The Tamil School Sports Association UK (TSSA UK) was inaugurated on the 24th June 1992. For the last seventeen years we have been organising two events annually-a Football Tournament on Bank Holiday Monday in May, and a Summer Sports Festival on Bank Holiday Monday in August. We now have more than fifty Old School Associations affiliated under our Umbrella. Every year more than one hundred teams take part in the Football Tournament.

However this year due to the political situation back at home, and particularly in Vanni, many thousands of Tamils were killed per day. Over fifty thousand Tamils were wounded. Tamils from all over the world were shocked and devastated by the news that we have been receiving from our native land. Many thousands of Tamils remain in North and East IDP camps, and are living under extremely difficult conditions. As a mark of respect, TSSA postponed this year's Football Tournament event which was originally scheduled for the 4th May 2009. Today our younger generation has the opportunity to participate in the rescheduled Tournament. At the same time, our thoughts and prayers are with the hundreds of thousands of children who remain suffering in the camps, without even their basic needs being met. Our hearts go out to them and we pray that they will be able to return safely and quickly to their homes.

TSSA plays an important role in getting past pupils and their families to represent their Alma Mater in the field of sports. This creates the opportunity to participate, socialise and reminisce with old school friends, whilst also giving the younger generation born here a chance to glance at their roots and to proudly represent their parents. To organise these events and make them successful, we need hard working Executive Committee Members and volunteers. We take this opportunity to thank all those who have contributed in making this event a successful one.

**Message from the President
Mrs Geetha Vijayadeva**

On behalf of the Tamil Schools Sports Association of UK, I am privileged and honoured to welcome you all to our 17th Annual Football Tournament.

Without a doubt, this event will provide the participants another golden opportunity to cultivate a spirit of co-operation and sportsmanship within the context of a friendly competition.

While our younger generation in UK develop their academic and athletic skills and knowledge, let us think of the many thousands of young Tamils who are currently displaced from their Vanni homeland and living in IDP camps, without their basic needs being met. They have been deprived from their Education and denied a normal life. I hope and pray for a rapid solution that will help restore the beginnings of a peaceful life for them.

In spite of immense difficulties and the heartache of Tamils of Diaspora all over the world, we believe that we have a duty to continue to organise these tournaments for the younger generation. A key objective of TSSA is to support the younger generation of Tamils in Britain and to encourage the development of their sporting skills to potentially reach international standards.

I will be failing my duties if I do not express my sincere thanks and gratitude to the entire Executive Committee, Volunteers, our Sponsors and Well-wishers for their continued support towards organising this event.

Finally on behalf of TSSA Executive Committee I would extend our best wishes to all the participating teams

Wishing you all a memorable and enjoyable day

About the Chief Guest

I feel honoured, and would like to thank the committee for engaging me to write my impression of a charismatic humanitarian Dr W.T.Maheswaran.

Dr. Maheswaran is well suited to be the chief guest today, for this admired annual sports event as he is very well-liked respected within our community. Dr Maheswaran initially schooled at Central College Batticaloa when his Mother was a principal and Father was a district officer. He then continued his studies at Trincomalee Hindu College when his parents moved. He excelled in Athletics, Cricket, Football, Badminton, and Table Tennis & represented the school teams. When the time was right for serious studies he was dispatched to St. John's College Jaffna, where he had a bright career in studies and was selected to read Medicine.

Having come to England, Dr. Maheswaran was actively involved in Tamil cultural and social activities. He was recognised for his work and was elected as chairman of West London Tamil School for many years. He was a founding member of the Medical Institute of Tamils and was later Vice President. His favourite activity has been his work for St. John's College and Chundikuli alumni association. He was elected as President and during that time he was invited for the college centenary celebrations during 2004, where he visited the schools and gained first hand information of the development and their needs. The work he carried out for his past school made an impact in making awareness and raised the benchmark of the activity, even though high in the agenda in the UK.

His Wife Bhavani gives him all the support and encouragement in spite of their busy schedule to get involved in these activities. His family was identified by CNN for special mention for their humanitarian work while on holiday during the Tsunami. They gave up their holiday to work tirelessly for the sick and wounded, first in Kalutura and then in the Jaffna Peninsula.

I wish Dr. Maheswaran good health and success to continue his work in sports and social activities for the society. He has brought so much to the community, and I am proud to have known and associated with him as fellow Johnian and a Friend. I hope his passion for life and the work he does for the neighbourhood continues and motivates loads of more humanitarians to evolve and enhance our humanity.

I conclude my message wishing all the best to the TSSA (UK) committee, Well wishers, Office bearers, Participants, and the Spectators to have a blessed brilliant and unique evening.

Ratnasingham Sivakumar

Message from the Chief Guest

President of the TSSA Mrs Geetha Vijayadeva, committee members, brothers and sisters, well wishers of TSSA. I am greatly honoured and it is a great pleasure to be invited as Chief Guest along with my wife, for this year's football competition conducted by the TSSA and requested a message for the souvenir. I thank you on behalf of my wife and my family to have given this honour to me.

While I am happy for the younger generation of my community living here and other countries abroad, I am concerned that my community is unable to enjoy life to the full back in our homeland.

I want to re-enforce what has been said over the years and outline my own personal commitment to sport. Football like every other sport is like life, it requires perseverance, selfdenial at times, hardwork, sacrifice, dedication and respect for authority. As for advice on football I remember a quote from Sir Bobby Robson the former England coach, saying the first ninety minutes are the most important!!

It is poignant that TSSA is involved in organising football tournament in England, the birthplace of Football.

TSSA has for many years done great service in this respect organising and encouraging the community to participate in events like the football tournament today. In organising competitions like the one today, TSSA is helping to bring out the talent in our youngsters which could be easily over looked in regular school activity.

Having served in the community for a short period, I know the time commitment and effort the committee members have to give and sacrifice so many other activities they may want to do.

It is quite clear for us all to see TSSA growing from strength to strength. From a few member schools, TSSA now boast of more of fifty schools as members.

I must congratulate Mrs Vijayadeva and the Committee for lifting the image of TSSA and earning the respect and admiration of other sports and cultural organisations in the United Kingdom. On behalf of my wife, family and the community, I wish them continued success and my message for the participating teams is that, to accept the result with grace and you would win the respect of everyone.

A handwritten signature in blue ink, appearing to read 'Dr. Maheswaran'. The signature is fluid and cursive.

We take great pride in organizing this event and it is with great pleasure that I welcome you all today at Richardson Evans Playing fields, to have a fantastic time amongst our young star performers.

In our endeavour to encourage sportspersons of all ages, from youngsters to over forties, we have continually organized the TSSA UK sports twice a year. Our sportspersons need support, motivation, encouragement and recognition. I hope you will agree with me in thinking that TSSA UK is the right platform to bring them into the spotlight and at the same time reward them for their achievements and hard work.

My good wishes go to the President (Geetha Acca), the executive committee and of course, the volunteers and the sponsors without whom we could not have achieved this far. Also, my special thanks to Mr. Edwin Gunnaratnam for running that extra mile to help us in organizing this event.

I cannot turn a blind eye on a sad year for our Tamil community. This particular year will be remembered for a long time.

Thank You.
