From the Management Committee

The committee warmly says "welcome" to each of our guests and wishes a very pleasant and enjoyable swing in our midst this evening.

The success of such occasions depends entirely on the patronage of the guests and we are fortunate we have a line of wonderful guests responding to our call.

To be in tune with the international political scenario, the individual recedes and the perestroika emerges in our club, too, resulting in the formation of the Management Committee.

Well entrenched in cricket and wading our way through in soccer, West Three plans to encroach other sporting activities as and when opportunities knock.

A number of young players who joined our Club have grown up in stature, thanks to the guidance and training rendered by the experienced, senior hands. We expect the Second Eleven to play more regular matches during the forthcoming season. We will endeavour to obtain better play-ground facilities this season.

Thank you.

THE CAPTAIN'S MESSAGE

It is indeed a moment of pride for me to issue this message for the second year in succession, as the Cricket Captain, West Three.

I am grateful for the trust the club has placed in me. I am looking forward to using my 1991 experience in moulding a better Team and playing attractive cricket this season.

My sincere thanks to every member of the Team last year, for his cooperation and readiness to 'rise to the occasion.' A word of praise to Raj, Thomas, Kala and Ray for their splendid centuries this season. Thanks to each mate's gallantry, the club was able to proudly display true cricketing spirit on and off the field.

To our patrons, a big 'Thank you!'

To my team-mates, a simple note:

"West Three Flag must never be lowered!"

1991 Season

1991 Season started! 'Speedy' Jeya led the Team; Stray, but strong, he bowled to scalp; 35 wickets, he skinned to fry!

Of the Games, the first a Draw; second a Win; and the third, no, I wouldn't mention! But that was only the warming up! Rest of the story for months to come, was "Cheers" to West Three, all the way! 40 matches played this season; 8, we lost! oh, chuck the thought!

Thomas remembered his school day form! "Bang, Bang" was his batting song! 850 was his score! and 55 wickets he peeled in style! mm ... to cap his third century, Tom forgot to score a single!

Paul came to rescue us, from Jeya's grip! the puny lamb led the team, lightning victories was his style; forgot to be out in first 6 matches; and 50 runs, his normal rate!

Raj! Without his snoring, there's no fun in our fielding! With his grand old spirited attacks, shredded many a batting collapse tacks!

Kala! Central, his launching pad! Singham, his parachute strand and W3, his landing mark! Outran balls and saved all fours; took the bat and whacked at ropes! 700 runs and 2 centuries! Bravo!

Sivakumar, a steady start! A false scrum at Tommy's leg earned him a hospital crutch! 3 legged, yes, but stayed with us through!

Shankar, with his toothy grin, stole a place in all good games! Bat or ball, he did his best! Fielding too, he impressed!

Anu's brilliant 'good thinking,' was sure a guide to many! There's a warrant on him still; But, he didn't hide Singham's keeping Gloves!

Thamil was always in a hurry! But, his hurried 49 wickets brought many a "Hurray" this season for us!

Patrick had his bag of tricks, both in getting wickets and in luring a substitute to do his fielding! A trick from Roman times, perhaps!

Ray was with us only for a short spell! Ray was truly a ray of hope, in some moments of despair! Ball and bat were toys to him!

Ravi Raj! Beast and Beauty all in one! Squeaks at will, but fields like 'hell'!

Siva! Truly "a little lamb" was our tall Siva! He came to play occasionally and they were sure, real moments of delight!

Singham! Season's "under repair" case! Holding his hips! Yet, with his leaps in the slips, heaped 30 catches! His keeping Gloves, lost, are they?

Ragu! Baby-minding or ball-minding, Ragu was always serious! His contributions, few, but remarkable, were they!

Bala and Anna, mustard and musky, were attractions on and off the pitch! Danny, Harry, Mohan, Eddie and Suresh, too, had their individual charms right through the season's days!

Manager Deva's rose was The W3 this season! Sana never failed to cheer us under the "shower"! Mahen, the Supremo! His magic wand all pervading!

**IF YOU BELIEVE ALL THIS YOU DON'T
NEED LIFE ASSURANCE**

It will never happen to me, is an attitude your family could pay dearly for.

** Today one-fifth of the people in this country don't have any life cover and have less than half the cover they say they need. Make sure you're not one of them, for your family's sake.*

Let us tell you about our cover master Plan in detail -the life policy that will pay out if you die and pay a cash sum if you live.

From The Editor

Pooling the materials together, arranging the Adverts and messages in order, finding a suitable Press and bringing the Souvenir out on time, was all that was assigned to me. Our members were active and the advertisers generous. There was no difficulty for me in carrying out the assigned task. Thank you members, for your efforts. A big 'Thank you' to our dear advertisers, for patronising us even during this period of recession.

T.G.Singham.
