"Unity in Diversity" SCHOOL PRAYER

where the mind is without fear
and the head is held high
Where knowledge is free
where the world has not been
broken up into fragments
by narrow domestic walls,
Where words come out from the
depth of truth,
Where tireless striving stretches it's arms
towards perfection,
where the clear stream of reason
has not lost its way
into the dreary desert sand of
dead habit,
Where the mind is led forward by
three into ever widening
though and action
Into that heaven of freedom
my Father, let my country awake.

Message from Principal

Shivananda Vidyalayam,
Batticaloa

We are very happy in conveying our warm wishes to your coming annual get-together. It is with pride we look up at the shivanandians in the United Kingdom who are very much considerate and grateful for their alma mater. I take this opportunity to show our gratitude towards the services rendered by you over the past years.

Your thoughts have taken us a long way ahead. In the GCE O/L examination 2010 there is a significant increase in the number of students qualified for the Advance Level. We are conducting special coaching classes for A/L students in the Science Stream. This will tremendously enhance the students' performance for the coming A/L examination in August. We are excelling in sports and other co curricular activities as well.

May the aspiration of Srimath Swami Shivanandaji Maharaj and the founder Swami Vipulanandji Maharaj bestow on you all the best in life

CHAIRMAN'S MESSAGE

Welcome you all this evening to our Cultural Program 'Kalachara Maalai 2011'. It appears to me that sixteen years have now passed like a glitter since the inception of the Past Students' Association of Shivananda Vidyalaya in the UK in 1995. I could still remember the meeting that was held for founding the association in the UK by a few enthusiastic Shivanandians. This year I am very much delighted to deliver my message to you all.

Over the past years the association has made great strides in its capability to plan well and conduct various fundraising programmes. This association has been committed to work hard since its formation to meet the set objectives. Bearing this in mind, PSA still continues to provide financial and material support to our school and the community back in Sri Lanka.

In accordance with the saying 'unity is the strength'; if we all get together we would be able to achieve our goals without difficulties. In view of this saying, I call upon all the Shivanandians and well wishers to come forward and stay as a team to make things happen. Without any differences, please feel that we all are as one family, with our ultimate goal to do more to our school and people.

It is always a great pleasure and satisfaction for all of us to refresh our minds with the achievements that PSA has made so far towards to our school. Without the dedication and support of our people in the UK these achievements would not be possible.

Finally, I take this opportunity to thank all of you and the executive committee for unstinting and loyal support to us over the years. I also appreciate the effort and the tireless support that are being rendered by the people in every event that takes place in the UK with the aim of providing financial support to our school and our community. I have confidence that the executive members whom be elected to the PSA would also make every effort to continue this course in the coming years.

Importance of OBA in the development

of School – a brief experience on OBA Shivananda

Shivananda Vidyalayam (Shivananda National School at Present) is one of the leading schools in the Batticaloa district blessed by Swami Vipulanadar and with the enormous support of Ramakrishna Mission and its OBA throughout its existence. It has produced several scientist, economist, socialists and many eminent people who are actively leading the society in the country and around the world.

I am proud to be a Shivanandian and it will always be a loss for me to have left the country while I was serving as a Secretary of OBA undertaking several projects with the help of OBA – London.

I personally experienced the effect and importance the OBA had in the development of a school in terms of financial, intellectual and physical supports in its growth and active participation to be a vital element in decision making. In my knowledge, OBA Shivananda, particularly OBA – London has been the most valuable organisation of its kind and has contributed in various ways to upgrade the school and make it an efficient and ideal environment for the students. OBA – London was one of the first movements to initiate many expensive infrastructure development projects at Shivananda Vidyalayam which has amazed and received appreciation from other OBAs in Batticaloa.

Education is an endless stream where a student can utilize as much as possible at any school during their period while being students. In this context, a school could be an avenue to provide everything to the student community to satisfy their thirst and their needs. OBA could be a part of its pathway in order to achieve the targets to bring into being educated, well behaved and obedient student population throughout its tenure.

OBA, Shivananda – London has been an active body and has contributed to its maximum for the development of Shivananda in particular and the region in general. It is always proud to be a Shivanandian for the way they react, the way they help, the way they behave with others and contribute to the society.

Therefore, I am delighted to be present at this cultural event along with the other Shivanandians and it is a privilege to be a part of an active society in the development of my school and the region.

God Bless you all for your timeless efforts

Dr.T.Thiruchelvam

Report by General Secretary for the year 2010/2011

I am delighted to present this years report Past Students Association of BT/Shivananda (U K) entering into the sixteenth successful year. First of all, I cease this opportunity to thank the members who tirelessly worked hard for the past fifteen years. Now we are privileged to have Mr T Vijayaratnam as our patron. I am sure that under his patronage the PSA will grow from strength to strength.

I am delighted to present this years report In our year plan we have three main fundraising events namely the Christmas party, the winter gala and the Kalacharamalai. All these events have been a great success, all due to the untiring effort of the executive committee members. I congratulate them. However, it would have been better if had more people attending these events.

The proceeds from these fund raising events have gone to the school and four other charitable organisations, RKM Kallady Uppodai, Swami Vipulananda Children Home, Akkaraipattu, Seepathadevi Children Home, Veeramunai and Mangayarkarasiyar Illam, Batticaloa.

We have been approached by the principal of our School to provide financial support to run remedial classes for GCE (O/L) and GCE (A/L). Our first project for this year is to organise such classes to increase the number of people achieving top grades and eventually getting into the universities to pursue their higher studies.

The second project, for which we are committed to provide an Electronic Cricket Scoreboard for Shivananda sport ground that is also beneficial for the other schools too. We are closely working with the TSSA, Tamil Schools Sports Association, and BUDS, Batticaloa Underprivileged Development Society, on this project. Any individual who contributes towards the Scoreboard fund £200 and over will have their name engraved on the structure.

To run any association successfully financial support is vital. Please be generous and help us to make this a reality and send your donations to the secretary, with a cheque made out to PSA Shivananda UK.

I take this opportunity to thank everyone who take the trouble to attend this function and help us to raise funds.

சுவாமி விபுலானந்த அடிகளின் வழிகாட்டலில் உருவாக்கப்பட்ட சிவானந்த வித்தியாலயம் இன்று பலரை பல்துறைகளிலும் உருவாக்கி இருக்கிறது. இதன் பெயரால் இயங்கும் எமது பழைய மாணவர் சங்கமானது கடந்த பதினாறு வருட காலமாக திறம்பட செயலாற்றி வருகிறது. சித்திரை வருட காலப்பகுதியில் முத்தமிழையும்

Report by the Sports Secretary

As the sports secretary of the PSA BT/Shivananda Vidyalayam, I am privileged to write this message for our 16th annual cultural show. As you are aware, sports and leisure activities are vital parts of any organisation. Noticeably, our sports teams were very successful last year. In the tournament organised by the TSSA, in which many leading past students associations from North and East of Sri Lanka participated, our cricket team became the runners up for the first time in the open category. Moving on, the Winter Gala organised by the PSA was also very successful. Thanks to Dr V Ravikumar and family for their support, and we anticipate in receiving their assistance and encouragement in the future too.

We are currently raising funds to provide a state of the art electronic score board for the Shivananda cricket ground. Once completed, all the schools and the sports clubs in the Eastern Sri Lanka will be benefited by this project. At this juncture, I would like to thank TSSA for their help and support, and we hope that we continue to receive their sponsorship and help in future projects and events for many more years to come. I extend my sincere thanks to the BUDS (UK) too, which has also promised to extend their financial assistance for this project.

Thank you.
