REGULATIONS made by His Excellency the Governor, with the advice of the Executive Council, in pursuance of the provisions of the 10th section of the Ordinance No. 8 of 1866, intituled "An Ordinance to provide against the spread of Contagious Diseases in this Island."

1. The following officers shall be deemed "authorized persons" under and for the purposes of carrying out these regulations within the Northern Province:—

The Government Agent of the Province and the Assistant Government Agents of Mannár and Vavuniya.

The Police Magistrate, Jaffna.

The Assistant Superintendent of Police.

The Chairman of the Board of Health (if any), or, in his absence, the Secretary of the Board of Health (if any).

The Colonial Surgeon of the Province.

Any Medical Officer of the Districts of Jaffna, Mannár, and Vavuniya.

2. It shall be lawful for any authorized person to cause persons infected with cholera, smallpox, chickenpox, or other infectious or contagious disease in any house or place hereunder described to be removed to some public hospital or other place provided by Government:—

(1) In any house or place in which goods are exposed for sale.

(2) In any house or place of public resort.

(3) In any building in which there are no means of isolating the patients from the other inmates, or in any building where the retention of the patient is likely to prove a source of danger to others.

Provided that it shall be competent for any such authorized person as aforesaid, in case the removal of any person so infected in any house or place in which goods are exposed for sale is objected to, and the house or place is not otherwise open to objection, to allow the patient to be retained, on condition, however, that the sale of goods shall not be carried on in such house or place during such time as any person shall remain so infected in such house or place.

Provided further, that it shall be lawful for any such authorized person as aforesaid to allow any patient to be removed to any locality which such patient or his or her friends may choose, and to which the medical authorities of the town or place, if any, do not object, instead of to the public hospital or place provided by Government.

3. Except as provided by these regulations, and except as provided by the said Ordinance No. 8 of 1866, it shall not be lawful for any person to remove or assist in removing any person suffering from cholera, smallpox, chickenpox, or other infectious or contagious disease from the house or place in which such person shall be to any other house or place, without the sanction in writing of some duly authorized person.

4. It shall be lawful for any authorized person to prohibit the removal from any house or place in which goods are exposed for sale, or from any house or place of public resort, or from any building in which cholera, smallpox, chickenpox, or other infectious or contagious disease may have occurred, of any articles of merchandise or trade, or goods of any kind, until such time as such building or place is declared to be free from infection by the medical authorities of the town or place in which such building is situated.

Provided that it shall be lawful for such authorized person, acting as aforesaid, to permit any goods from an infected house or place in which goods are exposed for sale, or from any house or place of public resort, or from any building in which cholera, smallpox, chickenpox, or other infectious or contagious disease may have occurred, to be removed to any other locality which the owner or occupier of such building may choose, and to which removal the medical authorities of the town or place do not object.

5. It shall be lawful for any authorized person to prohibit the removal for interment of the corpses of persons who have died of any contagious disease along any particular thoroughfare, and to prescribe the thoroughfares leading to the place of interment along which such corpses shall be carried. Information of such prohibition shall be given by notice in writing under the hand of some authorized person, which shall be posted in two or more conspicuous places in the prohibited thoroughfare, and by publication in such other way as may be deemed necessary by such authorized person.

To be marked on the envelopes "Tender for Landing, &c., Railway Stores per Steamers and Sailing Ships," receivable up to 12 o'clock noon on Monday, August 5, 1895.

2. For landing with the utmost despatch all coal and coke arriving at the port of Colombo by steamers and sailing ships for the Railway, and delivering the same at the Railway Store or Railway Station at Maradana, at the vicinity of the Railway line near the Lotus pond, or at any other place within the gravets of Colombo.

3. The rate demanded should be at per ton, and should include the cost of stacking materials when required at such places as may be pointed out.

4. All small coal and coke should be bagged on board-ship and conveyed and delivered so bagged. Not less than 200 tons coal should be landed and delivered per working day.

5. All coal and coke should be removed from the Wharf to the Railway premises by railway, the Government supplying a sufficiency of trucks at the Battenberg Battery siding, and receiving them from contractor on Wharf weighing machine, the contractor paying the Traffic Manager for transport at the rate of 50c. per ton for all materials, exclusive of explosives,—explosives to be paid for at the rate of 75c. per ton, and 4c. per ton on minimum of 200 tons per day for shunting at the Wharf, when such shunting is necessary,—the loading and unloading of trucks being done at the expense and risk of the contractor. If wagons be detained beyond the time allowed (24 hours), the contractor to pay demurrage.

6. The contractor will be required to shunt all trucks from the Main line on to the siding at the Breakwater, and thence back on to Main line.

7. The weight ascertained at the Railway weigh-bridge in the Fort, minus weight of bags, shall be that for which the contractor will be paid.

8. Parties tendering are requested to state rates for contract to run for one, two, or three years.

9. The contractor will be bound to accept in all cases the conditions of the charter-party as regards discharge of the ship; and all demurrage and other charges which may result from a failure to comply with such conditions shall be borne by the contractor.

10. Tenders should be made upon forms which will be supplied upon application at the Office of the Colonial Storekeeper.

11. No tender will be considered unless it is on such printed form, and unless accompanied by a letter signed by two responsible persons, whose addresses must be given, engaging to become sureties for the due fulfilment of the contract.

12. Each party will be required to make a deposit (on applying for forms) of Rs. 200, which will be returned in the event of his tender not being accepted; but which will be forfeited in the event of his declining to carry out his tender or any portion of it which may be accepted.

13. The amount of security—which must be real, not personal—to be given, and all other necessary information, can be ascertained on application at the Colonial Storekeeper's Office.

14. The person whose tender has been accepted by Government will be required to bear the expenses of having security bonds prepared for the due performance of his contract, which bonds will be subject to the approval of the Attorney-General, but may be drawn by the tenderer's own lawyers, in which case the name or stamp of the Proctor who drafted the bond should be affixed to the document. But if a contractor submits a security bond which does not bear the name or stamp of the lawyer who drafted it, he will be required to pay a fee of Rs. 10-50 to the Attorney-General for approving each bond.

15. The Government reserves to itself the coal that may be salvaged from the Harbour.

16. The security bond should be furnished forthwith on acceptance of tender.

17. All alterations or erasures in tenders should bear the initials of the tenderers, otherwise the tenders will be treated as informal and rejected.

18. The Government reserves to itself the right, without question, to reject any or all tenders, and the right of accepting any portion of a tender.
