Introduction

Brief on Northern Province :-

The Northern Province is one of the nine provinces of Sri Lanka. It is located in the north of Sri Lanka and is just 22 miles (35km) from India. The province is surrounded by the bay of Bengal to the north and east, the Gulf of Mannar and Palk Bay to the west, Palk Strait to the north west and the Eastern, North Central and North Western provinces to the south. Most of the islands around Sri Lanka are to be found to the west of the Northern Province. It is covered in tropical forests, with numerous rivers flowing through them and it has a number of lagoons.

Sri Lanka has a typical tropical monsoonal climate. The Northern Province tends to be hot and dry in the dry season (February to September) and moderately cool and wet in the wet season (October to January). The average temperature is around 28° to 30° and annual rainfall is less than 1250 mm.

Population of the Northern Province was 1,235,059 (estimated) at 2014.12.31. The majority of the population is Sri Lankan Tamil, with a

minority Sri Lankan Moor and Sinhalese population.

The Northern Province is divided into five Administrative Districts, 34 Divisional Secretary's Divisions and 921 Grama Niladhari Divisions. First Provincial Council Election for Northern Province was held in the year of 2013. Since 2013, Northern Provincial Council is the Constitutional Head of this province.

Health Sector in Northern Province :-

Northern Province is equipped with an extensive network of health care institutions. Primary and secondary health care institutions in the curative sector as well as preventive and rehabilitative care institutions are mainly managed by the Provincial Health Department and Tertiary care health institution Teaching Hospital, Jaffna is managed by the Line Ministry of Health, Colombo.

In the Northern Province, the Department of Provincial Health Services is under the Ministry of Health & Indigenous Medicine. After the Northern Provincial Council (NPC) election, the management of the health sector is being done by the Minister, Secretary and PDHS in line with Ministry of Health, Colombo.

The Provincial Director is the head of the Provincial Department of Health Services (PDHS). There are five Regional Directors of Health Services (RDHS) for each district. Each RDHS area is geographically similar to the administrative units of District Secretariats. The Medical Officers of Health (MOH) are mainly responsible for the preventive care of the respective Divisional Secretary areas and the Directors, Medical Superintendents (MSs) District Medical Officer and Medical Officers-in-charge (MOICs) of the hospitals are responsible for curative care of the respective hospitals.

The administration of Health Services of the Northern Province is decentralized into five regions, under the Regional Directors of Health Services in each district, who are responsible for the provision of health services to the respective districts. The health institutions in Northern Province comprising of Hospitals with specialist services as District General Hospitals, Base Hospitals, Divisional Hospitals and Primary Medical Care Units as Curative Care Institutions and MOH Offices, Gramodhaya Health Centres, Anti Malaria Campaigns and School Dental Clinics as preventive care institutions. These institutions provide curative and Preventive Care Services to promote the Health Status of the population. Beside this, One Teaching Hospital is functioning in Jaffna District under the Line Ministry.
