ROTARY CLUB OF
CHUNNAKAM HERITAGE

PAUL HARRIS THE FOUNDER

Paul P. Harris, the founder of Rotary, was born in Racine, Wisconsin, U.S.A. on 19 April 1868. A man of varied experience, he received the Bachelor of Physical Culture and LL.D. degree from the University of Vermont and the LL. B degree from the University of Iowa. He worked as a news reporter, a business college teacher, a stock and granite concern, before finally setting in Chicago as a lawyer in 1896. In July 1910 he married Jean Thomson, a Scottish girl and a co-

member in Chicago Prairie Club.

He was the first Chairman of the Board of the National Society for the Crippled Children and Adults in the U.S.A and of the international Society for Crippled Children. He was awarded an honorary Ph.D in 1933 by the University of Vermont.

The first Rotary Club was formed on 23rd February 1905 by Paul Harris with Silvester Schiele, a coal merchant, tailor, to bring together business and professional men in friendship and fellowship. The first club meeting formed the nucleus for the thousands of Rotary Clubs which were later organized throughout the world. Paul Harris named the new club "Rotary" because the members met in Rotation in their various places of business.

Elected President Emeritus of Rotary International in 1912 Paul Harris was active in Rotary until his death on 27th January, 1947.

ROTARY INTERNATIONAL PRESIDENT MESSAGE

The Magic of Rotary is belonging, and it's a feeling that can appear when you least expect it. Earlier this year, I was in Slovakia serving as a president's representative during a six-week trip through Europe. When I wrote to Katarina Cechova, governor of District 2240 at the time, I mentioned that my grandmother Veronica Zilka grew up in a small village in the area before settling in the U.S.

It wasn't long before Cechova tracked down my grandmother's village, Jakubova Vol'a. She even organized a visit for me, where I received an unforgettable Slovakian welcome.

When I entered the community center of Jakubova Vol'a, a small crowd of people dressed in traditional Slovakian clothing greeted me. They sang with beautiful and powerful Central European voices that reminded me of my grandmother.

A lot of families play cards or games when they get together. When I was young, my father would pick up his accordion and lead my family in song. My grandmother would sing along with her impressive voice.

When I walked into the community center and heard traditional music from my childhood when I saw a woman play the accordion the way my dad played - I suddenly felt like a little girl sitting at my grandmother's house in Monessen, Pennsylvania. I burst into tears of joy at the memories.

But the magic didn't stop there. District Governor Cechova really outdid herself. A local genealogist worked with a videographer to make a short film about my grandmother. We watched the video together in the community center.

When the video ended, I turned around and saw a man standing in the back of the room. I quickly learned that this stranger, Frantisek Zilka, was my second cousin. His grandmother and mine had been sisters. I felt like I had been struck by lightning.

I visited my newfound cousin's home, which happens to be the home where my grandmother was born. There, he shared old photographs I had never seen of my dad, my uncle, and my grandmother. Since then, I can't stop thinking about my family of Rotary. When I refer to you as my family, I'm not just being kind. I really think of everyone in Rotary as my family. But I never would have imagined that my Rotary family would introduce me to long-lost personal family.

Sitting in that community center listening to traditional Slovakian music from my childhood filled me with joy and a profound sense of belonging. I am so grateful to District Governor Cechova and everyone who helped create that magical experience.

As members of Rotary, we have a unique opportunity to share the same magic with each other and with the world. I encourage you to consider how you can help spread that magic and ensure other members of your club- other members of our Rotary family feel like they truly belong.

Stephanie A. Urchick
RI President 2024-25

Dear Fellow Rotarians and Friends of District 3220,

As we embark on the Rotary year 2024-25, I am filled with excitement and anticipation. This year, we unite under Rotary International President Stephanie Urchick's theme: "The Magic of Rotary." This theme beautifully captures the essence of our mission—the transformative power of Rotary when we come together as the "irresistible team" to serve our communities and the world.

Our district will be guided by the Rotary Action Plan, focusing on six impactful projects that address critical needs and create lasting change. "Rotary for Little Hearts" will provide essential care and support for children with congenital heart disease. "Rotary for Business" will empower businesses and entrepreneurs through networking events, primarily focusing on Rotarians and Rotaractors. "Rotary for Environment" will champion sustainable practices and environmental stewardship. "Rotary for Career Guidance" will offer guidance and support to young individuals as they navigate their career paths. "Rotary for Differently Abled" will promote inclusivity and assist those with disabilities to find career options. "Rotary for Healing Minds" will address mental health issues with compassion and practical support.

In addition to these projects, we proudly announce a major joint initiative with District 2982: "Hope on Wheels." This project aims to distribute 2,500 bicycles to deserving families, enhancing mobility and opportunities for education and livelihood.

Our training seminars, including PrePETS, AGTS, PETS, and the 4-in-1 Seminar (covering Grants, Service Projects, Public Image, and Membership), as well as the District Learning Assembly (DLA), have laid a strong foundation. Having the first-of-its-kind PETS in Jaffna for all our Presidents was a unique experience. Now, it is time for action.

Your unique talents, passion, and dedication are the driving force behind these initiatives. Your commitment will help us harness the "Magic of Rotary" to create meaningful impact and touch countless lives. Together, we will make a difference.

Let's make this year one of remarkable achievements, fellowship, and unforgettable service moments. As a united district, we have the potential to achieve great things. With our collective efforts, we will turn our vision into reality.

Yours in Rotary,

Sushena Ranatunga

Dear Fellow Rotarians

First of all, my heartfelt sympathy to the untimely demise of President Kirubakaran of Rotary Club of Chunnakam heritage. President Kirubakaran has worked tirelessly during his short period as the president of the club for the benefit of the community in the jaffna peninsula.

Rotary club of Chunnakam heritage started during 2014/15. The Charter President Rtn Navaratnam Thevaruban is currently serving the District as an assistant governor . Also, Rtn Bavatharani is currently serving as one of the Assistant District Interact chairs.

In this short period of time, RC Chunnakam heritage has excelled in every service avenue and also has contributed to the APF and Polio program. This year, RC Chunnakam heritage has already been planned to contribute to the pilot project of the District 3220 "Rotary for the Little Hearts."

My best wishes to all the members of the Rotary Club of Chunnakam for their future activities.

Thanks

DS Gamini Madanayake

Message from Assistant Governor

Dear Rotarians of the Rotary Club of Chunnakam Heritage,

It is a privilege to pen this message for your special 2nd e-bulletin, commemorating the 10th anniversary of your incredible journey of service and impact. 10 strong years of service, camaraderie, and commitment to the spirit of Rotary! As a relatively young club, you have proven that age is no barrier to achieving greatness. The camaraderie you share, built on mutual respect and a shared passion for service, is the foundation of your amazing club.

As we celebrate this significant achievement, we also honor the memory of your late President, **Rtn. Dr. PHF. Kirupakaran**. It is with great sorrow that I learned of the untimely demise of your esteemed President, Rtn. Dr. PHF Alasundaram Kirupakaran, in November 2024. Please accept my deepest condolences on this irreplaceable loss. Dr. Kirupakaran was a visionary leader, a devoted Rotarian, and a founding member of your esteemed club. His passing has left a void that is felt not only within your club but also throughout the Rotary family.

Rtn. Kirubakaran was not just a great leader but also a source of inspiration for everyone around him. His vision and guidance enriched your projects and strengthened the community. As you continue to uphold his ideals and advance the club's mission, know that his spirit lives on through your service and unity.

I deeply regret being unable to attend his funeral in person due to truly unavoidable personal circumstances. However, my thoughts and prayers have been with you all during this difficult time. I am heartened to know that his final journey was honored with respect and dignity by the Rotary District Governor, District Secretary, and fellow Rotarians—a testament to the profound impact he had on so many lives.

Despite this tremendous loss, your club has shown unwavering dedication to service. Your club's resilience in the face of adversity is nothing short of remarkable. Your recent efforts in flood relief—distributing dry rations, mosquito nets, and providing meals to over 350 flood-affected individuals across multiple areas—exemplify the spirit of Rotary. Your successful drug awareness initiatives further reflect your unwavering commitment to making a difference.

May his soul rest in peace. May Rtn. Dr. Kirupakaran's legacy inspire you to continue this incredible work. Please know that I am here to support you as you honor his memory through service.

In Rotary Service,
Rtn. PHF. PP. N.T. Raguraam.
