President's Message

Dear Fellow Members & Friends,

I wish to seize this opportunity to congratulate all members of the SSCA for completing our 7th year of cricket very successfully under Srilankan Soft-ball cricket Association's supervision and administration.

I understand there are so many issues to be solved in the tournaments we play. Such as good umpiring, throw bowling etc. As you all know there are only few members actively involved in Association's administration & it is not easy to solve problems or issues without more members involved in the executive committee. Each year there will be members aggressively taking positions in the committee at the Annual general meeting but they cannot be seen when the season starts. But they would not hesitate to bring up issues to be solved when their team's winning is affected by one. This was going on for many years and this has to stop. More members should get involve in the committee and support to solve problems that may arise at the Tournaments. Two or three people cannot run the Association, we need more people to get involved seriously and work hard to make the Association grow bigger and stronger.

I would also like to take this opportunity to thank all the teams and it's members who supported the Association to organize & conduct the tournaments with their help in setting up the grounds and in umpiring. I also like to point out that Jolly Stars organized their tournament in a grand style. If other teams also try and organise their tournaments in the same manner it would be greatly appreciated. Last but not the least I would like to thank a few committee members who worked really hard to make this year another successful one.

Good Luck and Best Wishes for you all to have a enjoyable Year 2002.

Sivam. Sivanadian
