President's Message

Friends,

It's that time of the year! Summer is around the corner, so let's get ready to enjoy another year.

We all enjoy spending our weekends in the hot sun and that's what keeps us together; but, let's not forget the sacrifices our families make every year to give us this opportunity. Ladies, we sincerely thank you.

Tonight we have gathered to honor the outstanding softball cricket players from last year. You all know that it's not an easy task to be on the top 10 list from a pool of about 700 players. Let's give such talented players a big applause tonight.

Our Association has completed one year. I'll let you decide whether it was a successful one or not; you be the judge, because this Association belongs to all of us. It's not an easy task to bring 20 softball cricket clubs under one roof, and satisfy everyone's wishes. I feel that the Executive Committee has done its best. With your continued support, we'll have more wonderful years.

John F. Kennedy once said,

"Ask not, what the country has done for you;

Ask, what you have done for the country".

Likewise it's your support and cooperation that will make this Association's future a bright one, just like the sunshine we all enjoy.

Thank You

Alex Shiva

Sports Secretary's Message

I take this opportunity to thank all our Association members for the excellent services rendered to scale higher and higher in softball cricket.

I take this space to mention that all the participants of the softball tournaments were cooperative, unflinching and devoted in every game that was played.

I ask every individual to have the same sportsmanship and the corporation for all the up-coming games.

If this manner would prevail in future, the Association would be in a good and commendable position and would march to a greater arena.

I once again thank everyone who has laboured for the growth of our Association on and off the field.

"Life is a beautiful thing"

"As long as you hold the string"

Thank You

Ruban Ratnam

Sports Secretary

Committee's Message

We take this opportunity to thank all the members and well-wishers who had laboured over the growth of our Sri-Lankan Softball Cricket Association which was inaugurated on the 20th of November 1994. The momentum of our Association has been accelerating gradually in the forward direction and there is no doubt that it will be propelled to the highest position in the near future.

We, the executive committee members of this Association, are proud to note that the unity of the members of all clubs is the key to our success. We thank all clubs and all individual members of this Association for their untiring, unfailing, and the enthusiastic support in establishing this Association.

The road of success was not without any obstacles and even though it was tough and rough, we overcame those difficulties with the moral support, determined efforts and the devotion of the members of this Association.

The credit goes to each and every member and well-wisher. The effort of everyone is commendable and with your continued support we intend marching on to greater achievements.

Thank You
Executive Committee
