Patron's Message

It is my great pleasure and honour to be the patron of the SRI-LANKAN SOFTBALL CRICKET ASSOCIATION and I welcome each and everyone of you for our 2nd annual association night.

This is a great opportunity for all of us to meet once a year after the sunset. It's just only 2 years since we formed our association, but the growth and strength is amazing.

It was my long term wish to form an association. My sincere thanks go to all the club members who gave their fullest co-operation towards making my wish come true. Special thanks to Bloor Fighters Cricket Team for organizing the first meeting to form the association.

I will be failing in my duty if I don't thank Alex Shiva - our honourable president who has been doing a wonderful job towards building a very strong and neutral association body to find solutions to any problems arise in the course of our tournaments. In my opinion, Alex Shiva is an asset to our association with no replacement value.

My another wish is to arrange a Cricket Coach to train the members who wish to improve their skills in cricket especially the youngsters.

Long Live Sri-Lankan Softball Cricket Association!

President's Message

Friends,

We have successfully completed the second year united under the guidance of our Association. My heartiest congratulations to all the teams and all the members for their continued support and dedication.

We still need to solve a lot of problems; we need to find a permanent playing ground, improve the quality of umpiring etc.; but all these cannot be accomplished without the participation and contribution from all clubs. I strongly urge all of you to get involved not only in the sport activities, but also in the administration of the Association.

Last year, I mentioned about the sacrifices our families make to allow us to play in the tournaments. This year I would like to highlight the contributions of all the cricket teams managers, who normally do not get a chance to play. Their only happiness is to organize the teams and enjoy watching the teams play. Guys, that's a great quality in a human being and your contributions are well appreciated not only by your teams but also by the Association. I am proud to point out that we have a few managers like this in our Association, who spend their summer this way.

New ideas are always welcome. For the first time in our softball history, we had a final game with *ball-to-ball commentary*. We also had a mini *sports meet* at one of the tournaments. Based on that, a lot of teams have requested us to organize a family get-together and a sports meet day next year. Let's all recognize and appreciate this kind of creativeness which make our weekends more interesting.

At this time, I would like to repeat what I have been preaching,

"The Association belongs to all of us"

"It's up to us to make it strong and effective"

Thank You

Alex Shiva

Committee's Message

It has been another successful year for the Sri-Lankan Softball Cricket Association. This could not have been achieved without the support and effort by all the members of the participating clubs.

Never before has there been so much intensity and competitiveness involved in the games until the formation of the Association. As a result the clubs have become stronger and were able to produce quality games on the cricket field. It is also true that the vigorousness of the games have a tendency to create disputes between individual players and clubs which cannot be completely eliminated in any sports. We are very proud to announce that such incidents were very minimum on the cricket field this year and the involvement of the Association in solving disputes were very well recognized and accepted by the participating clubs.

"CRICKET IS A GENTLEMEN'S GAME" as per the phrase lets continue playing the game with gentlemanly attitude and enjoy the sweetness of it. All the members must realize if the Association's committee or a member acts indulgently to the rules set out, the essence of forming the Association would be fruitless. We urge all of you to continue to support the Association by adhering to the rules set out to maintain discipline on the field.

We the executive committee of the Association would like to seize this opportunity to thank all the members and well-wishers who contributed their time and effort throughout the season to make it a successful one.

Thank You
Executive Committee
