More than two decades the Tamil Schools Sports Association UK (TSSA UK) has been organising successfully Football Tournaments during the Bank holiday Monday in May and Summer Sports Festivals during the Bank holiday Monday in August.

TSSA UK was inaugurated on the 24th June 1992 with a handful of Jaffna Schools. Since then it has grown into big organisation with more than sixty Schools from North and East from back at home, affiliated under its umbrella. The tremendous growth would not have been possible if not for its hard working committee members, participating schools and support from many others.

The main aim of the TSSA is to encourage the younger generations of the Tamils and to provide an opportunity to develop and promote their sporting skills and talents. We are very proud to mention that many young players been selected to play for National Teams. For this year's Football Tournament in addition to Football we are organising Volley Ball, Soft Ball Cricket and Tug-O-War.

We believe that the events such as this will be providing an opportunity for the OSA's to re-unite, participate, to socialise and mainly strengthen our community.

We urge you all to continue supporting and cooperate with us to organise successful events for many more years to come. Finally we would like to thank you all for your participation and wish everyone a peaceful and enjoyable day.

## President 's Message

First of all I would like to thank all of our members of TSSA for giving me another term to be the President of the great organisation. I believe that this opportunity is an appreciation from the members for what I have done and contributed in the past year. I would like to take this opportunity to assure you that I will do my best as president of our organisation in days to come. I also can say that this is my only strong message from the bottom of my heart during the celebration of 22nd anniversary of our football tournament 2014.

It is my pleasure to congratulate our committee members, participants and the well-wishers, who contributes unlimited support and helps for the success of TSSA in the past and the present years. Our main objective is to promote sports activities and cultural awareness among Tamil Community home and around the world. We believe that the "sports" is a potential weapon to break any barriers related to community, regions or geographical location in order to bring all of our societies together without any discrimination or differences.

We also continue to provide further assistance and financial help to other similar organisations and local community organisations, which work hard to promote sports and other cultural activities.

We do everything to achieve our goal by providing possible assistance and financial helps as much as we can.

Being a President of TSSA for another year brings me happy and confident to contribute further towards the success of our organisation. I am also proud of my personal commitment and contribution to TSSA for such long time and will expect to do more in the future.

Let us join together our efforts to make the day a great success. You all know that commitment, sports spirit and dedication to our future young generation are our strength.

TSSA (UK) will reach new heights through hard work, and team spirit.

We have done it in the past. So we can do it this year too!!

I take this opportunity to thank our members, well-wishers, committee members and those who helped in every way to make this day very successful.

My special thanks to the participants who played the main role to make this day very entertaining and enjoyable.

Congratulations and good luck.

God Bless you all.

## Message from the Chief Guest

I am privileged and honoured to be invited as the Chief Guest along with my wife for this year's Football Tournament.

As one of the Founder Members, Former Secretary and President of this unique association, I understand how much organisation and hard work goes in to this Football Festival.

A Sports Festival of this nature, will bring people from all walks of life to get-together bringing nostalgic memories of our school days. I remember my young days at Mahajana College and the JSSA Football Tournaments which was supported with enthusiasm by the ordinary working class people of Jaffna. Those were wonderful memories from our past, although the war went on disturb such beautiful memories. However, now sports activities and tournaments in the North & East of Sri Lanka are again becoming part of the student's life.

I am proud that our schools are represented here in the UK through TSSA. TSSA as the joint sporting Organisation which represent the Tamil schools in Sri Lanka play an active roll to support and help the development of sports in the North and East.

My congratulations goes to the participating youngsters, families and parents and the TSSA committee, who have worked hard to sustain and enhance our sprits in the field of sports and I wish them every success on this day.

Finally, my wife joins me in thanking TSSA for inviting us as Chief Guests on this occasion.

He was in the committee continuously until 2008 and made the organisation grow from strength to strength. He has been appreciated by all the past and current committees for his vision to improve festival year after year at both the annual events in May and August.

He was a leading force within TSSA (UK) to support and organise projects fund JSSA (Jaffna) activities in Jaffna and to planning set up and funding for a Sports Academy for North East of Sri Lanka called SANE. He and his wife Mrs Jeya Gowri Sri Gengatharan with TSSA committee members took Net ball team from the UK to Toronto, Canada and North and East of Sri Lanka. During his school days he was very active in planning and organising sporting events and was famously known by many people for organising a Floodlit Football tournament as part of Ampanai Shooting Stars Sports Club.
