## ARTICLES OF ASSOCIATION OF THE HAPUGAHALANDE TEA COMPANY, LIMITED.

1. The regulations contained in Table C in the Schedule annexed to "The Joint Stock Companies' Ordinance, 1861," shall not apply to this Company, which shall be governed by the regulations contained in these Articles, but subject to repeal, addition, or alteration, by special resolutions. The Company may, by special resolution, alter or make provisions instead of, or in addition to, any of the regulations of the Company whether contained or comprised in these Articles or not.

2. The Company shall forthwith, after its incorporation, purchase all that estate called and known as Hapugahalande, situated in the District of Mátalé, in the Island of Ceylon, for the sum of Rs. 170,000, upon such terms and conditions as may be agreed upon between the Company and the proprietors of the said estate.

## SHARES.

3. Every person taking any share in the Company shall testify his acceptance thereof by writing under his hand in such form as the Company from time to time directs.

4. The Directors may from time to time make such calls upon the Shareholders in respect of all moneys unpaid on their shares, as the Directors may think fit, and each Shareholder shall be liable to pay the amount of calls so made to the persons and at the time and place appointed by the Directors. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

5. If before or on the day appointed for payment any Shareholder does not pay the amount of any call for which he is liable, then such Shareholder shall be liable to pay interest for the same at the rate of nine per cent. per annum from the day appointed for the payment thereof to the time of the actual payment.

6. The Directors may, if they think fit, receive from any of the Shareholders willing to advance the same all or any part of the moneys due upon their respective shares beyond the sums actually called up, and upon the moneys so paid in advance or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which such advance has been made, the Company shall pay interest at such rate as the Shareholders paying such sum in advance and the Directors agree upon. The shares, except when otherwise provided, shall be allotted at the discretion of and by the Directors, who may from time to time issue any unissued shares, and may add to such shares such an amount of premium as they may consider proper. Provided that such unissued shares shall first be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the shares already held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the share shall have been offered within the time specified in that behalf by the Directors may be disposed of by the Directors in such manner as they think most beneficial to the Company.

7. If several persons are joint-holders of any share, any one of such persons may give effectual receipt for the dividend payable in respect of such share.

8. Every Shareholder shall be entitled to a certificate under the common seal of the Company specifying the share or shares held by him and the amount paid thereon.

9. If such certificate is used up, worn out, or lost, it may be renewed on payment of fifty cents.

## TRANSFER OF SHARES.

10. The Company may decline to register any transfer of shares made by a Shareholder who is indebted to them.

11. The fee payable to the Company for the registration of a transfer shall be rupees two.

12. The register of transfers shall be closed during the fourteen days immediately preceding every Ordinary General Meeting of the Company, and at such other times (if any) and for such period as the Directors may from time to time determine, provided always that it shall not be closed for more than thirty days in any year.

13. Subject to the restriction of these Articles any Shareholder may transfer all or any of his shares by instrument in writing. The Directors may decline to register any transfer whatever, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register a transfer, the Shareholder desirous of executing the same or the Directors may convene an Extraordinary General Meeting of the Company to resolve whether the said transfer shall be registered or not, and the resolution of such Extraordinary General Meeting shall be absolute.

## TRANSMISSION OF SHARES.

14. The executors or administrators or heirs of a deceased Shareholder shall be the only persons recognized by the Company as having any title to his share.

15. Any person becoming entitled to a share in consequence of the death, bankruptcy, or insolvency of any Shareholder, or in consequence of the marriage of any female Shareholder, or in any way other than by transfer, may be registered as a Shareholder upon such evidence being produced as may from time to time be required by the Directors.

16. Any person who has become entitled to a share in any way other than by transfer may, instead of being registered himself, elect to have some person to be named by him registered as a holder of such share.

17. The person so becoming entitled shall testify such election by executing to his nominee a transfer of such share.

18. The instrument of transfer shall be presented to the Company accompanied with such evidence as the Directors may require to prove the title of the transferor, and thereupon the Company shall register the transferee as a Shareholder. Provided always that the Directors shall have the right at all times to decline to register such person as aforesaid, and shall not be required to assign any reason for so declining. In the event of the Directors declining to register such person as a holder of such share, they shall, upon the request of such person, convene an Extraordinary General Meeting of the Company to resolve whether such transfer shall be registered or not, and the resolution of such meeting shall be absolute.

## FORFEITURE OF SHARES.

19. If any Shareholder fails to pay any call on the appointed day, the Company may at any time thereafter, during such time as the call remains unpaid, serve a notice on him requiring him to pay such call, together with any interest that may have accrued by reason of such non-payment.

20. The notice shall name a further day and a place or places, being a place or places at which calls of the Company are usually made payable, on and at which such call is to be paid. It shall also state that in the event of non-payment at the time and place appointed the shares in respect of which such call was made will be liable to be forfeited.

21. If the requisitions of any such notice as aforesaid are not complied with, any share in respect of which such notice has been given may be forfeited by a resolution of the Directors to that effect.

22. Any share so forfeited shall be deemed to be the property of the Company, and may be disposed of in such manner as the Directors think fit.

23. Any Shareholder whose shares have been forfeited shall, notwithstanding, be liable to pay to the Company all calls owing upon such shares at the time of the forfeiture.

#### INCREASE OF CAPITAL.

24. The Directors may, with the sanction of a special resolution of the Company in General Meeting, increase its capital by the creation of new shares, of such amounts per share, and in the aggregate as such resolution shall direct. All new shares shall be offered by the Directors to the registered Shareholders for the time being of the Company as nearly as possible in proportion to the existing shares held by them, and such shares as shall not be accepted by the Shareholder or Shareholders to whom the same shall have been offered within the time specified in that behalf by the Directors may be disposed of by the Directors in such manner as they think most beneficial to the Company. The Directors shall have power to add to such new shares such an amount of premium as they may consider expedient.

25. Any capital raised by the creation of new shares shall be considered as part of the original capital, and shall be subject to the same provisions in all respects, whether with reference to the payment of calls or the forfeiture of shares on non-payment of calls or otherwise, as if it had been part of the original capital.

#### BORROWING.

26. The Directors shall have power from time to time, at their discretion, to borrow money for the purposes of the Company to such extent, in such manner, and upon such terms and conditions as they may think fit, and for such purpose to grant bonds, promissory notes, bills, debentures, interest warrants, bonds for cash credit, trust deeds, or other documents, to issue letters of credit, and to grant mortgages or other deeds or instruments of security over all or any of the Company's lands, property, estates, and assets, but so that the sum so to be borrowed shall not at any one time exceed the sum of Rs. 30,000. Provided that nothing herein contained shall be held to prevent the Directors procuring from time to time in the usual course of business such temporary advances on the produce of the estates as they may find it to be necessary or expedient for the purpose of defraying the expenses of working the said estate. Provided also that before the Directors execute any mortgage or issue any debentures in excess of the said sum of Rs. 30,000 they shall obtain the sanction of the Company in General Meeting, whether Ordinary or Extraordinary. A declaration under the Company's seal contained in or endorsed upon any of the documents mentioned in this Article and subscribed by two or more of the Directors or by one Director and the Secretary or Secretaries, to the effect that the Directors have power to borrow the amount which such document may represent, shall be conclusive evidence thereof in all questions between the Company and its creditors; and no such document containing such declaration shall, as regards the creditor, be void on the ground of its being granted in excess of the aforesaid borrowing power, unless it be proved that such creditor was aware that it was so granted.

#### GENERAL MEETING.

27. The first General Meeting shall be held at such time not being more than twelve months after the incorporation of the Company and at such place as the Directors may determine.

28. Subsequent General Meetings may be held at such time and place as may be prescribed by the Company in General Meeting, and if not so prescribed, then at such place and at such time as soon after the First day of January in each year as the Directors shall determine.

31. Any requisition so made by the Shareholder or Shareholders shall express the object of the meeting proposed to be called, and shall be left at the registered office of the Company.

32. Upon the receipt of such requisition, the Directors shall forthwith proceed to convene an Extraordinary General Meeting, to be held at such time and place as they shall think fit, not being more than twenty-one days after the leaving of the requisition; and if they do not proceed to convene the said meeting within twenty-one days after the leaving of the requisition, the requisitioner or requisitionists or any other Shareholder amounting to the required number may himself or themselves convene an Extraordinary General Meeting, to be held at such time or place as he or they shall think fit.

36. In order to constitute a meeting, whether Ordinary or Extraordinary, there shall be present, either personally or by proxy, three or more Shareholders holding in the aggregate not less than one-tenth of the capital for the time being subscribed for, and no business shall be transacted at any Meeting unless the requisite quorum be present at the commencement of the business.

40. The Chairman may, with the consent of the meeting, adjourn any meeting from time to time and from place to place; but no business shall be transacted at any adjourned meeting other than the business left unfinished at the meeting from which the adjournment took place.

41. At any General Meeting, unless a poll is demanded by at least two Shareholders, a declaration by the Chairman that a resolution has been carried, and an entry to that effect in the book of proceedings of the Company, shall be sufficient evidence of the fact, without proof of the number or proportion of the votes recorded in favour of, or against such resolution.

42. If a poll is demanded in manner aforesaid, the same shall be taken in such manner as the Chairman directs, and the result of such poll shall be deemed to be the resolution of the Company in General Meeting.

43. In the event of a resolution being brought before a General Meeting involving the sale of the Company's estates or any portion thereof, or the winding up of the Company, a majority of three-fourths of the Shareholders present and (or) represented by proxy shall be necessary to carry such resolution.

44. Every Shareholder shall have one vote for every share held by him.

47. No Shareholder shall be entitled to vote at any meeting unless all calls due from him have been paid, and no Shareholder other than the trustee or assignee of a bankrupt or representative of a deceased Shareholder, or person acquiring by marriage, shall be entitled to vote at any meeting held after the expiration of three months from the registration of the Company in respect of any share which he has acquired by transfer, unless he has been possessed of the share in respect of which he claims to vote at least three months previously to the time of holding the meeting at which he proposes to vote.

48. Votes may be given either personally or by proxies. A proxy shall be appointed in writing under the hand of the appointor, or, if such appointor is a corporation, under their common seal.

49. No person shall be appointed a proxy who is not a Shareholder, and the instrument or mandate appointing him shall be deposited at the registered office of the Company not less than forty-eight hours before the time of holding the meeting at which he proposes to vote, but no instrument or mandate appointing a proxy, other than a power of attorney, shall be valid after the expiration of three months from the date of its execution.

(2) If he becomes of unsound mind or bankrupt, or take proceedings under the Bankruptcy Law for liquidation of his affairs by arrangement of, or composition with, his creditors.

64. No contract, arrangement, or transaction entered into by or on behalf of the Company with any Director, or with any Company or co-partnership of which a Director is a partner, or of which he is a Director, Managing Director, or Manager, shall be void or voidable; nor shall such Director be liable to account to the Company for any profit realized by such contract, arrangement, or transaction, by reason only of such Director holding that office or of the fiduciary relations thereby established, provided that the fact of his interest or connection therewith be fully disclosed to the Company or its Directors; but no Director shall vote in respect of any contract, arrangement, or transaction in which he is directly or indirectly interested.

#### ROTATION OF DIRECTORS.

65. At the first Ordinary Meeting of the Company to be held in the year 1895 all the Directors shall retire, and at the first Ordinary Meeting in every subsequent year one-third of the Directors for the time being, or the number next below one-third, shall retire from office.

66. The Directors to retire in any year shall always be those who have been longest in office, and in case of Directors equal in length of office shall, unless such Directors agree among themselves, be determined by ballot.

67. A retiring Director, if qualified, shall be re-eligible. The Company at the Ordinary General Meeting shall fill up the offices vacated by the retiring Directors by electing a like number of persons.

68. If at any meeting at which an election of Directors ought to take place no such election is made, the meeting shall stand adjourned till the next day at the same time and place; and if at such adjourned meeting no election takes place, the former Directors shall continue to act until new Directors are appointed at the first Ordinary Meeting of the following year.

69. The Company may from time to time, by special resolution in General Meeting, increase or reduce the number of Directors, and may also determine in what rotation they are to go out of office.

70. Any casual vacancy in the Board of Directors may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

#### PROCEEDINGS OF DIRECTORS.

71. The Directors may meet together for the despatch of business, adjourn, and otherwise regulate their meetings as they think fit, and determine the quorum necessary for the transaction of business. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the Chairman, in addition to his original vote, shall have a casting vote. A Director may at any time summon a meeting of the Directors.

72. The Directors may elect a Chairman of their meetings, and determine the period for which he is to hold office; but if no such Chairman is elected, or if at any meeting the Chairman is not present at the time appointed for holding the same, the Directors present shall choose some one of their number to be Chairman of such meeting.

73. All acts done by any meeting of the Directors, or by any person acting as a Director, shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid on that day, or that they or any of them were disqualified, be as valid as if every such person had been duly appointed and was qualified to be a Director.

74. The Directors shall cause minutes to be made in a book or books provided for and used solely for that purpose:—

- (1) Of all appointments of officers made by the Directors;
- (2) Of the names of Directors present at each meeting of Directors;
- (3) Of all orders made by the Directors; and
- (4) Of all resolutions and proceedings of meetings of the Company and of the Directors.

75. And any such minute as aforesaid, if signed by any person purporting to be the Chairman of any meeting of Directors, shall be receivable in evidence without any further proof.

76. The Company in General Meeting may, by a special resolution, remove any Director before the expiration of his period of office, and appoint another qualified person in his stead. The person so appointed shall hold office during such time only as the Director in whose place he is appointed would have held the same if he had not been removed.

#### DIVIDENDS.

77. The Directors may, with the sanction of the Company in General Meeting, declare a yearly dividend to be paid to the Shareholders in proportion to their shares, and the amounts paid up thereon; and they may at their discretion, and without such sanction from time to time, pay to the Members on account of the next forthcoming dividend such interim dividend as in their judgment the position of the Company justifies.

78. No dividends shall be payable except out of the profits arising from the business of the Company and with the sanction of the Directors.

79. The Directors may, before recommending any dividend, set aside out of the profits of the Company such sum as they think proper as a reserve fund to meet contingencies, or for equalizing dividends, or for repairing, improving, or maintaining any of the property of the Company or any part thereof, or for such other purposes as the Directors shall, in their absolute discretion, think conducive to the interests of the Company; and the Directors may invest the sum or sums so set apart upon such securities or investments as they think fit.

80. When any Shareholder is indebted to the Company for calls, or otherwise, all dividends payable to him, or a sufficient part thereof, may be applied by the Board in or towards satisfaction of the debt.

81. Notice of any dividend that may have been declared shall be given to each Shareholder, or sent by post or otherwise to his registered place of abode; and all dividends unclaimed for three years after having been declared may be forfeited by the Directors for the credit of the Company's profit and loss account, but the Board may remit the forfeiture whenever they may think proper.

82. No dividend shall bear interest as against the Company.

#### ACCOUNTS.

83. Once at the least in every year the Directors shall lay before the Company in General Meeting a statement of the income and expenditure of the last year made up to a date not more than three months before such meeting.

84. The statement so made shall show, arranged under the most convenient heads, the amount of gross income, distinguishing the several sources from which it has been derived, and the amount of gross expenditure, distinguishing the expense of the establishment, salaries, and other like matters. Every item of expenditure fairly chargeable against the year's income shall be brought into account, so that a just balance of profit and loss may be laid before the meeting; and in cases where any item of expenditure which may in fairness be distributed over several years has been incurred in any one year, the whole amount of such item shall be stated, with the addition of the reasons why only a portion of such expenditure is charged against the income of the year.

85. A balance sheet shall be made out in every year and laid before the General Meeting of the Company, and such balance sheet shall contain a summary of the property and liabilities of the Company, arranged under the heads appearing in the form annexed to the table referred to in Schedule C to "The Joint Stock Companies' Ordinance, 1861," or as near thereto as circumstances admit.

86. A written or printed copy of such balance sheet shall, seven days previously to such meeting, be delivered at or sent by post to the registered address of every Shareholder.

#### AUDIT.

87. The first auditor or auditors of the Company shall be appointed by the Directors, and shall hold office until the second General Meeting, and afterwards the auditor or auditors shall be from time to time appointed by the Company in General Meeting.

88. The accounts of the Company for each year shall be examined, and the correctness of the balance sheet and profit and loss account ascertained by one or more auditors to be elected by the Company in General Meeting.

89. If not more than one auditor is appointed, all the provisions herein contained relating to auditors shall apply to him.

90. The auditors need not, but may be Shareholders in the Company. No person is eligible as an auditor who is interested otherwise than as a Shareholder in any transaction of the Company, and no Director or other officer of the Company is eligible during his continuance in office.

91. The remuneration of the auditor or auditors shall be fixed by the Company at the time of their election, save that in case of the first auditor or auditors it shall be fixed by the Directors.

92. Any auditor shall be re-eligible for election on his quitting office.

93. If any casual vacancy occurs in the office of auditor, the Directors may appoint another auditor, who shall hold office until the next Ordinary General Meeting.

94. If no election of auditor is made in manner aforesaid, the Directors may appoint an auditor or auditors for the year then current, and fix the remuneration to be paid to him or them by the Company for his or their services.

95. Every auditor shall have access to all books of accounts kept by the Company, and shall be supplied with a copy of the balance sheet, and it shall be his duty to examine the same with the accounts and vouchers relating thereto.

96. The auditors may make a report to the Shareholders upon the balance sheet and accounts, and in every such report they shall state whether in their opinion the balance sheet is a full and fair balance sheet, containing the particulars required by these regulations, and properly drawn up, so as to exhibit a true and correct view of the state of the Company's affairs; and such report shall be read, together with a report of the Directors, at the Ordinary Meeting.

## NOTICES.

97. Notices by the Company may be authenticated by the signature (printed or written) of the Secretary or other person appointed by the Directors to do so.

98. Every Shareholder shall give an address in Ceylon which shall be deemed to be his place of abode, and shall be registered as such in the books of the Company.

99. Notices requiring to be served by the Company upon the Shareholders may be served either personally, or by leaving the same or sending them through the post in a letter addressed to the Shareholders at their registered places of abode, and any notices so served shall be deemed to be well served for all purposes, notwithstanding that the Shareholder to whom such notice is addressed may be dead, unless and until his executors or administrators shall have given notice to the Managing Director or Secretary of the Company of some address in Ceylon.

100. All notices directed to be given to the Shareholders shall, with respect to any share to which persons are jointly entitled, be given to whichever of the said persons is named first in the register of Shareholders, and notice so given shall be sufficient notice to all the holders of such share.

101. All notices required to be given by advertisement shall be published in the *Ceylon Government Gazette*.

102. Every Shareholder residing out of Ceylon shall name an address in Ceylon at which all notices shall be served upon him; and all notices served at such address shall be deemed to be well served. If he shall have not named such an address he shall be not entitled to any notices.

#### SHARES.

4. The shares shall be under the control of the Directors, who may allot or otherwise dispose of the same to such persons, on such terms and conditions, and at such times as the Directors think fit.

5. The Directors may make arrangements on the issue of shares for a difference between the holders of such shares in the amount of calls to be paid, and the time of payment of such calls. Shares may be issued subject to different conditions as to calls.

6. If by the conditions of allotment of any share the whole or part of the amount thereof shall be payable by instalments, every such instalment when due shall be paid to the Company by the holder of the share.

7. The joint-holders of a share shall be severally as well as jointly liable for the payment of all instalments and calls due in respect of such share.

10. If any certificate be worn out or defaced, then, upon production thereof to the Directors, they may order the same to be cancelled, or may issue a new certificate in lieu thereof; and if any certificate be lost or destroyed, then upon proof thereof to the satisfaction of the Directors, and on such indemnity as the Directors deem adequate being given, a new certificate in lieu thereof shall be given to the person entitled to such lost or destroyed certificate.

11. Every member shall be entitled to one certificate gratis, but for every subsequent certificate issued to him the sum of one rupee or such smaller sum as the Directors may determine shall be paid to the Company.

12. The certificates of shares registered in the names of two or more persons shall be delivered to the person first named on the register.

#### CALLS.

13. The Directors may from time to time make such calls as they think fit upon the members in respect of all moneys unpaid on the shares held by them respectively, which by the conditions of allotment thereof are not made payable at fixed times, and each member shall pay the amount of every call so made on him to the persons and at the times and places appointed by the Directors. A call may be made payable by instalments.

14. A call shall be deemed to have been made at the time when the resolution of the Directors authorizing such call was passed.

15. Unless the Company in General Meeting shall otherwise determine, no call in respect of any preference shares in the original capital shall exceed one-fifth of the amount of a share, or be made payable within two months after the last preceding call was payable.

16. Fourteen days' notice of any call, except in regard to ordinary shares, the amounts due on which are payable on application and allotment, shall be given specifying the time and place of payment, and to whom such call shall be paid.

17. If the sum payable in respect of any call or instalment be not paid on or before the day appointed for payment thereof, the holder for the time being of the share in respect of which the call shall have been made or the instalment shall be due shall pay legal interest for the same from the day appointed for such payment to the time of actual payment, unless the Directors shall otherwise determine for any special reasons.

18. The Directors may, if they think fit, receive from any member willing to advance the same, all or any part of the money due upon the shares held by him beyond the sums actually called for, and upon the moneys so paid in advance or so much thereof as from time to time exceeds the amount of the calls then made upon the shares in respect of which such advance has been made, the Company may pay interest at such rate as the member paying such sum in advance and the Directors agree upon.

#### FORFEITURE AND LIEN.

19. If any member fail to pay any call or instalment on or before the day appointed for the payment of the same, the Directors may, at any time thereafter, during such time as the call or instalment remains unpaid, serve a notice on such member requiring him to pay the same, together with any interest that may have accrued, and all expenses that may have been incurred by the Company by reason of such non-payment.

20. The notice shall name a day (not being less than fourteen days from the date of the notice) and a place or places on and at which such call or instalment and such interest and expenses as aforesaid are to be paid. The notice shall also state that in the event of non-payment at or before the time and at the place appointed the shares in respect of which the call was made or instalment is payable will be liable to be forfeited.

21. If the requisitions of any such notice as aforesaid are not complied with, any shares in respect of which such notice has been given may, at any time thereafter, before payment of all calls or instalments, interest, and expenses due in respect thereof, be forfeited by a resolution of the Directors to that effect. Such forfeiture shall include all dividends declared in respect of the forfeited shares, and not actually paid before the forfeiture.

22. When any share shall have been so forfeited notice of the resolution shall be given to the member in whose name it stood prior to the forfeiture, and an entry of the forfeiture with the date thereof shall forthwith be made in the register.

23. Any share so forfeited shall be deemed to be the property of the Company, and the Directors may sell and re-allot, and otherwise dispose of the same in such manner as they think fit.

24. The Directors may at any time before any share so forfeited shall have been sold, re-allotted, or otherwise disposed of, annul the forfeiture thereof upon such conditions as they think fit.

25. Any member whose shares have been forfeited shall, notwithstanding, be liable to pay, and shall forthwith pay to the Company all calls, instalment, interest, and expenses owing upon or in respect of such shares at the time of the forfeiture, together with legal interest thereon from the time of forfeiture until payment, and the Directors may enforce the payment thereof if they think fit.

26. The Company shall have a first and paramount lien upon all the shares registered in the name of each member (whether solely or jointly with others) for his debts, liabilities, and engagements, solely or jointly with any other person to or with the Company, whether the period for the payment, fulfilment, or discharge thereof shall have actually arrived or not. And such lien shall extend to all dividends from time to time declared in respect of such shares. Unless otherwise agreed, the registration of a transfer of shares shall operate as a waiver of the Company's lien on such shares.

27. For the purpose of enforcing such lien, the Directors may sell the shares subject thereto, in such manner as they think fit, but no sale shall be made until such period as aforesaid shall have arrived, and until notice in writing of the intention to sell shall have been served on such member, his executors, or administrators, and default shall have been made by him or them in the payment, fulfilment, or discharge of debts, liabilities, or engagements for seven days after such notice.

28. The net proceeds of any such sale shall be applied in or towards satisfaction of the debts, liabilities, or engagements, and the residue, if any, paid to such member, his executors, administrators, or assigns.

29. Upon any sale after forfeiture or for enforcing a lien in purported exercise of the powers hereinbefore given, the Directors may cause the purchaser's name to be entered in the register in respect of the shares or stock sold, and the purchaser shall not be bound to see to the regularity of the proceedings, or to the application of the purchase money, and after his name has been entered in the register the validity of the sale shall not be impeached by any person, and the remedy of any person aggrieved by the sale shall be in damages only and against the Company exclusively.

#### TRANSFER OF SHARES.

30. The instrument of transfer of any share shall be signed both by the transferor and transferee, and the transferor shall be deemed to remain the holder of such share until the name of the transferee is entered in the register.

31. The instrument of transfer of any share shall be in writing, in the following form or as near thereto as circumstances will admit:—

I, *A. B.*, of ———, in consideration of the sum of Rs. ——— paid to me by *C. D.*, of ——— (hereinafter called the said transferee), do hereby transfer to the said transferee ——— share (or shares) in the undertaking called "The ——— Company, Limited," to hold unto the said transferee, his executors, administrators, and assigns, subject to the several conditions on which I held the same immediately before the execution thereof; and I, the said transferee, do hereby agree to take the said share (or shares) subject to the conditions aforesaid. As witness our hands the ——— day of ———.

32. No preference Shareholder or holder of intermediate shares shall transfer all or any of his shares to any person except with the written consent of the Directors. The Directors may decline to register any transfer of shares or stock upon which the Company has a lien, or of shares not fully paid up, or where any share had been transferred to a transferee of whom they do not approve.

33. Every instrument of transfer shall be left at the office for registration, accompanied by the certificate of shares to be transferred, and such other evidence as the Company may require to prove the title of the transferor or his right to transfer the shares.

34. All instruments of transfer which shall be registered shall be retained by the Company, but any instrument of transfer which the Directors may decline to register shall be returned to the person depositing the same.

35. A fee not exceeding one rupee may be charged for each transfer, and shall, if required by the Directors, be paid before the registration thereof.

36. The transfer books may be closed during such time as the Directors think fit, not exceeding in the whole thirty days in each year.

37. The executors or administrators of a deceased member (not being one of several joint-holders) shall be the only persons recognized by the Company as having any title to the shares registered in the name of such member, and in the case of the death of any one or more of the joint-holders of any registered shares, the survivors shall be the only persons recognized by the Company as having any title to or interest in such shares. When a member dies intestate leaving an estate under one thousand rupees, the Company will recognize only such heirs of the deceased, for the above purpose, as produce satisfactory evidence of their rights as such heirs.

38. Any guardian of an infant member and any Committee of a lunatic member, and any person becoming entitled to shares in consequence of the death or bankruptcy of any member, upon producing such evidence that he sustains the character in respect of which he proposes to act under this clause, or of his title, as the Directors think sufficient, may, subject to the regulations as to transfers hereinbefore contained, transfer such shares to himself or any other person.

#### SHARE WARRANTS.

39. The Company, with respect to fully paid-up shares or stock, may issue warrants (hereinafter called share warrants), stating that the bearer is entitled to the shares or stock therein specified, and may provide by coupons or otherwise for the payment of future dividends on the shares or stock included in such warrants.

#### INCREASE AND REDUCTION OF CAPITAL.

40. The Company may from time to time increase the capital by the creation of new shares of such amount as may be deemed expedient.

41. The new shares shall be issued upon such terms and conditions, and with such rights and privileges annexed thereto, as the Directors shall determine; and in particular such shares may be issued with a preferential or qualified right to dividends and in the distribution of the assets of the Company, and with a special or without any right of voting.

42. The Company may, before the issue of any new shares, determine that the same or any of them shall be offered in the first instance to all the then members in proportion to the amount of the capital held by them, or make any other provisions as to the issue and allotments of the new shares; but in default of any such determination, or so far as the same shall not extend, the new shares may be dealt with as if they formed part of the shares in the original capital.

43. Except so far as otherwise provided by the conditions of issue or by these presents, any capital raised by the creation of new shares shall be considered part of the original capital, and shall be subject to the provisions herein contained with reference to the payment of calls and instalments, transfer, forfeiture, lien, surrender, or otherwise.

44. The Company may from time to time, by special resolution, reduce its capital by paying off capital or cancelling capital which has been lost or is unrepresented by available assets, or reducing the liability on the shares or otherwise, as may seem expedient, and capital may be paid off upon the footing that it may be called up again or otherwise. And the Company may also subdivide or consolidate its shares or any of them.

#### BORROWING POWERS.

45. The Directors may from time to time, at their discretion, raise or borrow any sum or sums of money for the purposes of the Company.

46. 47. If any uncalled capital of the Company is included in or charged by any mortgage or other security, the Directors may, by instrument under the Company's seal, authorize the person in whose favour such mortgage or security is executed, or any other person in trust for him, to make call on the members in respect of such uncalled capital, and the provisions hereinbefore contained in regard to calls shall, *mutatis mutandis*, apply to calls made under such authority, and such authority may be made exercisable either conditionally or unconditionally, and either presently or contingently, and either to the exclusion of the Directors' power or otherwise, and shall be assignable if expressed so to be.

49. Subsequent General Meetings shall be held once in the year, and in every subsequent year at such time and place as may be prescribed by the Company in General Meeting, and if no other time or place is prescribed, in the month of April in every such year at such time and place as may be determined by the Directors.

51. The Directors may, whenever they think fit, and they shall upon requisition made in writing by members holding in the aggregate one-fourth of the issued capital, convene an Extraordinary General Meeting.

58. 59. Every question submitted to a meeting shall be decided in the first instance by a show of hands, and in the case of an equality of votes the Chairman shall, both on show of hands and at the poll, have a casting vote in addition to the vote or votes to which he may be entitled as a member.

60. At any General Meeting, unless a poll is demanded by at least five Shareholders present, a declaration by the Chairman that a resolution has been carried or lost, and an entry to that effect in the book of the proceedings of the Company, shall be conclusive evidence of the fact.

## VOTES OF MEMBERS.

61. Every Shareholder having preference share or shares shall have one vote for every preference share held by him, and every holder of intermediate shares shall have one vote for every six shares held by him.

62. No ordinary shares exceeding one thousand shall entitle the holder thereof to any vote in respect of such shares beyond the first one thousand. Votes may be given either personally or by proxy.

63. The instrument appointing a proxy shall be in writing under the hand of the appointor, or if such appointor is a corporation under its common seal. No person shall be appointed a proxy who is not a member of the Company, and qualified to vote.

64. The instrument appointing a proxy shall be deposited at the registered office of the Company not less than forty-eight hours before the time for holding the meeting at which the person named in such instrument proposes to vote, but no instrument appointing a proxy shall be valid after the expiration of twelve months from the date of its execution. And no proxy shall be used at an adjourned meeting which could not have been used at an original meeting.

65. Holders of share warrants shall not be entitled to vote by proxy in respect of the shares or stock included in such warrants.

66. No member shall be entitled to be present or to vote on any question either personally or by proxy for another member at any General Meeting, or upon a poll, or be reckoned in a quorum, whilst any call or other sum shall be due and payable to the Company in respect of any of the shares of such member.

67. Any resolution passed by the Directors, notice whereof shall be given to the Shareholders in the manner in which notices are hereinafter directed to be given, and which shall within two months after it shall have been so passed be ratified and confirmed in writing by members entitled at a poll to three-fifths of the votes, shall be as valid and effectual as a resolution of a General Meeting; but this clause shall not apply to a resolution for winding up the Company or to a resolution passed in respect of any matter which by law or these presents ought to be dealt with by special or extraordinary resolution.

## DIRECTORS.

68. There shall not be more than fifteen or less than five Directors, three of whom may form a quorum.

69. A Director may act as such for three months before acquiring his qualification.

70. A Director may retire from his office upon giving one month's notice in writing to the Company of his intention so to do, and such resignation shall take effect upon the expiration of such notice or its earlier acceptance.

71. The remuneration of the Directors shall, for the present, be not less than the sum of Rs. 10.50 apiece for each attendance at a meeting of the Directors.

72. The office of a Director shall be vacated—

(e) If he absent himself from the meetings of the Directors during a period of three months without special leave of Directors.

73. No Director shall be disqualified by his office from contracting with the Company either as vendor, purchaser, or otherwise, nor shall any such contract or arrangement, or any contract or arrangement entered into by or on behalf of the Company with any Company or partnership of or in which any Director shall be a member or otherwise interested, be avoided, nor shall any Director in contracting, or being such member, or so interested, be liable to account to the Company for any profit realized by any such contract or arrangement by reason only of such Director holding that office or of the fiduciary relations thereby established, but the nature of his interest must be disclosed by him at the meeting of the Directors at which the contract or arrangement is determined on, if his interest then exists, or in any other case at the first meeting of the Directors after the acquisition of his interest. Provided, nevertheless, that no Director shall vote in respect of any contract in which he is so interested, and if he do vote his vote shall not be counted.

74. A Director of the Company may be or become a Director of any Company promoted by this Company or in which it may be interested as a vendor, shareholder, or otherwise, and no such Director shall be accountable for any benefits received as Director or member of such Company.

75. There shall be one or more Managing Directors of the Company, who, except in the case of the two Managing Directors named in article 138 of these presents, shall be chosen, nominated, and appointed by the Directors from among themselves either for a fixed term or without any limitation as to the period for which they are to hold office.

76. The remuneration of the Managing Directors shall from time to time be fixed by the Directors or by the Company in General Meeting, and may be by way of salary or commission or participation in profits or by any or all of those modes, due regard being had to the remuneration paid by other Joint Stock Companies now in existence in Ceylon with a similar nominal capital. Till such arrangements, however, are made, the Managing Directors shall be paid like the other Directors for every attendance at meetings of Directors or at the office or elsewhere for the purpose of transacting business of the Company.

## ROTATION OF DIRECTORS.

77. At the Ordinary General Meeting to be held in the year 1895, and at every succeeding Ordinary General Meeting, one-third of the Directors or the number nearest it, but not exceeding one-third, shall retire from office.

78. The one-third to retire at the Ordinary Meeting to be held in the year 1895 shall, unless the Directors agree among themselves, be determined by lot. In every subsequent year the one-third or other nearest number who have been longest in office shall retire. As between two or more who have been in office an equal length of time the Directors to retire shall, in default of agreement between them, be determined by lot. A retiring Director shall be eligible for re-election.

79. The Managing Directors hereinafter named in article 138 shall not, unless they choose to do, be subject to retirement by rotation; and they shall not be taken into account in determining the rotation of retirement of Directors.

80. The Company at any General Meeting at which any Directors retire in manner aforesaid shall fill up the vacated offices by electing a like number of persons to be Directors.

81. If at any General Meeting at which an election of Directors ought to take place the places of the retiring Directors are not filled up, the retiring Directors, or such of them as have not had their places filled up, shall continue in office until the Ordinary Meeting in the next year, and so on from year to year until their places are filled up, unless it shall be determined at such meeting to reduce the number of Directors.

82. The Company in General Meeting may from time to time increase or reduce the number of Directors, and may alter their qualification, and may also determine in what rotation such increased or reduced number is to go out of office.

83. Any casual vacancy occurring among the Directors may be filled up by the Directors, but any person so chosen shall retain his office so long only as the vacating Director would have retained the same if no vacancy had occurred.

84. No person, not being a retiring Director, shall, unless recommended by the Directors for election, be eligible for election to the office of Director, at any General Meeting, unless he or some other member intending to propose him has, at least seven clear days before the meeting, left at the office of the Company a notice, in writing, duly signed, signifying his candidature for the office or the intention of such member to propose him.

#### PROCEEDINGS OF DIRECTORS.

85. The Directors may meet together for the despatch of business, adjourn, and otherwise regulate their meetings as they think fit, and may determine the quorum necessary for the transaction of business. Until otherwise determined three Directors shall form a quorum.

86. A Director may at any time, and the Secretary upon the request of a Director shall, convene a meeting of the Directors. Questions arising at any meeting shall be decided by a majority of votes, and in case of an equality of votes the Chairman shall have a second or casting vote.

87. At every meeting of the Directors, one of the Managing Directors, if present, shall preside, but if one of the Managing Directors should not be present at the time appointed for holding the same, the Directors present shall choose some one of their number to preside at such meeting.

88. A meeting of the Directors for the time being at which a quorum is present shall be competent to exercise all or any of the authorities, powers, and discretions by or under regulations of the Company for the time being vested in or exercisable by the Directors generally.

89. The Directors may delegate any of their powers to a Committee consisting of such member or members of their body as they think fit. Any Committee so formed shall, in the exercise of the powers so delegated, conform to any regulations that may from time to time be imposed on it by the Directors.

90. All acts done at any meeting of the Directors, or of a Committee of Directors, or by any person acting as a Director, shall, notwithstanding that it shall afterwards be discovered that there was some defect in the appointment of such Directors or persons acting as aforesaid, or that they or any of them were disqualified, be as valid as every such person had been duly appointed and was qualified to be a Director.

91. A resolution in writing, signed by all the Directors, shall be as valid and effectual as if it had been passed at a meeting of the Directors duly called and constituted.

92. If any of the Directors shall be called upon to perform extra services, or to make any special exertions, or to go on a special mission, or reside abroad for any of the purposes of the Company, the Company shall remunerate the Director or Directors so doing, either by a fixed sum or by a percentage of profits, or otherwise as may be determined, and such remuneration may be either in addition to or in substitution for his or their share in the remuneration above provided.

#### MINUTES.

93. The Directors shall cause Minutes to be duly entered in books provided for the purpose—

- (d) Of all resolutions and proceedings of General Meetings, and of the meetings of the Directors and Committees.

94. And any such Minutes of any meetings of the Directors or of any Committee or of the Company, if purporting to be signed by the Chairman of such meeting or by the Chairman of the next succeeding meeting, shall be receivable as *prima facie* evidence of the matters stated in such Minutes.

#### POWERS OF DIRECTORS.

95. The management of the business of the Company shall be vested in the Directors, who, in addition to the powers and authorities by these presents expressly conferred upon them, may exercise all such powers and do all such acts and things as may be exercised or done by the Company, and are not hereby or by law expressly directed or required to be exercised or done by the Company in General Meeting or by the Managing Directors only, but subject, nevertheless, to the provisions of the Joint Stock Companies' Ordinance of 1861 and of these presents.

- (13) From time to time to make, vary, and repeal by-laws for the regulation of the business of the Company, its officers and servants; or the members of the Company or any section thereof.

108. The balance of profits shall be applicable to the payment of dividend to the members in proportion to the nominal amount of the capital held by them respectively.

109. The Company in General Meeting may declare a dividend to be paid to the members according to their rights and interests in the profits.

110. No larger dividend shall be declared than is recommended by the Directors, but the Company in General Meeting may declare a smaller dividend.

111. No dividend shall be payable except out of the profits of the Company, and no dividend shall carry interest.

112. The Directors may from time to time pay to the members such interim dividends as in their judgment the position of the Company justifies.

117. The books of account shall be kept at the registered office of the Company or at such other place or places as the Directors think fit.

118. The Directors shall from time to time determine whether, and to what extent and at what times and places, and under what conditions or regulations, the accounts and books of the Company or any of them shall be open to the inspection of the members; and no member shall have any right of inspecting any account, or book, or document of the Company except as conferred by law or authorized by the Directors.

119. 120. Every such balance-sheet, shall be accompanied by a report of the Directors as to the state and condition of the Company, and as to the amount which they recommend to be paid out of the proceeds by way of dividend or bonus to the members, and the amount if any which they propose to carry to the reserve fund, according to the provisions in that behalf hereinbefore contained; and the account, report, and balance-sheet shall be signed by the Directors and countersigned by the Secretary.

#### ARBITRATION.

131. Whenever any difference arises between the Company on the one hand and any of the members, their executors, administrators, or assigns on the other hand, or between the Company on the one hand and any other person not being a member, touching any of the affairs of the Company, every such difference may be referred to the decision of an arbitrator or arbitrators, on such terms as the Directors think fit.

#### WINDING UP.

132. The surplus assets of the Company upon the winding up thereof shall be applied—first, in repaying to the holders of the preference and intermediate shares the amount paid up therein; then, in repaying to the holders of the ordinary shares the amount paid up on such shares; and the residue, if any, shall be divided among members in proportion to the nominal amount of the shares held by them respectively.

133. If the Company shall be wound up the liquidators may, with the sanction of an extraordinary resolution, divide among the contributories in specie any part of the assets of the Company, and may, with the like sanction, vest any part of the assets of the Company in trustees upon such trusts for the benefit of the contributories as the liquidators, with the like sanction, shall think fit.

## INDEMNITY.

134. Every Director, Manager, Secretary, and other officer or servant of the Company shall be indemnified by the Company against, and it shall be the duty of the Directors out of the funds of the Company to pay, all costs, losses, and expenses which any such officer or servant, may incur or become liable to by reason of any contract entered into or act or thing done by him as such officer or servant or in any way in the discharge of his duties, including travelling expenses; and the amount for which such indemnity is provided shall immediately attach as a lien on the property of the Company, and have priority as between the members over all other claims.

135. Brokers, commission agents, financiers, promoters, or other persons who place the shares of the Company or otherwise help it shall be entitled to a commission not exceeding five per cent. on the shares of the Company.

136. Senathi Raja, (5) N. Swaminaden, (6) William Abeyesundera, (7) Simon Mories, (8) A. R. Babapillai, (9) G. S. Johnpulle, (10) G. W. Dodanwella, and (11) Benjamin de Silva.

The under-mentioned Shareholders shall be the Managing Directors of the Company:—(1) P. S. Brito, (2) E. S. W. Senathi Raja, and (3) Edward Batuwantudave.

138. In consideration of the great labour, expense, and risk which Dr. P. S. Brito and Mr. E. S. W. Senathi Raja, two of the subscribers to the Memorandum of Association and these Articles of Association, who are also the promoters and founders of the Company, have undergone in promoting, forming, and founding this Company and in registering these presents; and in view of the fact that some purely local Joint Stock Companies have hitherto proved unsuccessful from the circumstance that those who were chiefly interested in their success were obliged to sever connection with them in the ordinary course of rotation of Directors; and as it seems expedient and desirable in the interest of the Company that the promoters and founders should be intimately associated with the Company in order to watch its progress and foster its growth, it is agreed that Dr. P. S. Brito and Mr. E. S. W. Senathi Raja shall remain Managing Directors of the Company permanently, and shall not be liable to go out of office unless one or the other or both choose to retire, or unless two-thirds of the Shareholders, by a written requisition signed by all of them, should request them to retire. One of the above two Managing Directors may, if he choose, appoint a substitute, or may delegate permanently or for any fixed period his powers, duties, rights, and privileges of Managing Director to the other Managing Director or to one of the other Directors or to any Shareholder whom he may consider fit.

139. Every Director, Manager, Auditor, Trustee, Member of a Committee, Officer, Servant, Agent, Accountant, or other person employed in the business of the Company shall, before entering upon his duties, sign a declaration pledging himself to observe a strict secrecy respecting all transactions of the Company with the customers and state of accounts with individuals and in matters relating thereto, and shall by such declaration pledge himself not to reveal any of the matters which may come to his knowledge in the discharge of his duties, except when required so to do by the Directors or by a court of law or by the person to whom such matters relate, and except so far as may be necessary in order to comply with any of the provisions in these presents contained.
