President's Message

I am deeply honoured and take pride in forwarding this message to the Souvenir, which marks the occasion of the 'Kalai Vizha' organised by the past pupils of Vadamarachi Hindu Girls College to be held in Canada. It's a milestone in the short period of its existence, as this cultural show is the first of its kind, but it is intended to be held annually.

In 1944 a few wise and philanthropic minded men realised the need to establish a school to impart education for the girls of the area based on the traditions and culture of hinduism. Since its inception in that year the cherished ideals of the Founding Fathers have been fulfilled beyond expectations.

The institution with its strong foundation has stood firm during turbulent times which strengthened rather than weaken its ideals for which it was established. Its achievements are splendid having successfully completed 60 years last year. The school rapidly developed to be a Grade 1 institution due to honest, sincere and diligent work of principals like Misses Canagasabai and Sarawanamuttu during its infancy. There were set backs in the 60s due to the take over by the government but thanks to these Leaders, the school still continued to progress and reached its peak during Mrs. Kanagasunderam's period as principal but the benefits of the hard work of her predecessors contributed in no small measure to this success. During this time many of our students entered the Arts, Science, Medical, Engineering and other Faculties at Colombo, Peradeniya and Jaffna. The school net ball team became the All Island champions - an achievement unparalleled in the history of Jaffna Schools. This remarkable victory was ensured by the efficient coaching of the then PTI, Miss S. Sinnathamby. This golden era came to an end with the onset of unsettled conditions in Jaffna. As with all other schools in Jaffna, civil disturbances hindered many activities of the school.

The school continued to serve the people by offering shelter to displaced persons of Vadamarachy. It shared its premises with Methodist Girls High School during their time of crisis. This trend of providing shelter continues even to this day as Tsunami refugees also sought protection in the school last year. This had its repercussions too. This school is not given any help by the Government to clean up the damage caused to the furniture and other facilities, while Tsunami affected schools in the coastal areas were granted funds for rehabilitation. Hence we have received urgent and desperate appeals from the principal for help to attend to repair work. The students are hard hit by lack of basic facilities such as clean drinking water, toilet facilities and shortage of furniture.

The Past Pupils of Vada Hindu in Canada are working hard in a united effort to collect as much funds as we could to alleviate at least some of the problems faced by the school. The Colombo branch of the association is continuing to render invaluable service to the school. This branch was responsible for providing play ground facilities, without which the students struggled to hold even their annual sports events. They also maintain, under their direct supervision, Pamathy Karunai Illam - a home for needy children. Part of the funds collected in Canada goes to help this home. You will find in this publication, a contribution by Mrs. J. Chandrasekaram, one of its founder members, on this subject. We would gladly welcome any well wishers who like to sponsor these needy children.

Our activities include an annual picnic which gives an opportunity for the members to come together with their families and discuss ways and means of helping our Alma Mater.

I take this opportunity to thank all our members and well wishers who actively participated in building this association and continue to give support in many ways.

Our motive is genuine and golden - to serve the less fortunate in the land of our birth. Serving the people is like serving God. We appeal to all to join us in our efforts to give a helping a hand to the needy and less fortunate. We feel there are many more past pupils in Canada who can still reach us and extend their helping hand. I wish the association success in its future endeavours.

Message from Assistant Secretary of Vada Hindu Girls' Past Pupils' Association

It is with great pleasure that I welcome you all to the first Kalai Vizha of VGHC Past Pupils' Association. I find that organizing a fine arts event is not a tedious task but finding an auditorium in the GTA area has become very testing. Reason.... ample of musicians, dancers and instrumentalists live in Toronto hence the demand for theatres. Fortunately, we managed to reserve this auditorium two years ago!!

We are pleased to take a note of the growth of our VHGC Past Pupils' Association. As it grows, it becomes stronger as well. I am confident that our enthusiastic members will continue to contribute and support our school in the coming years.

Our major event by which we have been raising funds was showing movies. Part of the funds was used to purchase the land next to the school property. The school was able to hire three teachers on contract, with our contribution. The funds were also utilized for proper functioning of the orphanage.

Fir the past three years, we have been organizing annual picnic and I am glad to say that we are picking up momentum with it. There is no doubt that we will do well in the future. Annual picnic raises itself a small sum, which is good enough to cover the expenses incurred to organize the event.

We all have a responsibility to help and support our school which not only provided us with the education but also trained and seasoned all of us to be good, responsible citizens. It is time for us to show our appreciation. Let's work hard and as a one big team and organize many more events in the coming years.

Let's show the Alma Mater that we DO CARE by our constant support.

With Best Wishes

Rathika Niroopan Assistant Secretary

Message from the President O. G. A. - V. H. G. C., Colombo Branch

I am honoured as the President of the Vada Hindu Girls' College Past Pupils Society - Colombo to give this message to the souvenir to be released at the Kalai Vizha function helping raise funds to our Alma Mater Vada Hindu Girls' College, Point Pedro.

The Vada Hindu College Old Girls Association - Colombo established over ten years ago has made many landmarks in serving the school as well as the society, concentrating in the area where the school is situated. We have been granted the status of a Charitable Organization which enables us to serve the School and the society in a better way.

We have listened to the needs that arose from time to time and with determination have found the ways and means to fulfill the requirements of the school during the troubled times and now. Our source of information and the person with whom we have been associated in dealing with serving our school has been the principal of the school. As such we have had very good relationship with all the Principals during this period.

However, all this would not have not been possible without the help of our sister Clubs especially the Vada Hindu Girls' College Old Girls Association of Canada who have been constantly extending their hands in friendship and assistance whenever it was needed.

They have been towers of strength in whom we the Past Pupils Society of colombo and the School could always rely on to make the right gesture at the right time. Their help has always been there when it was needed. We thank them and salute them for their continuous and unwavering devotion to the school and its needs, and in recent times also extending this help to the Pamathy Karunai Illam being run by us with the able assistance of the OGA of Point Pedro.

We sincerely hope that our association with you will continue with firm footing in the future too helping to develop the school and its facilities in the years to come.

We extend our warm greetings and best wishes to the members of your organization in all its endeavours.

May God bless your efforts now and always.

Vanathy Ravindran J. P.

President Vada Hindu Girls' College Past Pupils Society Ltd., Colombo

With the best compliments of

Dr. A. Somaskanda M.D., F.A.C.O.G.

Towards the light

I deem it a privilege and honour to write in this special souvenir of my Alma Mater - Vada Hindu Girls' College with which I Have been associated as my late father Mr. M. Eswarapatham was one of the founder members and manager of the college for a reasonable period of time before it was taken over by the government. My sister Mrs. Soundram Kumaraswamy was one of the pioneer students and had the chance to serve as a teacher after graduation at the same college. I happened to be a student of the college after one year of its establishment. I am proud to say that I was a teacher at J/ Gnanasariyar College, Karaveddy, then a teacher and principal at J/ Methodist Girls High School, Point Pedro as a result of the nurturing I acquired at the Vada Hindu Girls College under the guidance of Mrs. Valli Sooriyakumaran and other dedicated teachers to whom I am grateful forever.

Vada Hindu Girls' College has many achievements of which we are proud over long years. The rapid progress was possible due to the dedicated services of the principals and staffs. Special mention must be made of late Miss. Charavanamuthu in whose tenure of office the college advanced by leaps and bounds in every field and the school was raised to Grade I. During Mrs. Kanagasundaram's time the school won in the all Island Netball competition which no other school in the North had achieved to date.

At present our college needs the assistance of each and everybody to rebuild the school which has been affected due to the ethnic war and to provide latest facilities for the students to compete with all other schools in all educational aspects in the Island. So, we members of the OGA Canada Branch should join together to lend a helping hand to our Alma Mater, with the help of all past students, teachers and well wishers in this country who may not be members at present.

I pray to the God to bestow "His Choicest Blessings" in the years to come so that the school will march forward to bring light to many young women of tomorrow.

"PAMATHY KARUNAI ILLAM" A "HOME FOR THE NEEDY"

I am very happy to give you a brief account of this venture of the old girls of our college 'Vada Hindu Girls' of Sri Lanka, Canada and Australia.

This home is situated in Point Pedro, the home town of our college, in the bungalow donated to us by the family members of the late Pamathy Thanabalasundaram.

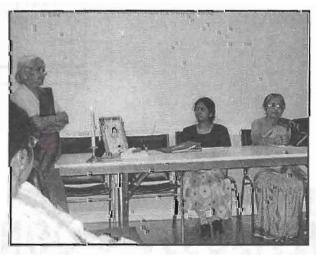

We have completed 4 years on the 15th of July, 2005. Inaugurated with seven inmates, a matron, watcher and cook with donations and sponsors from well wishers, we overcame our initial problems. The children were happy. They were well fed and clothed and were helped in their studies by an old girl, a retired teacher. Even at that time we held back many applicants for want of finance and accommodation. But with the disaster of tsunami we could accommodate only 3 more. We are saddened that we cannot accommodate more destitute children. As it is we need sponsors for the additional children. The cost of living in Sri Lanka is sky-rocketing and we now need a minimum of Rs. 6,000/= per month per child. As for accommodation there is another dilapidated house adjoining the present bungalow and with donations from well wishers the house could be repaired to admit more needy children.

"Little drops of water make the mighty ocean."

Please help us to help the needy children. The president and the OGA of
Vada Hindu Girls' College in Canada look to the generous and charitable Canadians.

Thank you.

Mrs. J. Chandrasekharan Vice President

SERVICE TO THE SCHOOL by the OGA, Colombo Branch

The Vada Hindu Girls Association - Colombo established over ten years ago has made many landmarks in serving the school as well as the society, concentrating in the area where the school is situated.

We have listened to the needs that arose from time to time and with determination have found the ways and means to fulfill the requirements of the school. All the while being advised by the Principals with whom we have had very good relationship during this period.

Starting from September 1993 we have supplied water pumps; Ties and School Badges; Scholorship Prizes; helping the netball team; making payments to temporary teachers till the government appointments were made - for example - Music teacher, Art teacher, and still paying salaries suggested by the Principal for the PT teacher, English teacher and the librarian; helping to get and installing the telephone connection in 2001 to the school; in 2002 Mrs. Rajeswary Manickavasagar greatly spearheaded the task of buying a land adjacent to the school with the view to assist the school with added facilities; we gave a fan to the Principal's office; in 2003 we started the Pamathy Karunai Illam at the initiation of Mrs. Jeyalakshmi Chandrasekaran our Vice-Patron and Mrs. Valli Suriyakumaran our patron and the solid support of our past presidents like Mrs. Ratnaambaal Veeravagu. We must thank the then principal Ms. Kanagaratnam and the OGA of Point Pedro through the banks as there was no such facility. These are just a few of the monetary services that we have rendered in the past years.

We have registered now as Vada Hindu Past Pupils Society Ltd. We have also, been granted the status of a Charitable Organization to facilitate and to enable us to serve the school and the society in a better way.

We thank you for being with us coming along with us in serving the School and the Home. We also hope that this association will continue with firm footing in the future too.

Mrs. Yamuna Ganeshalingam will be taking over from me as President next year and I am sure we will continue well in our tradition of service.
