**Fourth Issue, Rs. 500,000.**

*Authorized by Ordinance No. 7 of 1892, "An Ordinance to empower the Ceylon Government to raise Four Million Rupees for the Construction of Railways and other Public Works."*

THE Treasurer of Ceylon, on behalf of the Government, invites Tenders for the above amount of Stock, to be issued and inscribed under the provisions of "The Ceylon Inscribed Rupee Stock Ordinance, 1892."

The Loan is secured on the general revenue of the Colony, and the principal will be repayable at par on the 1st March, 1944, by a sinking fund of 1 per cent. per annum, to be formed under the management of the Auditor-General and Treasurer, who are appointed Trustees. The interest, at the rate of 4 per cent. per annum, will be payable half-yearly on the 4th March and 4th September in each year, for the half-year ended with the last day of the month next preceding, the first payment being due on the 4th September next, by dividend warrants, which, if desired, may be transmitted by post, either to the stockholders or other person, bank, or firm within the Colony. Principal and interest will be payable at the Treasury at Colombo.

If the price of the Stock be below par at the time when the contributions to the sinking fund are received, the Trustees are empowered to purchase therewith the Stock in the market, cancelling in the register the Stock so purchased.

The Stock will be transferable by agreement in writing, without charge, and free of stamp duty.

Tenders will be received at the Treasury at Colombo until 1 P.M. on Thursday, the 15th February, 1894, and will be opened in the presence of such of the applicants as may attend.

Tenders must be for *even thousands* of Stock.

The purchase money will be required as follows:—

Five per cent. on application, and the balance on or before the 1st March, 1894.

The first payment must accompany the Tender, and the subsequent payment is to be made at the Treasury not later than the date above mentioned.

The allotments will be made to the highest bidders, provided the rates offered are not below Rs. 1,000 in money for every Rs. 1,000 of Stock. In the event of the receipt of Tenders in excess of the amount to be allotted at or above the minimum price, the Tenders at the lowest price accepted will be subjected to a *pro rata* diminution.

If no allotment be made, the amount forwarded with the Tender will be returned in full, and if a portion only of the amount applied for be allotted, the surplus will be appropriated towards the payment of the second instalment.

Forms of Tender may be obtained, and copies of the Ordinance may be seen, on application at the Treasury.

#### SHARES (SURRENDER AND FORFEITURE).

32. *The Directors may accept surrender of Shares.*—The Directors may accept, in the name and for the benefit of the Company, and upon such terms and conditions as may be agreed, a surrender of the shares of Shareholders who may be desirous of retiring from the Company.

33. *If Call or Instalment be not paid, notice to be given to Shareholder.*—If any Shareholder fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter during such time as the call or instalment remains unpaid, serve a notice on such Shareholder requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

*Terms of Notice.*—The notice shall name a day (not being less than one month from the date of the notice) and a place or places at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

*In default of Payment Shares to be forfeited.*—If the requisition of such notice as aforesaid be not complied with, every or any share or shares in respect of which such notice has been given may at any time thereafter before payment of calls or instalments, interest, and expenses due in respect thereof, be declared forfeited by a resolution of the Board to that effect.

*Shareholder still liable to pay Money owing at the time of Forfeiture.*—Any Shareholder whose shares have been so declared forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalments, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with interest thereon from the time of forfeiture until payment at nine per cent. per annum, and the Directors may enforce the payment thereof if they think fit.

34. *Surrendered or forfeited Shares to be Property of Company, and may be sold, &c.*—Every share surrendered or so declared forfeited shall be deemed to be the property of the Company, and may be sold, re-allotted, or otherwise disposed of upon such terms and in such manner as the Board may think fit.

35. *Effect of Surrender or Forfeiture.*—The surrender or forfeiture of a share shall involve the extinction of all interest in and also of all claims and demands against the Company in respect of the share and the proceeds thereof, and all other rights incident to the share, except only such of those rights (if any) as by these presents are expressly saved.

36. *Certificate of Surrender or Forfeiture.*—A certificate in writing under the hands of two of the Directors and of the Secretary, that a share has been duly surrendered or forfeited, stating the time when it was surrendered or forfeited, shall be conclusive evidence of the facts therein stated as against all persons who would have been entitled to the share but for such surrender or forfeiture, and such certificate and the receipt of the Company for the price of such share shall constitute a good title to such share, and a certificate of proprietorship shall be delivered to any person who may purchase the same from the Company, and thereupon such purchaser shall be deemed the holder of such share, discharged from all calls due prior to such purchase, and he shall not be bound to see to the application of the purchase money, nor shall his title to such share be effected by any irregularity in the proceedings in reference to such forfeiture or sale.

*Forfeiture may be remitted.*—The Directors may in their discretion remit or annul the forfeiture of any share within six months from the date thereof upon the payment of all moneys due to the Company from the late holder or holders of such share or shares, and all expenses incurred in relation to such forfeiture, together with such further sum of money by way of redemption money, for the deficit, as they shall think fit, not being less than nine per cent. on the amount of the sums wherein default in payment had been made, but no share *bonâ fide* sold or re-allotted or otherwise disposed of under article 34 hereof shall be redeemable after sale or disposal.

37. *Company's Lien on Shares.*—The Company shall have a first charge or paramount lien upon all the shares of any holder or joint-holders for all moneys for the time being due to the Company by such holder, or by all or any of such joint-holders respectively, either in respect of such shares or of other shares held by such holder or joint-holders or otherwise, and whether due from any such holder individually or jointly with others, including all calls, resolutions for which shall have been passed by the Directors, although the times appointed for the payment thereof shall not have arrived; and where any share is held by more persons than one, the Company shall be entitled to the said charge or lien in respect of any money due to the Company from any of such persons. And the Directors may decline to register any transfer of shares subject to such charge or lien.

38. *Lien how made available.*—Such charge or lien may be made available by a sale of all or any of the shares subject to it, provided that no such sale shall be made except under a resolution of the Directors, and until notice in writing shall have been given to the indebted Shareholder or his executors, or administrators, or the assignee or trustee in his bankruptcy, requiring him or them to pay the amount for the time being due to the Company, and default shall have been made for twenty-eight days from such notice in paying the sum thereby required to be paid. Should the Shareholder over whose share the lien exists be in England or elsewhere abroad, sixty days' notice shall be allowed him.

39. *Proceeds how applied.*—The net proceeds of any such sale shall be applied in or towards satisfaction of such debts, liabilities, or engagements, and the residue (if any) paid to such Shareholder or his representatives.

41. *Transfer on Sale how executed.*—Upon any such sale two of the Directors may execute a transfer of such share to the purchaser thereof, and such transfer with the certificate last aforesaid shall confer on the purchaser a complete title to such shares.

#### CALLS.

42. *Directors may make Calls.*—The Directors may from time to time make such calls as they think fit upon the holders of registered shares in respect of moneys unpaid thereon, and not by the conditions of allotment made payable at fixed times, and each Shareholder shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors, provided that two months' notice at least shall be given to the Shareholders of the time and place appointed for payment of each call. 43. *Payments in anticipation of Calls at Interest.*—The Directors may at their discretion receive from any Shareholder willing to advance the same, and upon such terms as they think fit, all or any part of the amount of his shares beyond the sum actually called up; and upon the moneys so paid in advance, or upon so much thereof from time to time, and at any time thereafter as exceeds the amount of the calls then made upon and due in respect of the shares on account of which such advances are made, the Board may pay or allow interest at such rate as the Shareholder and the Directors may agree upon, not exceeding however six per cent. per annum.

Only with the sanction of a General Meeting the Board shall be entitled to borrow such further sum or sums, and at such rates of interest, as such meeting shall determine. A certificate under the hands of one Director and the Secretary, or two Directors, to the effect that in taking any loan the Directors are not exceeding their borrowing powers, shall be sufficient and binding on the Company and all concerned.

*Security for Repayment.*—For the purpose of securing the repayment of any such moneys so borrowed and raised or for any other purpose the Directors may create and issue any mortgages, debentures, debenture stock, bonds or obligations of the Company charged upon all or any part of the undertaking, revenue, property, and rights of the Company (both present and future) including uncalled capital or unpaid calls, or by giving, accepting, or endorsing on behalf of the Company any promissory notes or bills of exchange.
