Your presence gives me new enthusiasm on this remarkable day.

### **Chief Guest**

I extremely happy to welcome in our midst Major General G.A. Chandrasiri who was born in 1954 and educated at St. Mary's College, Chilaw, was excellent in education and sports. In 1972 when he was enlisted to the Sri Lanka Army he won Sri Lanka schools soccer colours. He succeeded with colours in his higher education and completed Advance Armour Officers course, Army Command and Staff Course, National Defence College course and Senior Command Course.

Soon after joining Sri Lanka Army he was commissioned as a Second Lieutenant to the first Regiment and was awarded the trophy for outstanding cadet officer. In his golden service period he held many prestigious posts which include Squadron

Commander, Colonel General Staff, Area Commander, Deputy General Officer, Director General Staff, Commander of the Security Forces and Chief of Staff of Sri Lanka Army.

After offering his tireless and dedicated service to the Sri Lanka Army, he was appointed as the Governor of Northern Province. Within five years of his appointment he served a lot to the people of North which includes restoring peace, democracy, civil administration and law and order, providing accommodation, food and other facilities to the hundreds of thousands of displaced people, their subsequent resettlement and restoration of the infrastructure. All five districts of the Northern Province are now back on their right track, on par with the other provinces of the country.

He was successful in implementing many of his own plans for the benefit of the people. It includes promoting cultural and religious activities in the province. The Manipallava Kala Mandapam (Arts Centre) at Nainativu was constructed under this programme. A photographic exhibition and workshop for the benefit of media was held in Jaffna. Other than this A Governor's Trophy Chess competition was held for school children and a Governor's Trophy English Debate competition was held for students of all leading schools in Jaffna. We hope he would do much more for the people of the Northern Province in the years to come.

In his family life he is blessed with three daughters and a granddaughter and a grandson. We pray to God to bless him with a happy long life.

Our entire Bosco community is exceedingly proud to have you here today to grace this function as the Guest of honour. We are privileged to begin this memorable day with your grace filled blessings.

Dear Father, you belong to a devoted catholic family in Karampon, so called "Little Vatican." And you are one of the outstanding old students of St. Anthony's college, Kayts and St. Patrick's College, Jaffna. Your management style, sympathetic understanding of every one and your emphasis on consultation, participation and team work distinguish you among the educationists and they adore a great fame to you. You are highly esteemed for your contribution, to all irrespective of religion. Your involvement in the University Council of Jaffna University and your service as a visiting lecturer and member of the advisory board are incredible and praiseworthy. On your retirement you adorned the post of Vicar general of Jaffna Diocese and presently you extend your service to our Bishop, the Chief Shepherd, as an assistant, carrying out his responsibilities.

### **Our Gratitude.....**

At this time I would like to express my gratitude to you our Honourable Governor for accepting our invitation in spite of your heavy schedule. We really appreciate your presence with us on this our special day. Honourable Sir let me take this opportunity to bring to your kind attention an urgent need of our school. As you would have already felt, there is no assembly hall to accommodate all our students for any function. We humbly request you to use your good offices to do the needful to get a suitable assembly hall constructed for us. At present we have one thousand two hundred students. For any function their parents are also eager to attend. Hence, the need for a very big hall to accommodate the students and their parents. As you know this year our school was ranked first among all the schools in Sri Lanka in the Tamil stream grade 5 scholarship examination. Further our school was ranked second in the whole country among all streams in the grade 5 scholarship examination. This unique achievement has brought fame and honour not only to our

school but also to the entire Northern Province over which you are Governor .we earnestly hope you will make a lasting contribution in this regard as you have helped more than once in the past for the betterment of our children in the Northern Province.

Once again let me thank all the members of my staff for their efficient and whole-hearted contribution and tireless efforts to keep up the high standards of our school. I thank them for the trouble they take to ensure a quality education to the children entrusted to our care. I would like to say a big thanks to our parents very especially the members of the school development committee for their continuous support and suggestions for the betterment of the school. I would like to thank all of you for gracing this occasion by your kind presence. May God bless you and your near and dear ones.
