NOTIFICATIONS. GOVERNMENT

IS EXCELLENCY THE LIEUTENANT-GOVERNOR has been pleased to direct that the following copy of a circular despatch received from the Secretary of State for the Colonies be published for general information.

By His Excellency's command,

Colonial Secretary's Office, Colombo, November 7, 1895.

W. T. TAYLOR, Acting Colonial Secretary.

Downing street, October 1, 1895.

SIR,—I HAVE the honour to state, for the information of your Government, that the Secretary of State for Foreign Affairs has received from the Chilean Minister at this Court a Note dated September 3, 1895, denouncing the Treaty of Friendship, Commerce, and Navigation signed between Great Britain and Chile on October 4, 1854.

This notice of denunciation has been accepted, and the provisions of the Treaty—except those relating to peace and friendship between the two countries and their subjects and citizens, which continue obligatory for both parties—will cease and determine on September 3, 1896.

J. CHAMBERLAIN.

N accordance with articles (c) and (d) of the Amended Minute of December 7, 1894, it is hereby notified that the rate of exchange which ruled on October 31 last was-

 $1s. 1\frac{7}{5}d.$

Audit Office, Colombo, November 8, 1895.

T. SKINNER, Acting Auditor-General. OTICE is hereby given that an examination for candidates wishing to enter the Second Class of the Clerical Branch of the Public Service will take place on Wednesday, January 15, 1896.

- 2. Applications for admission to the examination by persons not now in the Public Service must be addressed to the Director of Public Instruction, must bear a stamp of Rs. 2.50, and must be in the form (Schedule A) attached to this notice. Forms are to be obtained at any Post Office, on application, or within four days! notice. A certificate of the registration of the candidate's birth showing him to be on the 1st January, 1896, between the ages of 18 and 21, and a certificate of good character, signed by a responsible person,* to the satisfaction of the Director of Public Instruction, must be attached to the form of application. Affidavits will in no circumstances be accepted.
- 3. Clerks belonging to the First Class of the Clerical Branch of the Public Service, and those employed by Provincial and District Road Committees, whose appointments date prior to July 1, 1875, are eligible for examination irrespective of age, and without fee. Their applications (in the same form, Schedule A) for admission to the examination should be forwarded to the Director of Public Instruction through the Heads of their Departments.
- 4. Applications are to reach the Director of Public Instruction not later than noon of Friday, December 6; any application received after that hour, by whatever cause delayed, will be absolutely rejected.
- 5. The Director of Public Instruction will return to the candidate his application, approved or disapproved, as the case may be, after taking, if necessary, the orders of Government thereon. The approved application shall constitute the candidate's ticket of admission to the examination. Candidates presenting themselves for examination must produce to the officer appointed to supervise the examination at the station at which they present themselves their forms of application, approved by the Director of Public Instruction. A candidate not producing such form, whatever may be the reason for his not so doing, will be refused admittance to the examination.
- 6. Examinations will be held at the stations and places and under the supervision of the officers specified in Schedule B. Heads of Departments are required to grant to officers of their Departments, whose applications to present themselves for examination have been returned to them approved by the Director of Public Instruction, leave to present themselves at the most conveniently situated station at which the examination is to be held.
- 7. The examination will be competitive for all candidates. The number of places assigned for competition shall be 30.
- 8. The subjects for examination are those set out in Schedule C to this notice. The examination shall be held in two parts: the first part, a qualifying examination in Handwriting, Spelling, and Arithmetic. Any candidate failing to obtain two-thirds of the marks allotted for Handwriting and half those allowed for Spelling and Arithmetic shall be excluded from the remainder of the examination. The second part of the examination shall be in the remaining subjects in Schedule C. Should a candidate obtain less than one-fourth marks in any of the subjects other than Handwriting Spelling, and Arithmetic, or, if he be a Sinhalese or Tamil, less than two-thirds marks in his native language, such marks shall not be counted in his favour.
- 9. Officers who have served continuously in the First Class of the Clerical Service since December 24, 1874, will be allowed to pass if they obtain one-third marks in two out of the three subjects combined, viz., English, Arithmetic, and Native Language.

T is hereby notified that His Excellency the Governor, in Executive Council, has sanctioned the following amendments to the Revised Code for Aided Schools, which will have effect from January 1, 1896.

By His Excellency's command,

E. NOEL WALKER, Colonial Secretary,

Colonial Secretary's Office, Colombo, October 13, 1895.

Code for 1895.

12. [Excepting in towns with special claims.] No application will, as a general rule, be entertained for aid to a new school when there already exists a school of the same class within two miles of the new school, without some intervening obstacle, unless the average daily attendance in the new school for one year subsequent to the date of application for aid exceeds 60 in a boys' or mixed school and 40 in a girls' school.

[No application for the conversion of a registered boy school into a mixed school of boys and girls will be entertained where there already exists a girls' school of the same class within two miles of such boys' school, without some intervening obstacle, unless the average daily attendance of girls at such school for the twelve months subsequent to the date of application exceeds 40

But in any case, however large the attendance, no new school will be aided within a quarter of a mile of an existing registered school of the same class, [excepting in towns with special claims as aforesaid.]

16. (a) All amendments affecting the schedules of examination and appearing for the first time in this Code shall come into operation on July 1, 1896.

[No vernacular primary school will be examined as a middle school unless it has presented one or more successful candidates in standard V. at the last examination.]

A vernacular middle school may include a primary

school.

Vernacular [high] schools are schools in which scholars are instructed in classical Sinhalese, Sanskrit, Páli, or Tamil literature. Grants to such schools are only made in exceptional circumstances, and every application for such schools will be considered by the Government on its special merits.

25. English primary schools are schools in which no scholar is presented above standard V,

English middle schools are schools in which a scholar or scholars are presented for examination [with success in standards VI., VII., or VIII.,]

[English high schools are schools in which scholars are presented for examination according to the conditions laid down in schedule B.]

An English middle school may include a primary school.

[No English primary school will be examined as a middle school unless it has presented one er more successful candidates in standard V. at the last examination.]

- 26. No school will be registered [or continued] as an English [high] school unless the Department is satisfied—
- (a) That the teaching staff is sufficient in number and quality.
- (b) That the managers are in a position to guarantee the stability of the school.

26. (a) No English school will be eligible for a 26. (a) No English school will be engine for a grantafter January 1, 1897, unless all the teachers engaged in the instruction of the primary standards either hold certificates granted after examination by the Department or possess such other qualification as shall, in the opinion of the Director, satisfy the requirements of Government, and that after January 1, 1898, no grant will be paid to any English school unless the whole teaching staff of such school shall consist of teachers either holding certificates granted after examination by the Department or possess ing such other qualification as shall, in the opinion of the Director, satisfy the requirements of Government. Provided, however, that all teachers appointed from the United Kingdom or America to English schools in this Colony, graduates of any of the British or Indian Universities now engaged as teachers in English schools, and persons recognized as certificated teachers by the Education Departments of the United Kingdom or by any of the Departments of Public Instruction in India, shall be exempt from such requirements.

Note.—Persons who have passed the Cambridge Local Examination for senior students, the University of London Matriculation Examination, or the First Arts Examination of any of the Indian Universities, will be required to pass only in English reading, school management, and class teaching at the examinations to be held by this Department, before certificates of competency to teach can be issued to them.

- 26. (b) No scholar shall be admitted into any grant-in-aid English school, or English school on a vernacular basis, from any registered grant-in-aid English school or English school on a vernacular basis, or from a Government English school, who does not produce a certificate showing that no fees are due by such scholar to the authorities of the school at which he was last in attendance. Such certificate should be in the form Q of this Code.
- 26. (c) No English school, or English school on a vernacular basis, shall retain at any one time as free scholars on its register more than fifteen per cent. of the total number of pupils appearing on such register.

- 26. (d) Any English school, or English school on a vernacular basis, in which it has been found that the fees prescribed in the schedule of fees affecting such school (see schedules R, S, T) have not been paid by the scholars and duly credited to the school fund, will be removed from the list of aided schools.
- 28. Upon the report of the inspector that an A school does not fulfil these conditions, notice shall be given on form to the manager, and if at the next annual examina-tion the requirements of the Code are not satisfied, the result payments will be made on a lower scale, the value of a pass in any standard or subject being one rnpee. The school will then be classed as a B school.
- 30. (b) No grant will be allowed for any scholar who shall have received less than nine months' instruction during the twelve months immediately preceding the examination, in the school in which such scholar is examined, or in a school under the same management, and who shall have made not less than 100 attendances, except in C schools and night schools.
- 30. (c) At a first examination, scholars may be grouped in any standard fixed by the manager, but scholars may not be presented a second time for examination under the same standard unless they have failed to pass in more than one of the first three heads. All scholars who fail to pass in more than one of the first three heads will be considered to have failed altogether, and no result payment can be claimed for them. Any scholar who fails in arithmetic only of the first three heads in any standard above the second may be presented a second time in that subject in the standard in which he has failed, and in those class subjects in which he may have failed simultaneously with arithmetic.
- 30. (h) False personation or falsification of the register will involve forfeiture of half the grant for the year, and in the case of certificated or licensed teachers the certificate or license will be suspended.

No school will receive a grant where a teacher is [employed as principal teacher] whose certificate or license is under suspension, or where an uncertificated or unlicensed teacher is [employed as principal teacher] who has been proved guilty of false personation \(\) or false in or falsification of the register.

No school will receive a grant which has not been in continuous charge during the school year of a principal teacher holding the necessary certificate or license, except under special circumstances, which must be submitted to the Director for his consideration as soon as they arise.

Violation of the rules for keeping registers referred to in clause 20 (d) or the presentation of ineligible children, will entail a hability, according to the nature of the irregularity to be dealt with, in the judgment of the Director, to a forfeiture of from one-tenth to one-fourth of the

ABSTRACT OF SEASON REPORTS FOR THE MONTH OF OCTOBER, 1895.

WESTERN PROVINCE.

COLOMBO DISTRICT.

Paddy: yala has been harvested; a fairly good maha is expected, though crops have not escaped triury by flood. Dry grain: no cultivation to report.

Other products: there is a fair supply of fruit and vegetables; the former rather scarce

Prices of staple products : rice, from Rs. 3 to Rs. 4 a bushel ; cocoanuts, from Rs. 30 to Rs. 35 a thousand.

Rainfall : a wet month all round.

Remarks on harvest prospects generally: a fairly good maha is expected.

KALUTARA DISTRICT.

Paddy: the yala harvest has been reaped throughout the district; in the Pasdun korale East and West preparations are going on for maha sowing; in Rayigam korale and in the Totamunes the maha crop is about two months old.

Dry grain: very little in the district.

Other products: fruits and vegetables are scarce throughout the district, except in Rayigam korale, where vegetables are abundant.

Prices of staple products: imported rice, Rs. 3 to Rs. 4 per bushel; country rice, Rs. 3 to Rs. 4 per bushel; eccoanuts, Rs. 30 to Rs. 50 a thousand.

Rainfall : very heavy throughout the district.

Remarks on harvest prospects generally: prospects unfavourable owing to heavy rain.

NEGOMBO DISTRICT.

Paddy: the yala crops have been reaped and threshed; fields sown for maha seem to thrive well; and some are still being sown.

Dry grain: some chenas in Hapitigam korale are now being sown in small quantities with amu, kurakkan, and

Other products: the fruit season is nearly over throughout the district. Vegetables are more abundant in Alutkuru korale North than in Hapitigam korale.

Prices of staple products: Rice, Rs. 3 to Rs. 4.25 per bushel; cocoanuts, Rs. 30 to Rs. 35 per thousand; paddy,

Be. 1.75 a bushel.

Rainfall: good. Remarks on harvest prospects generally : good.

NORTHERN PROVINCE.

JAFFNA DISTRICT.

Weather there was very heavy rain throughout the district, accompanied by thunder and lightning, between the 12th and 14th, between the 20th and 24th, and on the 31st, and some partial showers on the 10th, 11th, 15th, 16th, 17th, 18th, and 30th. The rainfall registered at the Public Works Department Office, Jaffna, was 1874 inches, Kalapokam paddy of 1896: sowing of paddy was completed; weeding and transplanting were carried on throughout the district. The prespects of the crop are at present very good, especially of the earlier sowings.

Dry grain crop: varaku is in plants, and the prospects of the crop are reported good in The Islands division, but in the other divisions it is reported to have suffered to some extent by the heavy rains. Kurakkan is in plants and ear, and prospects reported good.

and ear, and prospects reported good.

Price of staple articles: Paddy, Re. 1.75 per bushel: rice, Rs. 3.371 per bushel; kurakkan, Re. 1.58 per bushel; tinaichami, Re. 1.50 per bushel; panichchami, Re. 1.50 per bush

Rs. 3 per koudai.

MANNAR DISTRICT.

There have been good showers of rain since October 12, and all the tanks in Mannar island and on the mainland are full. Cultivators are ploughing fields; of total fields about one-half will be sown; scarcity of cattle and seed paddy being much felt. The dry grain cultivation is in some chenas in plant, while in others sowing is going on.

Paddy sells at Re. 1.62 per bushel. Kurakkan sells at Re. 1.50 per bushel.

Health of people : fair. Health of cattle: generally good, though some old cattle have died in consequence of the heavy rains after a long and continuous drought.

Sea fishing has been somewhat good after the rains. Rainfall: 15 82 inches.

MULLAITTIVU DISTRICT.

Sowing of manavari and kalapokam paddy fields in maritime pattus and Mulliavalai almost completed. Sowing was delayed in Tunukkai and Karunavalpattu south divisions owing to want of rain.

Prices of food articles: paddy, Re. 1.50 per bushel; rice, Rs. 3.50 per bushel; kurakkan, Re. 1.25 per bushel;

varaku, Re. 1 per bushel.

Good rain throughout the district. Karrikkaddumulai south and Mulliavalai divisions received more rain. Some of the tanks are partially filled.

· VAVUNIA DISTRICT.

Good showers of rain fell throughout the district during the month.

Paddy in tank beds has all germinated. The plants are in good condition, and there is every prospect of a good crop unless they are damaged by heavy floods.

Sowing has commenced in fields where the tank beds were not cultivated.

Kurakkan sowing in a few chenas in Cheddikulam and Panankamam divisions has germinated, and the plants are thriving well.

Prices of grain have risen as compared with last month.

Paddy, Re. 1.50 to Rs. 1.60 per bushel; kurakkan, Re. 1.30 to Rs. 1.60 per bushel; gingelly Rs. 4 to 4.80 per bushel.

Cattle disease nearly extinct.

SOUTHERN PROVINCE.

GABLE DISTRICT.

Paddy: maha sowing is now almost over in all the pattus except Wellaboda, where re-sowing will be necessary in some localities owing to the floods. Owing to heavy rains towards the latter part of the month the low-lying fields in all the pattus were flooded and the paddy plants damaged.

Dry grain: sowing of dry grain is also over, and the present weather is most favourable for its growth.

Miscellaneous: jak, plantains, potatoes, breadfruit, and other vegetables scarce, but cocoanuts plentiful. Price
per thousand Rs. 25 to Rs. 35.

Price of staple products: country rice, Rs. 3 to Rs. 3.75 per bushel; paddy, Re. 1.50 per bushel; mederi and

kurakkan, Rs. 2; amu, Re. 1.

Health: better than it was in the preceding month, fever having greatly abated; but it still prevails in a mild form in Four Gravets and Talpe pattu. Dysentery is reported to prevail along the sea coast in Talpe pattu, and chickenpox in a village in Wellaboda pattu.

Cattle: healthy, no disease. Rainfall: 14'39 inches.

MATARA DISTRICT.

Paddy: good.

Dry grain: good. Prices: paddy and fine grain, Re. 1.50 per bushel.

HAMBANTOTA DISTRICT.

West Giruwa Pattu.

Paddy: the vala crop has been harvested; the crop mostly bad owing to the drought. The few showers of rain which fell in the month have been very favourable for the cultivation of lands for the ensuing maha. But the cultivation of lands dependent on tanks has been retarded for want of sufficient rainfall to fill them.

Dry grain: most of the land cleared have been sown with fine grain, and, on the whole, the crops seem to

be fair.

Miscellaneous: with the commencement of the rain during the month people have begun to plant their gardens with sweet potato creepers, &c. In short, it has given an impetus to cultivations of all sorts.

Rainfall: there has been some rainfall in the month, which has been very beneficial, and the long-felt want of

water has been greatly reduced.

Health: the health of the inhabitants has been fairly good, on the whole. There are a few cases of dysentery,

diarrhœa, and chickenpox; fever prevails to some extent. Cattle disease: there is no disease amongst cattle, except a very few cases of hoof disease reported from Paranagamapalata.

Magam Pattu.

Paddy: at Tissa the maha muddings have been most part completed.

Dry grain: although permits were issued to some extent, the chenas allowed have failed in most cases in most places by untimely rainfall.

Health: the health of the inhabitants has Been fairly good.

Cattle: no disease.

EASTERN PROVINCE.

BATTICALOA DISTRICT.

[Not received.]

Rainfall: 6.07 inches. Paddy: the pinmari crops have all been reaped and stacked in the Tamblegam division, and the outturn is reported fair. Munmari cultivation has commenced in the Koddiyar and Kaddukkulam pattus, and the plants have greatly benefited by the recent rain.

Dry grain: no dry grains cultivated except in the Kaddukkulam pattu, where a fair return is expected. Tobacco: lands are being prepared for the cultivation of tobacco.

Manioc: the cultivation is carried on in Koddiyar pattu, and is reported to be in a fair condition.

Prices of staple article: rice, Rs. 3.50 per bushel: paddy, Re. 1.50 per bushel; kurakkan, Re. 1.75 per bushel.

NORTH-WESTERN PROVINCE.

KURUNEGALA DISTRICT.

Rain in abundance fell all over the Province. Tanks of Wanni and Hiriyala are all full. Cultivation has been greatly stimulated. Areas untilled for several years are being ploughed. Young crops throve. Rain has not been so plentiful for seven or eight years. No authentic report of the bursting of any tank has reached me. Fortunately, so far, little damage has been done by the floods to growing crops. Roads have suffered.

Health of people and cattle good.

CHILAW DISTRICT.

Northern division: yala crop harvested; sowing for maha in progress; several fields inundated. Central division: 5,933 bushels paddy and 25 bushels kurakkan sown; crops inundated; rainfall from 1st to 3rd, 26.5 inches.

Southern division: 26 bushels paddy and 90 bushels fine grain sown during the month; it is feared that the

floods will damage crop.

Harvested and growing tobacco crops injured by rain.

PUTTALAM DISTRICT.

Paddy: sowing operations for maha harvest are being carried on throughout the district except Akkarai pattn North, where the young plants have spronted; prospects are good, except in Pomparippu pattu, where damage has been done by floods, and re-sowing will be necessary.

Dry grain: chenas are being sown for maha harvest except in Pomparippu and Akkarai pattu.

Staple products: rice, from Rs. 3:50 to Rs. 4; cocoanuts, Rs. 4 to Rs. 5 per 100.

Rainfall: weather unusually wet from the 7th October after a protracted drought; 25 inches of rain during the month.

NORTH-CENTRAL PROVINCE.

The rainfall during the month has been 18.96 inches as registered at Anuradhapura. Some tawalu and paddy chenas have been cultivated, and have tender crops, and some are being sown. Kanatu kurakkan chenas have been cultivated, and nawadili chenas are being sown. The kurakkan crops of Hurulupalata are reported to be damaged by grasshoppers (polangetiyo). Some tanks are full, some half full, some quarter full, and some have scarcely any water. Many cattle having died of murrian in some villages, paddy cultivation is obstructed to some extent in Nuwaragampalata.

Scarcity of food is reported in Hurulupalata.

PROVINCE OF UVA.

Yatikinda: young paddy crops in good condition; fruit and vegetables plentiful; fever and sore-eyes prevalent; weather showery.

Wellassa: preparations to cultivate paddy being made; sowing of chenas nearly over; fever and sore-eyes-prevalent; weather showery.

Udukinda: maha harvest good; yala crops promising; vegetables scarce; public health good; weather wet. Wiyaluwa: paddy crops promising; chena sowing in progress; sore-eyes and fever prevalent; weather

showery. Wellawaya: no standing crop of paddy; chenas being sown; cocoanuts plentiful; jak and breadfruit scarce; public health good.

Buttala: prospects of fields sown late, bad; chenas being sown; vegetables scarce; public health good. Bintenna: fair paddy crops being harvested; fever and dysentery prevalent.

PROVINCE OF SABARAGAMUWA.

RATNAPURA DISTRICT.

Paddy: in Kuruwiti and Nawadun kóralés the fields have been sown for the maha harvest; in Kukulu, Meda, and Kadawatu kóralés preparations are being made for the maha cultivation; and in Atakalan the plants are blossoming. The yala crop has been harvested successfully throughout the district. In some parts of Kuruwiti kóralé the maha cultivation suffered from the heavy rains prevailing during the month; in Meda and Kadawatu kóralés the crop suffered much from the prolonged drought.

Dry grain: in Kuruwiti and Nawadun kóralés the el-wi chenas have been sown, and in the Atakalan kóralé the plants are three to four months old. The present webweather is favourable to their growth. Owing to continual rain preparations for fine grain chenas in Kukulu kóralé have been delayed. In Kolonna, Meda, and Kadawatu kóralés and in the Tamblegam and Karunawel pattus of Atakalan kóralé fine grain chenas have been sown.

KÉGALLA DISTRICT.

Paddy, yala: harvest is over; yield fair, ploughing and sowing of late maha fields in progress; fields already sown for maha are doing well.

Dry grain: hill paddy, iringu, and amu prospects are good; kurakkan has been harvested; the yield is generally good. Mun sown in Four Kóralés has been harvested; the yield is good. Tana harvest is over in Paranakuru kóralé; outturn is good.

Prices: paddy, Re. 1.25 to Re. 1.50 per bushel; hill paddy, Re. 1 to Re. 1.25 per bushel; kurakkan, 75 cents 87 cents per bushel; amu 75 cents per bushel.

Rainfall: registered at Ambanpitiya 22.72 inches up to 30th; Ruwanwella, 25.66 inches up to 29th.

The district is free from cattle disease.

Health of the people in Four Kóralés is generally good. Influenza is prevailing in most parts of Three Kóralés. and Lower Bulatgama.
