950s and 1960s international growth accelerated, with new clubs in Europe, Asia and Africa.

1925: Eradicating Blindness

Hellen Keller addressed the Lions Clubs International Convention in Cedar Point, Ohio, USA, and challenged Lions to become "knights of the blind in the crusade against darkness." Since then, we have worked tirelessly to aid the blind and visually impaired.

1945: Uniting Nations

The ideal of an international organization is exemplified by our enduring relationship with the United Nations. We were one of the first nongovernmental organizations invited to assist in the drafting of the United Nations Charter and have supported the work of the UN ever since.

1957: Organizing Youth Programs

In the late 1950s, we created the Leo Program to provide the youth of the world with an opportunity for personal development through volunteering. There are approximately 144,000 Leos and 5,700 Leo clubs in more than 140 countries worldwide.

1968: Establishing Our Foundation

Lions Clubs International Foundation assists Lions with global and large-scale local humanitarian projects. Through our Foundation, Lions meet the needs of their local and global communities.

1990: Launching Sight First

Through Sight First, Lions are restoring sight and preventing blindness on a global scale. Launched in 1990, Lions have raised more than \$346 million for this initiative. Sight First targets the major causes of blindness: cataract, trachoma, river blindness, childhood blindness, diabetic retinopathy and glaucoma.

Today: Extending Our Reach

Lions Clubs International extends our mission of service every day – in local communities, in all corners of the globe. The needs are great and our services broad, including sight, health, youth, elderly, the environment and disaster relief. Our international network has grown to include over 200 countries and geographic areas.

The Lions Name

On June 7, 1917 at the invitation of Melvin Jones, delegates met in Chicago. The only point of contention was the selection of a name for the new organization. Melvin Jones researched the idea of calling the new organization Lions. He was convinced that the lion stood for strength, courage, fidelity and vital action. On a secret ballot the name Lions was chosen over several others.

The Lions Emblem

At the 1919 convention, there was a move to change the symbol, but a young attorney from Denver, Colorado rose to speak. His name was Halsted Ritter. "The name Lions stands not only for fraternity, good fellowship, strength of character and purpose, but above all, its combination of L-I-O-N-S heralds to the country the true meaning of citizenship: LIBERTY, INTELLIGENCE, OUR NATION'S SAFETY."

The January 1931 issue of THE LION Magazine featured this interpretation of the association's name:

Our name was not selected at random, neither was it a coined name. From time immemorial, the lion has been the symbol of all that was good, and because of the symbolism that name was chosen. Four outstanding qualities – Courage, Strength, Activity and Fidelity – had largely to do with the adoption of the name. The last mentioned of these qualities, Fidelity, has a deep and peculiar significance for all Lions. The lion symbol has been a symbol of Fidelity through the ages and among all nations, ancient and modern. It stands for loyalty to a friend, loyalty to a principle, loyalty to a duty, loyalty to a trust.

The emblem consists of a gold letter "L" on a circular area. Bordering this is a circular area with two Lion profiles facing away from the center. The word "Lions" appears at the top and "International" at the bottom. The Lions face both past and future – showing both pride of heritage and confidence in the future.

Official Colors

Pantone Matching System (PMS) is a popular color matching system used by the printing industry to print spot colors. Most applications that support color printing allow you to specify colors by indicating the Pantone name or number. This assures that you get the right color when the file is printed, even though the color may not look right when displayed on your monitor. The following are specified Pantone colors for Lion logos:

Lions Logo Refresh

In nearly 100 years of use, the Lions logo has changed and evolved. But it has always stood for the same idea: We Serve

1917: Note the visual pun in this early logo: a Lion and a club.

1920: This rendering with monogrammed L and back-to-back lions is the basis for the logo today.

Centennial Celebration

The Story of Lions Clubs International

SINCE 1917

Lions Clubs Founding

"You can't get very far until you start doing somethingfor somebody else"

THERE S

11

Melvin Jones, Founder

Lions Clubs Firsts

First Meeting: June 7, 1917 Chicago, Illinois USA

First President: Dr. William Woods

First Convention: October 8-10, 1917 Dallas, Texas USA

That organizational meeting was held on June 7, 1917 in Chicago, Illinois USA. Based on the success of that meeting, the first Lions Clubs convention was held in Dallas, Texas in October of that year, where Dr. William Woods of Evansville, Indiana was elected as the first President.

Melvin Jones was named Secretary Treasurer and authorized to establish a headquarters in Chicago.

Our new association expanded rapidly, becoming international in 1920, with the addition of a club in Windsor, Canada.

In 1927, the Nuevo Laredo club was formed in Mexico and a number of other clubs in Latin America quickly followed.

With the addition of Lions Clubs in Lismore, Australia; Stockholm, Sweden; and Manila, Philippines in the 1940s, Lions were well on their way to a global presence.

By 1950, there were more than 400,000 Lions in 31 countries and we would soon include every continent with the establishment of a club in Casablanca, Morocco in 1953 and one by Antarctica research scientists in 1957.

Lions become "Knights of the Blind"

1925: Helen Keller challenged Lions to be "knights of the blind" 1930: Lion George Bonham painted a cane white with a red band 1939: The Detroit Uptown Lions Club started a guide dog school

In 1925, Helen Keller spoke at the Lions convention and challenged Lions to become "knights of the blind." Lions enthusiastically accepted her challenge, expanding their service to people who were visually impaired.

To allow people who were blind to navigate streets more safely, Lion George Bonham painted a cane white with a red band in 1930, an innovation that is still in use today.

And in 1939, members of the Detroit Uptown Lions Club converted a farmhouse into a guide dog school, helping to popularize the idea of service dogs.

Many clubs continue to provide guide dog and other sight-related services, such as eyeglass recycling, vision screening, and eye bank support. Through these efforts, Lions have gained worldwide recognition for improving the lives of those who are blind and visually impaired.

More Notable Contributions

1926: Admiral Richard E. Byrd, Lion, explorer, publicist

1977: Lion Jimmy Carter (left) becomes U.S. President

1999: Lions partner with The Carter Center to defeat preventable blindness

More notable Lions contributors include:

Admiral Richard E. Byrd, a Lion and an explorer, who publicized Lions on his trips to the north and south pole, writing "We carried the Lions Club flag with us to the top of the world and felt it was the greatest possible honor to do so."

In 1977, Lion Jimmy Carter became president of the United States. His association with Lions continues, and in 1999, Lions Clubs and The Carter Center formed a partnership to defeat preventable blindness in Africa and Latin America.

Other landmarks in Lions Clubs' development include:

In 1954, the motto "We Serve" was chosen.

In 1957, the first Leo Club was chartered, giving young people the opportunity to serve. Today there are more than 6700 Leo clubs in more than 140 countries.

In 1968, the Lions Clubs International Foundation was established. The foundation, which provides funding for disaster relief, youth, sight and other humanitarian projects, now awards millions of dollars in grants each year, largely through the generosity of Lions.

In 1987, membership was opened to women. Today, women make up nearly 30% of our membership and are the fastest growing segment of members.

One of the purposes of Lions Clubs is "To Create and foster a spirit of understanding among the peoples of the world."

In addition to the global reach of our service mission, Lions Clubs also:

- Fosters Twinning between clubs to formalize friendships with clubs in other countries, learn about different cultures and exchange experiences and ideas about what it means to be a Lion.

- Runs Youth Camp and Exchange Programs to develop thousands of young global citizens by encouraging peace and promoting international understanding.

- Have supported the United Nations since its founding and continues partnering with UN agencies today. Each year, Lions Day with the UN gives Lions the opportunity to demonstrate how the UN and Lions can continue to help those in need on a global scale.

We also established the Peace Poster and Peace Essay Contests, providing a platform for millions of young people worldwide to express their visions of peace.

As Lions Clubs approaches our 100th anniversary, all Lions are called to celebrate our Centennial by:

Leading through Service: Help benefit over 100 million people by completing Centennial Service Challenge projects involving youth, vision, hunger and the environment.

Inviting for Impact: One Lion serves an average of 50 people every year. Adding new members and clubs means more people can be served than ever before.

Connecting with Community: Your club can leave a lasting impact on your community through activities like donating a park bench, establishing a community garden or building a clinic as a Community Legacy Project.

Founder Melvin Jones

Photo Caption: Melvin Jones, an insurance salesman from Chicago, founded the Lions Clubs in 1917.

Melvin Jones was a dreamer, a doer and a pragmatist. He was an energetic, extroverted salesman who in private hours would reread Shakespeare. What better man to found the world's largest association of service clubs?

The Lions International Board of Directors officially designated Jones as the founder of Lions Clubs in 1958—more than four decades after Lions Clubs held its first meeting. But, no matter what his official title, Jones' impact on the Lions has been far-reaching. He provided the leadership, the organizational ability, the tenacity and the muscle necessary to establish the foundation for Lions Clubs International to become what it is today.

Jones was born on Jan. 13, 1879, at Fort Thomas, Arizona, a remote U.S. Army cavalry post where his father was a scout for the Army. At age 7, Jones' family moved east and settled in Illinois. Gifted with a fine tenor voice, he considered making his career in music. Instead, he became an insurance salesman.

By 1913, Jones had formed his own insurance agency in Chicago. When he joined a networking luncheon club for businessmen in Chicago called the Business Circle, he quickly took the lead in recruiting new members and persuading backsliders to rejoin. But something about the club's business-only focus didn't square with Jones' different, larger vision.

"What if these men who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Jones asked. He saw a new kind of club with the desire to help others.

As Business Club secretary, Jones, with help from his wife—the championship golfer Rose Amanda Freeman—wrote scores of letters to clubs nationwide inviting them to take up his idea for a service-centered organization. Businessman interested in membership convened in Chicago, Illinois, and on June 7, 1917, Lions Clubs International was born.

Later that year, at Lions' inaugural convention in Dallas, Texas, Jones was elected secretary-treasurer, a title he would hold for many years. Eventually, the board bestowed upon Jones the title of secretary general for life.

Jones was a prolific writer who could be clear and forceful on some occasions, flowery and sentimental the next. His hand can be seen in founding documents like the Lions Clubs Objects and Code of Ethics. His columns in LION Magazine, which are still quoted today, helped articulate the organization's principles and values.

He also loved aphorisms. Never one to sugarcoat the truth, Jones had one favorite saying neatly framed in his office: "Truth and roses have thorns about them."

Jones gave up the insurance business in 1926 to become Lions' de facto CEO and global goodwill ambassador. He played both roles brilliantly—building and managing an expanding headquarters operation and travelling constantly for club visits and speaking engagements. The pace never stopped.

The Impulse to Serve

Melvin Jones had been a member of the Business Circle of Chicago, a lunch club for business men, for several years when he began pondering a question: "What if these men, who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?"

His club, like hundreds of others across America, was focused on helping members create a business network. The U.S. economy was growing in the early 1900s and opportunities abounded. Yet landing new business still often depended on whom you knew.

In prior generations, associations focusing on religious groups, industries or communities filled the need for socialization and networking among businessmen. But, by the early 20th century, that began to change. Business luncheon clubs promised social and business connections across industries, usually over a hot meal, with a large and eager membership from the growing middle class. Hundreds of these organizations popped up in towns across the United States.

By the time Jones joined the Business Circle of Chicago in March 1913, the competition among clubs for membership was intensifying, and the Business Circle was losing members. Jones realized that for his club to survive, it would have to join together with other smaller clubs. He was also convinced that it had to offer something different.

"I'm finding out that you don't get very far until you start doing something for somebody else," Jones said. "And I'm beginning to believe it might help some of these clubs, like The Circle, to take that to heart."

Larger organizations such as the Elks, the Loyal Order of the Moose and Rotary International, had charitable-service components to their clubs. But Jones wanted to do more. Communities had many needs that called out for someone to take responsibility and help. Youth needed mentors. The hungry needed feeding. The ill needed medical care. Jones envisioned a way to help individuals and communities through volunteer service.

"Any association that presumes to leadership in the community will have to offer something more than business reciprocity among the members," Jones told his club.

In 1917, Jones had the chance to make service part of the core of an organization. When his Business Circle met with other like-minded clubs at the LaSalle Hotel in Chicago, the groups united to become a greater force for good under the name International Association of Lions Clubs. While fellowship and fun remained a hallmark of each meeting, Lions Clubs took a giant step forward by emphasizing the need to serve.

Chicago Central Lions Club

The Business Circle of Chicago, formed in 1908, would never be the same after insurance agency owner Melvin Jones joined the modest-sized club in 1913. Jones had an idea that business luncheon clubs, such as the Business Circle, should focus on serving their communities. Soon, he began working to connect his club with other like-minded clubs around the United States.

By June 1917, Jones had helped to establish a new organization that would change the lives of millions around the world: Lions Clubs International. Jones' club joined the movement two months later. Since renamed the Chicago Central Lions Club, it has been an enthusiastic and dedicated supporter of the Lions mission of service ever since.

"We're continuing the great legacy of Melvin Jones and his vision," said Richard Carlson, past president of the Chicago Central Lions Club.

Since 1999, the club has collected more than 50,000 eyeglasses for the Lions' Recycle for Sight program. Members also periodically provide eyeglasses and hearing aids to the homeless in downtown Chicago, in addition to other service and fundraising programs. The Chicago Central Lions Club has a firsthand perspective on Lions' work for the visually impaired. Five of its 32 members as of 2015 were blind.

Carlson became a member of the club more than two decades ago after retiring from a career in banking. He wanted to give back to his community, and a former colleague talked him into joining Lions—a decision he has never regretted. He is glad to have the opportunity to serve, whether by playing Santa Claus and bringing club-sponsored gifts to local visually impaired children or by reading for the Chicagoland Radio Information Services (CRIS), a daily service from the Chicago Lighthouse that broadcasts audio recordings of printed periodicals and daily newspapers to more than 40,000 visually impaired listeners. Looking back, it makes clear sense that Carlson would become a Lion. His mother once worked as a secretary in Jones' insurance firm.

When Jones joined the Chicago Business Circle more than a century ago, he likely never dreamed that his experiences with the club would inspire an organization that today has more than 46,000 clubs around the globe. Jones remained a dedicated member of the Chicago Central Lions Club as he worked to build up the Lions Clubs International, even serving as the president of the club from 1920 to 1921 while also

Pressing On

Photo Caption: In the 1920s, Lions clubs continued to expand and serve communities with such projects as fund raising for a children's hospital.

Lions Clubs International thrived in the 1920s as organizations that focused on serving others captured the imagination of the American public. As the United States entered the Roaring Twenties, a new ideal of service and voluntarism generated a wave of enthusiasm. Industrialization and other social changes were sweeping America, and the concept of social responsibility was gaining momentum.

The ideal of service had become a "glorious spiritual force" in the U.S., Secretary of Commerce Herbert Hoover wrote in 1922. The trend was exemplified, according to the future U.S. president, by the "vast multiplication of voluntary organizations for altruistic purposes."

Lions were at the heart of the service movement. People in small towns and cities across America were ready to respond to the Lions, and to founder Melvin Jones' maxim that "You can't get very far until you start doing something for somebody else."

Lion's public profile rose as the organization launched a prominent fight against blindness and local Lions clubs took on great causes. Lions in Houston pitched in to raise money for children in war-torn Belgium. Lions in Los Angeles helped fund a playground. Lions in Cincinnati raised money for a war memorial.

Wherever Lions clubs were established, they encouraged members to work to benefit their communities.

Lions on the Move

Photo Caption: The Lions Club of Nuevo Laredo, Mexico, celebrates its charter in 1927.

The International Association of Lions Clubs was anything but international when formed in Chicago in 1917. At its inception, about two dozen clubs were scattered around the central United States in places such as Arkansas, Colorado, Illinois, Oklahoma and Texas. Lions suspected, however, that their group would soon live up to its multinational name. Service and volunteerism are contagious, especially when combined with a bit of fun.

It didn't take long. Just three years later, in 1920, Lions became truly international with the establishment of its first club outside U.S. borders in Windsor, Ontario, Canada.

Located across the river from Detroit, Michigan, Windsor was a bustling border town in 1920, benefitting from the region's booming automotive industry. Detroit, birthplace of the moving automobile assembly line, had just formed its own Lions club earlier that year and word was quickly spreading about the association. Windsor's volunteer-minded citizens were intrigued. Through Lions Clubs, they could serve their growing community and improve the lives of their neighbors.

Michigan District 11 Governor Anthony Menke was known as a dynamic force in area business circles, and the enthusiastic leader was eager to make the Canadian Lions club a reality. Under his guidance, the Detroit Lions sponsored the Windsor club, which soon sprang into action and began serving fellow Canadians with Lions' fervor. The Windsor club would later make its mark by introducing Canadians to the white cane, a safety identification tool for the visually impaired.

After founding the Windsor club in Canada, Lions moved into China and Mexico. In 1926, the first Lions Club in China was established in Tianjin (formerly Tientsin). A year later, Mexico's Nuevo Laredo Fundadores Club joined the association with the help of Lions across the border in neighboring Laredo, Texas.

Today, Lions are serving those in need through clubs in more than 200 countries and geographic areas. As the largest service organization in the world, Lions Clubs International goes wherever the Lion-hearted are found.

United Nations

Photo Caption: Lions Clubs International has worked with the United Nations since its founding in 1945 to bring help to people in need around the globe

As World War II raged, leaders of the Allied nations looked beyond the end of the conflict and held talks on a world body for preserving peace–an entity that would be stronger than the toothless League of Nations. Lions rallied behind the idea. In 1943 in Cleveland at their international convention, Lions endorsed a U.S. House of Representatives resolution calling for an international peacekeeping mechanism once the fighting ended.

In February 1945, Lions' founder Melvin Jones gathered with leaders of other national groups to meet with Secretary of the Treasury Henry Morgenthau Jr. and Assistant Secretary of State for Public Affairs Archibald MacLeish to discuss forming a United Nations. In April Lions headquarters asked clubs to hold a United Nations week to show support for the initiative.

Lion Clubs International was one of the first nongovernmental organizations invited to assist in drafting the U.N. Charter. Jones, International President D.A. Skeen of Salt Lake City, Utah, and future International President Fred W. Smith of Ventura, California, helped to formulate the NGO section of the charter and participated in developing the U.N.'s humanitarian mission. On June 26, 1945, the U.N. charter was signed by the representatives of 50 countries.

Two years later in 1947, in recognition of the importance of Lions Clubs to its mission, the United Nations gave Lions consultative status with the U.N. Economic and Social Council, committed to the welfare of people worldwide. For generations, Lions and the U. N. have shared many common goals and worked together to further peace and prosperity.

Each year Lions and the U.N. celebrate their relationship. Begun in 1978, Lions Day with the U.N. calls together leaders from government, business and the nonprofit sector to explore solutions to pressing global needs. The annual event features a keynote address by a recognized world leader, expert panel discussions and, since 1989, the awards ceremony for the winners of the Lions International Peace Poster Contest encouraging young people to express their perspectives on peace. Lions Day is punctuated with a reception for U.N. diplomats, Lions, speakers and guests to celebrate this special and enduring relationship.

Photo Caption: Lions adopted this simple motto in 1954 after an international contest among members.

Lions have both a slogan and a motto.

The slogan reflects the organization's formative years in America during and after World War I. The motto declares its common purpose in two short words.

In the early 1920s, the slogan "Liberty, Intelligence, Our Nation's Safety"—an acronym for the word Lions—appeared widely on club stationary, billboards and other promotional materials. Who said it first? Perhaps it was a young attorney named Halsted Ritter who rose to speak at the 1919 International Convention in Chicago.

"The name Lions stands not only for fraternity, good fellowship, strength of character and purpose," Ritter declared, "but, above all, the combination of L-I-O-N-S heralds to the country the true meaning of citizenship."

The words suited the patriotism that swept the U.S. following WWI, and Lions adopted the acronym as its slogan.

As the Lions movement grew across national borders, cultures, and languages, Lions began looking for other words to describe their mission and work. In 1954, the board announced an International Motto Contest and invited suggestions from all 522,000 worldwide members.

According to the entry form, the motto had to be "enduring," "international in character," and "easily translatable." There was also a strict contest rule to discourage wordiness. Lions could submit as many mottoes as they liked, but each entry could be no more than five words in length.

To get Lions thinking, the organizers gave out a few five-word examples: "Men of Action in Action." "Working with Others for Others." "Worldwide Service to Humanity."

Thankfully, 11 of the 6,000 Lion contestants had better ideas. They each submitted identical entries. But Canadian Lion D. A. Stevenson from Font Hill, Ontario, was declared the winner as his submission had the earliest postmark. His motto contained two simple words: "**We Serve**."

Expressions of Peace

Photo Caption 1: Mustapha El Tawokji from Beirut, Lebanon, won the first peace poster contest in 1988-1989.

Nothing speaks louder to the world's need for harmony than a child's vision of peace—except for the collective expressions of millions of children.

Since 1988, Lions Clubs International has sponsored the annual Lions International Peace Poster Contest to encourage young people to express their perspectives on peace. Every year, as many as 400,000 children ages 11 to 13 from around the world participate in the contest. Sponsored by local clubs, the international competition reflects one of the key tenets of the Lions—to create and foster a spirit of understanding among the peoples of the world.

One international grand prize winner and 23 merit award winners are chosen each year for their unique and heartfelt visions of peace created from crayon, watercolor, pencil and other mediums. All winners receive a cash prize and certificate.

Mustapha El Tawokji from war-torn Beirut, Lebanon, won the first Peace Poster Contest in 1988-1989 by expressing the theme, "Peace Will Help Us Grow," with a dove flying over a bed of roses. While he had never known peace, he expressed his vision of what peace would be like.

Grand prize winners have come from all over the world: Italy, Japan, Indonesia, Brazil, South Africa and the United States, just to name a few. The artwork and creativity of every child who enters the contest is celebrated by its sponsoring Lions club. Each young artist's work reflects his or her own experience, culture and worldview.

Visually impaired young people also have the opportunity to share their expressions of peace through the Lions International Essay Contest. Each year students ages 11 to 13 enter short essays on the same theme as the Peace Poster program for a chance to win a cash prize.

Both contests trace their roots back to a program in the 1960s called the Peace Essay Contest. To help celebrate LCI's 50th anniversary in 1967, Lions asked young people ages 14 to 21 to submit an essay on peace. More than 1 million entries were received. Former U.S. President Dwight D. Eisenhower served as honorary chairman of the international panel that chose high school student A. Russell Wodell of Cranbrook, British Columbia, Canada, as the winner for his essay titled, "Is Peace Attainable?"

"There is no easy road to peace," wrote Wodell. "Only through evolution of his social, moral and intellectual values can man achieve true peace with himself."

Young people from around the globe continue to offer Lions their expressions of peace in the hopes that one day the dream may come true.

Centennial Service Challenge

How does one celebrate a century of service? Through service itself!

For Lions Clubs International, the 100th anniversary in 2017 is a time to do even more. At the 2014 International Convention in Toronto, Canada, the Centennial Service Challenge presented Lions around the world with the goal to serve 100 million people by June 30, 2018.

The Centennial Service Challenge encourages Lions to focus their efforts around four key areas:

Engaging Our Youth, which includes sponsoring Leo Clubs, participating in the Youth Camp & Exchange Program, and organizing local Peace Poster Contests

Sharing the Vision, which includes conducting vision screenings, providing Braille and large-print books to a local library, and organizing sporting events for the blind and visually impaired.

Relieving the Hunger, which includes collecting food for food banks, delivering meals to the elderly or disabled, and supporting community garden projects

Protecting Our Environment, which includes recycling projects, building wells and latrines in communities in need and community cleanup campaigns

By July 15, 2015, just one year into the challenge, 46 million people had already benefited from Lions Centennial projects.

"Lions clubs are known for their efforts to save sight, but we do so much more," said Joe Preston of Dewey, Arizona, who served as international president from 2014-15. "The Centennial Service Challenge highlights the important humanitarian work we do and our impact in communities around the world."

With a century of service complete, the Centennial Service Challenge shows Lions' commitment to serve even more. As the centennial theme states, "Where There's a Need, There's a Lion."

What better way to ring in the Centennial than by celebrating the man who started it all? Nearly 100 years ago, Melvin Jones' vision became a reality when delegates of the first Lions club met to inaugurate what would become an international movement to improve the lives of vulnerable people around the world.

Jones' devotion to service embodied the values that have grown Lions Clubs International into the world's largest service organization. His vision carried Lions Clubs International into the 21st century and his legacy will propel it into the next. Here's how it all began.

Melvin Jones Biography

Melvin Jones was born on January 13, 1879 in Fort Thomas, Arizona, the son of a United States Army captain who commanded a troop of scouts. Later, his father was transferred and the family moved east. As a young man, Melvin Jones made his home in Chicago, Illinois, became associated with an insurance firm and in 1913 formed his own agency.

He soon joined the Business Circle, a businessmen's luncheon group, and was shortly elected secretary. This group was one of many at that time devoted solely to promoting the financial interests of their membership. Because of their limited appeal, they were destined to disappear. Melvin Jones, then a 38-yearold Chicago business leader, had other plans.

"What if these men," Melvin Jones asked, "who are successful because of their drive, intelligence and ambition, were to put their talents to work improving their communities?" Thus, at his invitation, delegates from men's clubs met in Chicago to lay the groundwork for such an organization and on June 7, 1917, Lions Clubs International was born.

Melvin Jones eventually abandoned his insurance agency to devote himself full time to Lions at International Headquarters in Chicago. It was under his dynamic leadership that Lions clubs earned the prestige necessary to attract civicminded members.

The association's founder was also recognized as a leader by those outside the association. One of his greatest honors was in 1945 when he represented Lions Clubs International as a consultant in San Francisco, California, at the organization of the United Nations.

Melvin Jones, the man whose personal code – "You can't get very far until you start doing something for somebody else" – became a guiding principle for public-spirited people the world over, died June 1, 1961 at 82 years of age.

Helen Keller

Born in Tuscumbia, Alabama, USA, in 1880, Helen Keller developed a fever at 18 months of age that left her blind and deaf.

With the help of an exceptional teacher, Anne Mansfield Sullivan of the Perkins School for the Blind, Helen Keller learned sign language and braille. A few years later, she learned to speak. As an adult she became a tireless advocate for people with disabilities. And in 1925, she

attended the Lions Clubs International Convention and challenged Lions to become "knights of the blind in the crusade against darkness."

The Lions accepted her challenge and our work ever since has included sight programs aimed at preventable blindness.

Helen Keller Day

In 1971, the Board of Directors of Lions Clubs International declared that June 1 would be remembered as Helen Keller Day. Lions around the world implement sight-related service projects on Helen Keller Day.

Helen Keller's Speech at 1925 International Convention Cedar Point, Ohio, USA - June 30, 1925

Dear Lions and Ladies:

I suppose you have heard the legend that represents opportunity as a capricious lady, who knocks at every door but once, and if the door isn't opened quickly, she passes on, never to return. And that is as it should be. Lovely, desirable ladies won't wait. You have to go out and grab 'em.

I am your opportunity. I am knocking at your door. I want to be adopted. The legend doesn't say what you are to do when several beautiful opportunities present themselves at the same door. I guess you have to choose the one you love best. I hope you will adopt me. I am the youngest here, and what I offer you is full of splendid opportunities for service.

The American Foundation for the Blind is only four years old. It grew out of the imperative needs of the blind, and was called into existence by the sightless themselves. It is national and international in scope and in importance. It represents the best and most enlightened thought on our subject that has been reached so far. Its object is to make the lives of the blind more worthwhile everywhere by increasing their economic value and giving them the joy of normal activity.

Try to imagine how you would feel if you were suddenly stricken blind today. Picture yourself stumbling and groping at noonday as in the night; your work, your independence, gone. In that dark world wouldn't you be glad if a friend took you by the hand and said, "Come with me and I will teach you how to do some of the things you used to do when you could see?" That is just the kind of friend the American Foundation is going to be to all the blind in this country if seeing people will give it the support it must have.

You have heard how through a little word dropped from the fingers of another, a ray of light from another soul touched the darkness of my mind and I found myself, found the world, found God. It is because my teacher learned about me and broke through the dark, silent imprisonment which held me that I am able to work for myself and for others. It is the caring we want more than money. The gift without the sympathy and interest of the giver is empty. If you care, if we can make the people of this great country care, the blind will indeed triumph over blindness.

The opportunity I bring to you, Lions, is this: To foster and sponsor the work of the American Foundation for the Blind. Will you not help me hasten the day when there shall be no preventable blindness; no little deaf, blind child untaught; no blind man or woman unaided? I appeal to you Lions, you who have your sight, your hearing, you who are strong and brave and kind. Will you not constitute yourselves Knights of the Blind in this crusade against darkness?

I thank you.

THE GLOBAL LEADER IN HUMANITARIAN SERVICE. Our Structure

THE LIONS CLUB

You may be surprised to know that, while you are a proud and newly-minted Lion, you are not technically a member of the International Association of Lions Clubs! You are a member of your local club and the club is a member of the association.

This is as it should be. The Lions club is the fundamental unit of Lionism. It is the structure upon which all else is built. The clubs are where the work gets done. It is clubs that make a difference in their communities. The association exists to serve and support your club and the 45,000 like it around the world.

As you know by now, Lions clubs are made up of men and women who want to improve their communities and are committed to the work that will make that happen. Our volunteers serve their communities and communities around the world with unmatched integrity and enthusiasm. That is why wherever a Lions club gets together, problems get smaller and communities get better.

You have every reason to be proud to be a Lion. Lions club membership is by invitation only, open to persons of legal majority, of good moral character and good reputation in the community.

As a Lion, you have become an active volunteer in a respected international organization. You are a leader in your community and a friend to people in need.

As a chartered member of the International Association of Lions Clubs, your club has pledged to abide by the International Constitution and By- Laws. It is important to familiarize yourself with this document which may be downloaded at the Lions Clubs International Web site.

The officers of your club include the president, immediate past president, vice president(s), secretary, treasurer, Lion tamer (optional; custodian of club property), tail twister (optional; promotes enthusiasm at meetings), membership development chairperson and others. Officers are elected annually for a term coinciding with the association's fiscal year (July 1-June 30).

Most work in Lions clubs is done in committees appointed by the president. In many clubs, every member is assigned to a committee. Your committee assignment is an important part of your membership and deserves your best effort.

Administrative committees may include attendance, constitution and by-laws, convention, finance, Lions information, membership, programs, public relations, greeter and leadership development. Activity committees generally conform to the major Lion activities.

Each club and district sets its own annual dues to cover administrative costs. In addition, the club collects international dues to cover member benefits, including a subscription to LION Magazine. Money raised from the public must never be used to defray administrative expenses. Every US dollar raised by Lions goes directly back into the community.

THE DISTRICT

The district is your club's connection to the wider world of Lions Clubs International. The world's 45,000 Lions Clubs are grouped into approximately 750 districts, each with 35 or more clubs and at least 1,250 Lions club members.

Each district has a district governor who is elected for a one-year term and is responsible for the overall success of our mission of service in the district. The responsibilities of the district governor are shared with the district governor team, comprising of the district governor and first and second vice district governors. The team works together to supervise overall district operations, develop team strategies and encourage the invitation of new members and formation of new clubs.

The district governor also supervises other district officers, including the cabinet secretary and treasurer. The officers and various committee chairpersons make up the district cabinet. Club presidents and secretaries are often in contact with the district cabinet and serve as an informal advisory committee.

Some large districts are subdivided into regions of 10 to 16 clubs and zones of 4 to 8 clubs. Where this is the case, region and zone chairpersons also work closely with the district cabinet.

Multiple districts are formed by two or more districts within a territory, typically organized along national, state or provincial lines. Stand-alone districts are called single districts.

THE INTERNATIONAL ORGANIZATION

The International Board of Directors is the governing body of the association. Its 34 members, from all parts of the world, meet four times each year to set association policy. The board also:

Monitors ongoing programs of the association Supervises the international officers and committees of the association Manages all association business, property and funds Prepares and approves a budget for each fiscal year (July 1 - June 30)

The international officers, consisting of the international president, first and second vice presidents and immediate past president, are charged with implementing policy and serving as inspirational leaders of the world's 1.35 million Lions.

The board and officers are assisted by board appointees; distinguished Lions authorized by the board to chair certain committees and carry out specific assignments.

International officers and directors are elected by the delegates each year at the international convention. Presidents are elected two years prior to their terms and serve as second vice president, first vice president and then president. Board members are elected to two-year terms and are designated first or second year directors during their service.

International Convention

The Lions Clubs International Convention is the association's premier event. Each year it brings together thousands of Lions from around the world for a week of business, education and fellowship.

The convention's most important business is the election of international officers and trustees and the inauguration of a new president. Attendees may choose from a wide variety of workshops and seminars designed to help them improve their clubs and become more effective Lions. International fellowship is celebrated in colorful ceremonies, informal get-togethers and highlighted by a festive parade through the host city.

All Lions in good standing are welcome and encouraged to attend. For more information about upcoming conventions visit the news and events section of the Lions Clubs International Web site.

LIONS CODE OF ETHICS

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's; to be loyal to my clients or customers and true to myself. **WHENEVER** a doubt arises as to the right or ethics of my position or action towards others, to resolve such doubt against myself.

TO HOLD friendship as an end and not a means. To hold that true friendship exists not on account of the service performed by one another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS TO bear in mind my obligations as a citizen to my nation, my state, and my community, as to give them my unswerving loyalty in word, act, and deed. To give them freely of my time, labor and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise; to build up and not destroy.

அரிமாக்களின் அறக்கோட்பாட்டு விதிகள்

எனது தொழிலில் எனக்குள்ள நம்பிக்கையை இறுதிவரை கைக்கொண்டு கடும் முயற்சியைப் பிரயோகித்து அதனால் எனது சேவையின் தரத்துக்காக நான் நன்மதிப்பைப் பெறத்தகுதி உடையேன் ஆதல் வேண்டும்.

வெற்றியை நாடி உழைத்து நியாயமாகக் கிடைக்க வேண்டிய வருமானத்தையோ. இலாபத்தையோ பெறுதலை வற்புறுத்துவேன். ஆனால் சுயமரியாதையை விலையாகக் கொடுத்து இலாபத்தையோ, வெற்றியையோ ஏற்கமாட்டேன். நியாயமற்ற வாய்ப்பைப் பயன்படுத்தியோ கேள்விக்குரிய செய்கைகளை கொண்டே எனது சலத்தைத் தேடமாட்டேன்.

எனது தொழிலைக் கட்டி எழுப்பும் பொழுது மற்றொருவருடையதைச் சீர்குலைக்க வேண்டியதில்லை. எனது வாடிக்கைக் காரருக்கும் என்னுடன் தொழிற்தொடர்பு கொள்வோருக்கும் எனக்கும் விசுவாமுற்றவனாய் இருக்க வேண்டும் என்பதை மறக்க மாட்டேன்.

எனது சகமனிதர் தொடர்பாக எனது செய்கை பற்றி ஏதாவது அறக்கோட்பாட்டில் அல்லது உரிமையில் சந்தேகம் எழும்போது எப்பொழுதும் எனக்கு மாறமகவே தீர்ப்பு வழங்குவேன். பிறர் உரிமைக்கு முன்னிடம் கொடுப்பேன்.

நட்பு என்பது ஒரு குறிக்கோள். இது ஏதாவது இலாபம் பெறுவதற்கு வழி என்று கருதமாட்டேன். உண்மையான நட்பு ஒருவர் மற்றவருக்குச் செய்யும் சேவையைப் பொறுத்து அல்ல. உண்மை நட்பு சேவை வழங்கப்பட்ட அதே மனப்பான்மையுடன் அதனை உவந்து ஏற்பதையும் ஒன்றையும் எதிர்பாராமல் இருப்பதையும் பொறுத்திருக்கின்றது என்ற உண்மையை உறுதியாகக் கடைப்பிடிப்பேன்.

ஒரு பிரജை என்ற முறையில் எனது தேசிய இனத்திற்கு நான் செய்ய வேண்டிய கடமைகளை மனத்தில் இருத்துவேன். எனது மனம், வாக்கு, செயல் அனைத்திலும் அசைக்க முடியாத விசுவாசம் உடையவனாய் இருப்பேன்.

எனது சகமனிதருக்கு உதவும் முகமாகத் துன்புற்றோருக்கு இரக்கமும், பலவீனர்களுக்கு உதவியும் தேவையானோருக்குப் பொருளும் வழங்குவேன்.

எனது விமர்சனம் பற்றிக் கவனமாய் இருப்பேன். பிறர்க்குப் புகழ் சூட்டுவதிற் தாராளமாயிருப்பேன். ஆக்க முயல்வேன். அழிக்க முயலமாட்டேன்.

OFFICE OF DISTRICT GOVERNOR

The office of the District Governor is a coveted position in every district. The person who occupies this office represents the choice of the membership to lead the district in the matters of framing of policies and execution thereof for a particular year. The person is given due honour and recognition from the clubs of the district and the leadership of the Association. But there is a price for leadership-there is nothing called a free lunch. If you want to enjoy the glory that is generally associated with the office of a district governor, you must be prepared to make the sacrifices. A governor's views and opinions always matter, and are often sought by the Association. However before the person reaches this position, he or she must ensure that one possesses the kind of experience and exposure that must be a pre-requisite for making studied and sustainable decisions. One must have the ability to weigh all options, accept criticism with an open mind, offer oneself for scrutiny despite what we may believe to be successful completion of initiatives, and most importantly encourage contrarian views to develop. A leader is essentially a facilitator, one who is responsible for developing an environment where the members could contribute their best. One must realize that progress has come often from designs that emerge from diametrically opposing viewpoints as compared to the generally accepted trends. One needs to balance between what is the current stand point and what demands of the future are. Leaders in lionism are trustees of the future generations in their own communities and countries. He, in fact, becomes an officer of the Lions Clubs International to implement the plans and projects, for which decisions may have been made.

Humanity, Integrity, Sincerity in Service

We ,we are lions We, we serve with PRIDE We reach out and lend a helping hand Come , come join us now Come, United we can stand as one Together we can make a difference

1. PROMOTE UNITY IN DIVERSITY

Let us strive hard to create and Promote Unity in Diversity. History has taught the evils of disparity and diversity. Variety or diversity is there in all nature and it adds up to the beauty of nature. A hundred flowers may bloom and all of them are separately beautiful and the Garden, in which they bloom, is also, as a whole beautiful. Separately and together they are sources of ineffable joy. A Chinese Philosopher had said that Wars do not always mean the clash of Arms, for many a Battle had been won on the Terrain of Ideas. This step will lead to the achievement of our Vision, the creation of Unity in Diversity. During the time of Natural Disasters similar to the terrific Tsunami, the entire Members' of Lions Clubs spontaneously helped all the Victims of the Nation. Let there be reciprocal understanding among all Communities. As, **WE SERVE** others, we sow the seeds of Harmony, Understanding and Peace among all Communities. Let Peace begin with a Smile; let Unity and Peace be planted in the minds of every Sri Lankan. Let's utilize the services of Media for the promotion of the cause.

2. <u>RETENTION & MEMBERSHIP DEVELOPMENT</u>

Retention and Membership Development is the live wire of an Organization and Characteristics such as Team Spirit, Collective Responsibility, Good Leadership, Fair Play, Compromise and Solidarity will pave the way to achieve the Goals. Retention of the existing Membership is the first step towards strengthening of Membership. Delegation of Duties, Collective Responsibility and post event recognition are key notes of Retention. In a Membership Drive, it is always advisable to use the services of Certified Guiding Lions for Orientation of Prospects. Planned Membership Growth Programs should be formulated and the Drive requires genuine desire and a spirit of sacrifice. A well compiled Monthly District Bulletin giving information of the Aims and Objectives, Services rendered by Lions Clubs, Recognition of Good Work, Meaningful and Impactful Service Projects will keep the Members motivated and feed their Altruistic Spirit. We must make the Public feel that it is a Pride and Honor to be a LION. Young men and women should be inspired and motivated by yeomen services rendered by the Lions. New Clubs should be chartered with Quality Members. Strength is in Numbers. Let us carry the Slogan : "MORE THE MEMBERS, MORE THE HANDS TO SERVE"

3. INVOLVE

Sight Conservation & Restoration

We, as LIONS, serving the Needy are guided by a "VISION". To make the "Vision" a "Mission", harnessing all man power and good will, accompanied with good leadership qualities are required to achieve the envisioned Action Plan. This is possible through harmonious Partnership, a friendly outlook and sharing and learning through each other's experience. We have to formulate favorable plans to alleviate the sufferings of the needy; a Needs Analysis' is the answer. Lion Clubs must conduct Eye Clinics to provide comprehensive Eye Care to those who require our assistance and help. Clinics must be held to complement the work done in Hospitals. Public must be made aware of the risks of blindness with the help of Seminars. Eye Screening Programs for School Children under 'Sight for Kids', the yearly Commemoration of White Cane Day at Club and District levels, Distributing Calibrated Spectacles to the Needy, Conducting 'Out Reach Eye Screening Camps' with the support and assistance of Lions Sight First Hospital at Hendala, Wattala and providing assistance for Cataract Surgeries, including Intra Oracular Lenses(IOLs), etc. should be assigned top priority. Arrangements can also be made for Donation of Eyes, as a project but not the least in importance.

Diabetic Awareness

Diabetes is considered as the greatest threat to humanity and is a silent epidemic. The public need to be made aware of the causes and symptoms of the dreaded disease through well-structured awareness programs. It re quires to be detected early and treated properly. Adverse factors such as the harmful life style, consumption of fast food, lack of exercise, increase in obesity, excessive consumption of alcohol, etc are the main contributory causes. Hence effective screening & awareness programs need to be organized periodically through Club, Zonal and Regional levels to manage the disease, as there is **'NO KNOWN CURE' for it.**

4. **DEVELOPMENT**

Leadership & Training

Leadership is the ability to harness various resources to accomplish common Goals through United Efforts. An Energetic Leader should be able to recruit talented individuals into a team for which each is willing to do his/ her best to achieve a common Goal. In short, Leadership is the capacity to translate Vision in to reality with Joint Efforts. Wherever necessary, training should be provided to all Members at Club Level and District Level in order to inspire all to share ideas, to trust each other, to communicate well and to find solutions for all the problems that permit the Organization to the Change, Grow and Improve. A good Leader should love himself and others and give credit for his Success to the Members of the Team than take the credit for himself.

A leader should not lose his balance even in grave times of difficulties. He should be always upright in his decision, like a burning torch. If a burning torch is lowered, its flame will not go down. Flames will go upward only. There is a saying "The Man behind the Weapon is more important than the Weapon". Special arrangements are in place to provide Training in Leadership during the first quarter of the Lionistic Year. Hence, it is imperative that Lions Leaders be creative in the approach to their responsibilities and be open for fresh valuable ideas to drive operations smoothly.

Youth Welfare

Youth is idealistic and energetic and our Future. The Forts of Democracy are rather built on the strength of the Youth. Their energy should be channeled in the proper direction. They have natural instinct for service and can promote emotional interaction among groups. Progress requires innovations and innovation is the prerogative of the youth. It is the young who are large hearted. Clubs are encouraged to provide Vocational Training, Career Guidance and Create Awareness on the harmful effect of Drugs, Smoking, Sex Abuse, Consumption of Liquor and other Social Evils. Leos' should be motivated to join Lions Clubs at the age of maturity as Leos. They should be handled with meticulous care and sound planning. Scientist Albert Einstein said "The significant problems we face cannot be solved at the same level of thinking we were at when we created them".

Education

Man could change by change in our Educational System that could bring forth a new generation of ethical Individuals who could make difference in all walks of life. Life is a struggle and we are faced with problems and confronted with a host of challenges. To face challenges, we need to develop a sense of equilibrium in our minds and within our personalities. Education is vital in this regard and is the mechanism and the tool necessary to achieve the sense of balance. Education is the manifestation of perfection in man.

Progress does not come from Revolution of Human Beings but on the Evolution of Institutions. Hence we would encourage non-Governmental Organizations to come forward and lend their support for the cause. Let us remember the lesson of the Pyramid. Each block is insignificant; together they amount to a Wonder of the World. Each Member may be insignificant but if all join together, our District 306 B1, would become the "Wonder of All". AT PRESENT SOME CHILDREN DROP OUT OF SCHOOLS at the tender age due to varying reasons - i.e. Economic & Lack of Opportunities for further Education. The answer is to conduct Workshops on Career Guidance, to Educate Teachers, Parents & Students on the finer aspects of Career Planning. In order to face the challenges of the rapidly changing complex world, we must help Students to develop competence, through life kills. Our high literacy rate is not worth its rating as it does not measure functional literacy. Let the students feel that it is in their interest to have adequate knowledge before having a Degree. Peter Drucker the Management Guru has introduced the concept of "Knowledge Worker" and "Knowledge Economy" to the Management World. Winston Churchill has said, "Empires of the Future are Empires of the Mind". Education must achieve its Nobel Objectives of gifting the Country with Individuals of different skillsin support of the Economy and the needs of the Country. Let us hope that our Projects provide at least the minimum assistance towards a Quality Education System.

5. Environment & Protection

The surroundings in which we live is our Environment. Every Citizen of the World speaks of the Environment; the dangers of destruction and the dire need for preservation. If we are to put an end to the Dangers of the Destruction, we should destroy the Phenomena that nourish it. A concerted Global response is an urgent need to prevent such Dangers; Global Warming is clear example. At a summit that was held in Rio de Janeiro in 1992, the participants of 178 countries realized the gravity of the problem. UNICEF HAS GIVEN A WARNING. It may result in "the Gradual Dwindling of the Present Opportunity for Progress and International Stability due to environment abuse". Let us save our Environment, Let us save the future as it belongs to our Children. We all should realize that Trees are Friends of the People and we need them. Clubs should seriously Concentrate in organizing **Tree Planting Campaigns**, along with its Awareness Programs.

Let our heritage, be a world, where the environment is intact, where timeless values have a place, where the Youths can flower into Manhood. The International Clubs of the World have the opportunity to contribute in abundance to arrest pollution to a great extent or at least to limit pollution to the minimum.

LET WE LIONS ADHERE TO SERVE WITH

Message from the District Governor

It is great honor and pride I send this message to the District Directory this centenary year as the District Governor. My dear Lions, Lion Ladies and Leo's I had the honour of being installed as the District Governor of our District 306B1 in the 99th International Convention in Fukuoka, Japan. I am happy and proud to be your District Governor for this centenary year. I am sure that the amazing experience gained at the workshops conducted by the top Leaders at the Lions Interactional will be greatly lead me to lead the District in an exemplary manner this year. I am prepared and organized to give more than 100% towards achieving the Lionistic goal during the year. I know that this will be a round the clock action related function for me. This will be made possible with the cooperation of more than 2000 lions in the District.

2016/17 International Presidents theme: New Mountain to climb. Dear Lions Join International President Chancellor Bob Corlew and Lions around the world as we celebrate 100 years of Lions humanitarian service and prepare for our second century of service. As planned by International President this year Reach the Summit of Service

<u>Centennial Service Challenge</u> – Lead through service by joining the challenge to help 100+ million people for our Centennial. Engage and impact youth through hands-on projects with <u>Lions Children First</u>, promote literacy through the <u>Reading Action Program</u>, and bring hope to vulnerable children through the <u>Leo</u> <u>Spotlight on Children</u>. Lions this year I have planned most practical theme for the District "Humanity, Integrity and sincerity in Service. Lions it is simple, when we serve humanity, serve with Integrity& sincerity. Lions join me serving the needy on a planned and need orient basis with integrity and sincerity. Let's start our action immediately without any further delay as we are left with only 255 days to perform and show results.

I am sure the workshops held for the club offices and Cabinet officers were well attended and concluded successfully. I am also happy and encouraged on the attractive well attended welcome reception give to me on my arrival after installation as District Governor at the International convention and the number & the value of the projects carried out on that day.

My FIVE point program for the year.

I have explained my five point program in my broacher already released. The program under "PRIDE" has been designed after many thoughts.

- 1. Promote unity in Diversity
- 2. Retention & membership development
- 3. Involve (Sight conservation & restoration, Diabetic awareness
- 4. Development, (Leadership& training, and youth development, Education
- 5. Environment & protection

I appeal to the Presidents and lion members to concentrate on carring out projects to make our program a success.

Our Centennial service goal is to serve at least 100 million people by June 2018. We are on pace to shatter that goal. Please have your club "join the party." Celebrate the Centennial in other ways, too, by inviting family and friends to serve with you and by planning a Legacy Project in your community.

I take this opportunity to thank all Lions and Lion Ladies took part in the welcome ceremony and carried out projects and looking forward to work with you all very closely to make our dreams come true. My Lion Lady Ranji joins me wishing very one a very fruit full year of Lionism.

THE DISTRICT

The district is your club's connection to the wider world of Lions Clubs International. The world's 45,000 Lions Clubs are grouped into approximately 750 districts, each with 35 or more clubs and at least 1,250 Lions club members. Each district has a district governor who is elected for a one-year term and is responsible for the overall success of our mission of service in the district. The responsibilities of the district governor are shared with the district governor team, comprising of the district governor and first and second vice district governors. The team works together to supervise overall district operations, develop team strategies and encourage the invitation of new members and formation of new clubs. The district governor also supervises other district officers, including the cabinet secretary and treasurer. The officers and various committee chairpersons make up the district cabinet. Club presidents and secretaries are often in contact with the district cabinet and serve as an informal advisory committee. Some large districts are subdivided into regions of 10 to 16 clubs and zones of 4 to 8 clubs. Where this is the case, region and zone chairpersons also work closely with the district cabinet. Multiple districts are formed by two or more districts within a territory, typically organized along national, state or provincial lines. Stand-alone districts are called single districts.

In your role as region chairperson, you are an important member of the district's leadership team. As an officer of the district and a member of the district governor's cabinet, you provide additional support to the district governor and act as a link to the zone chairpersons of your region. Along with the zone chairpersons, you support the creation and maintenance of quality clubs within the region. The duties of the region chairperson vary based upon the needs of the clubs in your district. Ask your district governor what will be expected of you while you serve as a key supportive mentor for the zone chairpersons you oversee.

Club success is determined not only by the club's officers and members, but by the full district team: zone chairperson, region chairperson and district governor team. The International Board of Directors adopts policy changes that give district leadership better tools to support clubs when they most need support. In collaboration with the full district team, you help to apply these policy changes and tools to safeguard the health of the clubs in your region. In addition to supporting existing clubs, you can assist with new club development in the region. Your ability to coordinate the team of zone chairs and support their work in these areas will be critical to your region's success.

RESPONSIBILITIES OF A REGION CHAIRPERSON

The region chairperson is subject to the supervision and direction of the district governor and shall be the chief administrative officer in the region, when the position is utilized during the district governor's term. 5. Visit a regular board of directors meeting of each club in the region at least once while in office and report findings to the district governor and to the district GMT and GLT coordinators

6. Endeavor to have every club in the region operating under a duly adopted club constitution and by-laws

7. Promote the Club Quality Initiative program and work with the district governor team and the district GMT and GLT coordinators to implement the program

8. In coordination with the district GLT coordinator, play an active role in supporting leadership development opportunities

9. Promote representation at international and district (sub- and multiple) conventions by atleast the full quota of delegates to which clubs in the region are entitled

10. Carry out such official visitations to club meetings and charter nights as assigned by the district governor

11. Perform such other functions and acts as may be required by the International Board of Directors through the this manual and other directives or by the district governor

You, as zone chairperson, are a member of the district's leadership team, including the GMT-D and the GLT-D. You are a crucial link between the clubs in the zone and the district. You motivate, counsel and communicate with the clubs and promote district programs and activities. You also keep the district's leadership team informed of the clubs' activities and share concerns and challenges the clubs may have.

RESPONSIBILITIES OF A ZONE CHAIRPERSON

The **Global Membership Team (GMT)** provides a global structure for membership development which is continuous, focused, and integrated.

The GMT has a two-pronged Invite for Impact approach:

1. Start at least one new club

2. Inform club officers and membership chairpersons about the training and tools available to them to recruit and engage members.

GMT Structure

The Global Membership Team is composed of Lions leaders appointed to serve specific constitutional or geographical areas. GMT appointments are three-year terms to allow for adequate analysis of area needs, and the development and implementation of strategic plans.

Below is a list of the GMT leadership and their primary role:

GMT Chairperson (International President): GMT's top leader.

GMT International Liaison (1st Vice President): Assists the chairperson.

GMT International Coordinator: Provides leadership to staff and international level leaders on membership programs and initiatives.

International Family and Women's Coordinator: Provides leadership to staff and international level leaders on family and women programs and initiatives.

Constitutional Area Leaders: Lead GMT within their constitutional area.

Vice Constitutional Area Leaders: Lead GMT within a specific part of their constitutional area.

Area Leaders: Lead GMT within a group of multiple districts/single districts/un-districted areas.

Special Area Advisors: Support area leader by leading GMT in assigned multiple districts, districts, or un-districted areas.

Multiple District Coordinators: Lead GMT within the multiple district to achieve the membership goals established by Inviting for Impact and through member engagement.

District/Single District Coordinators: Charter new clubs and promote the Invite for Impact message and membership engagement to club membership chairs.

Members of the GMT and GLT work together to develop membership through service and engagement and also to support present Lions leaders and identify future leaders. The two teams operate as parallel structures and are connected and coordinated at the international level by an executive council.

GLT/GMT STRUCTURE

The entire GMT/GLT structure is designed to probatively support the health and vitality of Lions clubs around the world.

GLOBAL LEADERSHIP TEAM

Leadership is critical to the overall success of any organization, including Lions Clubs International. An effective leadership team provides the vision, guidance and motivation necessary for our association to continue to fulfill its mission of providing quality, relevant service to communities around the world.

Members of the Global Membership Team (GMT) and Global Leadership Team (GLT) work together to identify, develop and encourage opportunities for present and future Lions leaders, and to develop membership through service and engagement.

The Global Leadership Team (GLT) provides for an enhanced focus on leadership development, which is critical to the future vitality of our association. The GLT directs its efforts toward identifying and cultivating effective leaders through active training and leadership development initiatives, while providing necessary information, guidance and motivation.

GLT Structure

The GLT structure encompasses representation at the international, multiple district, single district and district levels and includes district governor teams, providing a comprehensive global platform for developing more qualified leaders from the club level up, while encouraging regional training and development approaches to address local needs.

Operating as an action-oriented, parallel, mutually supportive team with the GMT, the GLT was developed to augment the local efforts of our DG Teams. By integrating the efforts of the GLT, the GMT and our DG Teams, we will be better able to address regional growth and development needs, while building our membership base, improving club health, and enhancing the quality of our leadership at all levels of the association.

CENTENNIAL SERVICE CHALLENGE TEAM

For nearly 100 years, Lions have served their communities with dedication and contributed to the development and well-being of millions of people around the world. To celebrate our 100th anniversary, we are asking Lions to help reach our Centennial Service Challenge goal of serving more than 100 million people by June 2018.

Your club can make a difference in your community and contribute towards the goal by participating in the four Centennial Service Challenge Campaigns. You decide when to serve and which projects are right for your club and community.

Engaging our Youth

Support youth in your community, or inspire the next generation of volunteers by inviting Leos and other local youth to serve on a project with you.

Sharing the Vision

Prevent future cases of unecessary blindness through vision screenings and educational events. Give the gift of sight through projects that benefit those who are blind or living with low vision.

Relieving the Hunger Improve access to healthy food for vulnerable populations in your community.

Protecting Our Environment

Protect and improve the environment to make your community a healthier place to live for everyone.

Lions Clubs International is here to help you get started and to keep your club motivated.

GET RECOGNIZED

In recognition and appreciation of your service

We'll feature your club on the Centennial Service Ticker when you report qualifying Centennial Service Challenge projects through MyLCI's Service Activity Report.

Your club will receive one banner patch for each year of reported participation.

Your district will receive one banner patch per year based on club participation.

Lions can recognize outstanding Leo clubs for their support of the Centennial Service Challenge with a special Centennial Leo Certificate.

Appointed at the district and multiple district level, Leo chairpersons encourage Leos and Leo club advisors to bring new energy, inspire fresh ideas for service and further develop the Leo Club Program.

Organize New Leo Clubs

Now through June 2018, all newly chartered Leo clubs will receive a limited edition Certificate of Organization and Centennial Leo Club Extension Certificates as part of the Lions Centennial Celebration. Encourage Lions clubs to charter new Leo clubs and foster the development of leaders for our organization's next century of service.

Support Existing Leo Clubs

District Leo chairpersons can now access MyLCI and view information on all Leo clubs within their district, allowing them to:

Ensure all sponsoring Lions clubs report a Leo club advisor for the current fiscal year, Find a new sponsor for Leo clubs with inactive sponsoring Lions clubs, and Continue encouraging Leo clubs to report members and service activities in MyLCI. For detailed instructions on how to navigate MyLCI and view Leo club information, please see the Frequently Asked Questions.

Host Leadership Trainings

The Leo Club Advisor Training & Orientation is a resource designed to provide Leo club advisors with a clearer understanding of the Leo Club Program and the role of an advisor. Use this resource to host a workshop series for Leo club advisors in your area and promote it as a valuable reference for Lions involved in the program.

The Leo Leadership Grant Program provides funding for events focused on developing Leos' leadership skills. Download the Grant Application and Guidelines to learn more about organizing and hosting Leo leadership events.

Report Your Leo District or Multiple District

To officially establish a Leo district or multiple district, the Annual Report for Leo Districts and Multiple Districts (Leo-91) must be submitted each fiscal year.

Lions districts with six or more Leo clubs may form a Leo district with the approval of the district govenor. Lions multiple districts with ten or more Leo clubs may form a Leo multiple district with the approval of the council of governors. Leo membership within the multiple district must exceed 100.

INFORMATION FOR NEWLY - MINTED LIONS THE LIONS CLUB - STRUCTURE

You may be surprised to know that, while you are a proud and newly-minted Lion, you are not technically a member of the International Association of Lions Clubs! You are a member of your local club and the club is a member of the association.

This is as it should be. The Lions club is the fundamental unit of Lionism. It is the structure upon which all else is built. The clubs are where the work gets done. It is clubs that make a difference in their communities. The association exists to serve and support your club and the 45,000 like it around the world.

As you know by now, Lions clubs are made up of men and women who want to improve their communities and are committed to the work that will make that happen. Our volunteers serve their communities and communities around the world with unmatched integrity and enthusiasm. That is why wherever a Lions club gets together, problems get smaller and communities get better.

You have every reason to be proud to be a Lion. Lions club membership is by invitation only, open to persons of legal majority, of good moral character and good reputation in the community. As a Lion, you have become an active volunteer in a respected international organization. You are a leader in your community and a friend to people in need.

As a chartered member of the International Association of Lions Clubs, your club has pledged to abide by the International Constitution and By-Laws. It is important to familiarize yourself with this document which may be downloaded at the Lions Clubs International Web site.

The officers of your club include the president, immediate past president, vice president(s), secretary, treasurer, Lion tamer (optional; custodian of club property), tail twister (optional; promotes enthusiasm at meetings), membership development chairperson and others. Officers are elected annually for a term coinciding with the association's fiscal year (July 1-June 30).

Most work in Lions clubs is done in committees appointed by the president. In many clubs, every member is assigned to a committee. Your committee assignment is an important part of your membership and deserves your best effort. Administrative committees may include attendance, constitution and by-laws, convention, finance, Lions information, membership, programs, public relations, greeter and leadership development. Activity committees generally conform to the major Lion activities.

Each club and district sets its own annual dues to cover administrative costs. In addition, the club collects international dues to cover member benefits, including a subscription to LION Magazine. Money raised from the public must never be used to defray administrative expenses. Every US dollar raised by Lions goes directly back into the community.

LION LADIES AT THE 99TH CONVENTION IN JAPAN

LEO CLUBS

Leo Club Objective

To provide the youth of the world with an opportunity for development and contribution, individually and collectively, as responsible members of the local, national and international community.

Leo Club Motto

Leadership – Develop skills as a project organizer, time manager and team leader.

Experience – Learn how teamwork, cooperation and collaboration can bring exciting changes to your community and the world.

Opportunity - Make friends and feel the rewards of community service.

Leo Club History

Coach Jim Graver started the Leo ball rolling in 1957 and chances are that ball was a baseball. Graver was the baseball coach of the Abington High School in Pennsylvania, USA and an active member of the Glenside Lions Club. With help from his fellow Lion, William Ernst, the first Leo club was charted on December 5, 1957.

As the world's first Leo club, the Abington High School Leo Club created the Leo acronym – Leadership, Equality, Opportunity – and chose their school colors, maroon and gold to serve as the Leo club colors. Later, Equality was changed to Experience.

In October 1967, the board of directors of Lions Clubs International adopted the Leo Club Program as an official program of the association.

The Leo Club Program has continued to grow within the last 50 years. Leos now constitute an international network of over 6,500 clubs in over 140 countries. Community service remains the cornerstone of the program, fostering a lifetime commitment to helping others. Like their Lion counterparts, Leo club members enjoy serving their neighbors and watching positive results unfold.

The success of each Leo club depends on the dedication of its leaders. By accepting an officer position, youth have an opportunity to develop leadership qualities and skills. Leo club officers lead club membership development efforts and plan service activities.

Leo leaders should demonstrate integrity, possess the ability to communicate and inspire, and recognize the individual needs and interests of club members.

As a Leo club officer, you will learn how to lead club meetings, build an effective team and resolve conflicts.

LEADER	RSHIP QUOTES

If your actions inspire others to dream more, learn more, do more and become more, you are a leader.

Patience and perseverance have a magical effect before which difficulties disappear and obstacles vanish.

Always vote for principle, though you may vote alone, and you may cherish the sweetest reflection that your vote is never lost.

- John Quincy Adams

LIONISM IN SRI LANKA

A strong and supportive Multiple District can provide district and club leaders with direction and support to help them effectively fulfill their role. Multiple Districts often provide leadership training, support ongoing multiple district service projects and encourage overall membership growth.

1958 - DISTRICT 306

The International Philosophy of Lionism was introduced to Sri Lanka on the 1st of April 1958 as a club extension from the South Indian District of 304. The first Club was named – the Lions Club of Colombo, later re-named as the Lions Club of Colombo Host. With the growth of Lionism, Provincial District Status was granted subsequently as District 306 under the stewardship of Sri Lanka's first District Governor-the Late Lion K. Satchithananda.

1978 - DISTRICT A & B (Two Sub Districts)

As Lionism extended its service activities outside Colombo, new clubs were formed rapidly. In order to better fulfill both administrative and service requirements, District 306 was divided in 1978, to two District – namely 306 A and B. With this division, Sri Lanka's Multiple District 306 was born. Under the new structure, the two sub District 306 A and 306 B were able to serve more effectively.

1998 - DISTRICT A, B & C (Three Sub Districts)

With the passage of time, District 306 A & B expanded their network steadily. For administrative purposes, the need for redistricting was once again necessary and in 1998 the Multiple District 306 re-demarcated to three Sub District. i.e.-306 A, B & C.

2004 - DISTRICT A1 & A2, B1 & B2 & C1 & C2 (Six Sub Districts)

Due to the positive growth of Lionisum in Sri Lanka once again in the year 2004/2005 another redistricting programme was carried out re-demarcating to 6 Sub Districts – namely 306 A1 & A2, B1 & B2, C1 & C2. This small but dynamic Multiple District is honored with four Past International Directors and Past International President Lion Mahinda Amarasuriya.

LIONS CLUB INTERNATIONAL FOUNDATION (LCIF)

LCIF HISTORY:

Lions Clubs International Foundation (LCIF) was founded in 1968 to take the mission of Lions Clubs International to new heights by tackling global problems, as well as assisting Lions with large-scale local humanitarian projects. LCIF's history is filled with high-impact projects, meaningful partnerships and the kindness and efforts of Lions. With continued support, you can count on LCIF to continue and expand programs to improve lives around the world far into the future.

LCIF MISSION:

"To support the efforts of Lions clubs and partners in serving communities locally and globally, giving hope and impacting lives through humanitarian service projects and grants."

Since our founding in 1968 we have strived to sustain Lions' humanitarian service goals throughout the world, awarding over 12,000 grants totaling more than US\$900 million, in the four key areas of sight, youth, disaster relief and other humanitarian efforts.

LCIF give sight. LCIF is providing vision for those in need all over the world by combating eye diseases, creating infrastructure to improve eye care delivery, increasing the number of trained eye care professionals and making vision care more equitable and sustainable.

LCIF support youth. All young people deserve to have an education, feel cared for and experience healthy development so they can have the chance to achieve their dreams. Through our positive youth development program, Lions Quest, LCIF is helping children learn to work together, make positive decisions and serve their communities. The Foundation also supports youth through constructing schools, youth centers and vocational training centers.

LCIF provide disaster relief. Lions are often some of the first to arrive at a disaster to provide relief, and Foundation support is right there with them. We help devastated communities survive after disasters and bring hope by assisting in long-term efforts of rebuilding of homes and lives.

LCIF address humanitarian needs. From working to combat global health issues such as measles and diabetes to empowering those with disabilities to lead more independent and fulfilling lives, LCIF is dedicated to a range of humanitarian service projects. The Foundation continues to develop and expand programs that meet emerging needs worldwide.

LCIF CHAIRPERSON'S MESSAGE

I am honored to serve as Chairperson of your Lions Clubs International Foundation (LCIF). I believe strongly in our Foundation, which is a vital part of Lions' international service efforts. One of the most touching moments of my life was seeing how Lions joined together with LCIF to provide food, supplies, and opportunities to the refugees struggling in Europe. I am so proud to be a part of this foundation.

LCIF helps Lions improve peoples' lives around the world, combating vision problems, responding to major catastrophes, providing valuable life skills to youth, and so much more. LCIF helps all Lions serve by providing grant funding for your local and global humanitarian efforts, and Lions help to support LCIF's mission.

LCIF sets a fundraising goal every year to meet Lions' humanitarian needs worldwide. While we do not have the final numbers yet for 2015-16, we expect that **you Lions donated over US\$39 million**. What an incredible feat! With your help, we hope to raise just over US\$45 million this year so that we may continue serving the world and promoting harmony.

I like to think of the beginning of a new year the start of something great, and I am excited to embark on this journey alongside you Lions, some of the most dedicated and selfless people the world has ever seen. I know that together we will achieve many great accomplishments this year. Thank you for your dedication to our Foundation!

LCIF Awards US\$44 Million in Grants

More than US\$44 million was awarded in LCIF grants during the 2015-16 fiscal year. These grants are providing clean water in Haiti, measles vaccinations in Zimbabwe, children's cancer research in Australia, flood relief in India and Pakistan, and so much more. Lions will help millions of people worldwide through these grants, which were made possible through your generous support.

PMJF Progressive Melvin Jones Fellowships

The Progressive Melvin Jones Fellowship (PMJF) program is a way for donors to extend their commitment to LCIF. There are 54 recognition levels beyond the initial US\$1,000 MJF contribution with a unique pin for each giving level.

After contributing US\$100,000, donors become Humanitarian Partners.

To order replacement pins or to make a PMJF donation, contact Donor Services at 630-203-3836 or e-mail us. Prices for pin replacements vary by level.

MELVIN JONES FELLOWSHIP (MJF)

Melvin Jones Fellowships

The Melvin Jones Fellowship (MJF) recognizes donations of US\$1,000. It is the backbone of LCIF, providing 75 percent of the foundation's revenue. As recognition of humanitarian work, an MJF is an honor presented to those who donate US\$1,000 to LCIF or to people for whom a donation was made by others.

Contributions can be made by individuals (including non-Lions), clubs or districts. Donations may be in one sum, or in installments of a minimum of US\$100 over a five-year period. Melvin Jones Fellows receive an attractive lapel pin, a plaque and a congratulatory letter.

It is possible to make a donation and choose the MJF recipient later. Write "Melvin Jones Fellow to be named later" on the check or bank draft. When an individual's or group's personal donation(s) are accumulated for a club's or district's use to select a Melvin Jones Fellowship recipient, LCIF needs the signed consent. Please include such documentation with the completed MJF application that is sent to LCIF Donor Services.

PID LATE LION CHUCK WIJENATHAN PMJF

Late PID Lion Chuckravarti Anthony Wijenathen PMJF

In memory of one of our great Lion Leaders in Sri Lanka, I would like to pen a few words of appreciation in the Centennial District Directory of District 306 B1 about Late PID Lion Chuckravarti Anthony Wijenathen PMJF for his immense contribution towards the development of Lionism in Sri Lanka, especially in Leadership Development among the Lions & Leos. I feel proud to say that the great Leader hails from a respected family of my own village Navaly, Manipay.

Late Lion Chuckravarti Anthony Wijenathen PMJF, fondly called as Lion Chuck Wijenathen among the circle of Lions, is a veteran Lion Leader. I sense an embarrassing feeling when Lions call him as PID **Chuck** Wijenathen. When we shorten the name as "**Chuck**" for ease of calling, it gives an inferior meaning in Tamil and spoil the real meaning and command of the family name. His real family name "**Chuckravarti**" reflects high respect. "**Chakravarti**" in Tamil means Emperor/King of Kings. This name really reflects his true personality as the King of Kings in Leadership Development. Hence, it is more appropriate to remember him by the real name as **PID Chuckravarti Anthony Wijenathen PMJF**.

Short description of his contribution for Lions Movement:-

1966 - Invited as a member by Lions Club of Colombo North.

- 1971 Invited to District Office 306 for Membership Development.
- 1972 Lead the club as President.

THE PID CHUCK WIJENATHEN TRAINING INSTITUTE FOR EMERGING LEADERS - CWTIEL

The Training Institute for emerging leaders of Lions District 306 B1 was initiated by me in 2012; the proposal submitted by me was unanimously accepted by Council of Past District Governors of District 306 B1 in August 2012

THE NEED FOR AN INSTITUTE SUCH AS CWTIEL: Constitutionally any member of good standing could contest for any position in our organization be it Club President, District Governor or even International President, this was not good enough, we needed to set up a mechanism to select the best possible, Train them and then let the membership elect the most suitable from among them. The first person I spoke to regarding this proposal was my good friend PID Lion Chuck Wijenathen to obtain his permission to name the Institute after him, he was very happy that I thought this way but was not keen, saying that he is not agreeable for the use of his name but he guaranteed his fullest support towards this worthy initiative, after much discussion and persuasion, I was able to convince him that it was not him but the Lions of our District that would be happy if this was done, he finally agreed to the use of his name and to name the Institute the PID Lion Chuck Wijenathen Training Institute for Emerging Leaders – CWTIEL. I immediately presented this at the next meeting of the Council and got unanimous approval for same.

HEAVY SET–BACK: We suffered a very heavy set-back with the passing away of our beloved PID Lion Chuck Wijenathen in May 2013, We were determined to somehow ensure that this Institute progress in spite of this Severe Body Blow, We were however happy that we honored this great leader during his life time and not after his death as is the usual practice in

most organizations. I immediately contacted a good friend of mine, Lion Desmond De Silva and through him contacted his sister Mrs. Bernie De Silva, Chairperson of Mansel (Cey) Ltd and discussed the possibility of her continuing the good work and support given my our late leader PID Lion Chuck, She immediately agreed to do this and graciously offered to donate a sum of Rs 01 Million towards the CWTIEL.

CWTIEL TRUST: At the July Meeting of the Council of PDGs of District 306 B1, a proposal submitted by me for the establishment of a Trust to manage this fund was unanimously accepted by the council and as such the Trust and the Trustees proposed by me which comprised PDG Lion Shirley as Chairperson and Settler, PDG Lion Raghavan, PDG Lion S Sivapathasunderam, PCC Lion Mohan De Silva and the Chairperson of the Council as Ex-Officio Member was established on 19th September 2013, all professional legal work in this regard was done by PCC Lion Chitral Ameratunga with no cost to the CWTIEL, we are very grateful to this dedicated Past Leader for this great contribution.

OUR ACHIEVEMENTS: We have to date trained 20 Lion Leaders, who are ready to take on any leadership position in the District, We are proud of the fact that the District Governor Lion Dr Thiyagarajah and the Vice District Governors Lion Camillus Fernando and Lion Deva Peter are Graduates of CWTIEL, further we offered advance training to all 20 graduates on subjects that will enhance their knowledge and assist in their professional advancement too. District Governor Lion Dr Thiyagarajah has the distinction of being the first Graduate of CWTIEKL to be elected as the leader of our District

YOUTH TRAINING: As part of our work towards Youth Training we conducted the PID Lion Chuck Wijenathen Oratorical Excellence Contest for Leos of the Multiple District 306. The final was concluded in March this year at the Lakshman Kadirigamar Centre, Colombo 7. This project was an outstanding success and will be continued as an annual event incorporating other youth groups as well. We have also planned to conduct leadership and career guidance training programmes for all Youth groups both in Colombo and The Northern Province.

The uniqueness of the programmes conducted by CWTIEL is that they are structured taking into account our cultural values and keeping in mind the local requirements of Leadership.

APPRECIATION: I must place on record my deep appreciation to all Trustees with special mention of the dedication and commitment of PDG Lion S Raghavan who not only functions as the Treasurer but is also our lead trainer and Workshop Chairperson, PDG Lion S Sivapathasunderam who functions as Secretary and also resource person. The efforts of PIP Lion Mahendra Amerasuriya, PID Lion Sunil Watawala and PCC Lion Prof Ferdy as our esteemed advisors ensure that the Institute is on the right track, The District Governor, the Council Chairperson and the Council of PDGs of our District 306 B1 for their encouragement and support at all times.

PID LION CHUCK WIJENATHEN TRAINING INSTITUTE FOR EMERGING LEADERS (CWTIEL)

The institute was initiated in July 2012and inaugurated in September 2013 named after late PID Lion Chuck Wijenathen, an illustrious leader of repute at the National &International level, the district 306B1 had produced. The district felt that he very well deserved this recognition for all what he had done to the organization and to the district. The team of organizers are indeed happy that the Late PID Chuck was made aware of our plans we had in mind. Although he was reluctant initially to name the institute after him, he welcomed our idea and he took part actively in the initial process of drafting our mission and the trust deed. Leadership Training for lions had always been in his mind and he emphasized and promoted it in every forum he addressed .The Council of Past Governors of District 306B1 readily came forward to spearhead the project and manage the institute.

We are happy to announce that the Institute had already produced two batches of trained emerging leaders for the district numbering 20 and the third batch is going to commence training in September, 2016. Each participant goes through a residential intensive weekend training ,then through a coursework of project study which he or she could do from home and submit and finally through a one day final session before graduating from the institute. The institute also provides an opportunity for the graduates to participate in an Advanced Training Program to update themselves with the latest developments in management and leadership. The faculty of the institute gives importance to research and development of the curriculum of all training programs which are tailor made and designed specifically to suit the requirements of the participants and hence the attraction and keenness of the lion members to follow the courses. The selection of participants is also done after going through a careful screening process.

Another concern late PID Chuck Wijenathen always had in mind was the development of our youth wing, the LEOS and insisted that their leadership Training should also be included in the curriculum of the Institute. Falling in line with his policy, the Institute successfully conducted this year, an Oratorical Contest for Leos of all six districts in the Multiple District of Sri Lanka for the "Chuck Wijenathen Trophy for Oratorical Excellence" sponsored by Ms. Bernadine de Silva Chairperson of Mansel (Ceylon) (Pvt) Ltd. We believe that this is going to be an annual event in our calendar.

The Institute feels proud that the current District Governor, the first Vice District Governor and the second Vice District Governor, all three of them are products of the institute and the rest are all serving in the cabinet of the District Governor holding important positions and contributing immensely in effectively running the district.

The Institute will always endeavor to support the District Governor in office in the training needs of the district when requested for and take this opportunity to wish the District Governor Lion Dr.V.Thiyagarajah and his team, all the very best in the Centennial Year of Lionism.

Lions Sight First Hospital Hendala Wattala - District 306 B1

Lion Dr. Rohan Perera during his tenure as District Governor In 2003-2004 along with some dedicated and committed Lions from the Lions Club of Hendala embarked on building a Lions Eye Hospital to primarily perform Cataract surgery, mainly among the poor and underprivileged population to complement the work done in state hospitals Since its inception, it is heartening to note that even with several sophisticated hospitals that had come up in and around us, we could still continue offering such excellent eye care services at almost 10% of the cost charged by them.

During these ten years we have screened over 170,000 persons and restored the sight of over 14500 patients. During 2015-2016 fiscal year, 18350 persons [5000 new patients] were screened and 2700 cataract operations were performed. 38 clubs of the District 306B1 and 21 clubs from other Districts have utilized the services of the hospital and 1055 surgeries [39% of the total] were performed on patients sent by these clubs.

our services are:	1. A.

I take this opportunity to congratulate and thank all the club presidents and members who have reposed confidence and exhibited interest in our hospital, conducted out- reach camps and sent patients for cataract operations and actively getting involved in the Sight first Hospital activities.

The period 2013-2016 has been an exceptionally productive term with some extraordinary results for the hospital. We have increased the number of surgeries to 2700 this year from 1600 in 2013

In keeping with the expectations of LCIF we are moving forward in providing comprehensive eye care to the needy patients. We have already started a monthly Clinic for known Diabetic Patients with regular follow-ups. We expect to commence treating the patients who suffer from Glaucoma, Diabetic Retinopathy with the assistance of LCIF in the future.

The period 2013-2016 has been an exceptionally productive period for the hospital mainly because of the moral & physical support given by our Secretary Lion Priyaneetha Perera MJF and the Treasurer Lion Camillus Fernando PMJF. We cannot at this stage forget the untiring efforts of all the trustees and the members of the management committee. Special word of thanks to the Grant Administrator PCC Lion Mohan De Silva who had been good enough to inspire the Lions in Australia to sponsor cataract surgeries to the tune of over Rs 14 million. I take this opportunity to thank our founder Chairman PDG Dr Rohan Perera, and Lion Shiranthi De Silva, Lion Lilamani Stanislaus, two volunteers who have been helping us immensely in the administration from the inception. I must thank District Governor 2015/16 Christy Nanayakkara and VDG'S for all the support and guidance given to me and also for kind donation of Rs100,000.00. I also thank the Manager Mr Lionel Perera and the nursing Staff headed by Head for the wonderful work they are doing and attracting more Nurse Sugandhi and more patients by their kind attitudes. I also appreciate the work done by the Eye Surgeons Dr Mallikarachchi, Dr Deepani Wewelwala, Dr Dias, Chaya, and Dr Nalindra Samarakoon Dr Eanda and the team of medical officers Dr Ahmed, Dr Swarna, and Dr Lalith and the staff of the hospital.

In recent times, the cost of running the hospital has escalated mainly due to remarkable increase in the cost of surgery, Medicine, Equipment, Electricity Bill etc. And last year the LCIF cataract reimbursement was discontinued. However, it is not our intention to pass on the burden and the additional cost to the patients and the same rates will remain in force for this year too. The applicable rates are:

For Registration:

The First Visit will cost Rs.200.00 and the subsequent visits will be at Rs. 150.00 per visit.

Cataract Operations package:

Subsidized rate for poor patients: Rs. 7600.00. [Cost of Registration, ECG, FBS, Preoperative medicine, Cataract operation with IOL, Post operative medicine.] The rate applicable to walk-in patients: Rs 10600.00 [total operation pacakage without the IOL]

Please note that the hospital will further subsidize and charge only Rs 4600 from patients referred by Lions Clubs of the District 306B1 as a measure to encourage and promote the clubs to organize outreach eye camps and send patients selected from those camps.

For registration of such patients and to qualify for the heavily subsidized rate, a letter of introduction from the president of the Club is mandatory <u>at the very first visit itself</u>. No letter will be entertained and the concession given, once the patient has registered on his own without this letter. Out Reach Clinics:

For Details of out Reach Camps/Clinics please contact Mr.Lional Perera on 011-2935696 or on 011-5643239. Once a tentative date is obtained a letter or an Email should be sent to the Hospital. [lionsightfirsthospital@sltnet.lk or drmalcolms@yahoo.com] It is essential that the eye camps should carry a banner of the Club. The Relevant photographs must be taken and given to the Hospital authority. A team will be sent from the SFH to the venue and the cost of the transport of the team and their meals should be borne by the respective lions club. The SFH will bear the cost of the services of the Doctor and the Nurses.

We look forward to the co-operation and the fullest support from the clubs in our District by making use of the excellent facilities offered by us, conduct as many outreach screening camps as possible and refer deserving patients for eye care to us. From there, we will take care of them and assure our best of services and care to them.

THE INTERNATIONAL ASSOCIATION OF LIONS CLUBS District 306B1 - Srilanka PERFORMANCE EVALUATION – 2016/17 Scope of Performance evaluation

Performance evaluations provide the opportunity to reinforce the expectations the District Governor has on the clubs under his purview. In order to achieve the expectation, the foremost important is the well administration of clubs. This year, the "Performance Evaluation" team tries to use the "Coin" approach to measure the performance. That means measuring **both** sides of the coin. The administration and activities of the Clubs will be evaluated. Performance Evaluation

is open for all clubs in District 306B1

Considering the Service activities, the financial value and the end value the activities will be evaluated. The end value means, the financial value expended to satisfy a single beneficiary. When measuring the financial value of the service activity due consideration will be focused on the impact of the socio economic benefit of the community too. This approach will promote the Clubs with less financial resources to compete with the Clubs with high financial resources. Example:

1. Club A - Organizing a service activity with a financial value of Rs.100,000/- for the benefit of a group of 5 beneficiaries. The end value of the service activity is measured as Rs.20,000/- per head. (Financial value divided by the Number of beneficiaries)

In the meantime **Club B**, a service activity is conducted with a financial value of Rs.10,000/- and reached the beneficiaries of 20. The end value of the service activity is Rs.500. per head

The above examples illustrate that Club B is well administrating the financial resources of the Club and reaching more beneficiaries.

GUIDELINES FOR SERVICE ACTIVITIES

UNIFORMITY OF REPORTING:

The standard format as specified in the PE hand book to be used –either electronically or manually

As far as possible the financial value expended by the club/standard value provided in the guidelines has to be reported and value in kind should be justified by proper documentation either by the donor or at the current market price

Activities carried out by Club members individually can be also reported as club projects under the respective headings and such costs has to be accounted with contra entries of receipt and payments in the receipt & payments accounts with necessary approval by the Club.

Cost of Joint projects has to be apportioned in the ratio of expenses incurred by the Clubs/organizations, including the joint project with Leo Clubs (not the projects individually carried out by the Leo Clubs)

Catalyst role played by the club is limited to 25% of the cost of such projects. The cost of the project has to be certified by the parties organizing such events

TRANSPRENCY & INTERGRITY

The financial values of the activities should be reflected in the receipts and payments accounts for the preceding month of the activity. If no such financial entries are recorded in the R/P accounts – 50% of the reported cost will be allowed for evaluation. Alternatively, project cost of above R.50,000/- will be accepted for evaluation, provided such costs are certified by RC/ZC/Dist. Chairperson. As this is the one of the main yardsticks to measure the performance of the Clubs, this aspect will be strictly followed for evaluation.

The format designed for reporting is self monitoring and by completing the bottom portion of the format, the Club can ascertain their position in the particular area. A simple example is given below: the reporting of Lions Club A...... is as follows.

CEREMONY FOR INSTALLATION OF OFFICERS FOR LIONS CLUBS

NOTE: Before the meeting starts, the installing officer (probably the immediate past president of the

club) should appoint an assistant. This assistant should become familiar with the diagram on page 5 and see to it that the incoming officers take their correct places in front of the dais.

Installing Officer:

"It is my honor today to install the officers of this club for the coming fiscal year. Lion Secretary, have the officers to be installed been properly elected to their respective offices? (The secretary attests the election.) It is not my intention to instruct them in detail in their various duties. Their names will be filed in the office of Lions Clubs International, from which they will receive information and suggestions for carrying out their various duties. I know they can be depended upon to read and study this informative material carefully, and to execute their duties faithfully."

"I shall, however, call each officer to the dais, and briefly outline (his/her) duties in the club, so that all members may know what to expect." (The Lion Tamer is called and takes a place in front of the dais a little to the right of the speaker—see diagram.)

Installing Officer:

"Lion _________, you have been elected to serve as Lion Tamer. As such you will be in charge of and responsible for the club's property. You will see to it that the flags, gong, gavel and badge boards are properly placed, that the standard organization chart is displayed conspicuously at every meeting; and that all materials are properly distributed. You are to assist the past presidents as the official greeters, always welcome and introduce all guests and see that places are provided for all. Will you perform these duties to the best of your ability?" Lion Tamer: "I will." (The Tail Twister is called and takes a place next to the Lion Tamer—see diagram.)

Installing Officer:

"Lion______, you have been elected to serve as Tail Twister. As such you shall maintain harmony, and encourage good feelings, life and enthusiasm in the meetings. You shall impose and collect the fines at the meetings (and shall use your best judgment when doing so). Much of the success of the meetings will depend upon your resourcefulness in promoting fellowship, fun and laughter, making the members forget, for a time at least, their business and any worries they may have. Thus you will break down any reserve which might exist, and draw the members together in closer friendship. Will you perform these duties to the best of your ability?" Tail Twister: "I will." (Four directors are then called and take their places to the left of the speaker—see diagram.)

Installing Officer:

"Lions ________, you still have one year to serve as directors. Lions ________ and _______, you have been elected to serve as directors on the board two years. With the other officers, you form what is termed the board of directors of the club. Your position is important because you will assist in formulating and executing the policies of the club. All new business is considered and shaped by this board of directors.

"You will faithfully attend the regular and special meetings of the board, and give unselfishly of your time and effort to advance your club and Lions Clubs International. Will you perform these duties to the best of your abilities?"

Directors: "I will."

(The Membership Director is called and takes place to the right of the speaker and in front of the Lion Tamer—see diagram.)

Installing Officer:

"Lion _______, you have been elected to serve as the club's Membership Director. You will lead the Membership Committee, and help them to develop and implement a growth program as approved by the club's board of directors. You will regularly report to the club and encourage and assist members in bringing qualified members into the club, always using proper recruitment methods. In addition, you will work with the club's leadership in insuring that membership losses are kept at a minimum. You will also serve as a member of the zone level membership committee and cooperate generally with programs at the district level. Will you perform these duties to the best of your ability?"

Membership Director: "I will."

(Vice-presidents are called next and take their places between the directors and the Tail Twister—see diagram.)

Installing Officer:

"Lions (third vice-president, second vice-president and first vice-president), you have been elected to serve as vice presidents. What I have just said about the duties of the directors also applies to you. In addition, you, in order of your office and presence, will substitute for the president when absent from any club or board of directors meeting. "Your position is more than an honorary one. In a Lions club, the vice-presidents shall, under direction of the president, oversee the functioning of such committees as the president may designate. "Will you, as vice-presidents, perform your duties to the best of your abilities?"

Vice-presidents: "I will."

(Treasurer is then called and takes a place just in front of the third vice-president—see diagram.)

Installing Officer:

"Lion

you have been elected to serve as treasurer. As such you will be custodian of all club funds. Naturally you will deposit all monies received in such bank or banks as are designated by the board of directors. You will assist the finance committee in preparing a budget and such financial statements as may be necessary. You will disburse funds only upon direction of the board of directors. You will give bond for the faithful performance of your duties; this is for your own protection and in keeping with recognized and accepted business procedure. Will you, as treasurer, perform your duties to the best of your ability?" Treasurer: "I will."

(Secretary is then called and takes a place beside the treasurer, in front of the first vice president see diagram.)

Installing Officer:

"Lion , you have been elected to serve your club as secretary. Yours is one of the most important offices in the club. The success of your club will be determined largely by the efficiency with which you perform the duties of your office. You are the president's right hand. Under the president's direction and that of the board of directors, you are the liaison officer between your club and Lions Clubs International and between your club and your district governor's organization. You will receive many communications from both. Through you, in the post of corresponding officer, it will be your duty to see that all communications are properly referred to your board of directors or your club as circumstances require or justify.

"Among your duties as provided in the Lions Clubs International Constitution and By-laws, you shall submit regular Monthly Membership Reports to Lions Clubs International, with copies to our district governor and vice district governor. You shall keep the general club records, including minutes of club and board meetings, committee appointments, officers' list, attendance records, list of key members and list of members showing their classifications, addresses and telephone numbers. You shall collect from the members, and others, all monies due the club, turning such funds over to the treasurer, taking proper receipt.

"You shall furnish a financial statement to the board of directors monthly, to the club quarterly, and to Lions Clubs International semi-annually. As part of your monthly report to the board, you shall include the names of all members who are in arrears in payment of dues and those who have absented themselves beyond the attendance requirement provided in the Constitution and Bylaws. "You are also an active member of the district governor's advisory committee and as such you will attend the quarterly advisory committee meetings of your zone. You will receive pertinent information from Lions Clubs International intended to aid you in properly performing the duties of your office. Will you, as secretary, perform such duties to the best of your ability?" Secretary: "I will."

(The president is then called and takes a place between the secretary and the treasurer, two or three steps in front of them - see diagram.)

Installing Officer:

"Lion________, having been elected to the office of president of your club, you are its chief executive officer and will be expected to preside at all meetings of your club, and regular and special meetings of your board of directors. "It is your duty to appoint the administrative and activities committees, in accordance with the Lions International Club Standard Organization Plan, and to act as an ex-officio member of each of these committees. With your vice-presidents, you shall see to it that these committees function. "You are also, with the club secretary, an active member of the district governor's advisory committee and as such you will attend the quarterly advisory committee meetings of your zone. "Keep in mind that at the end of your term of office you will be called to give an account of your stewardship. Your record of achievement will then be history. This record in years to come will be compared with the records of other presidents. Your club members will best decide your success. Now is the time to plan, and take steps to continue to build your club in every way possible so that it may be an example to other clubs, and a credit to the community, the district and to Lions Clubs International.

Will you, as president, perform your duties to the best of your ability?" President: "I will."

New Member Induction Ceremonies

The Induction Ceremony is the symbolic beginning to a member's service as a Lion. It is also a key element in the lifelong retention of a member. A thoughtful induction, followed by a thorough orientation and meaningful involvement in the club's activities will keep a new member interested and engaged in the club.

While it is customary for the club president to induct new members, it is certainly appropriate to have a former international or district officer, the Membership Committee chairperson or a well-respected senior Lion conduct the ceremony.

Induction Ceremonies will vary depending on local customs or activities of the club and district. Also, it is acceptable and encouraged to adapt the New Member Induction Ceremony to the affiliate membership category. When planning the ceremony, it is important to keep in mind that it should be dignified and meaningful for the participants.

Following are some ideas for creating an appropriate and meaningful Induction Ceremony, as well as suggested wording for the presentation.

Suggested Ceremony Order

1. Begin by inviting each new member and their sponsor individually by name to the front of the room.

- 2. Welcome all the participants to the ceremony and share your joy for their attendance.
- 3. Give a brief history of the distinguished history of Lions Clubs International.
- 4. Present a short history about your club and its current activities.
- 5. Administer the pledge.
- 6. Present the pin.

7. Close the ceremony with a welcoming statement on behalf of your club and district, the presentation of a new member kit and an explanation of the sponsor's responsibilities.

Suggested Presentation Wording

Following is suggested wording for the different facets of the Induction Ceremony as described in the SuggestedCeremony Order above. Feel free to change the wording as necessary to reflect local customs, add further information or reflect the presenter's communication style.

1) Call to Order

We are about to begin our New Member Induction Ceremony, in which we will induct ______ new members into our club. At this time, I would like to call each of the new members and their sponsors. As their names are called, will the sponsors and new members please rise and come forward. Please hold your applause until all the names are announced. Thank you. *(Insert new member names and sponsor names.)*

2) Welcome

Ladies and gentlemen, on behalf of the officers and members of the ______ Lions Club, I want to express our sincere pleasure at your presence at this meeting. You have been invited to become members and we are all extremely proud that you have accepted membership in our club and Lions Clubs International. Membership in a Lions club is a privilege. You have joined the world's largest and most active service club organization; a group of approximately 1.3 million men and women in ______ clubs in ______ countries and geographical areas around the globe, who are dedicated to making a difference. Through your membership, you will help our club reach out to people in need in our community, and throughout the world.

3) Lions Clubs International History

You are becoming part of a distinguished service history that dates back to 1917, when Lions Clubs International began as the dream of Chicago insurance man Melvin Jones. He believed that local business clubs should expand their horizons from purely professional concerns to the betterment of their communities and the world at large. Jones' own group, the Business Circle of Chicago, agreed. After contacting similar groups around the country, an organizational meeting was held on June 7, 1917, at the LaSalle Hotel in Chicago, Illinois, USA. The new group took the name of one of the groups invited, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. Thirty-six delegates representing 22 clubs from nine states were in attendance. The convention began to define what the association was to become. A constitution, by-laws, objects and code of ethics were approved.

Since that humble beginning, Lions club members have volunteered their time and talents to meet needs wherever they exist. Lions are especially dedicated to serving the blind and visually impaired, a commitment made after Helen Keller challenged our members to become her "knights of the blind in the crusade against darkness" during the 1925 convention in Cedar Point, Ohio, USA. Our motto, "We Serve" perfectly exemplifies the dedication to helping those in need felt by Lions worldwide. Your membership in the ______ Lions Club will help us carry on this tradition of service for many years to come.

4) Local Club History

 Our own club was founded in ______ (year). For ______ years we have been tirelessly serving those in need in ______ (your town). With projects ranging from _______ to ______, the ______

Lions Club is committed to bringing the unparalleled services of Lions Clubs International to our community. (Add additional relevant information about your club and the exemplary work it has done within your community.) Your club belongs to Lions Clubs International, the world's largest service organization founded in 1917 and comprising of approximately 1.3 million members belonging to 45,000 Lions club worldwide. Throughout its proud history Lions Clubs International has brought unparalleled humanitarian services to more than 200 countries and geographic areas around the globe and all continents.

You will find that membership in our Lions club will offer many opportunities for personal growth. Not only can you experience the incomparable feeling you receive from volunteering, but you will also have the chance to hone leadership, communication and organizational skills. You can develop friendships that last a lifetime, meet other Lions from all corners of the world and contribute ideas that will help our club be an even more valuable part of our community. Your membership in the Lions Club will allow us to reach more people in need, in both our local and world communities. The officers and members of this club are thrilled that you have chosen to help us continue the legacy of Lions Clubs International by improving the lives of the less fortunate and making our community an even better place to live.

2) Welcome

Ladies and gentlemen, on behalf of the officers and members of the ______ Lions Club, I want to express our sincere pleasure at your presence at this meeting. You have been invited to become members and we are all extremely proud that you have accepted membership in our club and Lions Clubs International. Membership in a Lions club is a privilege. You have joined the world's largest and most active service club organization; a group of approximately 1.3 million men and women in ______ clubs in _____ countries and geographical areas around the globe, who are dedicated to making a difference. Through your membership, you will help our club reach out to people in need in our community, and throughout the world.

3) Lions Clubs International History

You are becoming part of a distinguished service history that dates back to 1917, when Lions Clubs International began as the dream of Chicago insurance man Melvin Jones. He believed that local business clubs should expand their horizons from purely professional concerns to the betterment of their communities and the world at large. Jones' own group, the Business Circle of Chicago, agreed. After contacting similar groups around the country, an organizational meeting was held on June 7, 1917, at the LaSalle Hotel in Chicago, Illinois, USA. The new group took the name of one of the groups invited, the "Association of Lions Clubs," and a national convention was held in Dallas, Texas, USA in October of that year. Thirty-six delegates representing 22 clubs from nine states were in attendance. The convention began to define what the association was to become. A constitution, by-laws, objects and code of ethics were approved.

Since that humble beginning, Lions club members have volunteered their time and talents to meet needs wherever they exist. Lions are especially dedicated to serving the blind and visually impaired, a commitment made after Helen Keller challenged our members to become her "knights of the blind in the crusade against darkness" during the 1925 convention in Cedar Point, Ohio, USA. Our motto, "We Serve" perfectly exemplifies the dedication to helping those in need felt by Lions worldwide. Your membership in the ______ Lions Club will help us carry on this tradition of service for many years to come.

4) Local Club History

Our own club was founded in ______ (year). For _____ years we have been tirelessly serving those in need in ______ (your town). With projects ranging from ______ to _____, the ______

Lions Club is committed to bringing the unparalleled services of Lions Clubs International to our community. (Add additional relevant information about your club and the exemplary work it has done within your community.) Your club belongs to Lions Clubs International, the world's largest service organization founded in 1917 and comprising of approximately 1.3 million members belonging to 45,000 Lions club worldwide. Throughout its proud history Lions Clubs International has brought unparalleled humanitarian services to more than 200 countries and geographic areas around the globe and all continents.

JAFFNA GENERAL HOSPITAL PROJECT INITIATED BY LION S.RAGAVAN MJF

I take this opportunity to thank the Centennial District Governor Lion Dr.Thiyagarajah MJF, MAF for having given me the responsibility of designing and releasing the Centennial District Directory. It is also my duty to thank all the Past District Leaders, Cabinet officers, Club Officers, Organizing Committee members and the Printing firm's staffs for all their support in completing this task.

I have made every effort to enrich the quality of our Directory with valuable information and compiled it as a Monumental Directory to remember the Centennial Year. However, it is beyond my control to release the directory in time. I apologize you all for the long delay in bringing out this directory.

All the positive features and plus points of the Directory belongs to you all and our service minded Lions since it is God's grace for the good work Lions carry out with the motto "We Serve" that guided me with knowledge & strength to bring out those good things in paper. Any negative features or minus points you find in the directory belongs to me and not to anyone.

Thank You. May Long Live Lionism. Lion S. Raveendra District Coordinator Leadership / District Directory.
