President's Message

RI President, 2016-17
John F. Germ

Dear fellow Rotarians,

I embarked on the road to Rotary in part because of my friend and mentor George Campbell, who taught me the importance of civic responsibility. After starting down that road, I encountered many other Rotarians walking the same path, who offered their help and made sure I kept moving in the right direction.

I am the person I am today because of Rotary. And to be a member of the Rotary family is to be a part of something much bigger than yourself. It means that you are part of a worldwide team; together, we have provided extraordinary service to the world.

We are closer than ever to achieving our promise of polio eradication. Through service projects, we have met the needs of local and global communities. We have developed strategic partnerships that allow us to work with like-minded organizations and achieve an even great impact.

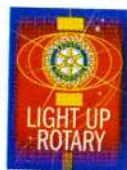

Today, our world is depending on us to do even more. Now is the time to capitalize on our success and to catapult Rotary forward to be an even greater force for good in the world. To do this, we must work together. Remember that today is the first day of the rest of your life, and how you spend it is up to you.

I know that, together, we can accomplish great things this year as we continue the tradition of

Rotary Serving Humanity.

The 4 way test

Of the things we think, say or do;

- ➡ Is it the **TRUTH**?
- ➡ Is it **FAIR** to all concerned?
- ➡ Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
- ➡ Will it be **BENEFICIAL** to all concerned?

*From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professions lives. One of the world's most widely printed and quoted statements of business ethics is The **Four - Way Test**, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as RI president) when he was asked to take charge of a company that was bankruptcy.*

This 24-word test for employees to follow in their business and professional lives the become the guide for sales, production, advertising and all relations with dealers and customers, and the survival of the company is credited to this simple philosophy. Adopted by Rotary in 1943, The Four-WayTest has been translated in to more than a hundred languages and published in Thousands of ways. IT asks the above four questions:

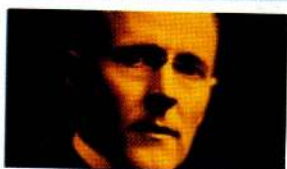

KNOW ABOUT ROTARY

The year was 1905, the date was 23rd February.

Paul Harris, Gustavus Loehr, Silvester Schiele, and Hiram Shorey gathered at Loehr's office in downtown Chicago. This was the first Rotary meeting. They were the first four Rotarians

Harris is known as the founder of the Rotary Movement

Paul P. Harris was an attorney who wanted to create a professional group with the same friendly spirit he felt in the small towns of his youth.

In the year 1900, Paul P. Harris met fellow attorney Bob Frank for dinner on the north side of Chicago. They walked around the area, stopping at shops along the way. Harris was impressed that Frank was friendly with many of the shopkeepers.

Harris had not seen this kind of fellowship among businessmen since moving to Chicago in 1896. He wondered if there was a way to channel it because it reminded him of growing up in a friendly, small town.

To quote Harris 'I was sure that there must be many other young men who were longing for fellowship as I was. Why not bring them together, something would come of it.'

Harris had not seen this kind of fellowship among businessmen since moving to Chicago in 1896. He wondered if there was a way to channel it because it reminded him of growing up in a friendly, small town.

To quote Harris 'I was sure that there must be many other young men who were longing for fellowship as I was. Why not bring them together, something would come of it.'

Harris eventually persuaded local businessmen to join him in a club for community and fellowship. His vision laid the foundation for Rotary.

in August 1910 Rotarians held their first national convention in Chicago, where the 16 existing clubs unified as the National Association of Rotary Clubs.

This association of all the clubs unanimously elected Harris as its first President.

We're truly international. Only 16 years after being founded, Rotary had clubs on six continents.

Rotary's name came from the group's early practice of rotating meetings among the offices of each member.

As Rotary grew, members pooled their resources and used their talents to serve their communities.

Our organization's dedication to this ideal is best expressed in its motto: Service Above Self.

At the 1917 convention, outgoing RI President Arch C. Klumph proposed to set up an endowment which was later renamed The Rotary Foundation, and it became a distinct entity within RI.

1985: The PolioPlus programme was launched to eradicate polio worldwide. This involved all the Rotarians world wide and was RI's single, largest multibillion dollar project

From 1905 until the 1980s, women were not allowed membership in Rotary clubs,.

Today there are over 2.5 million members world wide of which 20% are women

Join the 2000 members of our Sri Lanka District 3220 and enjoy fellowship while doing service to our communities.

Every Rotary Club has to organize a number of functions and meetings. There is a certain protocol to be observed to recognize dignitaries. A proper observance of protocol enhance the prestige of the club event concerned and also brings about dignity and decorum. A few hints on PROTOCOL:

- 01 Any Rotary club meeting should be presided over by the President. The meeting should be called to order by the President and not by the Master of Ceremonies of such other functionaries.
- 02 Any Rotary District meeting will be presided by the Governor and he will call the meeting to order.
- 03 The Protocol to be observed in order of precedence of greetings is Governor, PDG's, (seniority wise), DGE, DGN, District Officers, serving Presidents, Past Presidents, President Elects and so on...
- 04 General Rule is current Position takes precedence over past position; past position takes precedence over future position. Accompanying spouses will have the same rank.
- 05 Once protocol is observed, subsequent speakers need not repeat the protocol. This will save time and also avoid a possible foul up of Protocol.
- 06 If the Mayor or the First Citizen of the town is present at a meeting, he should be invited to the dais and should be recognized first.
- 07 In any Rotary meeting if the Governor is present as the Chief Guest, he should speak last. After the Governor there should be no further speeches. The only items should be acknowledgment & Vote of Thanks.
- 08 Clubs are encouraged to have only ONE chief guest at the installation and such other Rotary events or during the Governor's Official Visit.
- 09 Rotary Club meetings (except training or informative sessions), irrespective of whether they are regular meetings of the club, installation meeting or meeting of the club during the governor's Official Visit should be concluded as far as possible, within one hour.
- 10 Care should be taken to ensure that the standards & values of Rotary are not diluted or compromised at meetings. As a service organization austerity in our conduct and sincerity of purpose should be upheld.
- 11 The function of Master of Ceremony, when necessary, should be limited only to announce the items on the agenda. He/She is not expected to make comments on speeches or assure anything on behalf of the club. This is the prerogative of the presiding officer. Presiding Officers should not devalue themselves by allowing the Master of Ceremonies to take over the proceedings and themselves observing a secondary role.

SERVICE THROUGH BUSINESS

As a Rotarian, it is my purpose:

To regard my business or profession, as my opportunity to express myself in service to society, as well as a mean to material gain;

To maintain the dignity and worthiness of my calling by the acceptance and promotion of high standards and the elimination of questionable practice;

To value success in my vocation as a worthy ambition when achieved as a result of service to society; but to accept no profit nor distinction which arises from unfair advantage, abuse of privilege or betrayal of trust;

To recognize that any sound transaction must be governed by practices which brings satisfaction to all parties concerned, and to esteem it a privilege, in my profession or business, to serve beyond the strict measure of duty or obligation

LOGOS CONFIGURATIONS

Our logo has recently evolved to include our word mark, which is the word "Rotary," and our emblem, the Rotary wheel. The word "Rotary" always appears before our emblem in all of our signatures. This official logo is our master brand signature, which should be used wherever possible. Our mark of excellence should not appear alone, but can be used in proximity to the masterbrand signature and should be scaled up to make greater impact. It is crucial to maintain the consistency of our signatures. Positioning and proportional relationships of all components within the signature are fixed and should never be altered.

WHAT IS A ROTARY COMMUNITY CORPS (RCC)?

A Rotary Community Corps (RCC) is a group of non-Rotarian men and women who share Rotarians commitment to service and creating a better world for all. Under the guidance of a sponsoring Rotary club, dedicated RCC members put their own skills to improve the quality of life right in their own community. AIDS, drug abuse, illiteracy, hunger, pollution - any challenge in any community can be addressed through the efforts of an RCC.

Since 1985, the Rotary Community Corps program (formerly called Rotary Village Corps of Rotary Community Service Corps) has been spurring economic development and self-sufficiency in communities around the world. RCCs can be rural or urban, and may comprise an entire village or community, or a smaller group within the community. Geographic location has no bearing on the feasibility of a RCC - they're appropriate anywhere Rotarians and non-Rotarians want to work together.

All RCCs, however, develop projects in response to the specific needs of their community, and share four major goals:

- * To encourage individuals to take responsibility for the improvement of their community, village, or neighborhood
- * To recognize the dignity and value of all useful occupations
- * To mobilize self-help activities and collective work to improve the quality of life
- * To encourage the development of human potential to its fullest, within the context of the local culture and community

a vibrant nation"**
