## Foreword

**"Education is the most powerful weapon which you can use to change the world" - Nelson Mandela**

**T**he twenty first century graduate requires a paradigm shift towards Outcome Based Education (OBE) and Student Centered Learning (SCL). The curriculum designed and developed incorporates the necessary knowledge, skills, attitude and mindset that a graduate needs into his/her curriculum. The assessment and evaluation should ensure the quality of a graduate more important than ever before.

The process of curriculum designing of the FAC is taken into account the core elements of the educational process such as graduate attributes, intended learning outcome (ILO) and aligning the course content with reference points of Sri Lanka Qualifications Framework (SLQF). The curriculum of the FAC facilitates the volume of learning at each level is described in terms of credit by SLQF. The curriculum of FAC ensures that the graduate will achieve the ILO through appropriate assessment and evaluation procedure.

The Students' Manual of the FAC contains learner friendly description of the study programme and course curricula including objectives, ILO of the programme, course level, credit notional learning hours, course contents, teaching learning strategies, assessment and evaluation procedure and recommended supplementary readings.

I hope that the FAC Students' Manual will help the student to understand the content of new curriculum, assessment method and other relevant information. I presume that it will be accessible in electronic version in the EUSL website.

I appreciate Dr.T.Krishnamohan, Chairman of Curriculum committee and Editor in Charge of Students' Manual, Members of Curriculum committee, Heads of Departments and Coordinators of Disciplines for their valuable contribution in preparing this Students' Manual.

## **Acknowledgement**

I would like to express my sincere appreciation to Dr. K.Rajendram, Dean of the Faculty of Arts Culture (FAC) and all the members of the FAC, Eastern University, Sri Lanka for their trust laid in assigning me as the chairman of the faculty curriculum committee and as an editor in charge for the faculty students' manual-2016.

First of all, I would like to thank the members of the curriculum committee wholeheartedly and in particular Prof. Ammankili Murugathas and Dr.J.Kennedy for their tremendous support and professional input given in developing the faculty curriculum.

The success of the faculty curriculum and the preparation of the students' manual would not have been possible without the support of the Heads of the Departments, Co-ordinators, Professors, Senior Lecturers, Assistant Lecturers of the FAC. I would like to extend my sincere thanks to all of them on behalf of the curriculum committee.

My sincere thanks also goes to all the English Language Editors for their professional support in due time. In particular, I would like to extend my gratitude to Miss.S.Kalaimathy, Instructor in English Gr-II, English Language Teaching Unit (ELTU) and Rev. Fr. A. A. Navaretnam, Co-ordinator, Discipline of Christianity for their tireless effort laid to bringing the students' manual to the present format.

I also would like to extend my sincere thanks to Mrs. M. S. J. Mumthaj Sameem, the Senior Assistant Register of the FAC, all the Non- Academic Staff and Students of the FAC for their time and energy to complete the faculty's goal successfully on time.

Finally, I would like to express my special gratitude and thanks to HETC projects Co-coordinators for allocating funds to conduct relevant workshops and facilitate the entire process to improve the FAC curriculum according to the the Sri Lanka Qualification Framework (SLFQ) guidelines.

Thank you for the cooperation.

## **Eastern University, Sri Lanka**

### **Brief History**

The Eastern University, Sri Lanka (EUSL) was established on 1<sup>st</sup> of October, 1986 by a University Order dated 26<sup>th</sup> September 1986 issued under section 2 of the Universities Act No.16 of 1978. The University was preceded by the Batticaloa University College, established on 1<sup>st</sup> August 1981 at Vantharumoolai, Chenkalady, 15 km north of Batticaloa.

The Batticaloa University College was established to fill a long felt need for the development of a Higher Education Institution in the Eastern Province.

The Batticaloa University College began to function with two Faculties; Faculty of Science and Faculty of Agriculture. Both these faculties were affiliated to the University of Peradeniya. Professor S. Rajaratnam was appointed as the Rector of the College and he functioned in this capacity until February 1985.

Professor K.D. Arulpragasam was appointed as the Rector of the Batticaloa University College in April 1985. He successfully uplifted the University College to an independent University and he was appointed as the first Vice-Chancellor in October 1986.

Two new Faculties viz. the Faculty of Commerce & Management with the Departments of Economics, Commerce, and Management, and the Faculty of Cultural Studies with the Departments of Arabic, Islamic studies, and Fine Arts were established in 1988.

The Faculty of Cultural Studies was then expanded with the Department of Languages, the Department of Social Sciences and the Department of Geography; and was renamed as the Faculty of Arts and Culture in 1991.

Subsequently the Faculty of Health-Care Sciences of the Eastern University was established and students were admitted to this faculty from 2006 onwards.

A Campus of the Eastern University functions in Trincomalee with the Faculties of Applied Sciences and Communication and Business Studies.

Swami Vipulananda College of Music and Dance at Kallady, Batticaloa was affiliated to the Eastern University and renamed as Swami Vipulananda Institute of Aesthetic Studies (SVIAS).

## **Energetic Role of Faculty of Arts Culture**

The Faculty of Arts & Culture (FAC) is located at Vantharumoolai, Chenkalady, as it is culturally as well as economically a significant centre of the district of Batticaloa and extends its influence towards Ampara and Trincomalee as well. The FAC faced a lots of challenges and sustained its academic activities for the betterment of the nation as well as the region. The FAC comprises of ten Departments and two Disciplines with over 55 academic staff and around 1350 students.

The FAC at present offers four types of degree programmes leading to Bachelor of Arts (B.A.), Bachelor of Arts-Honours (B.A.Hons) Bachelor of Education Honours (B.Ed.Hons) and Bachelor of Pre-School & Primary Education Honours (B.PEd.Hons).

With significant contribution to strengthen the higher education in Humanities and Social Sciences in the university system the FAC, EUSL has developed a full-fledged Faculty with the Departments namely Arabic, Comparative Religion and Social Harmony, Education and Childcare, Fine Arts and Drama and Theater, Geography, Hindu Civilization, History, Islamic Studies, Languages and Social Sciences and two Disciplines, namely, Christianity and Economics. Currently, except Arabic, English, Islamic Studies and Christianity, all other disciplines in the FAC offer Honours degree programmes for students.

In addition, to extend its services to the society, the FAC also incorporated an external undergraduate degree, extramural studies, centre for early childhood and development and centre for social research and development programmes.

To further the dissemination of knowledge at undergraduate level, the FAC expands its programmes of studies to postgraduate degree programs leading to Master of Education (M.Ed.), Master of Arts (M.A.) in Tamil, Fine Arts and Drama & Theater Arts, Geography, Master of Philosophy (M.Phil.) and Doctoral of Philosophy (Ph.D.) in Tamil, Fine Arts and Drama & Theater Arts, Geography and Education.

Orientation programmes beneficial for new entrants prior to embarking on the degree courses are held before the commencement of degree programmes. In addition, students are able to attain awareness of the university system, knowledge in enhancement methods which are built into the curricula and Students Centered Learning (SCL) assessment schemes. Consequently, the FAC plays a dynamic role in the enrichment of social, cultural and economic standards of the predominantly rural population in the region.

## **Admission Policy of the UGC**

The university system in Sri Lanka operates within the framework laid down by the universities Act No. 16 of 1978. Under this Act, the University Grants Commission (UGC) is empowered on the selection of students for admission to the undergraduate courses in the national universities in Sri Lanka. Accordingly, at present the UGC selects students for admission to undergraduate courses for 15 national universities and 4 institutes, which have been set up under the universities Act.

In addition to admission of students with local qualifications, special provisions have been made for admission of a limited number of students with foreign qualifications also to follow undergraduate courses of study leading to bachelor's degrees.

Selection of students to universities will be determined on the basis of rank order on average Z-Scores obtained by candidates at the G.C.E. (A/L) Examination released by the Commissioner General of Examinations.

The number of places proposed by universities for each course of study will be assigned between the students based on the ratio of number of students eligible for each course of study by satisfying the subject prerequisites for university admission in respect of each course of study at the G.C.E. (A/L) Examination.

The UGC provides information on university admission policy, courses of study, and the number of places available in universities under each course of study, the subject combination available in each university under different courses of study, and the minimum marks required for admission to various courses in respect of each administrative district.

### **1.4.1 Students Registration**

All students selected for admission to the university, are required to register themselves with the university to which they are admitted, before commencing their course of studies in each academic year. Registration form duly completed together with all documents requested should be returned to the students affairs division of the university on or before the date specified.

### **1.4.2 Effect of Registration**

Any student who completes registration and thereby becomes a registered student of the EUSL is bound by-laws, rules and regulations of the EUSL and is forbidden to register for any other undergraduate course in any other universities in Sri Lanka.

### **1.4.3 Students' Record Book and Identity Card**

On completion of registration, the EUSL will issue to every student a student's record book and an Identity Card bearing his / her photograph duly embossed with the seal of the EUSL. Every student shall carry his / her record book or identity card whilst in the EUSL premises, and shall produce such record book or identity card when called upon to do so by any member of the academic, administrative or security staff of the EUSL.

### **1.4.4 Renewal of Registration**

All Students who continue their course of studies during their second and subsequent years are required to renew their registration at the commencement of each academic year on or before the dates notified. Forms for renewal of registration are made available at student affairs division. The form for renewal duly completed together with the needed documents should be submitted to the student affairs division on or before the closing date specified.

### **1.4.5 Subjects Registration**

Students newly admitted to a faculty are required to select courses available in the departments and register the selected subjects for every semester of the every year. Subjects registered once will not be permitted to be changed.

Therefore, students are advised to study the subject combination of their choice carefully before registration. The period at which students are required to register for courses is announced by the FAC.

This registration process is effected through the coordination of the Dean's office where the Senior Assistant Registrar / Assistant Registrar of the Faculty is doing the registration. Unless the registration form is duly perfected and signed by relevant departments / desiplies registration application will not be entertained.

Student's special attention is invited to the fact that subjects (main) offered in first semester of the first year must continue throughout entire degree program in case of general degree.

Honours degree is offered on a subject, the study of which is continued from second year to fourth year. Students who fail to register for courses during the specified period shall not be allowed to register without the approval of relevant course lecturer and Head of the Department followed by consultation of the Dean.

## **Authorities of the University**

## Structure of the Degree Programmes

### 2.1.1 Introduction

The academic programmes leading to Bachelor of Arts and Bachelor of Arts Honours degrees at the FAC are of three years and four years durations respectively, and conducted under semester based credit unit system. The curriculum of the FAC is revised to suit the dynamic needs in the field of Humanities and Social Sciences and to the rapid changes taking place in technological transformation in the global academic scenario. In this perspective, revision of the curriculum of the entire undergraduate degree programme for the FAC has been tabled using Student Centered Learning (SCL) and outcome based assessment method.

Considering the importance of English Language (EL) and Information Technology (IT) in higher learning and job opportunities, the general and special degree students are required to improve their EL, IT, and mathematical skills. The EL skill programme is intended to improve reading, writing, listening, and speaking abilities of students in the English language for all degree programs. The mathematical skill programme is provided to acquire logical thinking. The IT skill programme is helpful to students who are not familiar with basic IT skill.

### 2.1.2 Semester System

Each academic year consists of two semesters and each semester comprises of fifteen (15) weeks inclusive of seventy five (75) working days of academic activities. Each course is taught and assessed basing on the SCL within the same semester. The three years B.A degree programme (Level 5 - SLQF) comprises of six semesters and six end-semester examinations, and the four years Honours degree programme (Level 6-SLQF) comprises of eight semesters and eight end- semester examinations.

### 2.1.3 Credit Unit

In the SLQF credit unit, the student workload of a full time study programmes is defined as 1500 notional learning hours per academic year. The notional learning hours are demarcated and included the following learning activities:

- Direct contact hours with teachers and trainers,
- Time spent in self-learning,
- Preparation of assignments,
- Carrying out assignments and assessments.

B.A and B.A Honours degree programmes (SLQF Level 5 & 6 ) address any or all of these which shall be considered. The course unit or a module workload should be computed based on the total amount of learning activities. A student is expected to complete all learning activities in order to achieve the predicted intended learning outcomes.

The following distribution is given for the credit value referred in SLQF 2015

- 50 notional learning hours for students learning activity or field studies is considered to one credit
- 100 notional learning hours for students learning activity or field studies is considered to two credits
- 150 notional learning hours for students learning activity or field studies is considered to three credits
- 100 notional learning hours for a practical activity is considered to one credit
- The fourth year research project in a Honours degree programme should not be less than a total of at least 6 credits of SLQF level 6.

#### **2.1.4 Composition of Courses**

The undergraduate degree programmes include core, ancillary, optional courses and internship training, and in addition, the Faculty also offers non-credit foundation courses within the degree programmes.

The ancillary, optional and non-credit foundation courses are designed to meet the themes of the Higher Education for Twenty first Century (HETC) policy. The theme is to deliver quality higher educational services in line with equitable, social, economical and development needs of the country.

#### **I. Ancillary Courses**

Ancillary courses are compulsory for all first year students. The lists of courses include English Language, Information Technology, Science and Critical Thinking, Social Harmony, Basic Sinhala, Mathematics etc.

#### **II. Optional Courses**

Second and Third year B.A. and Honours Degree Students will be allowed to choose one optional course from a pool of courses comprises two semester with, outstanding academic quality. The optional courses are taught by conversant academics from different departments in the faculty.

#### **III. Non Credit Foundation Courses**

To assist students to acquire a satisfactory proficiency in English Language, Information Technology, and basic Sinhala, a set of non-credited foundation courses are included in the B.A. and Honours degree programmes of the FAC. It is compulsory for every student to pass all the non-credited foundation courses. Each student must get minimum of **Grade C** from each paper of non-credit foundation courses in the second and third year of study in order to become eligible for the award of the B.A. / Honours degree.

## **IV. Internship Training / Community Study**

Internship Training / Community Study is essential for the B.A and Honours Degree students to enhance their outcome based academic programme and other forms of active learning. This training provides opportunities for students to gain practical training under supervised settings where they can explore career choices, experiment classroom theory, establish professional contacts, build self-confidence, and gain a wide range of work-related skills.

The third year B.A. Degree students earn three credits from their internship training / community study experiences. Students are requested to consult their academic advisors to know about the access to internship training / community study.

The fourth year Honours Degree students earn credit for their internship / community study experiences. Students are requested to consult their respective Head of Department for more information about the said internship training / community study.

The student shall submit a report with a internship training / community study exposure.

## **V. Field Tour**

The B.A and Honours Degree students are expected to fulfill a fieldwork experience with their relevant course. In this respect, at least three days of field tour are expected from 3<sup>rd</sup> year B.A. and Honours degree students. The student shall submit a written assignment, with supportive readings along with a field tour exposure.

### **2.1.5 The medium of instruction**

The students are taught, instructed and guided by highly trained professional academic staff. The medium of instruction for all degree programme is in Tamil.

### **2.1.6 Course Notation**

#### **I. Core Course Notation**

The core course notation includes a two alphabets abbreviation indicating the name of the Discipline responsible for the core course, followed by a four digit number denoting the year of study, semester, serial number of the core courses and credit value respectively.

**E.g.1: AR 1112**

**AR** denotes the Arabic

1<sup>st</sup> digit denotes the Year

2<sup>nd</sup> digit denotes the Semester

3<sup>rd</sup> digit denotes the Course Number

4<sup>th</sup> digit denotes the Credit Value

**E.g.2: CRS 2113**

**CRS** denotes Comparative Religion Special and rest of the notation are as same as the above *example 1*

## II. Ancillary Course Notation

The ancillary course notation includes three alphabets abbreviation indicating the name of the discipline responsible for the ancillary course, followed by a four digit number denoting the year of study, semester, serial number of the ancillary courses and credit value respectively.

**E.g.: AEL 1112**

AEL denotes Ancillary English Language and rest of the notation are as same as the above *example 1*

## III. Optional Course Notation

The optional course notation includes a three alphabets abbreviation indicating the name of the discipline responsible for the optional course, followed by a four digit number denotes the year of study, semester, serial number of the optional courses and credit value respectively.

**E.g.: OSA 2113**

OSA denotes Optional Sociology and Anthropology and rest of the notation are as same as the above *example 1*

## IV. Non - Credit Foundation Course Notation

The non- credit course notation includes three alphabets abbreviation indicating the name of the discipline responsible for the non- credit course, followed by a four digit number denotes the year of study, semester, serial number of the non- credit course and credit value respectively.

**E.g.: NBS 1112**

NBS denotes Non- Credits Ancillary Course Basic Sinhala and rest of the notation are as same as the above *example 1*.

## V. Internship Training / Community Study Course Notation

The Internship Training notation includes three alphabets abbreviation indicating the name of the Discipline responsible for the internship training, followed by a four digit number denotes the year of study, semester, serial number of the internship training and credit value respectively.

**E.g.: INT 3113/ 4113**

INT denotes Internship Training and rest of the notation are as same as the above *example 1*.

## **2.1.7 Abbreviation used in the Faculty**

**BACHELOR OF ARTS (B. A.)  
DEGREE PROGRAMME  
(LEVEL 5 - SLQF)**

## Bachelor of Arts (B. A.) Degree Programme - Level 5 - SLQF

### 2.2.1 Introduction

The Degree programme leading to the B.A. degree of the FAC is offered for three (3) years duration and conducted under semester credit unit and SCL assessment based system with six semesters.

All courses within the structure of B.A. degree become an integral part of the overall educational experience. The core courses will be relevant to an individual's interests. Students are encouraged to consider that the core course strength is useful to their current interests and goals, and students are also made to be sure that the core course selections are counterpart of the academic requirements of a student's Honours degree programmes.

The courses offered in the list of core courses for the B.A. degree are compulsory whereas a student has the freedom to select the core course for B.A degree programme offered by ten departments and two disciplines (*E.g. Tamil, Geography, and Economics whereas Political Science, Geography and Economics are the core subjects of choice*). A student should complete a minimum 90 credit units comprising the core courses 60 credit, ancillary courses 18 credits, optional courses 09 credits and internship training 03 credits during the six semesters (three academic years) for the B.A. degree programme.

### Credit Allotment of the B.A. Degree Courses

Core Courses	12	24	24	60
Ancillary Courses	18	-	-	18
Optional Courses	-	06	03	09
Internship Training	-	-	03	03
<b>Total No. of Credit</b>	<b>30</b>	<b>30</b>	<b>30</b>	<b>90</b>

### **2.2.2 Objectives**

- To understand special focus on diversified and innovative programs as part of the UGC's strategy,
- To expand scenarios in the fields of humanities and social sciences to reach international level, and ensuring its students by enriching and enlightening through learning experiences,
- To develop an in-depth understanding of both theory and practice in their core courses,
- To provide both a foundation in basic skills and the promotion of advanced skills,
- To identify numerous traditional and non-traditional career avenues,
- To develop strong communication skills linked to their career and creative goals,
- To develop English and Information Technology (IT) skills,
- To improve interpersonal relationship, team work and leadership qualities,
- To give students a broad based and multidisciplinary academic foundation,
- To train graduates who are able to teach, do research and handle social responsibilities in private and public enterprises,
- To offer students wide knowledge in the Humanities and Social Sciences that is fairly sufficient to expose them to numerous job opportunities.

### **2.2.3 Intended Learning Outcomes (ILO)**

After completion of the B.A. degree in FAC, students will be able to ;

- recall knowledge through gathering information, including reading and listening, computer-assisted searching, and scientific test and observation,
- explain and share knowledge, independently and in collaboration with others,
- effectively, both in writing and speaking and by means of accepted methods for presentation, organization, and debate particular to their disciplines,
- differentiate international interdependence and cultural diversity and develop consideration for values, lifestyles, and traditions that may differ from their own,
- construct the role of aesthetic and creative activities expressing both imagination and experience.
- estimate knowledge from a variety of sources and fields with in logical and rational manner.

**BACHELOR OF ARTS  
HONOURS (B. A.HONS) DEGREE  
PROGRAMME - (LEVEL 6 - SLQF)**

## **Bachelor of Arts Honours (B. A.Hons) Degree Programmes - Level 6 - SLQF**

### **2.3.1 Introduction**

The Degree program leading to the B.A Honours degree in the FAC is offered for four (4) years duration and conducted under a semester credit unit and SCL assessment based system with eight semesters. At the beginning of the 2<sup>nd</sup> year of study, a student who is interested in the field of specialization should apply to follow a Honours degree programme from a respective department / discipline.

All courses within the structure of Honours degree become an integral part of the overall specialization field experience. The field of Honours degree will be relevant to an individual's interest. Students are encouraged to consider that field of specialization strength is useful to their knowledge hub and job market.

The Honours degree courses are offered in the list of core courses. Honours degree courses offered by the respective department and discipline can be selected from the list of core courses. A student should complete a minimum 120 credit units comprising the core courses 81 credit, ancillary courses 18 credit, optional courses 12 credit, Dissertation 06 credit and internship training 03 credit during the eight semester (four academic years) for the Honours degree programme.

### **Credit Allotment of the B.A. Honours Degree Courses**

<b>B.A Honours Degree</b>	<b>1<sup>st</sup> Year</b>	<b>2<sup>nd</sup> Year</b>	<b>3<sup>rd</sup> Year</b>	<b>4<sup>th</sup> Year</b>	<b>No. of. Total Credit</b>

<b>No. of Total Credit</b>	<b>30</b>	<b>30</b>	<b>30</b>	<b>30</b>	<b>120</b>

### **2.3.2 Criteria**

The criteria for the Honours degree programme are as follows:

- Should obtain at least GPA 3.0 in all papers in both semesters of the subject of specialization concerned. In addition, the student should pass remaining core and ancillary courses by obtaining minimum GPA of 2.00
- Among the ancillary courses the student should obtain GPA 2.00 in ICT & Basic English I & II in both semesters. If a student fails the ancillary courses she/he should complete course before end of the study programme.
- Student will be selected according to the merit order and the number of intake students will be determined by the respective department.
- In case a student is admitted to the FAC under special intake she/he would be allowed only to read Honours degree programme in the subject/s assigned to.

### **2.3.3 Dissertation**

Dissertation is entirely devoted to research and writing. Each student or group of students is guided by a senior lecturer who is appointed by the respective department / discipline. Prior to writing up the dissertations, the student has an opportunity to present her/his research proposal in a forum. The student is expected to maintain a record of consultation with the supervisor and has to annex along with the dissertation.

# **EXAMINATION AND ASSESSMENT**

## Examination and Assessment

### 3.1.1 Assessment Techniques

Assessments that include both continuous and end-term examinations are strongly recommended. Combination of continuous (**assignments, quizzes, mid-semester test, discussion forums, take home assignments and projects**) and end-term examination should be practiced as much as possible. The assessment technique of the Faculty of Arts and Culture incorporates Student Centered Learning (SCL), assessment method, Mid Semester Test (MST) and End Semester Examination.

The outcome based assessment has profound effects on student's future careers. Therefore, it is important that SCL assessment is carried out professionally at all times. It takes into account the extensive knowledge which exists about testing and examination processes. Assessment practices need to reflect on encouragement and reward of the SCL approach.

Regular assessment in SCL related to a course would be different from MST and End Semester examinations process. The assessment tasks can be verified with the developmental process as students are going through. The SCL assessment of a particular course (partially) counts towards the final marks for the respective course.

The following twelve learning outcomes identified by the Ministry of Higher Education in Sri Lanka as of national importance and have been customized as level descriptors to suit each level of qualification. The categorization of the learning outcomes according to the principal K-SAM components is as follows:

Categories of Learning Outcomes	Core Area
1. Subject / Theoretical Knowledge	Knowledge
2. Practical Knowledge and Application	
3. Communication	Skills
4. Teamwork and Leadership	
5. Creativity and Problem Solving	
6. Managerial and Entrepreneurship	
7. Information Usage and Management	
8. Networking and Social Skills	
9. Adaptability and Flexibility	Attitudes, Values, Professionalism and Vision for life
10. Attitudes, Values and Professionalism	
11. Vision for Life	
12. Updating Self/ Lifelong Learning	Mind-set and Paradigm

Commonly used student-centered teaching and learning methods description for SLQF recommended for the respective categories of learning outcomes are given below. The needed categories will be utilize by the respective department according to their needs of the course units.

S.No	Categories of Learning outcomes	Student Centered Teaching and Learning Methods	Level Description
1	Subject / Theoretical Knowledge	Independent learning activities, interactive lectures, team-based learning, and other small group activities	Demonstrate knowledge and understanding of concepts and principles of the areas of study. Collect, Analyse and interpret quantitative and qualitative data.
2	Practical Knowledge and Application	Problem-based learning, team-based learning, inquiry-based learning, practical classes, laboratory sessions, role play	Develop arguments and make sound judgments in accordance with basic theories and concepts of the areas of study. Apply knowledge and understanding of concepts and principles of the areas of study.
3	Communication	Student presentations, role play, debates, dramas	Present information, ideas, and concepts efficiently and effectively.
4	Teamwork and Leadership	Group projects, industrial training, small group learning; e.g. problem-based learning, games	Exercise personal/team responsibility, and leadership in the professional environment/work place.
5	Creativity and Problem Solving	Assignments, projects, small group learning activities; e.g. problem-based learning	Develop arguments and make appropriate judgments in accordance with theories and concepts of the areas of study.
6	Managerial and Entrepreneurship	Group projects, industrial training, small group learning; e.g. problem-based learning, games, simulated training, industrial (workplace-based) training	Take initiative, assume personal responsibility and demonstrate accountability.

S.No	Categories of Learning outcomes	Student Centered Teaching and Learning Methods	Level Description
7	Information Usage and Management	Assignments, presentations, projects, case studies	Demonstrate specialized transferable skills related to ICT skills.
8	Networking and Social Skills	Student presentations, role-play, debates, dramas	Ability to work in teams and provide leadership.
9	Adaptability and Flexibility	Group projects, industrial training, small group learning; e.g. problem-based learning, role plays, portfolios	Develop appropriate strategies for adapting to changing environments.
10	Attitudes, Values and Professionalism	Group projects, industrial training, small group learning; e.g. problem-based learning, role play, portfolios	Exercise initiative, personal responsibility and accountability in tasks performed. Demonstrate positive attitudes and social responsibility.
11	Vision for Life	Portfolios, reflective practice	Clearly identify where one wants to be and develop long term goals accordingly. Acquire new competencies that will enable them to assume major responsibilities.
12	Updating Self / Lifelong Learning	Portfolios, reflective practice	Undertake further training and develop additional skills that will enable them to make sound decisions. Identify ways of independent learning and lifelong learning.

**SCL assessment marks should be evaluated out of 100% and should be converted to contribute to 40% of the final marks.**

The learner is expected to meet or demonstrate that certain learning outcomes have been achieved. Therefore, the assessment of the outcomes of learning by effective and appropriate assessment methods are essential in the process of the qualification framework.

## **I. Evaluations of Formative Assessment/ SCL Assessment**

The formative assessment/ SCL assessment marks shall be evaluated for 100%, the same to be converted to 40 % and will be added to the end semester marks.

## **II. Mid Semester Test (MST)**

The Mid Semester Test will be scheduled during the mid-part of each semester for a period of one week. The mid semester evaluation has the potential to improve end semester evaluation and enhance student's performance in the end semester examination.

Further, the mid semester evaluation could be conducted by the teacher in various modes. However, any mode of MST shall be evaluated for 100% and the same has to be converted to 10% and will be added to the end semester marks.

## **III. Evaluations of Summative Assessment / End Semester Examination**

The end semester examination will be held at the end of each semester, prior to the commencement of the examination two weeks of study period would be granted.

The end semester examination marks shall be evaluated for 100% and the same has to be converted to 50% and would add to the final marks of the particular semester concerned.

## **IV. Dissertation**

The dissertation of the honours degree programme shall be converted according to the following scheme:

- Dissertation      60 out of 100%
- Viva-Voce        40 out of 100%

## **V. Summary**

The final evaluation marks of a course shall be converted in the following method:

- End Semester Examination      -      50 out of 100%
- SCL Assessment                      -      40 out of 100%
- Mid Semester Test                   -      10 out of 100%

Formative assesment and mid-semester test are to be made mandatory inorder to site for the final examination.

## VI. Evaluation Procedure

Evaluation of all courses includes SCL assessment during the semester, MST and end semester examination. MST will be conducted at the end of the 7<sup>th</sup> week of each semester. The duration of the examination depends on the course credit.

### 3.1.2 Grading System

The UGC circular No 901 noted 12 grades and grade point values and grade point average (GPA) for awarding classes / pass in assessing students' performance. These are A+, A, A-, B+, B, B-, C+, C, C-, D+, D, and E. To obtain a pass in a subject a student must score a grade C or above.

The FAC uses the above value of each grade and definitions of student performance are shown below:

Grade	Grade Pts.	Marks Range	Awarding Class/ Pass
A+	4.00	89-above	
A	4.00	82-88	
A-	3.70	75-81	First
B+	3.30	68-74	Second Upper
B	3.00	60-67	Second Lower
B-	2.70	54-59	
C+	2.30	47-53	
C	2.00	40-46	Pass
C-	1.70	35-39	
D+	1.30	30-34	
D	1.00	25-29	
E	0.00	00-24	

### 3.1.3 Grade Point Average (GPA) per semester

GPA is computed by dividing the sum of the products of number of credit for each course followed and the grade points earned for that course by a student by the total number of credit for the courses followed during the semester by that student.

## I. Cumulated GPA

Cumulated Grade point Average is computed by dividing the sum of the product of the number of credits of all the courses followed and the grade points earned for that courses by a student by the total number of credit for the courses followed up to that point of time by that student.

$$\text{GPA} = \frac{\text{Total Grade Point/ s } (\sum c_i g_i)}{\text{Total Credits } (\sum c_i)}$$

$c_i$  - number of credits for the  $i^{\text{th}}$  course

$g_i$  - grade point for the  $i^{\text{th}}$  course

## II. GPA for B.A. Degree

The cumulated GPA ( $G_g$ ) for the B.A. Degree will be computed as follows:

$$G_g = \frac{G_1 + 2G_2 + 2G_3}{5}$$

## III. GPA for Honours Degree

The cumulated GPA ( $G_s$ ) for the Honours Degree will be computed as follows:

$$G_s = \frac{G_1 + 2G_2 + 2G_3 + 2G_4}{7}$$

$G_1$  - GPA for 1<sup>st</sup> year

$G_2$  - GPA for 2<sup>nd</sup> year

$G_3$  - GPA for 3<sup>rd</sup> year

$G_4$  - GPA for 4<sup>th</sup> year

$G_g$  - Bachehelor of Arts

$G_s$  - Bachelor of Arts Honours

### 3.1.4 Awarding of Degree

#### I. The Name of Designator and Qualifier

The following degrees shall be awarded by the FAC such as Bachelor of Arts (BA), Bachelor of Arts Honours (B.A.Hons), (some examples are Bachelor of Arts Honours in Political Science and sBachelor of Arts Honours in Geography) Bachelor of Education Honours (B.Ed.Hons) and Bachelor of Pre-School Primary Education Honours (B.PEd.Hons) The minimum grade pass of a course should be C. The GPA will be computed to the first decimal place.

## **II. Awarding of B.A Degree**

A student to be eligible to obtain B.A degree should maintain a cumulative GPA of 2.00 or above in all 90 credit course units, and a candidate may be awarded a class, if she/he has completed the 90 credit units within the period of three consecutive academic years. Except first year of study, both English and IT shall be offered to the students as “non-credit courses” and each student must acquire minimum of **GPA 2.00** from each paper in the second and third year of study. If a candidate fails in one or more course units in the second and third year of study and still completes these units within four academic years, she/he is eligible for a class.

According the UGC circular No 901, students will be awarded academic class at B.A degree as follows :

### **a. First Class**

If she/he obtains CGPA of 3.70 or above and obtains a minimum GPA of 2.00 in all courses she/he will be awarded First class.

### **b. Second Class (Upper Division)**

If she / he obtains CGPA between 3.30-3.60 and obtains minimum of GPA 2.00 in all courses she / he will be awarded Second Class (Upper Division)

### **c. Second Class (Lower Division)**

If she / he obtains CGPA between 3.00 -3.20 and obtains minimum of GPA 2.00 in all courses she / he will be awarded Second Class (Lower Division)

## **III. Awarding of B.A, B.Ed. and PED Honours Degree**

A student to be eligible to obtain B.A Honours degree should maintain a cumulative GPA of 2.00 or above in all 120 credit course units and, obtain a minimum GP of 2.00 in all the course units in all years of study aggregating 120 credits. Except first year of study, both English and IT shall be offered to the students as “non-credit courses” and each student must acquire minimum **GPA of 2.00** from each paper in the second and third year of study and complete relevant requirements within four academic years. A student will be awarded academic honors in B.A Honours degree if she/he has completed the 120 credit units within the period of four academic years. If a candidate fails in one or more course units in the second and third year of study and still completes these units within four academic years, she/he is eligible for a class.

According the UGC circular No 901, Students will be awarded academic class at B.A, B.Ed. and PED Honours Degree as follows

**a. First Class**

If she/he obtains CGPA of 3.70 or above and obtains a minimum GPA of 2.00 in all courses she/he will be awarded First class.

**b. Second Class (Upper Division)**

If she / he obtains CGPA between 3.30-3.60 and obtains minimum of GPA 2.00 in all courses she / he will be awarded Second Class (Upper Division)

**c. Second Class (Lower Division)**

If she / he obtains CGPA between 3.00 -3.20 and obtains minimum of GPA 2.00 in all courses she / he will be awarded Second Class (Lower Division)

**IV. Effective Date of the Degree**

- The effective date of the degree shall be the date of the last paper of the final examination for the B.A. degree.
- The effective date of the honours degree is either the date of submission of the Dissertation which is determined by Board of the FAC or the last paper of the final examination depending on which comes last.

**3.1.5 Eligibility to sit for the Examination**

**I. Attendance for Lecture**

One hundred percent regular attendance is expected from each student. A student who does not have 80% attendance for both theory and practical, and has not satisfied the course requirements maintained by the teacher concern shall not be eligible to sit for the end semester examination and given IC (Incomplete) symbol where the candidate shall be required to repeat the course in the subsequent semester. The candidate shall be awarded maximum "C" grade which is equivalent to GPA 2.00 to that particular paper/course.

Students are requested to obtain prior approval from the Dean of the Faculty by submitting a letter of request issued by the director/ physical education to support the absence from course work due to any kind of sports activities inside the university system. Representatives of the students' union must submit official document(s) to the Dean of the faculty to support the absence from course / practical work due to official union meetings / activities.

## **II. Submission of Medical Certificate**

Students who fail to continue course work due to medical reasons are requested to submit proper medical certificate issued by the government hospitals/registered medical practitioners/university medical officer (UMO).

Under exceptional circumstance medical certificates issued by other sources could be validated by university medical board (UMB). A valid medical certificate means, a medical certificate issued by the following authorities;

- University Medical Officer (UMO)
- District Medical Officer (DMO)
- Consultant specialist in the relevant field
- Head of a Government Based Hospital
- Medical Superintendent of an Ayurveda / Government Hospital
- Ayurveda Physician registered in Ayurveda Medical Council

## **III. Repeat Examination**

- If a candidate obtains GPA below 2.00 in a paper, she/he must repeat the paper.
- Those who failed in a course unit are required to sit for the said examination when it is held next.
- A candidate can repeat a paper not more than thrice. A grace chance may be considered with the approval of the Faculty Board of FAC and the subsequent senate, EUSL.
- A repeat candidate shall be awarded a maximum of GPA 2.00 in the respective paper.

## **IV. Absence from the Examination**

Except for any justifiable reasons to the faculty board and the medical grounds supported by a valid medical certificate, if a student gets absent from scheduled examinations, a grade E will be given. A student who has obtained grade E in a particular course has to repeat the course at the first available opportunity. The maximum grade given for a repeated examination shall be C or GPA of 2.00

A student is physically indisposed during examination period should contact the UMO immediately. While a student is physically indisposed at home or elsewhere during the examination period student's parents/guardian should inform it to the dean of the FAC within seven (07) days by a telegram followed by a written communication. Medical certificate also should be sent to the dean of the FAC within fourteen (14) days of the particular examination.

If a B.A degree and honours degree student has completed a period of six (06) and eight (08) academic years respectively from the date of registration to the EUSL, she/he shall not be permitted to sit for any course examination in the FAC. The registration of the student shall automatically cancelled after the above said stipulated period.

### **3.1.6 Moderation and Scrutiny of Question Paper**

All question papers should be moderated by senior academic staff in the subject. Scrutiny of examination papers and evaluation of answer scripts will be made according to the regulations and guidelines of EUSL.

End semester examination question paper should have two parts such as, part I and Part II. Part I consists of structured questions and the number of questions depend on the credit values of the respective course. Part II consists of essay type questions and the numbers of questions depend on the credit values of the respective course.

### **III. Discipline of Sociology & Anthropology**

The Course of Sociology and Anthropology in the Department of Social Sciences share common philosophical roots and concern for the social and cultural conditions of human life although the two fields have developed independently over the last century. Historically, Sociology exists more on the modernized social structure, while Anthropology focuses on primitive culture. Such distinctions of subject matter no longer prevail, and the line between Sociology and Socio-cultural Anthropology today is neither firm nor fixed. The Special Degree in Sociology and Anthropology builds on the overlapping concerns and distinctive strengths of Sociology and Anthropology. Instead of maintaining separate curricula in the two fields, the department has developed a single curriculum dedicated to providing solid preparation in social theories and qualitative and quantitative methodologies.

#### **Objectives**

- To introduce a variety of methodological perspectives including ethnographic fieldwork and interviewing,
- To learn survey research techniques,
- To develop texts, discourse, and the practices of representation,
- To stress the relationship between cultural formations and social structures set in historical context,
- To emphasis in the study of inequality and difference by race, gender, class, and region,
- To providing classroom study, the department provides majors and non-majors opportunities to carry out to field research within the country,

#### **Intended Learning Outcomes**

After completion of the course in Sociology and Anthropology, students will be able to:

- demonstrate the knowledge of the core concepts of Sociology (social structure, culture, social stratification and inequality, race, ethnicity, and gender, and globalization)
- understand the knowledge gained out of the methods of Sociological research
- develop knowledge of diversity within or between societies
- apply Sociological concepts or principles to individual experiences or the social world
- demonstrate the knowledge of cultural variability within one geographical region of the world
- practice the major theoretical perspectives of Anthropology in the field

# **AFFILIATED UNITS AND CENTERS**

## Library

The Library Network of the Eastern University, Sri Lanka comprises the Main Library which caters to faculties of Agriculture, Arts&Culture, Commerce & Management and Science and one branch library for the faculty of Health Care Sciences, Trincomalee Campus Library for the faculties of Communication & Business Studies

and Applied Sciences and the Institute Library of Swami Vipulanandha Institute of Aesthetics Studies.

There is a diverse collection of information resources in the EUSL libraries, especially in terms of the breadth and depth of coverage. The collection is multi - disciplinary, encompassing variety of subjects related to the established faculties and a full range of services are provided in each of four libraries including loan, inter library loan, reference and advisory services.

Readers may approach the Reference and Membership Desk for information or any assistance in the use of the Library collections and services. Users may contact Automation Unit and E-Resources Unit for computerized services, CD ROM-based search services and web-based electronic journals. For special information requirements, users may also reach person in-charge of Readers Services or the Librarian.

All the students of the Institute can register themselves for the membership of the Library. All Registered students are issued bar-coded patron cards. The Undergraduate & Post-Graduate students studying for more than one academic year needed to renew their membership every academic year. Membership Registration forms could be obtained from the Reception Counter. Students should produce a photocopy of their Student's Identity card / Registration book / an acceptable document.

All Undergraduate and Post-Graduate students should hand over the library tickets obtainable from the library within two weeks after their final examination. 'Issue of No Claim Certificates will be withheld until the respective applicants return all the materials'

## **Centre for Information and Communication Technology**

The Centre for Information and Communication Technology (CICT) was established at the Eastern University in 2003.

CICT conducts various courses in computer science and information technology both to internal and external students of all faculties of the university.

CICT is providing unlimited laboratory facilities to students by opening the Centre from 8.00AM to 8.00 PM.

In addition to the course work, the students also use the Centre to browse and access the learning materials on the World Wide Web and use the electronic mailing facilities.

The Centre also maintains the university website, mail Server and university intranet while functioning as the sole service providers on internet and networking, Hardware and all IT related issues to all campus, faculties, departments, branches and unit of the university.

CICT is the largest IT service provider in the Eastern Province of Sri Lanka. The main role of CICT is to support and maintain the activities of Eastern University community by providing the appropriate use of technology, and to provide IT related services to Students and Staff.

The service it provides includes Internet, Email, File Storage, Software installation and maintenance, Technical Evaluation and guidance, Network maintenance and Troubleshooting and all other IT related activities.

In addition the Centre is conducting certificate courses during the weekend and vacations for school leavers and government officers.

## **English Language Teaching Unit**

The English Language Teaching Unit affiliated to the FAC from 1<sup>st</sup> september, 2015, serves all Faculties at the University and is set up for the specific purpose of teaching English to the undergraduates who enter the University with varying levels of proficiency in English, with a view of improving

their knowledge of English to enable them to follow the courses and read the literature in English in their chosen disciplines.

The medium of instruction in the faculties of Science and Agriculture at the Eastern University, Sri Lanka is in English and the students of these faculties are required to answer all examinations papers in English medium. The University therefore endeavors to impart sufficient knowledge in English in order to enable the students to read, comprehend and collect facts from text books in English in their respective subjects of study.

The Intensive Course is directed towards improving general proficiency in English and the aspects taught include grammar and different language skills such as reading, writing and speech. The latter part of the Intensive Course is geared towards the development of skills to comprehend and reproduce subject material related to their field of study.

The on-going course provides approximately three hours of English per week throughout students' University career. Facilities such as listening cubicles equipped with tape recorders are available. Video films of scientific, cultural and historical interest and a limited number of feature films are screened at regular intervals to motivate the students to improve their vocabulary and skills of speech.

A special selection of books on a variety of topics is made available and inducement is provided to instill the reading habit among students. Facilities are provided to help students to engage in games such as scrabble to improve their vocabulary. Regular assessments are made of students' progress in English from the first year to the final year.

## **Student Counseling and Career Guidance Unit**

The Senior Student Counselor and the student counselors provide assistance and guidance both to academic issues and on matters relating to outside their academic activities. The students can seek the assistance and guidance from the student counselors on matters adapting to the new campus life, environment, accommodation, Mahapola, Bursaries, etc. Students can discuss academic and personal matters that they face with the counselors during their entire university career and get appropriate assistance and guidance from time to time.

**The Career Guidance Unit (CGU)** of the Eastern University, Sri Lanka was created through the initiative of the University Grants Commission (UGC), Sri Lanka in 2001 to concentrate on facilitating employable graduates.

This Unit conducts awareness programmes for undergraduates such as personality development, career counseling, goal setting, public private partnership etc.

And the linkages with private sector are established to explore the opportunities for the undergraduates to grab the global market opportunities. It functions directly under the Vice Chancellor.

The major objective of this unit is to guide the undergraduates to plan and make decisions about their work and lifelong learning.

- To encourage undergraduates to choose and proceed on an optimal career path based on their ability, desire and available opportunities.
- To educate undergraduates to obtain an orientation to the employment sector and develop Transferable Skills such as Effective Communication Skills, Leadership Skills, Teamwork Skills, and Management Skills, so that they will become productive and efficient members of the work force.
- To liaise with private and public sector organizations to find out existing job opportunities, bring them to the notice of graduates and direct the most suitable applicants to the organization.
- To develop relationships between University and Employment Sector in a mutually beneficial way
