Membership Retention & Growth

It is accepted without debate that the membership is the life blood of any organisation. Today the Lions clubs international lays much emphasis on Membership growth & Development through the MERL (Membership, Extension, Retention & Leadership Development) program introduced in the year 2002 towards achieving the magical figure of 1.5 million Lions global membership which we have failed to reach over the past decade. The statistics reveal that the official charters of nearly 40,000 clubs have been withdrawn over the years and a million or more Lions have left the movement.

This amply demonstrates the importance of Membership Retention as well as the need for leadership development. Therefore, the MERL committee which I chaired this year will continue to function actively under the Chairmanship of Vice District Governor in the year 2004/2005 in

order to strengthen our ranks both in quality and quantity.

Clubs will be encouraged to actively participate in the MERL program and engage in recruitment of Quality members in keeping with proper Orientation methods as advised by the Lions Clubs International.

Certified Guiding Lions program too will be continued to ensure effective guidance of Lions in newly formed Clubs and qualified trainers will be engaged in improving knowledge and procedures followed towards administrative excellence.

Club Leaders are called upon to activate themselves towards a District wide net growth of 10% from the existing levels by the end of Lionistic year 2004/2005.

LEADERSHIP SKILLS DEVELOPMENT

Leadership Skills Development is a key area in my four point program for the year.

“Leadership is Action and not a Position”. Those who believe that it is only a position would not succeed in reaching the goals for the group he/she leads.

We observe a need to streets among the rank and file in the clubs, the importance of Leadership skills development and accepting Clubs of District Leadership whenever called upon to do so.

Effective leadership in Lionism is crucial for the efficient management of the administration of the clubs, Zone, Region or District and to mobilize the ranks to identify and carry out projects on priority needs of the community meaningfully. It should be a continued process and each Lion should respond positively when opportunity is offered.

It is my intention to make use of the newly incorporated Leadership institute of Multiple District 306 to facilitate Training session / workshops Regionally for the benefit of the Club & District Leaders. The workshop will focus on good Club administration in keeping with the Lions Code of Ethics and Lions Clubs International Objects.

Experience and knowledge of the past leaders of the district will be harnessed fully while the services of professionals in Leadership development will be sought to equip the District Lions with necessary skills in discharging their

duties effectively for the betterment of the community we serve.

YOUTH WELFARE

Youth are the future of the country. Directing them with proper guidance would help the country enormously in its journey towards economic prosperity youth without suitable vocation would become a threat to the civilized society.

Therefore, it is the bounden duty of the Community leaders to steer them away from fallacies and social evils and guide them to be civic minded useful citizens of the country. Whilst there are over 25,00 unemployed graduates in the country, each year over 200,000 youth enter the job market after their Ordinary Level / Advance Level examinations.

These youth without proper Career Guidance, job opportunity and regular avenue of income would resort to anti social means to achieve their objective. Insurrections erupted in our country from time to time are clear signals of this growing frustration among the youth.

They also fall easy prey to those unscrupulous elements in the society who attract them to drugs, alchohol, tobacco and other vices.

Therefore it is my international to focus the attention of all Lions in the District to consider the seriousness of this situation and muster their support in conducting career guidance seminars, facilitate Vocational training and act as a catalyst in providing employment opportunities to the unemployed youth in our country.

We shall support the ongoing LICF/ USAID/ SLTB youth training and employment in Tourism & Hotel management program of the Multiple District and endeavor to provide employment opportunities to as many youth as possible.

Lions Youth outreach project which fall under seven general categories, namely the Drug abuse prevention, Community Service, Education, Environment, International Relations, Health & Recreation will be concentrated upon and the following programs administered by the Lions Clubs international will be activated through the network the of Clubs in the District.

- ✿ Lions Quest
- ✿ Focus on Street Children
- ✿ Lions Peace Poster Contest
- ✿ International Youth Camps
- ✿ Leo Clubs

SIGHT FIRST

Close your eyes for a moment and experience the world of darkness. There are thousands of people in our country who have lost the gift of sight either due to negligence or want of resources. It is estimated that over 300,000 men & women of all remain blind due to cataract or other sight impairment, the majority of which are reversible.

Remember that we belong to those International Lions who accepted the challenge of Helen Keller to be the knights of the Blind in the year 1925 to eradicate the reversible & preventable blindness from the phase of the earth.

The LCIF 'Sight First' campaign launched in 1990 has proved successful with millions of blind around the world regaining sights step out of the world of darkness. Several millions of men, women and children have been able to get their

vision impairments corrected with the Lions Recycled spectacles program.

As you are aware the 'Sight First' grants received by the Sri Lankan Lions exceed U.S. & 1.5 million while our contribution by way of contributions to LCIF & MJF fellowships stands at US\$ 0.5 million.

I call upon all the District Lions to contribute generously towards LCIF and also obtain Melvin Jones Fellowships and in turn make your project proposals to LCIF for your Sight First project funding.

I solicit the support of each Region Chairperson to conduct at least one major eye screening clinic with the support of Regional Clubs and identify those who need surgery for cataract removal and other sight impairments on a systematic basis.

District Administration would co-ordinate the program & assist in the implementation with a goal of minimum 200 cataract surgeries & distribution of 1500 recycled spectacles per Region.

We Serve

Lions Code of Ethics

TO SHOW my faith in the worthiness of my vocation by industrious application to the end that I may merit a reputation for quality of service.

TO SEEK success and to demand all fair remuneration or profit as my just due, but to accept no profit or success at the price of my own self-respect lost because of unfair advantage taken or because of questionable acts on my part.

TO REMEMBER that in building up my business it is not necessary to tear down another's to be loyal to my clients or customers and true to myself.

WHENEVER a doubt arises as to the right or ethics for my position or action towards, others to resolve such doubt against myself.

TO HOLD friendship as an end not a means. To hold that true friendship exists not on account of service performed by one to another, but that true friendship demands nothing but accepts service in the spirit in which it is given.

ALWAYS to bear in mind my obligations as a citizen to my nation my state and my community, and to give them my unswerving loyalty in word, act and deed. To give them freely of my time, labour and means.

TO AID others by giving my sympathy to those in distress, my aid to the weak, and my substance to the needy.

TO BE CAREFUL with my criticism and liberal with my praise to build up and not to destroy.

அர்மாக் கழகத்தின் அறக் கோட்பாட்டு விதிகள்

- ❖ எனது தொழிலின் மேன்மையில் எனக்குள்ள நம்பிக்கையை இறுதிவரை கைக்கொண்ட கடும்முயற்சியைப் பிரயோகித்து, அதனால் எனது சேவையின் தரத்துக்காக நன்மதிப்பைப் பெற தகுதியுடையேனாதல் வேண்டும்.
- ❖ வெற்றியை நாடி உழைத்து நியாயமாகக் கிடைக்க வேண்டிய வருமானத்தையே பெறுதலை வற்புறுத்துவேன். ஆனால் சுயமரியாதையை விலையாகக் கொடுத்து இலாபத்தையோ வெற்றியையோ ஏற்கமாட்டேன். நியாயமற்ற வாய்ப்பைப் பயன்படுத்தி கேள்விக்குரிய செய்கைகளைக் கொண்டோ எனது நலத்தைத் தோடமாட்டேன்.
- ❖ எனது தொழிலைக் கட்டியெழுப்பும்போது மற்றொருவருடையதைச் சீர்குலைக்க வேண்டியதில்லை. எனது வாடிக்கைக்காரருக்கும் என்னுடன் தொழில் தொடர்பு கொள்வோருக்கும் எனக்கும் விசுவாசமுற்றவனாய் இருக்க வேண்டுமென்பதை மறக்க மாட்டேன்.
- ❖ எனது சக மனிதர் தொடர்பாக எனது செய்கைபற்றி ஏதாவது அறக் கோட்பாட்டில் அல்லது உரிமையில் சந்தேகம் எழும்போது எப்பொழுதும் எனக்கு மாறாகவே தீர்ப்பு வழங்குவேன். பிறர் உரிமைக்கு முன்னிடம் கொடுப்பேன்.
- ❖ நட்பு என்பது குறிக்கோள். ஏதாவது இலாபம் பெறுவதற்கு வழி என்று கருதமாட்டேன். உண்மையான ஒருவர் மற்றவருக்குச் செய்யும் சேவையைப் பொறுத்ததல்ல.
- ❖ உண்மை நட்பு சேவை வழங்கப்பட்ட அதே மனப்பான்மையுடன் அதனை உவந்து ஏற்பதையும் ஒன்றையும் எதிர்பாராமல் இருப்பதையும் பொறுத்திருக்கிறது என்ற உண்மையை உறுதியாகக் கடைப்பிடிப்பேன்.
- ❖ ஒரு பிரச்சனை என்ற முறையில் எனது தேசிய இனத்துக்கு நான் செய்ய வேண்டிய கடமைகளை மனத்தில் இருத்துவேன். எனது மனம், வாக்கு, செயல் அனைத்திலும் அசைக்க முடியாத விசுவாசம் உடையவனாக இருப்பேன்.
- ❖ எனது சக மனிதருக்கு உதவும் முகமாகத் துன்புற்றோருக்கு இரக்கமும், பலவீனர்களுக்கு உதவியும் தேவையானோருக்குப் பொருளும் வழங்குவேன்.
- ❖ எனது விமர்சனம் பற்றிக் கவனமாய் இருப்பேன். பிறருக்குப் புகழ்மாலை சூட்டுவதில் தாராளமாயிருப்பேன். ஆக்க முயல்வேன். அழிக்க முயலமாட்டேன்.
