PUBLISHERS' NOTE.

In presenting the third issue of Thacker's Medical Directory, the publishers desire to thank all who have so kindly supplied the information necessary to make the book complete.

While every care has been taken to make the book as accurate as possible, the publishers cannot accept any responsibility for accidental errors or omissions, and they will be pleased if any such errors or omissions are brought to their notice, when they will be at once rectified.

Any suggestions for improving or enlarging the scope of the Medical Directory will be welcomed and will receive every consideration.

A NEW LINE FOR LABEL USERS.

THACKER'S
UNGUMMED ADHESIVE PAPER
FOR LABELS, Etc.

ALL users of labels have found difficulty in keeping gummed labels in India from sticking together into a solid block, and ungummed labels are messy, inconvenient, and time wasting. To avoid these disadvantages we have perfected an ungummed paper which will print well and will stick to glass or other smooth surfaces by simply wetting. It does not curl, will not stick together even in the wettest weather, and will print type, halftone, or three-color blocks perfectly, and lithograph in colors equally well.

TRY IT FOR YOUR NEXT LOT OF LABELS.

IN

WHITE, BUFF, PRIMROSE, PINK, AND LIGHT BLUE.

Size 18 × 23. Price, Rs. **13-2** per Ream.
