Proviso.

Provided that in the latter case such abatement of four per centum shall be calculated and made in rupees by the Crown Agents on the full salary in rupees payable to such contributor when employed in the colony, or on the pension in rupees payable to such contributor if resident in the colony, and such contributor shall be entitled to receive from the Crown Agents the equivalent in sterling of the balance in rupees of such salary or pension, calculated at the rate at which such contributor is entitled to receive such salary or pension in England.

And in the case of a contributor entitled only to a half of such full salary, such contributor shall be entitled to receive from the Crown Agents the equivalent in sterling calculated in manner aforesaid of the balance in rupees of the half of such full salary after the abatement of four per centum has been calculated on such full salary in rupees and made on the half of such full salary in rupees.

Officers required to pay abatement to Treasurer.

(3) In the event of such abatement not being made, every public officer shall pay to the Treasurer or Crown Agents within fifteen days after the receipt by him of his salary or pension a sum equal to four per centum upon his monthly salary or pension, or in the event of any public officer being on leave without salary such public officer shall pay before the fifteenth day of each and every month during the continuance of such leave, to the Treasurer or Crown Agents, a sum equal to four per centum upon the full salary which he would have received monthly had he not been on leave. All sums due under the provisions of this sub-section and the arrears of any contribution due and payable under the provisions of the Ordinance No. 21 of 1896 shall be taken to be a debt due to the fund by the public officer, and shall be payable to the Treasurer or Crown Agents, together with interest thereon at six per centum per annum, forthwith or by such instalments as the directors may determine. The Treasurer or the Crown Agents shall, upon the written order of the directors or of any two of them, deduct from any moneys which may be or may become due or payable to the public officer by whom such debt is payable the whole or any part of such debt. The provisions of the Ordinance No. 22 of 1871 shall not apply to any such debt.

Period for which abatement shall be made.

10 The abatement of four per centum from the salary of a public officer shall continue to be made until such officer attains the age of sixty-five years, should he continue so long in the public service, at which date it shall cease; such abatement shall also cease after an officer has been subject to the abatement for thirty-five successive years.

Officer retiring on pension not to be called upon to contribute more than four per cent. from such pension.

11 A public officer who from any cause whatever ceases to belong to the public service and retires on a pension shall not be called upon to make any further contribution to the fund beyond a monthly abatement from his pension of four per centum on such pension, to commence from the date of his retirement until he attains sixty-five years of age or has been subject to abatement for thirty-five years, when such abatement shall cease.

Provided that in the event of such public officer having no wife or male child below the age of eighteen years, or female child unmarried and below the age of twenty-one years, at any time intimating his intention in writing to the directors not to contribute further, he shall not be required to contribute further, and he shall be considered as having ceased to have any interest in the fund, and shall have no claim thereon.

Contributions may continue in full if income reduced.

12 Whenever the salary of a public officer becomes reduced by abatement of the ordinary emoluments or by retirement on pension, such public officer may elect to continue to contribute upon the higher salary which he was receiving previous to such reduction, and subject to the same terms and conditions as if he had continued to draw the higher salary. Should such public officer not elect so to continue to contribute upon the higher salary, and contribute on the lower salary or pension, any pension to his widow or children shall be diminished in the same amount as it would have been increased had such public officer's salary been increased and not diminished.

An officer deprived of his office may continue to contribute.

13 A public officer who may retire from the public service, or who may be deprived of the office in respect of which he contributed to the fund, but who shall not be granted a pension, may continue to contribute from the date of his so retiring or being deprived of his office on the salary which he was receiving at the date of such retirement or deprivation, at the same rate and subject to the same terms and conditions as if he had continued in the public service and continued to receive the salary which he was receiving at the date of such retirement or deprivation. In the event of his ceasing to contribute, or in the event of any contributions due from him not having been paid for six months, his widow or his widow and orphans, as the case may be, shall be entitled upon the death of such public officer only to a pension computed on the basis of the interest acquired by such contributor in the fund at the date of his so retiring or being deprived of his situation or of his ceasing to contribute, in accordance with the tables hereinafter referred to.

Provisions for case of officers transferred to other employment under the Crown.

14 A public officer other than a bachelor who has been transferred prior to the passing of this Ordinance, or who may be hereafter transferred from the service of this Government to any other office under the Crown, may continue to contribute to the fund from the date of his ceasing to hold office in the service of this Government on the salary which he was receiving at the date of such transfer, at the same rate and subject to the same terms as if he had continued in the service of this Government and continued to receive the salary which he was receiving at the date of such transfer. In the event of his ceasing to contribute, or in the event of any contribution due from him not having been paid for six months, his widow or his widow and orphans, as the case may be, shall be entitled after the death of such public officer only to a pension computed on the basis of the interest acquired by such contributor to the fund at the date of his being transferred or of his ceasing to contribute in accordance with the tables hereinafter referred to.

15 Every public officer shall, within three months of the date of his becoming liable to contribute to the fund, forward to the directors a declaration setting forth the date of his becoming so liable, his own name in full and the date of his birth, and if he be married the date of his marriage and the maiden name in full and the date of birth of his wife, and if he have any child or children their names in full and the date of each of their births. 18 Every public officer whose wife shall die or be divorced from him, or whose child shall die, or whose female child shall be married, and the guardian of every child who shall die or of every female child who shall be married, shall, within three months thereof, notify to the directors the date of such death, divorce, or marriage.

Penalty for non-compliance with foregoing.

19 Every public officer who shall in the judgment of the directors have failed, omitted, or refused to perform any duty cast upon him, or to do any act required of him by this Ordinance or by the rules and regulations made as herein provided, or who shall in the judgment of the directors have furnished any false information or made any false declaration, may be adjudged by the directors to pay for each such omission, default, refusal, false information, or declaration a penalty not exceeding fifty rupees. The Treasurer shall, upon the judgment of the directors being notified to him, deduct such penalty from the first moneys payable to the public officer as salary or otherwise, and shall pay such amount to the credit of the fund.

Who shall be entitled to pension.

20 The widows and orphans entitled to pensions from the fund are the widows and orphans of public officers who have contributed to the fund in accordance with the provisions of this Ordinance or the Ordinances Nos. 20 of 1885 and 21 of 1896, save as hereinafter excepted. No pension shall become due, and no pension shall be paid to any widow or orphan of any public officer, until every debt due to the fund by such public officer shall have been fully discharged.

The child of any public officer born out of wedlock, who has become legitimate by the subsequent marriage of such public officer with the mother of such child, shall be entitled to a pension or allowance from the fund, unless his father shall have died within twelve months of such marriage, in which case such child shall lose all interest in the fund.

Provided that it shall be lawful for the directors, with the consent of the Governor in Executive Council, to award a pension to such widow or child if it shall appear to them just and reasonable in the special circumstances of any case.

When pension to orphans shall cease.

22 The allowance or pension to orphans shall cease in the case of males at the age of eighteen years, and in the case of females on marriage or at the age of twenty-one years.

Pension how computed.

23 The pension or allowance to which a widow or child of a deceased public officer is entitled shall be computed according to tables to be approved of by the Governor with the advice of the Executive Council. Such tables shall be adjusted and revised by an actuary or actuaries who shall be from time to time appointed by the Governor with the advice of the Executive Council. All pensions to widows or children, whether in possession or in expectation and reversion, shall be subject to re-adjustment, and shall be computed upon the tables so adjusted and revised, and diminished or increased accordingly.

Pension to orphans.

24 When a public officer being a widower and unmarried shall die or have died leaving a child or children entitled to pensions, or when a widow of a public officer shall die or have died and there be a child or children of such public officer surviving entitled to pension, the pensions of such child or children shall be the amount which the widow would have received or had been receiving, equally divided among the children.

The widow of such public officer shall be entitled to one-half of the pension to which she would have been entitled had there been no such children; and if the public officer dies leaving no such children, or when they cease to be entitled to pension, then she shall be entitled to the whole of such pension as she would have received had there been no such children. Should the widow die leaving no issue of her marriage with the public officer, the children of the first marriage shall be entitled to such pensions as if the public officer had not contracted such subsequent marriage. Should the widow die leaving children the issue of her marriage with the public officer, such children shall be entitled each to an equal share or portion of the pension to which their mother was entitled.
- Pension to children of a widower. 27 The children of a widower who shall become or has become a contributor to the fund shall be entitled on his death, and the children of a widower who has contributed to the fund and has died prior to the coming into operation of this Ordinance, shall be entitled from and after the coming into operation of this Ordinance to the pension to which they would have been entitled if their mother had been living at the time of his becoming liable to contribute thereto.
- Pension to be paid monthly, and proof of death to be produced before payment. 28 The pension payable to any person entitled thereto under this Ordinance shall begin upon the death of the public officer or of his widow, as the case may be, and shall accrue daily and shall be paid monthly. But before any such payment it shall be lawful for the directors to require proof that any widow or child is alive and entitled to the pension claimed by such widow or child.
- Directors to appoint person to receive payment on behalf of minors. 29 In any case in which a minor is entitled to payment of a pension or portion of a pension under this Ordinance, it shall be lawful for the Directors to appoint some fit and proper person to whom such pension shall be paid. Such appointment shall be in writing under the hand of at least three of the directors, and the receipt of such person shall be a legal discharge for the payment of such pension or portion thereof.
- Pensions not to be assigned or levied upon. 30 No pension payable from the fund shall be assigned or transferred, and every assignment or transfer shall be absolutely null and void and of no effect. No such pension shall be attached or levied upon or arrested or taken in execution on account of any debt or payment due by the person to whom such pension is payable.
- Questions and disputes to be decided by Governor in Executive Council. 31 Should any question arise as to whether any person is a public officer within the meaning of this Ordinance, or as to whether any person is entitled to any pension as the widow or child of a public officer, or as to the amount of pension to which any widow or child shall be entitled, or as to the meaning or construction to be assigned to any section of this Ordinance, or to any rule or regulation made under the provisions thereof, it shall be lawful for the directors, and such directors are required, upon the application of any

such public officer, widow, or child, to submit such question for decision to the Governor; and the decision of the Governor thereon, with the advice of the Executive Council, shall be final.

No increase or decrease of pension if residing in climate less or more healthy than Ceylon.

34 No pension, whether payable to a widow or to a child or children, shall be increased or decreased by reason of the residence of the person entitled to such pension being less or more healthy as to climate than Ceylon.
