PUBLISHER'S NOTE

It has been my earnest desire to publish a Ready - reckoner of the Rulers of Sri Lanka for the benefit of those interested in the history of Sri Lanka and the students in particular.

This publication has its source from the Legendary beginning of Prince Vijaya in the Island of Sri Lanka to the auther's own day. Prince Vijaya is the son of king Sinhabahu of the kingdom of Sinhapura in Northern India.

I have relied on published documents to avoid any controversy arising from this publication. Nevertheless, there is scholarly controversy rearding accurate information of the periods of certain rulers which is inevitable.

I am indebted to the following educationalists for Their valuable assistance and encouragement given to me to embark on this ambitious venture.

1. Prof:S.Pathmanathan B.A (Hons) Cey.Ph.D.London former Vice - chairman, University Grants Commission.
2. Dr.Paramu Pushparatnam, former senior Lecturer, Dept. of History, Jaffna University.
3. Muttamil Selvi Radha Somasuntharam B.A (Econ) S.L.E.S, Principal Emeritus.
