UK OBA is working in connection with the JCC 1987 Batch

The UK OBA is also working with the JCC 1987 Batch to provide the Pon Vipulanathan Scholarship for A-Level students who are currently studying at our college. A total of Rs 595,000 has been spent in the last six months. This was key support in achieving greater success with the 2023 A-Level results, which were released just last week.

Together with this scholarship scheme, which will boost home-grown talent from JCC, and the hostel project, we anticipate greater success in results from the A-Level 2024 batch onwards.
