MUNICIPAL COUNCIL NOTICES.

MUNICIPALITY OF GALLE.

Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on June 23, 1894, at 3 p.m.

Present:—The Chairman (R. W. Ievers, Esq.); Hon. P. D. Anthonisz, C.M.G.; C. L. M. Abdul Carim, Esq.; R. L. Symes, Esq.; W. Abeyesundera, Esq.; Dr. W. Dias; A. Murray, Esq.; D. G. Gunawardena, Esq.; and N. Dias Abeyesinha, Esq.

1. Read and confirmed Minutes of last Meeting.

2. Read letter No. 19 of June 11, 1894, from the Hon. the Colonial Secretary, intimating that the Ordinance No. 1 of 1894, entitled "An Ordinance to vest the control of General Cemeteries situated within the Municipal limits in the Municipal Council," and the Ordinance No. 2 of 1894, entitled "An Ordinance to ensure the supervision of Burial and Cremation Grounds situated within Municipal limits," will be brought into operation from July 1, 1894.

Resolved,—That the letter and connected papers be circulated among the Members of the Council and brought up for consideration at the next Meeting.

3. Submitted the following correspondence:—

(1) Letter from the Hon. the Colonial Secretary (No. 15 of May 19, 1894) transmitting an extract from the Administration Report of the Principal Civil Medical Officer containing the remarks of Dr. Dias on the sanitary condition of the Galle Municipality, with request of opinion as to whether such remarks are fit for publication.

(2) The reply of the Chairman to this letter (No. 16 of May 15, 1894).

(3) Letter from the Hon. the Colonial Secretary to the Principal Civil Medical Officer (No. 459 of May 25, 1894) forwarded for the information of the Chairman, Municipal Council, calling upon Dr. Dias to explain what special steps he has taken, as a Member of the Council, to remedy the defects which he represents.

(4) Letter from the Principal Civil Medical Officer to the Chairman, Municipal Council (No. 730 of June 1894), forwarding a copy of Dr. Dias' report for 1893, and asking that Dr. Dias be afforded the opportunity of establishing his case, and inquiring whether Dr. Dias was not an Official Member of the Council and of the Sub-Committee which selected the site for the reservoir, and whether he duly signed the report approving of it; or if he did not approve of the site, asking for the substance of any protest he made either verbally or in writing against its selection.

(5) Letter from the Chairman, Municipal Council, to Dr. Dias (No. 187 of 8th June, 1894), forwarding copy of the above letter and inquiring what action Dr. Dias had taken in 1893 to remedy the evils of which he complains, and asking for explanation why he suppressed any mention of the remedial measures adopted by the Council for the amelioration of the existing sanitary condition.

(6) Reply of Dr. Dias to the above letter (No. 452 of 22nd June, 1894).

The Chairman addressed the Council and commented at length on the correspondence submitted, touching on the following points: (1) the conduct of Dr. Dias charging, in his capacity as Colonial Surgeon, the Municipal Council, of which he is a Member, with gross neglect of the sanitation of the town; (2) his repudiation of his signature to the report of the Waterworks Sub-Committee.

Dr. Dias replied in vindication of his conduct.

After a discussion, in which several Members of Council took part, it was proposed by the Hon. Dr. Anthonisz, C.M.G., "that the reply of the Chairman to the inquiry made by Government as to the propriety of the publication of the remarks on the sanitary state of Galle by Dr. Dias be approved by the Council."

Seconded by R. L. Symes, Esq.

In connection with the above resolution the reply was read by request of the Council.

The motion was then put to the vote, and was carried by 8 against 1, the dissentient being Dr. Dias.

4. Pursuant to notice the Hon. Dr. Anthonisz proceeded to move the motion standing in his name, which was as follows:—

That until sanitary improvements so urgently called for, and which are of vital importance, have received the required attention—as the supply of pure water to the Fort, the improvement of the Fort drainage, the substitution of dry-earth closets for the cesspits now in use—no expenditure be increased in widening Middle street, as this is not a work of urgent necessity.

At the request of the Chairman, the motion was deferred consideration for next Meeting, as Mr. C. P. Hayley, who moved for the execution of this work, was absent.

5. Submitted accounts for the month of May, 1894.

6. Submitted Progress Reports of Works for May, 1894.

Confirmed:
