1. The Minutes of Proceedings of the Meeting held on May 14 were read and confirmed.

2. The following documents were laid on the table :—Statement of Receipts and Disbursements on account of the Municipal Fund from close of 1891 to May 31 ; separate statements of Receipts and Disbursements in respect of the General Revenue, Police Assessment, and Water-rate accounts ; work done by the Municipal Magistrate ; Cases instituted by the several Inspectors ; and Health Officer's report for May.

Resolved,—That the several statements, as required by section 90 of the Municipal Councils Ordinance, be forwarded to Government, together with the Minutes of Proceedings as soon as confirmed.

3. Read letter No. 593, dated May 10, from the Assistant Chairman of the Colombo Municipal Council, forwarding copy of a report of the Special Committee of that Council appointed to suggest amendments on the Municipal Councils Ordinance, together with an extract from the Minutes of Proceedings of a Special Meeting of the Municipal Council. The papers had been circulated and seen by each of the members.

After a short discussion it was resolved, on motion of the Chairman, that a Special Committee be appointed to consider the report of the Committee of the Colombo Municipal Council. It was proposed by Mr. Vine, seconded by Mr. J. B. Siebel, that Dr. Keyt, Messrs. Sproule, Beven, and Siebel be appointed a Special Committee. This was carried unanimously.

4. The annual Administration Report for 1891 was submitted.

The Chairman stated that the Government had requested by letter No. 19 of May 18 that the report be forwarded at once, though the Ordinance did not require it to be sent before August 31.

It was resolved that the request be complied with, and that Government be requested to furnish the Council with 20 printed copies, on receipt of which the Council will proceed to consider the report, and pass resolutions if deemed necessary, as provided for under section 115.

5. Read letter No. 21 of May 30, and No. X of June 3, from the Colonial Secretary, in respect of the pledges required of the Council before consideration of their application for further aid to keep the lake free from silt.

After some discussion on the subject it was unanimously resolved that the Municipal Council is prepared to accept the assistance asked for from Government on the following conditions, which, as a corporation, it pledges itself to fulfil, viz.:—

- (1) That the Municipality undertakes henceforth to keep the lake entirely free from silt in a degree perfectly satisfactory to Government.
- (2) That the Municipal Council undertakes never again to appeal to Government for assistance in clearing the lake.

6. The following recommendation of the Standing Committee was considered :—

“That a new assessment of premises liable to assessment be made for 1893.”

Resolved,—that the recommendation be adopted ; that three assessors be appointed to carry out the work, the total amount of remuneration being the same as was paid on the last occasion (1887) ; and that the appointment of assessors be left to the Chairman.

7. Read the following recommendation of the Standing Committee on an application by Mr. E. Beven for a supply of water to his premises No. 46, Victoria Drive, by means of pipes laid in connection with those laid to premises No. 116, Malabar street :—

“That the permission asked for by Mr. Beven be granted under section 10 of the by-laws dated February 27, 1878, conditionally on the consent of the occupant of tenement No. 116, Malabar street, being obtained ; and that this permission be granted on the understanding that the Council is not responsible for stoppage of water consequent on any action of the occupant of tenement No. 116, Malabar street.

Resolved,—That the application be adopted.

8. On motion of the Chairman the meeting was adjourned until 8 o'clock a.m. on Saturday, June 11, for the purposes of receiving (1) the Special Committee's report on the proposed amendment of the Municipal Councils Ordinance ; and (2) the draft reply to the letter from the Colonial Secretary, No. 14 of April 14, in respect of the Council's claim for water supplied to certain Government buildings in excess of the allowance.

P. A. TEMPLER,  
Chairman.

Confirmed this 23rd day of July, 1892.

#### Report of the Sanitary Condition of the Town of Kandy for the Month of May, 1892.

From the 1st to the 20th of the month the weather was dry, the heat being sometimes great during both night and day. On the 21st a heavy downpour of rain relieved the oppressive heat, and heavy showers on the 24th and 25th instant helped to cool the atmosphere considerably. With the exception of some cases of fever the health of the town was satisfactory. Coughs and colds prevailed to some extent during the wet weather.

*Chickenpox*.—On the 6th of May a case of chickenpox was reported from Torrington road in house No. 3. The patient, a Sinhalese domestic servant, was isolated in his house. On the 22nd instant two other cases occurred in the same house. One was a Sinhalese boy named James, aged 13 years, and the other a girl, Lucia, aged 11 years. The eruptions in both cases were of a mild nature.

*Choleraic Diarrhœa*.—On the 16th of May a case of acute diarrhœa was reported by the Colonial Surgeon. The patient was removed to the Government Civil Hospital for treatment, and the Assistant Colonial Surgeon's report on the case, a copy of which was forwarded to the Chairman of the Municipal Council, was to the effect that

the patient was found suffering from the disease in Castle Hill street, and expired three hours after admission into the hospital. On receipt of the report I at once instructed the Head Inspector to disinfect the place, and took other measures to prevent the spread of the disease. The Inspector was further instructed to visit the place daily and report the occurrence of any fresh case. I am glad to report there was no other case.

*Slaughter House.*—During the month 288 black cattle and 124 buffaloes were slaughtered, giving an average number of 9 $\frac{1}{2}$  of the former and 4 of the latter slaughtered daily. The cattle were in fairly good condition.

The market, latrines, and drains were examined as often as possible, and found to be clean.

The regulations contained in table C in the schedule annexed to "The Joint Stock Companies Ordinance, 1861," shall not apply to this Company, which shall be governed by the regulations contained in these articles, but subject to repeal, addition, or alteration by special resolutions. The Company may, by special resolution, alter or make provisions instead of, or in addition to, any of the regulations of the Company, whether contained or comprised in these Articles or not.

## PRELIMINARY.

2. *Purchase of Estate.*—The Company shall forthwith, after its incorporation, purchase all that estate called and known as St. Heliers, situated in Lower Dikoya, Ceylon, and containing in extent four hundred and twenty seven acres or thereabouts, as from the First day of July, 1892, for the sum of seventy thousand rupees Ceylon currency (Rs. 70,000) and three thousand pounds English sterling currency (£3,000), upon such terms and conditions as may be agreed upon between the Company and the proprietor or proprietors of the said estates.

## BUSINESS.

3. *Commencement of Business.*—The Company may proceed to carry on business and to employ and apply its capital as soon after the registration of the Company as the Directors in their discretion shall think fit, and notwithstanding that the whole of the shares shall not have been subscribed, or applied for, or allotted, they shall do so as soon as, in the judgment of the Directors, a sufficient number of shares shall have been subscribed or applied for.

4. *Conduct of Business.*—The business of the Company shall be carried on by or under the management or direction of the Directors, and subject only to the control of General Meetings in accordance with these presents.

## ORIGINAL CAPITAL.

5. *Nature and Amount.*—The original capital of the Company is fifty thousand rupees, divided into one hundred shares of five hundred rupees (Rs. 500) each.

## ORIGINAL SHARES.

6. *Control.*—The shares shall be under the control of the Directors, who may allot or otherwise dispose of the same to such persons, on such terms and conditions and at such times as the Directors think fit.

7. *Acceptance.*—Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company from time to time directs.

8. *Payment.*—Of the full amount of five hundred rupees per share, rupees one hundred and twenty-five shall be paid on application and the balance three hundred and seventy-five rupees shall be paid on allotment of each share.

9. *Interest on unpaid.*—If before or on the day appointed for payment any Shareholder does not pay the amount for which he is liable, then such Shareholder shall be liable to pay interest for the same at the rate of nine per cent, per annum from the day appointed for the payment thereof to the time of the actual payment.

10. *Issue.*—The shares, except where otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they may consider proper. Provided that such unissued shares shall first be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible, in proportion to the shares already held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the shares shall have been offered, within the time specified in that behalf by the Directors, may be disposed of by the Directors in such manner as they think most beneficial to the Company.

## INCREASE OF CAPITAL.

11. *Nature and Amount.*—The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase its capital by the creation of new shares of such amounts per share and in the aggregate as such resolution shall direct.

## NEW SHARES.

13. *Terms and Conditions.*—The new shares shall be issued upon such terms and conditions, and with such rights and privileges annexed thereto, as the General Meeting resolving on the creation thereof, or any other General Meeting of the Company, shall direct; and if no direction shall be given, as the Directors shall determine, and in particular such shares may be issued with a preferential or qualified right to dividends, and to ranking in the distribution of the assets of the Company, and with a special or without any right of voting.

14. *Issue.*—All new shares shall be offered by the Directors to the registered Shareholders for the time being of the Company, as nearly as possible in proportion to the amount of the existing shares held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the same shall have been offered within the time specified in that behalf by the Directors, may be disposed of by the Directors in such manner as they think most beneficial to the Company.

## SHARE CERTIFICATES.

16. *Certificates.*—The certificates of title to shares shall be issued under the seal of the Company and signed by two Directors, and the Secretary, or in such other manner as the Directors shall prescribe.

17. *How issued.*—Every Member shall be entitled to one certificate for all the shares registered in his name, or to several certificates, each for a part of such shares; and every certificate of shares shall specify the number of shares in respect of which it is issued, the class and the amount paid up thereon or credited thereto.

18. *Renewal of Certificate.*—If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, and may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then, upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate.

19. *Fee for same.*—Such sum (if any) not exceeding fifty cents, as the Directors may determine, shall be paid to the Company for every certificate so issued in the place of a certificate lost or destroyed.

20. *Company not bound to recognise any interest in Share other than that of registered Holder, or of any Person under clause 35.*—The Company shall not be bound to recognise (even though having notice of) any contingent, future, partial, or equitable interest in the nature of a trust or otherwise in any share, or any other right in respect of any share, except any absolute right thereto in the person from time to time registered as the holder thereof, and except also the right of any person under clause 35 to become a Shareholder in respect of any share.

#### JOINT HOLDERS.

21. *Certificate to the first named.*—The certificates of shares registered in the names of two or more persons shall be delivered to the person first-named in the register in respect thereof.

22. *Receipts and Votes.*—Any one of the joint-holders of a share may give effectual receipts for any dividends payable in respect of such share, but the Shareholder whose name stands first on the register, and no other, shall be entitled to the right of voting and of giving proxies, and all other advantages conferred on a sole Shareholder.

23. *Survivor only recognised.*—In case of the death of any one or more of the joint-holders of any shares, the survivor or survivors shall be the only person or persons recognised by the Company as having any title to, or interest in, such shares.

24. *Liability of Joint-holders.*—Joint-holders shall be severally as well as jointly liable for all instalments and calls in respect thereof.

#### CALLS.

25. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the Members in respect of all moneys unpaid on the shares held by them, and not by the conditions of allotment thereof made payable at fixed times, and each Member shall pay the amount of every call so made upon him to the person, and at the time and at the place appointed by the Directors. A call may be made either in one sum or by two or more instalments.

26. *Time when made.*—A call shall be deemed to have been made at the time when the resolution of the Directors authorising such call was passed.

27. *Notice of Call.*—Two months' notice at the least of any call shall be given, specifying the time and place of payment, and to whom such call shall be paid. No call shall exceed twenty-five per cent. of the nominal amount of the share, or be made payable within two months after the last preceding call was payable.

28. *Interest on Unpaid Call.*—If the sum payable in respect of any call or instalment is not paid on or before the day appointed for the payment thereof, the holder for the time being of the share in respect of which the call shall have been made, or the instalments shall be due, shall pay interest for the same at the rate of nine per cent. per annum from the day appointed for payment thereof to the time of the actual payment, but the Directors may, when they think fit, remit altogether or in part any sum becoming payable for interest under this clause.

29. *Payments in anticipation of Calls.*—The Directors may, at their discretion, receive from any Member willing to advance the same, and upon such terms as they think fit, including a condition that the same may be applied in extinction of future calls although not then made, all or any part of the moneys due upon the shares held by such Member beyond the sums paid up or payable thereon, and in particular such moneys may be received upon the terms that interest shall be paid thereon or on so much thereof as for the time being exceeds the amount called up.

#### TRANSFER OF SHARES.

30. *Exercise of Rights.*—No person shall exercise any rights of a Member until his name shall have been entered in the register of Members, and he shall have paid all calls and other moneys for the time being payable on every share in the Company held by him.

31. *Transfer of Shares.*—Subject to the restrictions of these Articles, any Member may transfer all or any of his shares. The instrument of transfer of any share shall be in writing signed both by the transferor and the transferee, and the transferor shall be deemed to remain the holder of the share until the name of the transferee is entered in the register in respect thereof. Every transfer of a share shall be conducted as follows:—

(a) The transferring Member shall first, in writing, notify to the Secretary of the Company his desire to sell any share or shares for the highest offer, and may specify any reserve price therefor he desires to obtain.

(b) The Secretary shall thereupon give notice to each Shareholder that the said share or shares are for sale at the reserved price (if any), and invite offers for the same on or before a date to be named by him, and the Shareholder or Shareholders offering the highest cash price over the reserved price (if any) shall be entitled to purchase and acquire the same, and have a transfer thereof made to him or them accordingly.

(c) If no Shareholder shall offer to purchase any share so offered as aforesaid, the seller shall then be at liberty to sell and transfer the same to any person or persons whomsoever.

(d) Any default, or omission, or accident in giving or receiving any notice or offer as above shall not invalidate any sale or transfer of a share *bona fide* made under the above provisions.

32. *Refusal to Register.*—The Directors may decline to register any transfer of shares by a Shareholder who is indebted to the Company, or of any share on which the Company has a lien, or any transfer of shares made by any person in any case where they shall consider the proposed transferee to be an irresponsible person, or that the transfer will not be conducive to the interests of the Company, or in case of shares not fully paid up to any person not approved by them. The Directors shall not be required to assign any reason for so declining. In the event of the Directors declining to register a transfer, they shall, upon the request of the Shareholder desirous of executing the same, convene an Extraordinary General Meeting of the Company, to resolve whether the said transfer shall be registered or not; and the resolution of such General Meeting shall be absolute.

33. *Registration of Transfer.*—Every instrument of transfer must be left at the office of the Company to be registered, accompanied by such evidence as the Directors may reasonably require to prove the title of the transferor or his right to transfer his shares, and a fee of rupees two and cents fifty, or such other sum as the Directors shall from time to time determine, must be paid, and thereupon the Directors, subject to the powers vested in them by Article 32, shall register the transferee as a Shareholder and retain the instrument of transfer, but any instrument of transfer which the Directors may decline to register shall on demand be returned to the person depositing the same.

34. *Close of Books.*—The transfer books shall be closed during the fourteen days immediately preceding the Ordinary General Meeting in each year.

#### TRANSMISSION OF SHARES.

35. *Death of Shareholders.*—The executors, or administrators, or heirs of a deceased Shareholder shall be the only persons recognised by the Company as having any title to his share.

36. *Registration of new Interest.*—Any person becoming entitled to a share in consequence of the death, bankruptcy, or insolvency of any Shareholder, or in consequence of the marriage of any female Shareholder, or in any way other than by transfer, may be registered as a Shareholder upon such evidence being produced as may from time to time be required by the Directors.

37. *Transfer of new Interest.*—Any person who has become entitled to a share in any way other than by transfer may, instead of being registered himself, elect to have some person to be named by him registered as a holder of such share. The person so becoming entitled shall testify such election by executing to his nominee a transfer of such share. The instrument of transfer shall be presented to the Company, accompanied with such evidence as the Directors may require to prove the title of the transferor, and thereupon the Company shall, subject to the power vested in them by Article 32, register the transferee as a Shareholder.

#### SURRENDER OF SHARES.

38. *Terms of.*—The Directors may accept, in the name and for the benefit of the Company, upon such terms and conditions as may be arranged, the surrender of any shares in the capital of the Company, and any share so surrendered shall be dealt with in the same manner as is provided in these Articles with regard to forfeited shares.

#### FORFEITURE OF SHARES.

39. *Preliminary Notice.*—If any Shareholder fails to pay any allotment money, or call, or instalment on the appointed day, the Company may at any time thereafter, during such time as the call remains unpaid, serve a notice on him requiring him to pay such call, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

40. *Terms of Notice.*—The notice shall name a day (not being less than twenty-eight days from the date of the notice) and a place or places on and at which such allotment money, or call, or instalment, and such interest and expenses as aforesaid, are to be paid. The notice shall also state that, in the event of non-payment at or before the time and at the place appointed, the shares in respect of which the allotment money, or call, or instalment is payable will be liable to be forfeited.

41. *Forfeiture.*—If the requisitions of any such notice as aforesaid are not complied with, any shares in respect of which such notice has been given may, at any time thereafter, before payment of all moneys, calls, or instalments and interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect.

42. *Disposal of Shares forfeited.*—Any shares so forfeited shall be deemed to be the property of the Company, and the Directors may sell, re-allot, or otherwise dispose of the same in such manner as they think fit.

43. *Continuing liability.*—Any member whose shares have been forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all moneys calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with legal interest thereon from the time of forfeiture until payment; and the Directors may enforce the payment of such moneys or any part thereof if they think fit.

44. *Annulment.*—The Directors may at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of, annul the forfeiture thereof upon such conditions as they think fit.

#### LIEN OF COMPANY ON SHARES.

45. *Paramount.*—The Company shall have a first and paramount lien upon all the shares not fully paid up registered in the name of any Member (whether solely or jointly with others) for his debts, liabilities, and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment or discharge thereof shall have actually arrived or not, and such lien shall extend to all dividends declared on such shares.

46. *Enforcement.*—For the purposes of enforcing such lien the Directors may sell the shares subject thereto in such manner as they think fit, but no sale shall be made until such period as aforesaid shall have arrived, and until notice in writing of the intention to sell shall have been served on such Member, his executors, or administrators, and default shall have been made by him or them in the payment, fulfilment, or discharge of such debts, liabilities, or engagements, for seven days after such notice.

47. *Application of Proceeds.*—The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, or engagements of such Member, and the residue (if any) paid to such Member, or his executors, administrators, or assigns.

48. *Transfer.*—Upon any sale in purported exercise of the powers given by these Articles, the Directors may cause the purchaser's name to be entered in the register in respect of the shares sold, and the purchaser shall not be bound to see to the regularity of the proceedings or the application of the purchase money; and after his name has been entered in the register in respect of such shares, the sale shall not, as against him, be impeached by the former holder of the shares or any other person, and the remedy of any Member or person aggrieved by such sale shall be in damages only, and against the Company exclusively.

#### PREFERENCE SHARES.

49. *Preference and deferred Shares.*—Any shares from time to time to be issued or created may from time to time be issued with any such guarantee or any such right of preference, whether in respect of dividend or of repayment of capital, or both, or any such other special privilege or advantage over any shares previously issued, or then about to be issued (other than shares issued with a preference), or at such a premium, or with such deferred rights as compared with any shares previously issued, or then about to be issued, or subject to any such conditions or provisions, and with any such right or without any right of voting, and generally on such terms as the Company may from time by special resolution determine.

50. *Resolutions affecting a particular class of Shares.*—If at any time by the issue of preference shares or otherwise the capital is divided into shares of different classes, then the holders of any class of shares may, by an extraordinary resolution passed at a meeting of such holders, consent, on behalf of all the holders of shares of the class, to the issue or creation of any shares ranking equally therewith, or having any priority thereto, or to the abandonment of any preference or priority, or of any accrued dividend, or the reduction for any time, or permanently of the dividends payable thereon, or to any scheme for the reduction of the Company's capital affecting the class of shares,

and such resolution shall be binding upon all the holders of shares of the class, provided that this Article shall not be read as implying the necessity for such consent in any case in which but for this Article the object of the resolution could have been effected without it.

51. *Meeting affecting a particular class of Shares.*—Any meeting for the purpose of the last preceding clause shall be convened and conducted in all respects as nearly as possible in the same way as an Extraordinary General Meeting of the Company, provided that no Member, not being a Director, shall be entitled to notice thereof or to attend thereat, unless he be a holder of shares of the class intended to be affected by the resolution, and that no vote shall be given except in respect of a share of that class, and that at any such meeting a poll may be demanded in writing by any five Members personally present and entitled to vote at the meeting.

#### REDUCTION OF CAPITAL.

52. *Reduction of Capital.*—The Company may from time to time, by special resolution, reduce its capital, and may consolidate or subdivide any of its shares which have not been taken or agreed to be taken by any person. Paid-up capital may be returned upon the footing that the amount may be called up again or otherwise.

#### BORROWING POWERS.

53. *Power to Borrow.*—The Directors may, at the commencement of the business of the Company, borrow or raise from the Directors or other persons £3,000 English sterling currency, secured by primary mortgage of the lands and assets of the Company or part thereof, and the sum of Rs. 20,000 secured by debentures at such rates of interest, and upon such terms and conditions as the Directors shall in their discretion determine and agree to; and thereafter the Directors may from time to time, at their discretion, borrow or raise from the Directors or other persons any further sum or sums of money for the purposes of the Company, provided that the moneys so borrowed or raised, and owing at any one time shall not, without the sanction of the General Meeting, exceed rupees two thousand five hundred. Only with the sanction of a General Meeting the Directors shall be entitled to borrow such further sum or sums, and at such rates of interest as such meeting shall determine.

54. *Security for repayment.*—For the purpose of securing the repayment of any such moneys so borrowed or raised, or for any other purpose, the Directors may create and issue any mortgages, debentures, debenture stock bonds, or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company (both present and future), including uncalled capital, or unpaid calls, or by giving, accepting, or endorsing, on behalf of the Company any promissory notes or bills of exchange. Any such securities may be issued either at par or at a premium or discount, and may from time to time be varied or exchanged as the Directors may think fit, and may contain any special privileges as to redemption, surrender, drawings, allotment of shares, or otherwise.

55. *Proof of power to Borrow.*—A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in Article 54, and subscribed by two or more of the Directors or by one Director and the Secretary, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors; and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

56. *Assignment of Security.*—Every mortgage debenture or other instrument issued by the Company for securing the payment of money may be so framed, that the moneys thereby secured shall be assignable free from any equities between the Company and the person to whom the same may be issued.

#### GENERAL MEETINGS.

57. *First General Meeting.*—The first General Meeting shall be held at such time, not being more than twelve months after the incorporation of the Company, and at such place as the Directors may determine.

58. *Subsequent General Meeting.*—Subsequent General Meetings may be held at such time and place as may be prescribed by the Company in General Meeting, and if not so prescribed, then at such place and at such time as soon after the first day of January in each year as the Directors shall determine.

59. *Ordinary and Extraordinary.*—The above-named General Meetings shall be called Ordinary Meetings; all other General Meetings shall be called Extraordinary.

60. *Convening Extraordinary.*—The Directors may, whenever they think fit, and they shall, upon a requisition made in writing by not less than one-fifth in number of the Shareholders of the Company for the time being, or by any Shareholder or Shareholders holding not less than one-fifth part of the shares of the Company for the time being subscribed for, convene an Extraordinary General Meeting.
