## WE AND THE SCHOOL

**This is our school**

We go to school to learn our lessons.

We Learn many things at School.

The Teacher teaches to read and write.

She teaches to read and write. We learn to draw and colour.

After teaching a lesson, the teacher asks us questions.

We stand up to give the answer.

We learn good manners from the school.

We spend most of our time in the class room.

This is our class room.  
It looks neat and clean.  
The wall is painted with lot of  
cartoon pictures. Tables desks and chairs  
are properly arranged.

Look at this dust bin.  
It is placed in the corner.  
Children wish their teacher saying,  
"GOOD MORNING".

This is my teacher. She is very kind and soft.  
We wish our teacher, "GOOD MORNING",  
when she enters the class.  
She teaches us to respect elders.

When you see them in the evening say "good evening".  
Use polite words like "please", "excuse me", and "thank you".  
Be punctual to school. Go in a line to the assembly.

Some more ways to be good children are:-

Arrange the books neatly after reading.

Do not throw the paper inside the class room.

If you see any paper inside the class collect it and put it in the dust bin.

Do not write on the wall.

Do not spill around the waste food.

Close the water tap after using it and save water.

Do not rush or push any one in the toilet.

Learn to play safely on the ground.

Always speak the truth.

Help your friends and be friendly with your class-mates.

## PLAY WITH WATER

We all need water to live. Plants, animals and birds also need water. Water is used in many ways but, where do we get water from. We get water from river, lakes and wells.

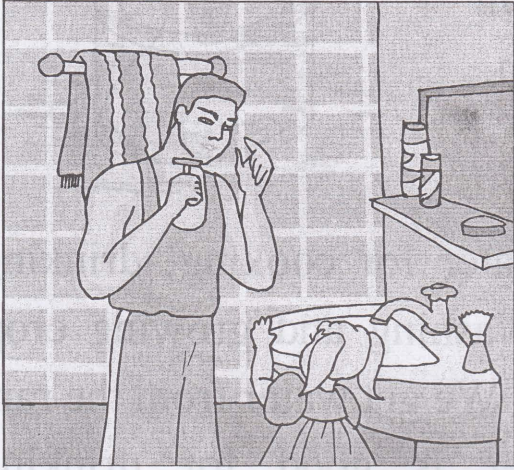

We use water for cooking, drinking, bathing, Washing and growing crops and plants. We get water from the rain. Pure water is good for drinking. Seawater is salty. So it is not good for drinking.

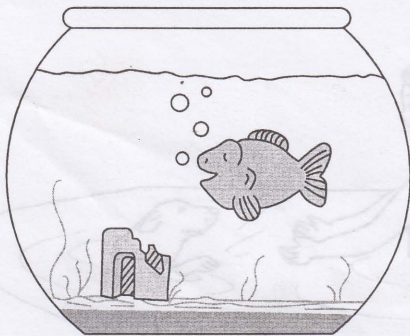

Ships and boats sail on water. Children like to dance in the rainwater. In cities and town we get tap water. We should boil the water and filter it. Boiled and filtered water is safe for drinking. Pure water is good for health.

### Class Room Activity

Plants a rose flower grows in a basin. Daily water the plant and see. It gives new green leaves and flowers. People throw dirt and waste into the water. These makes the water unfit to use or to drink. These water contains germs. That can make us ill. So we must not pollute water. We must try to save water.

## THINGS WE EAT AND DRINK

We all need food. Why?

Yes, food gives us the energy to work, play and to grow.

Every day we eat and drink different kinds of food.

We drink Tea, Coffee, Horlicks, and Bournvita etc.,

We drink juices like apple, orange, mango, pineapple and grapes.

We eat different types of Snacks like sweet, salt and cream biscuits

Cakes like fruit cake, plum cake chocolate cake etc.

Every day we eat variety of vegetables.

Vegetables help our body grow stronger.

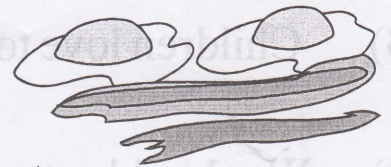

Vegetables protect us from diseases.

We should eat plenty of fruit salad like apple,  
pine apple, mango, banana, grapes, and plums etc.

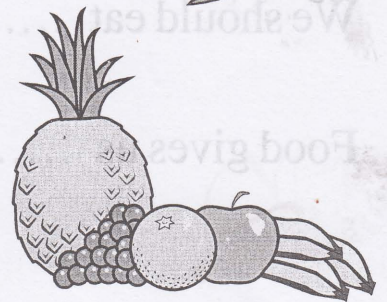

We eat food like dosa, idly, chapatti, poori and bread.

Rice, Idly, Aappam, dosa are made of Rice.

Poori, Bread, Chapatti are made of wheat.

Some people eat eggs, fish and meat.

We should eat lot of fruits and green vegetables.

We Should drink plenty of milk for our health.

Our food should be clean.

We should eat covered food.

We Should clean the mouth after eating.

### **We Should follow some good habits for good health**

## HOW INFORMATION IS RECEIVED

Now a day's communication or sending message from a person to person or from a place to place has become very fast and easy.

There are many ways and methods of sending messages or receiving information from a person to another or from far off places.

(Few pictures like reading, talking, listening)

### How information is received and sent :

Good morning Raju What are you doing?

**Raju :** I am talking with my friend over phone **Mouth**

What Seetha is doing? She is watching News from Television **Eyes**

Look, What Kamala is doing?

She is writing a letter to her friend **Letter post**

Grand Father is listening to radio news **Ears**

See for all the above, we use our limbs like Mouth, Eyes, Ears,

We do oral communication through our mouth

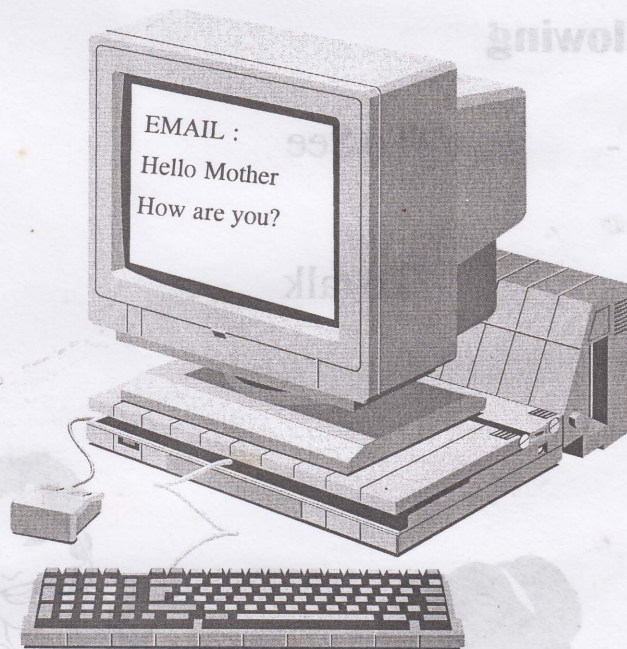

We receive visual communication by watching TV with our Eyes.

We receive communication by listening to radio news with our ears.

So we receive or send our communications by means of TV, Telephone, Radio and letter post etc.

Listen we have one more latest method of communication through our Computers Computer plays an important role in the present day education.

We can send messages to our neighbors it is called information through EMAIL

So the limbs of our body like Eye, Ear, Mouth, and our hands play a good part in our communication activity.

**I Use suitable words in the blank space :**

- 1) To hear a good music .....
- 2) To send an urgent message .....
- 3) To watch a movie .....

## CHANGES IN THE ENVIRONMENT

The environment changes according to the weather conditions like Hot, Cold, Windy and Rain.

How is the weather today?

It's very hot today.

How was the weather yesterday?

Very cold.

Yes weather changes from day to day

Some days are hot.

Some days are cold.

Some time it rains for a day or two.

Some days with cool breeze

So weather changes from time to time

When hot wind blows we see dust rises on the road side and comes inside the house

During rainy day we see the grounds are filled with water every where.

## Now let us learn to keep our environment neat and clean :

1. Every day broom the house with broomstick

# PEOPLE WHO NEED OUR HELP

We are God's Gift to our parents.  
Our parents are God's Gift to us.  
Every one in our class is a Gift of God.

Look at Rajan....!

His grand father can not see as he lost his vision in an accident.  
Rajan helps his grand father by reading news papers, helping him to cross the road, and taking him for a walk with his walking stick.

Balan is Rajan's friend.

Let's go to Balan's home.

Look Balan takes her grand mother in a wheel chair to the garden.

We all know about Mother Teresa M. Teresa took care of lepers, Deaf, Blind, cripple and old helpless men and women.

Dear Children,

Serve the God by helping the needy people.

Be kind and helpful to others.

Help a person who cannot speak.

Help a person who cannot walk.

Help a person who cannot walk or do the work himself.

Be kind to them and guide them when they need.

"Every day is gift of god to help the needy person"

"Every thing is god's gift to get the blessing.
