The amounts shown as payable for different number of days in this ready reckoner have been arrived at taking the difference between the number of days shown and the minimum number of days to be worked in the month to earn the minimum wages for the month as unauthorized absence.

2. The amounts payable for different number of days worked by workers who have not been in employment for a full month should be arrived in accordance with para. 3 of part II of the Wages Boards decisions.

3. The amounts shown as payable for different days up to 27 days are wages payable for working that number of normal working days other than weekly holidays. If the number of days worked includes weekly holidays, the amounts payable has to be computed by reckoning separately the wages payable for the number of normal working days worked and the extra remuneration due for work on the number of weekly holidays.
