## Message from The President (2003)

**Dear Fellow Members and Friends,**

First of all, I wish to thank all of you for supporting the executive committee and me to complete the 9th year of cricket successfully.

I also would like to thank the Executive Committee members for their profound support given to me and the hard work put in to straighten up many issues.

I am very proud to say that our success was eminent from the record breaking number of teams and members enrolled this year to play cricket under the Association. Unfortunately we had to turn down three or four other new teams from entering due to the limited number of grounds available to us and the lack of support we had in completing the tournaments on time. It was incredible that each and every team provided meals and drinking water for all participating teams and its' members. Although few weeks games were totally interrupted by the heavy rain fall we had this season, we somehow managed to complete all the tournaments.

Also it is very creditable for the committee to organize the All-star game to honor the **Ideal** team for being number one for three consecutive years. Another amazing event took place this year was the enrollment of the team Street Boys consist of all young players mostly under 16 years of age who played well and had a successful season. They were also very helpful to the Association in setting up and taking apart the grounds for all the tournaments. On behalf of the Association I would like thank them for all what they have done for the Association and wish them all the best of luck for a better next year. I certainly did & will not forget Mr.Tom for supporting us in keeping the grounds clean. We really appreciate his sincere hard work and wish him all the best of luck. Further more we have tried our best and reduced the throw bowling problem as well, unfortunately we could not eliminate it completely, hopefully this problem will be resolved in the near future.

Please remember, Association and The Executive Committee cannot function for only one particular team. We are there care about all 27 teams and all 500 plus members. As you all know no one gets paid to be in the Association. It is only a service they are doing voluntarily just for the love of the game and to keep cricket alive here in Toronto. For any reason the executive committee should not be exploited, therefore please do not hurt any ones feelings. Without a doubt our committee worked very hard this year and straightened up many issues. I sincerely urge you all to adjust yourselves according to the situation and learn to compromise. I was dedicated to doing everything possible to justify the confidence you have shown by selecting me as the president. I thank you all from the bottom of my heart for the confidence you have shown.

Wishing you all the best of luck for 2004.

## Committee's Message

*It has been another wonderful and successful year for the Srilankan Softball Cricket Association. It would have been difficult to achieve this without your support and co-operation from all the members of the participating clubs. We were thrilled to work for you all this year because of the support and positive responds we had from you all.*

*This year the number of teams and total number of games played were comparatively higher than the previous years, therefore the intensity and competitiveness were highly elevated. As a results teams cricket standards improved and there were more chances for for disputes to arise. We glad to say that such disputes were all handled professionally by the Committee and resolved by the committee immediately without being dragged on for days. Amazingly the decisions were accepted by the teams involved in the disputes and we were able to complete all the tournaments without any difficulties.*

*We all worked very hard this year and straightened up many issues, and hope that the committees in the future also would follow the same trend and keep the Association strong. Our job as committee members is to make sure that all the clubs abide by the rules set by the Association and resolve disputes accordingly. Our duty is to make unbiased decisions that might have affected an individual team or a member but the beauty of a gentleman cricketer is to learn to accept it. We are proud to announce that all players responded and supported the committee positively this year.*

*We the executive committee Association would like to take this opportunity to thank all the participating teams and its' members and other well wishers who contributed their time and effort throughout the entire season to make it another successful one.*

*Thank You all.*

*Executive Committee.*

*In Memory of  
Regi Rajesparam Nishanthan (Nishan).*

**"Nishan"** was a fine cricketer and a member of Atlas Cricket Club who played cricket under the Association for many years. During that time he has made many friends at the grounds through his friendly behavior. His innocent face with a charming smile will be remembered by all of us.

By nature he was a very nice person and respected everyone as equals. He kept his cool and always had a smiling face. Everyone in the grounds knows Nishan because of his pleasant personality and his jubilant character. He was a person never wanted to be negative, a person everyone want to be friendly with, a person every one want to be like, a person proved to live for others even during his death. Association would like to render their deepest sympathies to his family and friends. Nishan will be greatly missed by the Softball Cricket Association and it's members. Association would like to thank Mr.Sunil of Lexus team for initiating the fund raiser and helped in raising a substantial amount to be given to the family. Nishan will always be remebered by the Association and its'members.
