MESSAGE FROM THE PRINCIPAL METHODIST GIRLS' HIGH SCHOOL, POINT PEDRO, SRI LANKA.

I have immense pleasure in sending this message on the occasion of the release of the souvenir in connection with the AGM/2008 of the U.K. branch of OGA of MGHS/Point Pedro, Sri Lanka.

The stalwart support and sincere devotion of the committee members of the OGA/U.K. branch in contributing toward the academic uplift and overall progress of the school, amidst great constraint and household responsibilities are highly appreciable, indeed. I am proud to note the unbroken ties with your alma mater with a true spirit of gratitude and righteous obligation, despite your overseas stay.

The fund you raised and sent to the school has been beneficially utilized to meet the essential requirements of the school such as the purchase of a photocopier. The school is warmly and especially grateful to Mrs. Shanthi Ragulotchan for her enthusiasm and initiative in forming the OGA, and her generous personal donation toward the betterment of the school.

The strength and hope of our school heavily rely on the moral prop and material support you extend to us. We trust that our links would flourish further in future.

On behalf of the school, my best wishes to you all.

Sgd. Mrs. S. Suntharesan
Principal,
MGHS/Point Pedro,
Sri Lanka.

MESSAGE FROM THE PRESIDENT

It is my great pleasure in writing this message though I cannot believe the MGHS PPA (UK) has been established for a year now.

It has been my dream to form an association since my visit to the school in 2004. I approached few friends and had no positive response. Last year I have seen in the News paper that our school was going to celebrate 185th year anniversary and felt shamed about ourselves who are fortunate to live in this country and have no thoughts about our Alma mater. I came to know that Mr Jeyakumar my teacher has been in the executive committee of Hartley PPA and I approached him.

Mr Jeyakumar and late Mr Raveendralingam (Former Secretary -Hartley PPA) encouraged me and introduced Mrs Thirupathy Jai Indran who has been trying to organise a PPA from 1990's. Then we came to know Mrs Shanthi Rahulotchanan has the same interest and we all acted together and formed our Association on 22nd Oct 2008 with 11 elected committee members among the 23 were present. We have 56 members now.

I am delighted to inform you that our first ever gathering which was a barbecue day out in Horton Park, Kent. It was very successful and we could manage to raise over £500 from this. This would not have been a success without our devoted committee. Every one in the committee was very supportive and donated so much to this event. I salute specially the young mums who have kids to age of 5 and worked well to make this year a success one.

We built the foundation which is strong and believe we will gradually grow and in united. MGHS PPA(UK) will shine to the sky and will play major role in our school's future.

I would like to take this opportunity to thank our Vice Patron Mr Jeyakumar for his tremendous support and each and every committee members and all the members of the organisation. Finally I wish to thank Mrs Suntharesan for her regular communication with us and updating the needs and events of the school.

I wish the organisation for the very best future..

Winnie K Liguori

TREASURER'S FINANCIAL REPORT

I as first Treasurer of Methodist Girl's high school PPA (UK) proudly present the financial statement for our first financial year ended on 21st October 2008. The financial statement was prepared by the treasurer under the supervision of the present committee members since we formed on the 22nd Oct. 2007. Income and Expenditure statement of the past financial year does not include the committed income and expenditure of the annual dinner on 22nd November 2008.

I am delighted to highlight here, that we still have a bank balance of £880.69 after remitting a donation of £1000 to our school in Point Pedro. The level of member subscription is very encouraging and the income derived from Summer BBQ is substantial.

I sincerely hope and believe that all our members work harder to increase membership and increase our income level in order to provide more support to our School during this difficult time for the school. I call upon loudly all our past girls those who are residing in England to join the PPA UK.

It is a great achievement for our committee for sending thousand pounds to help our school within the short period. Thank you for all the member's support and hope you all will deliver your support to do better in the future.

Thank you for your continued Support and co-operation.

Thiraupathy Jai Indiran(Thirab)

VOTE OF THANKS

On behalf of the Methodist Girls High School PPA_UK , we would like to take this opportunity to place on record our hearty thanks to all the members for their perfect logistic support for an year and their enormous cooperation in the organization of this event

A very big thank you to our invitees for being with us in the Annual Dinner amidst their busy schedule. We are indeed grateful to our chief guest who readily agreed to assist in our task of conducting this event, Her participation is greatly valued

We thank our Vice Patron Mr Jeyakumar and his wife Mrs Sundari Jeyakumar for encouraging the establishment of MGHS PPA UK and their unstinted support to our organisation

We wish to express our gratitude to Mrs Suntharesan, MGHS Principal, for her excellent message which she forwarded to us within a very short notice

We may like to express our sincere thanks to Vasan Printers for their support and Mr Bala from ORU PAPER for Publicity for our BBQ in June 2008

Finally an event like this cannot happen overnight. The wheels start rolling weeks ago. It requires planning and a birds eye for details. We have been fortunate enough to be backed by a team of very motivated and dedicated committee members who know their job and are result oriented. We cannot thank everyone enough for their involvement and their willingness to take on the completion of tasks beyond their comfort zones!.
