Synopsis of our Dance Drama

OUR Natya Nadakam which won the 1st place in the All Island Dance Drama Competition depicts in Dance form the war waged between the forces of Good and eveil — The Devas and the Asurars. The Devas are harassed by the Asurar. In desperation they appeal to the three Deities Siva, Vishnu Brahma who together with their consorts invoke Durga Devi to put an end to the king of Asurar Mahi Sa Suran. They equip her magic weapons and she Sallies forth to wage war. A fierce battle takes place with the death of Mahisasuran in the end.

Scene I: Four little dancers give a synopsis of the whole story.

Scene II: While the Celestial Nymphs are dancing the Asurar enter and harass them.

Scene III: See the Asurars rioting with their friends.

Scene IV: The Celestial Nymhs complain to the three deites who invoke Durga Devi to put an end to their misery.

Scene V: The Asurar are again seen with their King gambolling.

Scene VI: See tha battle between Durga Devi and Mahisasuran. They fight with him before he is finally vanquished.

Scene VII: All pay homage to Durga Devi.

Message from The Chief Guest.

A cultural show in Colombo by the students of Manipay Ladies College is highly commendable. Such a venture is worthy of all support and it is my privilege to be associated today with the ambitious endeavour of these students.

I had the good fortune of seeing the dance drama "Mahisasura Marthani" performed in Jaffna. This was in connection with the celebrations of our President's Birthday this year, in the Jaffna Peninsula. It is no exaggeration to say that the performance was highly unpressive, both in its quality and in its production. It was a treat to behold and may well be described as culturally characteristic of Tamil tradition. This is in keeping with the priceless heritage of the Tamil brethren.

The dance, the drama, art and music, speech and language supersedes all fancies of race, caste or creed. Cultural ties and the intermingling of art fans can help forge an understanding amongst the different races of Sri Lanka. It is in this spirit of Cordial unity that we welcome today the efforts of the students of manipay Ladies College to put on the boards this evening their performance in Colombo.

I am sure we will all be enthralled by what we are about to witness today on the stage. I am equally certain that when the show is over the performers will go back home with the applause and encore ringing in their ears.

Festus Derera.

Mr, To. Manickavasagar
Director of Education, Northern Region.

It gives me great pleasure to send this message to be included in the Hand book published in connection with the cultural Show of Manipay Ladies College.

This school which was once a part of Manipay Hindu College started as a Separate institution for Girls sixteen years ago. The student roll at that time was about four hundred. Within this short period of time, the School has made significant advances in every field of educational activity and it now equals some of the leading schools in the north, which pride in their long traditions and rich heritage. The untiring efforts of the Principal and Staff to enrich the lives of the students have led to an influx of children from the neighbouring areas into this School. The Student population has increased three-fold.

I have always associated Manipay Ladies College with what is best in Tamil culture. Schools of this type should be given every encouragement to progress. The cultural show which is to be held shortly in Colombo will be a treat to all lovers of lusic. It will no doubt give an opportunity to the Alumni and well-wishers of the School, resident in Colombo to support the School in its development programme.

I wish the Principal and Staff all success in their endeavours.

I am pleased to send a message to the Souvenir that is being published on the occasion of the Cultural Show that the students of Manipay Ladies College are having at Ramakrishna Mission Hall, Wellawatte in aid of their College.

Manipay Ladies College is a fast growing institution and within its comparatively short period of existence it has achieved great success which other institutions in Jassna had taken many years to achieve.

The College was founded for the noble purpose of educating Hindu Girls in a Hindu atmosphere. It is fulfilling its purpose with dedication and efficiency.

I wish the Cultural Show all success

Sir Sangarapillai Pararajasingham

I am very glad to know that the students of Manipay Ladies College are continuing their interests in cultural activities and are staging a Cultural show in aid of their college on 5th October 1979.

Apart from wishing the show every success both as regards the display and the profitability of the venture, let me congratulate all concerned on keeping their interests alive in the various facts of Tamil culture, which is our priceless heritage.

MANIPAY Ladies College is one of the leading institutions in the Jaffna District. Though this school was established 16 years back, it has shown steady progress and the number of students enrolled have gone up to 1200. The dream of the founders of this school has come true, for this school is competent to give the best education to the girls of the area who otherwise would have been compelled to go to a Town School or find a place in a mixed school, to, pursue their higher studies.

I am sure with the unstinted co-operation of the parents, teachers and well wishers of this area the school will get all the facilities and continue to do great service. I take this opportunity to congratulate the Principal, the Staff and Students for venturing to develop the school with the assistance of Parents and Well-Wishers by having a variety entertainment and in many other ways. I wish a very bright future for this School.

From

The Principal
Manipay Ladies' College.

I deem it an honour, as Principal of Manipay Ladies' College to present to you today the Natya Nadakam "Mahisasura Marthan", which won the 1st place in the All Island Natya Nadakam Competition.

We have always provided a religious and cultural background for the children of our College. We believe that these are essential requisities in giving our children a complete education to equip them for mother-hood and their role in society. We have been producing Dance Dramas and classical dramas every year since the inception of our College 16 years ago. But this year our Dance Drama won the 1st place and my School Development Society was eager to present it to you for your appreciation. Wish to thank my staff and students for their help and envouragement in making my dream of staging it in Coiombo a reality.

May God continue to bless the College with success in every sphere of activity-educational, religious and cultural.

Mrs. A. Rajaratnam, (Principal. Manipay Ladies' College)
