- (1) To "declare" the new mutton market at Slave Island, and to fix the fees to be levied for stalls. New mutton market at Slave Island declared a public market under clause 1 of Ordinance 26 of 1890. Resolved that the Council be recommended to levy the following fees under clause 227 of Ordinance 7 of 1887,—viz., Rs. 20 per mensem for each mutton stall.
- (2) Question of permanent suppression of private Mutton Markets at Slave Island. Resolved that the Council be recommended to suppress under clause 237 of Ordinance 7 of 1887.

Resolved further that the Council be recommended to transfer from vote No. 45 in Supplemental Budget (Rs. 3,485 for improvement of Trunk roads), which it will not be possible fully to utilize this year, so much as is required for any addition to the salary of the Chairman which may be made in pursuance of the resolution of the Council of September 14 :—

"That the Council regret they have not the power to grant the compensation suggested in the letter, but that they would be glad if the Governor in Executive Council would exercise the powers vested in him by the 48th clause of the Ordinance 7 of 1887, and fix the salary of the present Chairman at such rate and in such manner that he may be placed on the same footing as regards compensation as other Members of the Civil Service."

Resolved,—That the fees proposed in paragraph 1 for the Slave Island mutton market be approved.

Resolved,—That the private mutton stalls in Slave Island be suppressed as recommended in paragraph 2.

Resolved, with reference to paragraph 4,—That in view of a letter received on the 11th instant from the Colonial Secretary and now read, it has become unnecessary for the present to obtain a legal opinion.

7. The report of the Sub-Committee appointed at the Meeting of May 25, to consider the Chairman's Administration Report for 1893, was laid before the Council, having been previously printed and circulated.

Resolved,—That the Council do go into Committee on the report.

Resolved,—That to paragraph 15 of the report be added the following :—

"15a. What the Committee wish to suggest is the prevention of foul matter from entering the lake. The Committee think that this suggestion could be carried out without much expense. There is no great danger to be apprehended from allowing storm and rain water to enter the lake; but what is necessary is to prevent the contamination of the lake from sewage proper and house-refuse flowing into it. The Committee suggest that steps should be taken to prevent these foul substances being carried into the lake by means of the drains now flowing into it."

Resolved,—That paragraph 19 be omitted, the complaint made therein having been since righted.

The Council having resumed, Hon. Sir John J. Grinlinton moved the adoption of the report as amended in Committee of Council.

Mr. Morgan seconded.—Carried.

Hon. P. Coomaraswamy's motion (item 1) was, by leave of Council, withdrawn.

The following documents were laid on the table :—

- Return of Committees of the Municipal Council.
- Proceedings of Committees.
- Diary of the Sanitary Officer.

- Notice of dates of performance in public of the Volunteer Band during October, 1894.

Confirmed on November 16, 1894.
