Kandy, August 18, 1900.

## MUNICIPALITY OF KANDY.

Minutes of Proceedings of a Meeting of the Municipal Council of Kandy held in the Town Hall, Kandy, on Saturday, June 16, 1900, at 8.30 o'clock a.m., in accordance with Notice dated June 12, 1900.

*Present*:—Hon. Mr. H. Wace, Chairman; J. H. Sproule, Esq.; E. Beven, Esq.; W. D. Gibbon, Esq.; C. Vanderwall, Esq.; R. W. Jonklaas, Esq.; C. M. Fernando, Esq.

1. The Minutes of Proceedings of the Meeting held on May 19 were read, confirmed, and signed by the Chairman.

2. The following documents were submitted:—Statements of Receipts and Expenditure from close of 1899 to May 31 on account of the Municipal Fund, comprising the (No. 1) General Revenue, (No. 2) Consolidated Rate (Police and Lighting), and (No. 3) Water-rate Accounts; Progress Report of Works done brought up to the same date; Health Officer's Report for, and Statement of Cases instituted by the several Inspectors during, the month of May.

Resolved,—That the several statements, together with the Minutes of Proceedings of this Meeting, as required by section 90 of the Municipal Councils' Ordinance, No. 7 of 1887, and the Health Officer's report, be forwarded to the Colonial Secretary for publication in the *Government Gazette*.

3. The following papers were laid on the table:—Reports by the several Inspectors on laundries inspected during May and register.

4. Read letter dated May 30, from Mr. J. Guthrie, Auditor, reporting that he had audited the accounts for March and April and found the same correct.

Resolved,—That the attention of Mr. Guthrie be directed to the resolution of the Council requiring a monthly audit of accounts.

5. The following correspondence was submitted and read:—

- (a) Letter No. 13, dated May 19, from the Colonial Secretary, intimating that His Excellency the Governor in Executive Council has confirmed the addition to by-law 18, chapter XV., of No. 19 of 1896.
- (b) Letter No. 14, dated May 21, from the Colonial Secretary, intimating that it is the desire of the Government that the taking of the Census within Municipal limits should be managed by the Chairman, the funds being provided by Government.

Resolved,—That the Colonial Secretary be informed, in reply, that the Council accedes to the proposal that the taking of the Census should be managed by the Council as before, on the condition named.

- (c) Letter No. 16, dated June 4, from the Colonial Secretary, intimating, in reply to the Chairman's inquiry, that an Ordinance will shortly be introduced to amend section 127 of No. 7 of 1887, so as to exempt buildings appropriated for educational purposes from payment of Municipal rates.
- (d) Circular letter No. 91, dated June 9, from the Colonial Secretary, forwarding copy of a report by the Superintendent of Public Works, Grenada and St. Vincent, on the manufacture and use of concrete pipes for road drainage.
- (e) Letter dated June 13, from Mr. A. Philip, in continuation of previous correspondence respecting the metal despatch box allowed him for keeping Municipal papers.

Resolved unanimously,—That Mr. Philip be informed, in reply, that the Council is unable to accept the statement that the boxes supplied to Members are their individual property. The boxes are the property of the Municipal Council, and were supplied to Members for use only while holding office; there is nothing on record in support of Mr. Philip's contention, and it is within the recollection of those Members who were present at the time of the resolution, to purchase the boxes was adopted that it was understood they were to be returned on vacation of office.

6. In accordance with notice, Mr. Fernando presented a petition from residents within the extended limits of the Municipality complaining of the extension of the Municipality, and moved that the same be referred to a Special Committee for report.

This was seconded by Mr. Vanderwall.

The petition was read. The motion was opposed by Messrs. Beven, Sproule, and Gibbon.

The Chairman pointed out that the question of extension had been evidently fully considered at a Meeting of the Council on March 19, 1898, a Special Committee was appointed on July 16, and their report was adopted at the Meeting on November 19. He had the matter under consideration and had visited Ampitiya, and had arranged to visit other localities which had been included in the new limits.

Mr. Fernando, with leave of the seconder and permission of the Council, withdrew his motion.

7. Read report and recommendation by the Health Officer in respect of cesspits on premises Nos. 6 and 7, King street; No. 34, Trincomalee street; and Nos. 224 to 234, Peradeniya road.

Resolved,—That special authority be granted to the Chairman, in accordance with section 209 of the Municipal Councils' Ordinance, No. 7 of 1887, as amended by section 33 of the Ordinance No. 1 of 1896, to require the owner or occupier of premises Nos. 6 and 7, King street; No. 34, Trincomalee street; Nos. 224 to 234, Peradeniya road, to empty and close the cesspits on the said several premises, and to substitute dry-earth closets therefor.

8. Additional by-laws regulating water service, prepared and submitted by the Special Committee appointed, in 1899 to consider questions connected with water supply, were laid on the table. They had previously been brought before the Council at the Meeting of the Council on June 17, 1899, and referred to a Special Committee, who had been unable to deal with them before the end of the year.

It was resolved that the by-laws be referred to the same Special Committee, who are hereby re-appointed, viz., Messrs. Sproule, Gibbon, Beven, and Vanderwall, for consideration and report.

9. The Chairman brought forward the question of the celebration on June 20 of the occupation of Pretoria, which had been arranged for by a Committee of residents, and submitted an estimate by the Resident Electrical Engineer for illumination by electricity of the Island and the Town Hall, amounting to Rs. 450, and applied for a vote. After a short discussion, it was resolved that steps be taken to illuminate the Island, the Library, and the Octagon, the illumination at the Town Hall being restricted, and that the Chairman be authorized to expend Rs. 300, or more as he may think necessary, for the purpose.

Confirmed this 28th day of July, 1900:

H. WACE,  
Chairman.

## Health Officer's Report for the Month of May, 1900.

SIR,—I HAVE the honour to submit my report for the month of May.

*Scavenging.*—The town during the month was clean and properly scavenged.

The full complement of carts and coolies were employed for this purpose, as was ascertained by the occasional presence of an Inspector, at the muster of Mahaiyawa.

*Market.*—Clean and in good order.

*Food Supply.*—Ample and of good quality. 468 cattle, 122 buffaloes, and 294 sheep and goats were inspected and passed during the month as fit for human consumption. Fish of good quality and fresh vegetables were always procurable.

*Bakeries.*—Clean and well kept.

*Boutiques* were periodically inspected. I found the articles exposed for sale in them of good quality and fit for the food of man.

*Water Supply.*—Pure and ample.

*Alleys.*—I am glad to be able to report that the alleys are being improved by their respective owners, in accordance with instructions given to them by me. Those at Trincomalee street are all being improved, and the alley in Castle Hill street belonging to Mr. B. de Alwis, is now in a sanitary condition, it having been altered and greatly improved.

*Cooly Lines.*—Same as when last reported upon. The lines belonging to the Municipality, situated in Castle Hill, should be removed to the railway approach road, where there is ample room for a permanent set of lines, and where also there is ample latrine accommodation.

*Drainage.*—Surface drains kept in good order. Deep drains objectionable and insanitary by reason of defective construction.

*General Health.*—Good. Mortality not more than the average.

Kandy, June 7, 1900.

I am, &c.,

FRED. KEYT, M.D.,  
Health Officer.

### MUNICIPALITY OF GALLE.

#### Minutes of Proceedings of a Meeting of the Municipal Council of Galle held at the Municipal Office on May 19, 1900, at 1.45 p.m.

*Present:*—The Chairman; Dr. P. D. Anthonisz, C.M.G.; N. Dias Abeyasinha, Esq.; D. G. Goonewardene, Esq.; C. L. M. Abdul Carim, Esq.; Dr. E. Ludovici; C. P. Hayley, Esq.; and F. Abeyesundere, Esq.

1. Read and confirmed Minutes of Meeting held on April 28, 1900.

2. In conformity with orders made at the last Meeting the following papers were submitted:—(1) Report of Head Inspector on disinfection of cesspits; (2) copy of resolution of Council passed on May 21, 1895, on golf playing in the Park.

3. Pursuant to notice, Dr. Anthonisz put the following questions:—

(1) If traffic in a crowded locality like the Galle bazaar could not be better regulated by the police, and if the following precautions could not be adopted to ensure greater safety and more convenience to the taxpayers and the general public:—

(i.) To have a shelter for the police at the angle of the triangle and another opposite the Dutch cemetery across the road.

(ii.) The police occupying the shelter opposite the Dutch cemetery to direct carts with or without goods to keep to the seaside or harbour of the road from the Fort and Colombo road, and the police at the triangle to direct the carts from the Matara and other roads entering the Fort or going into the Colombo road to pass on the land side of the road.

(iii.) The centre of the road to be used only by carriages and hackeries.

The Chairman replied that he will call the attention of the Superintendent of Police and ask him to endeavour to improve the regulation of traffic in the bazaar.

(2) Would it not be practicable to have the drains in the bazaar where the shops are covered with movable planks about 3 ft. wide to be used as a side walk, the planks to be removed when drains are flushed?

The Chairman replied that it was practicable.

4. Pursuant to notice, Mr. C. P. Hayley asked—Whether the Council intends taking any notice of the action of the Sanitary Officer in refusing to pay certain debts under the shelter of an Ordinance which prevents a creditor from suing a debtor at law should he be a Government servant drawing a salary of a certain sum per annum.

The Chairman replied that he was unable to answer the question in its present form.

Mr. Hayley moved—That the Council resolve itself into a Committee to discuss the question.

Seconded by Mr. C. L. M. Abdul Carim.

The motion was put to the vote and lost.

5. Pursuant to notice, Dr. Anthonisz moved—That the Council request His Excellency the Governor to be graciously pleased to permit the Mahamodara iron bridge in Galle to be repaired or renewed before the other bridges in the Galle road, as it is near the town, close to the Government hospital, and is the bridge over which funerals have to pass to the new or general cemetery at Dadalla.

Seconded by Dr. Ludovici.—Carried.

6. Pursuant to notice, Mr. C. P. Hayley moved—That a Sub-Committee be appointed to examine and report upon horses and carriages plying for hire under Municipal licenses with a view to their re-classification.

Seconded by Mr. D. G. Goonewardene.—Carried.

Resolved,—That the Sub-Committee be composed of the Chairman, Mr. D. G. Goonewardene, Mr. F. Abeyesundere, and Mr. C. P. Hayley.

7. Pursuant to notice, Mr. C. P. Hayley moved—That the carriage stand be removed from the steps opposite the railway station leading into the Victoria park to some other locality in the neighbourhood of the railway station.

Seconded by Mr. C. L. M. Abdul Carim.—Carried.

8. Submitted letter No. 129 of May 7 and 8, from the Provincial Engineer, Southern Province, which, having been circulated among the Members of the Council, was taken as read.

9. Submitted a letter from certain residents of Church and Leyn Baan streets consenting to the introduction of the dry-earth system into their houses.

Resolved,—That if the applicants will close their cesspits and adopt the dry-earth system by June 18 next, the acquisition of land for opening alleys will be stayed.

10. Submitted application from J. Arolis de Silva for refund of one-tenth of the amount deposited by him when he became the purchaser of the toll at Gintota for 1900.

Resolved,—That the Council decline to refund the amount.

11. The following documents were laid on the table :—
