About **the University**

The South Eastern University College of Sri Lanka (SEUCSL) was established by an order through Gazette Notification No. 88/9 of 26 July, 1995 under the provisions of section 24A of the University Act No. 16 of 1978 as amended by Act No. 07 of 1985.

By Gazette Notification 916/7 of 27th March 1996, the South Eastern University College became 10th National University of Sri Lanka under the corporate name of South Eastern University of Sri Lanka and Professor MLA. Cader was appointed as the founder Vice Chancellor of this University. The South Eastern University of Sri Lanka thus commenced its activities as a fully fledged University from 15th May, 1996.

At present South Eastern University of Sri Lanka is one of the National Universities with a student's population about 2100 internal and 7000 external. There are four faculties and ten academic departments with all facilities. Establishment of new Faculty of Engineering is now finalized and its academic activities will commence very soon.

Message from The Vice Chancellor

It gives me great pleasure in extending the message of greetings on the release of "Postgraduate Hand Book 2013/14".

I am fully aware that Faculty of Management and Commerce (FMC) has been rendering yeoman services not only to young graduates but also to the adult students in enhancing their educational background in all aspects.

South Eastern University of Sri Lanka which was established in 1995 with the vision to bring quality Higher Education to the door steps of the people of the region has now a student population of about 2100 internal and 7000 external. There are four faculties and ten academic departments with all facilities.

I am very much happy indeed to note that our academics are now working right round the clock to bring all positive changes in the field of higher education that will enable our students to meet the needs of the modern society. Keeping this idea in mind several courses are now being introduced such as MBA and PGDM for higher positioned officials and professionals of this region and suburbs. They are very much attracted by our programs and are

expressing their gratitude to us for opening the gates for gaining and sharing knowledge to develop further to meet the need of the modern society. This shows the significant role played by our energetic team of the FMC in particular and the University as a whole.

Our next move, the establishing of an Engineering faculty is also now finalized and all arrangements are afoot to commence this course very shortly. This is another milestone as far as the SEUSL is concerned. Our sincere thanks are due to His Excellency the President, Mahinda Rajapaksa, Hon. Minister of Higher Education S.B. Dissanayake and the University Grants Commission for their valuable efforts in this regard. I hope with this courage, confidence, commitment and devotion, this University will go forward march to earn its name and make this as an International reputed one. May the Almighty give all of us the strength and courage to make this goal a reality.

I wish the Faculty of Management and Commerce every success in all its endeavors and constructive measures.

Dr. SM. Mohamed Ismail
Vice Chancellor

Faculty of Management and Commerce

Mission of the Faculty

“ To provide quality education in business studies which blends the best of relevant theory and practice with an innovative approach to teaching, learning and research giving due consideration to the changing environment, the real demands of business world, and the contemporary development needs of the South Eastern Region and the country as a whole ”

The Faculty of Management and Commerce (FMC) was started with its academic work with the objectives of offering degrees in Bachelor of Business Administration (BBA) and Bachelor of Commerce (B.Com.). Then the faculty realized the necessity of offering a special degree in the field of Marketing, Accounting, Finance, Human Resource Management and Management Information System with professional training. As a result the special degree programs were started in 1999. In 2008 the faculty commenced a three year degree program B.Sc. in MIT based on the demand in the field of information technology and management.

The Faculty of Management and Commerce has two departments and two units namely Department of Management and Department of Accountancy and Finance, MIS Unit and Postgraduate Unit.

The Faculty of Management and Commerce is considered pioneer in implementing the latest University Educational Reforms in the country. Graduates of the Faculty of Management and Commerce are highly able to face challenges of business environment locally as well as internationally.

Message from The Dean

As the Dean of the Faculty of Management and Commerce, I am delighted to give this message for the prospectus of Postgraduate Diploma in Management (PGDM) and Master of Business Administration (MBA).

The Faculty of Management & Commerce currently has two departments and two units namely Department of Management, Department of Accountancy & Finance, MIS Unit and Postgraduate Unit.

The global knowledge economy emphasizes the necessity of that continuing education and practical exposure for people who want to acquire skills for value-added and more secured jobs. In line with this requirement, the Faculty of Management and Commerce developed the PGDM / MBA program especially for the professionals and Executives seeking enhancement in their career. This, in fact, leads students from multi disciplines to earn

management education. This is one of the major steps towards extending its research for the regional and national development. These postgraduate courses provide them with a strong foundation on which to build rewarding and successful professional careers.

I express my best wishes to the new entrant of the Postgraduate Diploma in Management (PGDM) and Master of Business Administration (MBA) for their bright future.

Mrs. Sareena UMA Gaffoor

The coordinator is directly responsible for the smooth functioning of the activities of the program.

Message from The Coordinator

I am very much delighted to welcome to a recognized MBA degree program offered by the Faculty of Management and Commerce (FMC) of the South Eastern University of Sri Lanka (SEUSL)

South Eastern University MBA degree Program commenced in 2010 and it will take its third intake in December 2012. Our present MBA students are from diverse career paths. The program is structured to allow you to continue working in full-time employment while studying part-time, connecting your learning to current global, international and organizational issues. Ideally suited to you if you are unable to take significant time out of the workplace to study and it is very convenient and flexible. As the management is very keen on timely completion of program our postgraduates program have been very successful with two previous batches and reached to the end as scheduled and the program were run very smoothly free from any interruption.

The MBA has an innovative two year program that combines the practice and theory of management in a package giving graduates sufficient skills and experience to apply what they have learned in the

program when faced with the responsibility of managing people and organizations. We want to impact, in a significant way on your approach to management and decision making, with curricula adapted to the needs of the changing and challenging environment. The research work is an integral part of the Masters programs and is closely supervised by faculty members. Students are encouraged to complete an industry-based dissertation that is directly or indirectly relevant to their work.

The main values of SEUSL MBA are excellence, teamwork, dedication, practical relevance and commitment to innovation. We would like our students to share these values and see themselves as our partners in a constantly developing world-class management faculty.

Intellectual capital is the biggest asset of Faculty of Management and Commerce of SEUSL. Faculty of Management and Commerce has an excellent panel of lecturers who offer a stimulating and challenging learning experience. It is further strengthened by the visiting faculty consisting of academia and industry.

In line with its mission of transforming professionals into industry leaders, our MBA students were given a unique learning experience and opportunity to attend a foreign residential workshop. Participants have been given the opportunity to meet business industry leaders and share best practices. Our students have been fortunate enough to listen to very good resource personnel who provided some important and mind triggering information. SEUSL MBA program provide personal development opportunities to support individuals' development of management capability and capacity to work in and lead teams in different situations.

Faculty of Management and Commerce provides an Excellent Student supportive study environment such as computer laboratory and the library. Students are provided with individual assistance on their dissertations. Furthermore, students will have access to a range of University services including access to online research databases.

Our commitment to our students starts with their enrollment but does not end with their graduation. As our graduate, you will always enjoy the professional and personal support of the growing SEUSL MBA family as its alumni. With a growing alumni network and with special events, you will maintain contacts with fellow alumni and faculty members.

Investing in an MBA is a strategic decision for your career. Our MBA program is also very affordable. Our current students and faculty, invite you to join the leaders of tomorrow by enrolling in SEUSL MBA program today. As the coordinator of the MBA Program, I look forward to having you as part of our family.

By-Law No. 2 of 1996 for Conduct at Examinations

Prepared under section 135 of the Universities Act No. 16 of 1978 as amended by the Universities Amendment Act No. 7 of 1985 and approved by the University Council on 24.08.1996.

This By-Law may be cited as By-Law No. 2 and shall come into force on 15th July, 1996.

Rules pertaining to the Conduct of Examinations:

- ◆ Candidates shall be present at the Examination Hall at least 15 minutes before the commencement of each paper and shall enter the Hall only when they are requested to do so by the Supervisor.
- ◆ On the admission to the Examination Hall, the candidates shall occupy the seats allocated to them.
- ◆ No candidate shall have in his person or in his clothes or on the admission card, time table and record book or on any other object that is permitted to be brought to the examination hall. Any notes, signs, diagrams of formula or any other unauthorized materials, books, notes, parcels, file covers, bags etc. which the candidate has brought with him should be kept at a place indicated by the Supervisor or invigilator.

- No candidate shall be admitted to the examination hall after the expiry of half an hour from the commencement of the examination nor shall a candidate be allowed to leave the hall until half an hour has elapsed from the commencement of the examination or during the last 15 minutes of the paper.
- A candidate shall bring into the examination hall his Student Record Book or his University Identity Card which should bear the candidate's photography and his signature duly certified by the Registrar or the Authorized officer. If there is a discrepancy between the names indicated in the Record book or the Identity Card and the name under which the candidate appears for the examination the candidate shall produce a certificate endorsed by the Registrar to the effect that both names refer to one and the same person. In the absence of the above proof of identity a candidate may produce his or her National Identity Card or a recently taken photography duly certified by an authorized person.
- A candidate may be requested by the Supervisor to declare any items in his or her possession or person.
- No candidate can either lend or borrow any material from any other candidate or attempt to communicate in any manner with another candidate or copy from the script of any other candidate. No candidate shall attempt to help another candidate or conduct him / her negligently so that another candidate has the opportunity of copying.
- Candidates shall write only on the writing paper issued during the current paper on that particular date and session.
- Examination stationary (i.e. writing paper, graph paper, drawing paper, ledger paper, precise paper etc.) will be supplied as and when necessary. No sheet of paper or answer book supplied to a candidate may be torn, crumpled, folded or otherwise mutilated. No papers other than those supplied to him / her by the Supervisor / invigilator shall be used by

candidates. Log tables or any other material provided shall be used with care and left behind on the desk. All materials supplied, whether used or unused, shall be left behind on the desk and not removed from the examination halls.

- Every candidate shall enter his / her Index Number on the answer book and every continuation sheet, before using such answer book or continuation sheet. No candidate shall write his/her name or any identifying mark on the answer script. Any candidate who inserts on his script an Index Number other than his / her own is liable to be regarded as having attempted to cheat.
- All calculations and rough work shall be done only on paper supplied for the examination and shall be cancelled and attached to the answer script. Such work should not be done on admission cards, time table, question papers, record books or on any other paper. Any candidate who disregards these instructions runs the risk of being considered as having written notes or outline of answers with intention of copying.
- Every candidate shall conduct himself/herself in the examination hall and its precincts so as not to cause disturbance or inconvenience to the Supervisor or his staff or to other candidates. In entering and leaving the hall, he/she shall conduct himself/herself as quietly as possible. A candidate is liable to be excluded from the examination hall for disorderly conduct.

- No candidate shall submit a practical or field book dissertation or project study or answer script which has been done wholly or partly by anyone other than the candidate himself / herself.
- Candidates shall bring their own pens, ink, mathematical instruments, drawing instruments, erasers, pencils and calculator. No candidate shall bring a programmable calculator into the examination.
- No person shall impersonate a candidate at the examination nor shall any candidate allow himself / herself to be so impersonated by another person.
- The supervisor/invigilator is empowered to require any candidate to make a statement in writing on any matter which may have arisen during the course of the examination and such statement shall be signed by the candidate. No candidate shall refuse to make such a statement or to sign it.
- The foregoing examination offences may be broadly classified as follows:

- ⇨ Possession of unauthorized documents and removal of examination stationary.
- ⇨ Disorderly conduct of a grave nature.
- ⇨ Copying.
- ⇨ Attempting to obtain or obtaining improper assistance or cheating.
- ⇨ Impersonation.
