## Message from the President

The Jaffna Central - St. John's Annual Cricket encounter is one of the most prestigious sports events in Jaffna. This cricket match is now the focal point of interest and an eagerly awaited event during summer in Toronto, in the lives of the Tamil Canadians. The past students of these great schools, living in Canada and the United States, are organising this match to re-live the sweet memories of these encounters that have been going on for ten decades. This is the eleventh encounter in Toronto and we are sure it will not fail to produce all the excitement and the fun with the Battle of the North. The past students of Jaffna Central and St. John's deserve our praise for supporting this event annually and making it a memorable occasion.

True to tradition, the Centralites and Johnians are keeping up their lively spirits even while being away from our motherland. We may be away from our native land of the palmyrah trees, but in our adopted land of the maple trees, our spirits are soaring high. It is an occasion for re-union and for re-discovering long lost friends and associates. It kindles in us nostalgic memories of our school heritage and experiences.

It is my firm hope and wish that this tradition should continue. The annual event that was started in Jaffna should continue in Toronto. Winning or losing matters little, when you have achieved the objective of community fellowship and fun.

I sincerely believe that the players would also uphold the true tradition of the game and maintain the high standards that we have come to expect. I wish the Teams and the Spectators an enjoyable day of superlative Cricket.

## JAFFNA CENTRAL COLLEGE OLD BOYS ASSOCIATION CANADA BRANCH

It gives me a great pleasure to be associated with the organization of this great event and extend the warmest welcome to all those who have gathered to witness a thrilling encounter of cricket lovely cricket from the young old boys and the experienced great dons of cricket.

In spite of immense difficulties, our alma mater still continues to contribute her best in the field of education and sports, besides molding and building men of character and integrity, who are well equipped to serve the community and the country, whilst at the same time bringing honour and credit to the school.

A special word of thanks goes to the Donors of trophies and the individuals who have responded positively to our request for advertisements, to ensure the overall success of this event.

The cricketers of both Jaffna Central and St. John's should be applauded for the spectacle of competitiveness. It does not matter who wins the game, but it certainly matters how the game is played. We are sure the Centralites and the Johnians will keep the Choc & Blue and the Red and Black flying high with satisfaction and honour that we have played the game in the true spirit of sports.

At this juncture, I appeal to all of you who participated at this "Get-Together" to make this an occasion of fellowship and also positively demonstrate our love and loyalty to our homeland and our "ALMA MATER"

We wish the teams healthy rivalry and the spectators an exciting day of cricket.

## St. John's Chundikuli Past Pupils Association Toronto

The St. Johns Jaffna Central Past Student's Annual encounter in Toronto is the most enjoyable sport event, among cricket enthusiasts in Canada. Every one looks forward to this day of fun and excitement. It brings together friends and classmates and it is a day of delight to all.

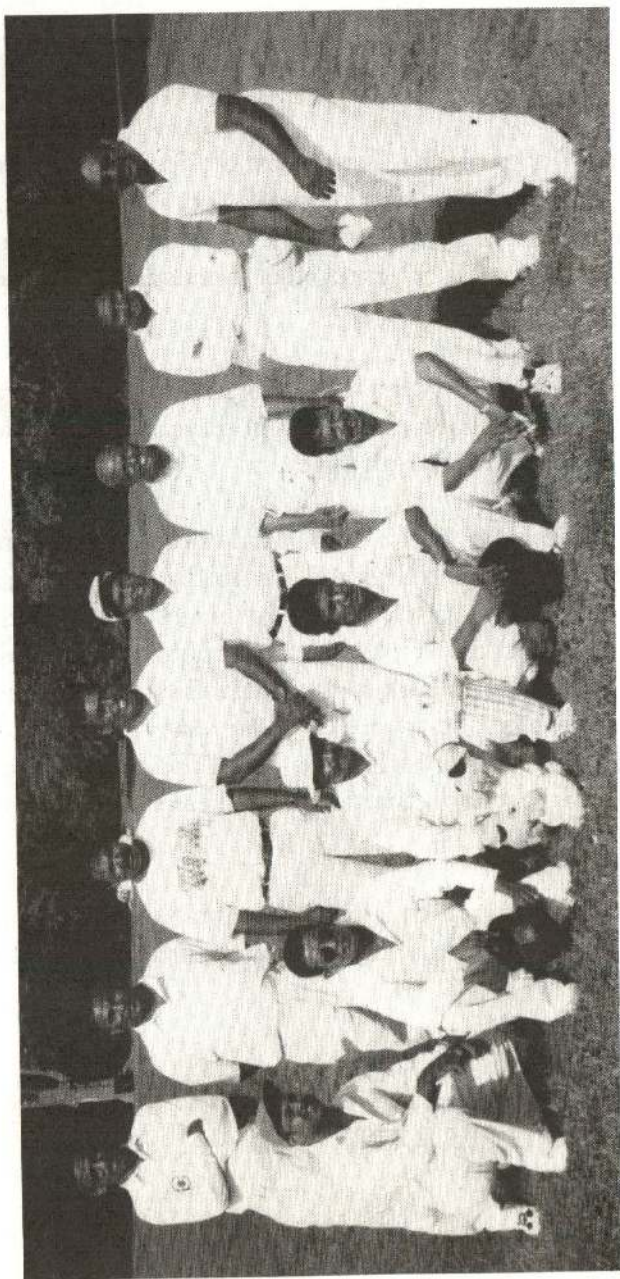

The first match between these two great institutions was played in 1901 and we have just two more years to celebrate the one hundredth anniversary of this event.

The Alumni of both schools and those of the sister schools, Chundikuli Girl's College and Vembadi Girl's college, revel in the memories of the past, with happy images of the Central grounds with the Clock tower to the north, the public library to the west and the Subramaniam park to the south. Lingering in our thoughts. These matches being played today have the traditional rivalry displayed in the open but the fun of the day and the friendship between the schools, that have been there, encompasses everything else.

We look forward to a very memorable and meaningful day reminiscent of our glorious encounters in Jaffna. Have Fun!
