Father of Rotary

*Rotary is a miniature model of world at peace.
On which might advantageously be studied by Nations.
Rotarians believe that the universal application of
tolerance and friendliness would bring about
the international peace so earnestly desired by everyone"*

Paul P. Harris
Founder of Rotary

BE A FRIEND

*The English poet John Donne wrote, "No man is an island entire of itself, every man is a piece of the continent, a part of the main." Each of us is called to contribute, to act as an individual and to help develop our community. But, how do we lead hearts, foster a spirit of belonging and open opportunities for others to make more of their lives? My answer is a simple challenge of courage and character. **BE A FRIEND***

You do not need an organization to be a friend. Many people show magananimity of heart, but we, as Rotarians, should also translate respect for human rights into respect for individual lives by our service. Every member of every community seeks justice, equal opportunity and dignity whether it is in the family, the neighbourhood, at school or work. When we honour the individual, we are contributing to the community.

When a group of friends gather together in heartfelt concern, to celebrate, to weep, to cherish each other, then we have a community. We find human suffering both at home and far away. The Community either helps or neglects people in their time of need. Our history as leaders makes every Rotarian particularly well qualified to address those times and respond with concern. You don't need a program to be a Rotarian, but if you are a friend, then you will be a Rotarian in the true sense of the word. We must work to strengthen and sustain our own community.

*Together, friends support one another and spontaneously develop community. A friend sustain hope, increase faith, expresses love in practical terms. Our Rotary fellowship must exist not only for fun but for accepting responsibility. Therefore, we must use our abilities to put ourselves in place of those in need, and not to stand one step removed, Let us have the vision to see, the vigor to act, the heart to care to all those who wait, to all those who yearn, to all those in need, **BE A FRIEND.***

Bill Huntley, RI President 1994-95

Message from District Governor

My Dear Friends,

I take great pleasure in sending this message of congratulations on the occasion of the Interact Conference/Jaffna Schools which is being held on the 8th - 9th October 1994.

I would also like to take this opportunity to congratulate the Rotary Club of Jaffna for their dedicated efforts, as I believe that the Club has sponsored the largest number of Interact Clubs in the District 3220 to date, having 15 Interact Clubs with 650 students.

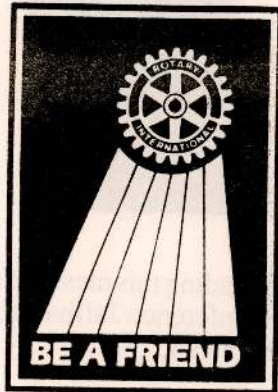

I wish the Interactors of Jaffna good interaction and every success in their deliberations during the Conference.

Rotary is a noble idea that was visioned in the mind of Paul Harris in 1905. Rotary has always been the guardian and inspirator towards youth and more or less from its inception has encouraged youth in its 'Partners in Service' programmes of Interact and Rotaract.

Interactors all over the world live in different places and come from different cultures, religions and caste. But in Rotary these differences do not matter. It is how we use our talents and our ideals in life that makes us all one big universal family.

As Interactors **BE A FRIEND** and extend a hand of friendship to your elders, to your schools and to your parents in the pursuit of hope and peace in the world.

Rtn Melville Assauw.
District Governor

1994 Presidential Theme Song

Be a Friend to every one you meet
Be a friend to anyone you greet
Friends are caring and sharing
There is no denying to a friend
Be a friend in Rotary

Friends are patient and kind, always happy
Friends bring hope to the world
through Rotary

Be a Friend to those who are in need
Be a Friend with love in heart and deed
Winter, Spring, Fall or Summer
All friends are forever, to a friend

MESSAGE FROM DISTRICT INTERACT CHAIRMAN

To the interactors of Jaffna I send greetings from the Interact District Office. You have come up again with a splendid idea to organize this conference.

As travelling between Colombo and Jaffna is a problem, this idea of a Zone level conference for Interactors is most welcome.

I had the pleasure of meeting some of your interactors in Colombo at the District Assembly in June this year and the enthusiasm of those boys was an indication of your dedication to Interact.

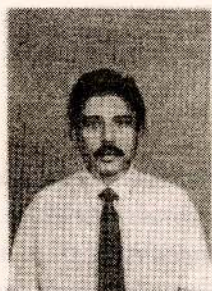

It is unfortunate I cannot be with you today as I have to be in Trincomalee for an official visit with the District Governor. However I look forward to being with all of you Interactors in Jaffna by early next year.

So have fun and make the conference a success.

Yours sincerely,

Ananda Rajapakse

Message from
The District Interact Representative 94/95

Dear Friends,

We are members of an International organisation which is dedicated to service and International Understanding. Hence we can make an impact on the people who need it most, in our own country and the world at large because as interactors we care and when we care we act. We act with our hearts and minds; to help people in need, to find solutions to problems which at first seem impossible to solve and rekindle the dreams of those who have lost hope. All this becomes so much easier when we take up the challenge to keep up with the simple Rotary International theme for for this Year "BE A FRIEND"

BE A FRIEND at home and at work by extending your concern as a whole, BE A FRIEND to your community by fostering a sense of belonging and helping to build unity and BE A FRIEND to those far away by reaching out as a friend to those you have not yet met and extend your community concerns to global concerns for world understanding.

Your Friend in Interact.

INT. SHAWN SHIEK

INTERACT

What is Interact?

"Interact Clubs" are Rotary sponsored Youth clubs based in school for students 14-18 years. Interact is the World's largest International Teenage movement originated in 1962 in USA. Today over 100 countries have accepted Interact Clubs as effective teenage organization. There are 175,000 Interactors in the world spread over 7500 schools.

What is the Purpose of Interact?

To provide young people the opportunity to work together in a World fellowship dedicated to service and international Understanding.

Who compose it?

Membership is open to both males and females in any of the four years of school immediately preceding the University level. The club may be either school based or community based.

What does Interact club do?

Interact club activities and projects are initiated and carried out by the club members themselves. Led by their elected officers, each club determines its own programmes and projects.

Interactors develop and carry out a wide range of service projects - from raising impressive sums of money for worthy causes to working directly with disabled children, the elderly, and others in the community who need help. Each club carries out at least two service projects a year. One serves the school or community and the other furthers international understanding. Interactors also assist their sponsoring Rotary Club on various community service projects to make life better in the community.

Sponsoring Club

Every Interact Club must be sponsored by a Rotary Club which is also responsible providing guidance on a continuing basis. A successful Interact Club depends, in part, on the active participation and support of its Rotarian sponsors. There are 102 Interact Clubs in Sri Lankan schools in Colombo, Galle, Trincomalee, Batticaloa, Jaffna, Kegalle, Matale, Kandy, Nuwara Eliya and Moratuwa with a membership of over 6000 teenagers. Annually the club officers change and new office bearers take office on 1st July.

- * Offers guidance and support for Interact club service projects;
- * Keeps Interactors informed on the activities of the Rotary club;
- * Recognizes and publicizes the achievements of the Interact club;
- * Passes along copies of Interact News to club presidents and secretaries;
- * Makes sure that the Interact club elects new officers at the end of the year and reports the names and addresses of these individuals to the District Interact Committee;
- * Informs Interactors of Rotary Programs like Youth Exchange, Rotary Youth Leadership Awards, Rotaract, and Rotary Foundation Ambassadorial Scholarships;
- * Ensures that the Interact club submits an annual report to RI World Headquarters and
- * Supplies the Interact club with all necessary information and materials to function properly.

The Rotary Club advisor

- * Attends every community - based Interact club meeting;
- * Attends every board meeting of school-based Interact clubs;
- * Provides guidance to the club on fund - raising activities and service projects;
- * Links the Interact club to the Rotary club and to the resources of Rotary International; and
- * Ensures that the Interact club has all necessary information and materials to operate.

The Faculty Advisor

- * Attends all Interact general and board meetings;
- * Makes sure that the club follows school guidelines for extracurricular activities;
- * Advises Interactors on service projects, especially those designed to benefit the school.
- * Keeps the Rotarian advisor informed of Interact activities and any problems arising; and
- * Ensures that Interact club funds are properly raised and managed.

When there are five or more Interact clubs within a district, the members of the Interact clubs may elect a district Interact representative (DIR) from among their membership.

From: *Youth Service Director*

IT is indeed a meaningful achievement to bring about a directory of Jaffna Interactors. Our clubs sponsors the largest number of Interact clubs in the Rotary District 3220.

Further it is released at the first Interact Conference of Jaffna Schools.

President Sara and fellow Rotarians work hard to promote the Interact programme in Jaffna.

The Interact Conference and the Directory is another milestone in the history of Interact Clubs in Jaffna which had seen a rapid growth in number as well as in Projects since 89/90.

I sincerely hope that the initiatives taken by the present Board will be further developed in the coming years.

I thank all those who have contributed to this worthy cause.

A Welwisher

Just A Minute.....

It's a herculian task to organize a grand function and publishing a Directory in a war - torn land which has been denied the essential commodities, with a State ban on Electricity, Transport and Communication since 1990 June.

We learn to survive ; learn to learn in dark nights.

Our Intractors have responded positively to the call of the needy. We would like to accelerate the Interact Programmes with a meeting of this nature. The Directory will be of much use to the Interactors and Rotarians.

I thank all those who have made this dream a reality. President Sara has taken much pain on finding sponsors for both the Interact Conference and the Directory not to mention the memorable Registration gift packet.

4. Will it be **BENEFICIAL** to
all concerned?
