HEMA TUTORIAL

HEMA Tutorial offers English, Maths, Verbal and Non-Verbal tutoring to children from Year 3 to GCSE of all abilities. It is a family run business which provides a friendly learning atmosphere with a comprehensive tutorial programme.

The focus on younger years is often directed towards passing the Selective Entrance Examinations, commonly known as the 11+, for surrounding schools such as Tiffins, Wallington Grammar, Nonsuch High School and others, as well as instilling confidence and a love of learning that will serve as a solid foundation for many years to come.

A significant proportion of students return during their GCSE years to build on this foundation and augment their school education to provide them with the opportunity to achieve the best grades.

President's Message

Friends and well-wishers

On behalf of the BUDS Executive Committee I warmly welcome you all to the 2016 annual Charity Night, celebrating the 29th anniversary of continued charitable services to the disadvantaged in Batticaloa and its suburbs. I am privileged and pleased to write this short report.

This souvenir contains some history of BUDS and some memorable photographs. The report of the secretary and the treasurer is also contained more information and I would kindly request you to read to gain a better understanding of BUDS and its dedicated services.

Now that we have peace in the country, we would like to turn our focus more towards educational activities, particularly in the remote areas. In 2014 we conducted comprehensive revision classes in 6 centres in Paduwankarai at the cost 1.2 million with the assistance of World Vision. Given the enormous success of this venture we would like continue to do similar projects in the remote areas.

BUDS is incredibly fortunate to have the support of some very talented and dedicated members, however, there are still many brilliant people with varying capabilities in our community with a lot to offer. I would humbly request all of you to join BUDS and its noble cause to uplift the living standards of the underprivileged in our region.

I would like to thank the executive committee of our Batticaloa branch, without their relentless love and support we would not have achieved the great successes that we have in all of our ventures.

I would also like to extend my gratitude towards the well-wishers, donors, advertisers and the sponsors; all of the charitable assistance we are able to provide year upon year is due to your unwavering support.

Finally I would like to take this opportunity to thank the executive committee for their tireless commitment to ensuring this night is a massive success. With that in mind, I hope you have a fantastic night and continue to provide BUDS with your love and support.

Message from the Secretary

It is a great privilege to pen this message as the secretary of the oldest and active charity – The BUDS. We welcome every one of you to the 29th Charity Night.

Our charitable activities have progressed as usual. The contribution of SLR 2 lakhs each, was sent to VALVOSAI (Deaf & Dumb-Batticaloa YMCA) & Ozanam (mentally handicapped). The self-income generating project of Swami Vipulananda Children Development Centre Akkaraipattu, received SLR 3 lakhs as part payment. They are developing their Dairy farm with more imported cows, grazing field & other necessary facilities. Our wishes are with them in their endeavour. The committee is also considering contribution to the 'Shakthi Solar Villages' project at Kumburumoolai, Valaichenai, organised by the APSL (Association of Professional Sri Lankans in the UK). This project is to develop the solar energy to pump water to the whole village, in place of Diesel pumps and to develop the area. Foster care is continuing, but we need more continuous donors. Thanks to the past & present donors.

The AGM was held in December last year with good attendance. The long standing urge to involve the Youth in the charity was stressed by the out going President. I thank the members for incorporating Alan Britto and myself in the Executive Committee. Few resolutions brought up by members were passed unanimously. We had several Committee meetings for the year.

In January 2015, we had a successful Pongal Vizha, with very good participation of the local community, other Batticaloa charities and Old Students Associations. The local youth entertained with their talents in musical and dancing arts. The function was also made colourful by the Pattimandrum led by Pulavar Sivanathan and the speech by Fatima Haran. The Chief Guest Mayor of Brent and Guest of Honour Deputy Mayor of Harrow graced the occasion. The Pongal cooking, led by Umachandra, assisted by Shivanandians and Michaelites brought the memories of Batticaloa. Kamalini's hot hot ulundu vadai and the Sambal from Ranji (Indran's wife) topped it up. Await the next Pongal festival in January 2017.

Finally, we are together for the betterment of Batticaloa area and I take this opportunity to thank every member of BUDS UK, BUDS Batticaloa Branch, OBAs, MIOT, APSL, Project supporters, well-wishers, donors and sponsors for their continuous generosity and support. I am sure you are enjoying the evening.

Treasurer's Report

I have great pleasure in writing this brief report for this souvenir which is being published to mark the 29th anniversary. Over the last 28 years BUDS have donated approximately £550,000 for various charitable organisations in Batticaloa Region. During the financial year ended 30 September 2015 BUDS has donated £10,000 to our Batticaloa branch this is in addition to the money held already in our BUDS Batticaloa bank accounts to continue the charitable activities.

The foster care programme is also a great success and currently 35 children are benefitting. In the last financial year we have spent Rs 1,275,450 for this programme.

The Thiraimadu self-study centre was a great success and over 100 children from that area were benefitted. The project ended and had been handed over to local women association.

In the financial year ended 30 September BUDS Batticaloa branch successfully initiated and implemented a major educational classes in 5 various centres. This programme was initiated by our Batticaloa branch president Mr Sathiyathan, who is the zonal director of Education Department. The total cost of the project is 1.2 million rupees and BUDS contributed 764,953 rupees and the balance by Worldvision.

In the current financial year we have donated the following.

Swami Vipulananda Children Development centre	- Rs 300,000
YMCA	- Rs 200,000
Ozanam	- Rs 200,000

Small charities such as ours are finding increasingly difficult to raise funds due to many factors. To enable us to continue serving the needy society and achieve our goal we need more financial assistance from the diaspora in the UK. It would be greatly appreciated if you would donate generously to make this a reality.

Finally I take this opportunity to thank all the members, well-wishers and donors for their generous contribution.

Mrs Kamalini Varathanathan

BUDS Charity Night-2016

The Batticaloa Branch of the BUDS UK wishes all the Members of the Main Office in UK, who are going to celebrate their annual event of BUDS Charity Night for 2016.

This is not an ordinary event of a get - together and dinner but a place where they are witnessing the charity works carried out during the last year by BUDS-UK and also do the generation of fund in order to meet the future target.

Most of their funds are channeled through our Branch in SriLanka and therefore, we are the witness and are responsible for the proper utilization of fund amongst the needy People in Batticaloa district.

The BUDS-UK members are committed to do this charity work. Even to convene meetings and discuss the progress, they have to travel a long distance by sacrificing their valuable time and money. Similarly, the Batti. Members too spend their time to meet and to make field visits.

However, we all are depending on the generous donors who make a powerful contribution by which we are able to meet the educational expenses of children who lost their single or both parents, medical expenses of poor people, expenses for rehabilitating people who meet with disasters, expenses connected to Economic Development etc.

Considering the charity work undertaken and the commitment of the members and the long standing of the Organization, we wish the BUDS-UK generate more funds and contribution and thereby the event become success.

Greetings from AEDU

We, the members of AEDU take this opportunity to congratulate the members of **BUDS-UK** in the happiest occasion of their **BUDS NIGHT -2016**.

Since the year 2005, AEDU has been working hand in hand with **BUDS-UK** on Educational Project to serve the students in Eastern Province of Sri Lanka, specially in Batticaloa District following the Tsunami disaster. Since then, **BUDS-UK** had extended financial assistance to more than 150 poor students who lost their breadwinners, for the betterment of their education. The service is still continued. During 2015 an average of 40 students including University students were benefitted. The assistance amounted to Rs. 739,620.00 for the year 2005.

We are proud to say that the members of **BUDS-UK** deserve to be congratulated for their unselfish service to the Community, in the midst of personal difficulties in a foreign soil. There is no doubt that the future generation of our soil is indebted to **BUDS-UK**. In this context, the generous donors of **BUDS** have to be ever remembered and thanked without whom all these ventures could not be fruitful.

We assure our continuous participation and cooperation to carry on the Project in the days ahead.

We also wish the Members of **BUDS-UK** that the **BUDS NIGHT-2016** be a success to them.

"Helping Hands"

THE HISTORY OF BATTICALOA UNDERPRIVILEGED DEVELOPMENT SOCIETY (BUDS)

Batticaloa University Development Society (BUDS) was founded in 1986 in the UK, with the main objective of providing support and assistance to the Eastern University, which itself was in its infancy.

Initially BUDS was able to provide support in the form of

- Books for the Library
- Equipments for the laboratory (Nuclear Magnetic Resonance Spectroscope and Infra-Red Spectroscope)

After the Eastern University became fully operational; with the funding for building, staff & equipment, it was felt that the BUDS support for Eastern University would be minimal. Hence, the objectives were diversified to support and to assist the educational needs and other social and cultural needs of the underprivileged of East Sri Lanka.

In summer 1998, the constitution of the organization was redesigned in preparation to apply for charity status and its name was changed to Batticaloa Underprivileged Development Society, but the acronym BUDS was retained. In June 2000 it was accepted as a registered charity with the England and Wales charity commission.

The diversified objectives of BUDS are

- Providing Financial Assistance to Orphanages
- Providing Educational support to Underprivileged children
- Providing Medical Equipment to Hospitals
- Providing Financial Assistance to Local NGOs to conduct Health Clinics & special Medical

Screening programs in remote rural areas and in the UK.

In the year 2005 it was recognized that a branch association for BUDS at the grass root level in the location of its activities would help to provide its service more effectively and efficiently. Hence, in September 2005, Batticaloa branch of BUDS was inaugurated and in November 2006 it was awarded the Registered Charity status (Voluntary Organization) in Sri Lanka. One of the main objectives was to assist orphanages.

NATURAL DISASTERS & ETHNIC CONFLICT

The year 2004 was marked by the TSUNAMI which devastated Sri Lanka, the Eastern Province the worst. Thousands of people lost their lives and hundreds of thousands were rendered homeless. BUDS swung to action on 27th of December and played the pivotal role in getting all the different organisations of the EP under one umbrella, to effectively serve the people at home. Tsunami Disaster Relief Coordinating Committee (TDRCC) was formed to spearhead the relief work. The following organisations joined the BUDS in this massive project.

Amparai District Vipulananda Rehabilitation Organisation (ADVRO)

Kaluwanchkudi Welfare Society

Shivananda Vidyalaya Past Pupils Association

St Michaels College Alumni Association – UK

Vincent Old Girls Association

The members worked tirelessly and collected over GBP 130,000. Some of the projects implemented were;

Immediate relief in the form of cooked food, Dry rations, Kitchen utensils & Clothing. We sent one container load of used cloths and medicines.

Construction of Temporary Shelters and Educational Assistance to children in the camps.

Construction of 5 Permanent Houses (£15,000) through Ramakrishna Mission. Installing Tube Wells through Ramakrishna Mission in the affected areas (£1,650).

Provision of a new Tractor & Trailer to an orphanage to partly sustain their income & training purposes (Through ADVRO -£17,675)

Various other relief work were completed through other NGOs, namely; Eastern Human Economics Development (EHED) £28,000, Lions club £2,000, St Michaels college £7,650, Vincent PPA £5,000, Shivananda OBA £5,500, Prisoners Welfare Association £500, ADVRO £17,675 & Batticaloa Medical association £6,000.

Following the Natural disaster, the man-made ethnic conflict saw an escalation in the number of displaced from Muthur & Vaharai, making Batticaloa a sea of refugees. This was in addition to recurrent floods in the area. Each time, BUDS with the help of the dedicated Batticaloa BUDS committee members, was able to support the community with dry rations, clothing, books, uniforms & shoes.

In 2007, dry rations and other essential items including infant milk powder items worth Rs 200,000 was distributed to refugees from Vaharai, who were displaced to refugee camps in the Mankadu area.

In 2008, BUDS Batticaloa has worked jointly with IRO (Inter Religious Organization) to support the refugees displaced from Muthur (Trincomalle district). Cost Rs.200,000

In 2009, Rs. 198,700.00 was spent for few university students of Vanni, studying at Eastern University, who were unable to get back home when their life was in danger. Rs. 180,000 was spent for Vanni IDP Children through Bishop of Mannar.

In 2011 floods, 579 families from following locations were provided Dry rations worth of Rs 930/= per family

<u>Location</u>	<u>No. of families</u>
Panayaruppan	63
Periyakalpoddamadu	47
Sillikodiyaru	82
Irumanta kulam	27
Sinnakalpoddamadu area	360
Total	579

Bed sheet, Towels, Sarongs & Fabric were distributed to 350 families. Each valued Rs. 1450/=

FLOOD RELIEF 2011

21,750 exercise books (80 pages @20.75) 15,000 exercise books (160 pages @37.50) were distributed to 27 Schools in the Batticaloa District. Shoes & Slippers were issued to some of the needy schools.

In 2012, Livelihood Assistance was paid to a war victim (Rs 100,000).

Post Tsunami assessment of the 'BUNDS' (Batticaloa project) was undertaken by University of Surrey. BUDS contributed £ 950.

EDUCATION

Foster care Project

After the Tsunami disaster in 2004 and the ethnic conflict, most of the affected children's education & life was disturbed. It is better for the parentless children to be free of the stigma 'Orphans' and would be better to grow up with their uncles, aunties & cousins to enjoy the warmth of their family. BUDS-UK identified Association for Educational development of Underprivileged (AEDU) as a suitable partner for running Educational projects of BUDS. Accordingly, we joined AEDU in the 'FOSTERCARE PROJECT'.

In the beginning, the number of children catered by this project was 105. Subsequently the number has reduced, because the other donors came forward to assist these children and also the financial position of some children has improved. At present 36 children are being benefited through BUDS Foster care project, consisting students from Grade 5 to University level. Best way -UK is supporting 10

children in Batti and Trinco each, under this project since December 2011. A sum of Rs. 2830 is being paid to each child monthly. Periodical monitoring & individual assessment is made by the dedicated AEDU members, visiting the child's home & school. We would appreciate more donors so that we could increase the number of recipients. Monthly £15 contribution will help a child. The amount donated By BUDS through AEDU from 2005 is Rs 7,344,800.00

Self Study Centre – AEDU @ Thiraimadu-Panichayadi

This project was implemented from August 2011 up to July 2014 (3 years) with the co-participation of the Women Rural Development Society (WRDS) Panichayadi. The place is also called 'Swiss Village' as it was redeveloped by Switzerland after the Tsunami. BUDS-UK and MIOT jointly funded this project. This project was meant for the children who were affected by Tsunami and had hindrance to their education at homes after school, due to various environmental disturbances. Either they didn't have enough room at home or were disturbed by other inmates. The classes are from 6-8pm. The students complete their homework and teachers are in attendance to help with their queries. The beneficiaries numbered around 100 at the start. We made use of the WRDS community hall and furnished it with tables, chairs & kitchen utensils.

During the period of this project the children were provided with the following facilities.

- 1 Comfortable class room furniture
- 2 Daily Nutritional drink
- 3 Guidance and Supervision of senior Teachers
- 4 Electricity payment to the Centre
- 5 Equipment for preparation of Nutritional drink
- 6 Study materials
- 7 Prize giving as appreciation of educational progress.
- 8 Nominal pay for the teachers

A sum of Rs. 1,045,572/= has been spent on this project.

This project has been taken over by the WRDS and being continued by them. Around 50 students are still utilising this Study Centre.

In 2012, we assisted Kaluwanchudi Welfare Society in the project 'Progress Towards Target'. Students who did well in the A/L but failed to get a place in the Universities were trained in spoken & written English to progress in their future options (£800).

In 2014, a sum of Rs. 205,000 was donated to Civil Society, Batticaloa for distribution of exercise books among students from Batticaloa West Education Zone.

The Bishop of Batticaloa Rt Rev Ponniah in his recent visit to the UK, requested the BUDS to help the education of the children in Paduwankarai. The Zonal Director of Education of West Zone Mr. Sathianathan, his staff and his associates from BUDS Batti made this a reality for the O/L students this year.

**Sponsored By
BUDS – UK**

Facilitated by BUDS- Batticaloa

Extra classes and model examinations were conducted in 5 core subjects viz; Tamil Language, English, Mathematics, History and Science. Classes were conducted for 15 days (Saturdays and Public Holidays) commencing from 6 September 2014, each day for 6 hours. Rs. 500.00 was paid per hour to the Resource Persons. More than 50 Resource Persons conducted classes and examinations. Model question papers were provided to the students and instructions given for answering the papers. The total payments to the Resource Persons amounted to Rs. 577,125. The 'World Vision' came forward as a valuable partner in this worthy venture, having granted the payments amounting to Rs 244,500.

An interim evaluation and the opinion expressed by the students revealed the greatest satisfaction of them and the hope for the best performance in the examination.

BUDS-Batticaloa is grateful to the Zonal Director of Education-Batticaloa West Zone and his Staff for the immense help extended in implementing this Project. They were monitoring and supervising the project activities.

HEALTH

Medical Clinic

We have conducted Medical Clinics in Harrow & Edmonton area for the Sri Lankan expatriates in the past. Checking for high blood pressure, Diabetes & Cholesterol has helped many old people who couldn't communicate in English.

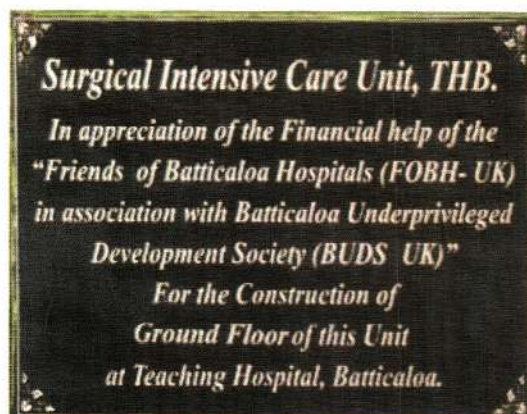

SICU

Friends of Batticaloa Hospitals (FOBH) initiated and planned in collaboration with BUDS, a building for the SURGICAL INTENSIVE CARE UNIT (SICU) at Batticaloa Hospital. BUDS donated £5000 for this needy project. An Australian organization provided the equipments. The SICU was opened in 2012 and has vastly improved the management of the seriously ill patients.

BUDS provided Rs 400,000 to Batticaloa Hospital towards replacement of the camera for an Endoscope, used to look into the intestines.

We supported the Cancer Society of Batticaloa with funds to help the patients' travelling & accommodation, when they visit Maharagama.

In 2012, a child with Heart disease received Rs 24,000 for assistance to go to Colombo for treatment.

EYE CAMP

In 2013, BUDS UK joined the Medical Institute Of Tamils (MIOT-UK) and conducted an Eye camp in Batticaloa hospital, where 125 cataract & plastic surgery were performed for poor patients from Vaharai to Maha Oya. Three volunteer surgeons travelled from the UK paying their own costs. BUDS Batticaloa provided transport, food and lodging for many of these patients and arranged clinics in remote area such as Vellaveli. We hope to repeat this worthy project.

FAMILY UNION

BUDS organized two cricket & sports festivals during summer successfully, to get the families together in the UK. Children had sack race & buns race; ladies Netball and the boys Football & cricket. Everyone enjoyed freshly made Vadai, Hoppers, Koththu, Buriani & Ice cream.

BUDS thanks all the organisations, individuals & members for the advice, effort & help rendered to make these humanitarian achievements. The backbone of our survival and enthusiasm comes from YOU the donors.

The effort of producing this long leaflet is to let you donors know, that the money you gave us was not wasted. BUDS does not charge administration expenses except on postage – please give your email addresses or contact us on our Web site: www.budsuk.org.

We look forward for your support in the form of donation or becoming a member (it costs only £15 per Year)

OZANAM CENTER

FOR CHILDREN WITH SPECIAL NEEDS

SATHTHURUKONDAN, BATTICALOA

BUDS, UK

The Board of Governors of the Ozanam Center for Children with special needs (Mentally challenged children), takes great pleasure in releasing this message to the Annual Magazine - 2016 of the BUDS, UK organization.

The financial and other supports provided by this prestige organization to the orphans and destitute children in the suffering Tamil areas of Sri Lanka are highly commendable. Especially its interest in enhancing the education of those children who are unable to proceed with their studies within their marginalized family income is very much appreciated.

Our association with BUDS is very long and fruitful. We must mention here that the assistance of the BUDS, UK has helped us tremendously in continuing our service to the mentally challenged children in the past. We look forward for their continuous support in the future too.

We also like to take this opportunity to thank the donors – the expatriates' community of Sri Lanka for placing their trust in BUDS, UK and helping it whole heartedly in order to carry out its yeoman activities to bring brightness into the darkened lives of the suffering crowd, especially in the North and the East.

We wish BUDS, UK and its Branches all successes in their future endeavors, too.

The President/Secretary,
The Batticaloa Underprivileged Development Society,
United Kingdom.
13th June 2016.

Dear President/Secretary and Members of BUDS/UK,

Greetings from Sri Lanka Batticaloa YMCA.

I am with great pleasure sending this greeting of felicitation to the BUDS/UK. It is indeed a great service the BUDS carrying out for the betterment of the people of Batticaloa.

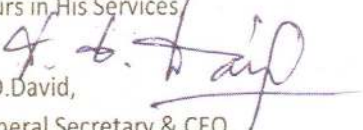

In fact it is a difficult task these days collecting funds for social services but the BUDS untiringly carrying the torch forward keeping in mind the difficulties the people of Batticaloa undergone.

Batticaloa YMCA is one of such recipients for educating and empowering the deaf children in the Batticaloa and Ampara Districts. At the moment we are supporting 60 deaf and children with learning difficulties in their education, life skill, sports and drama. We are very grateful to all those who had contributed financially for this cause and appreciate their effort in supporting BUDS.

We pray for everyone in BUDS and looking forward to your continued support. May God Bless you all abundantly.

Thanking you.

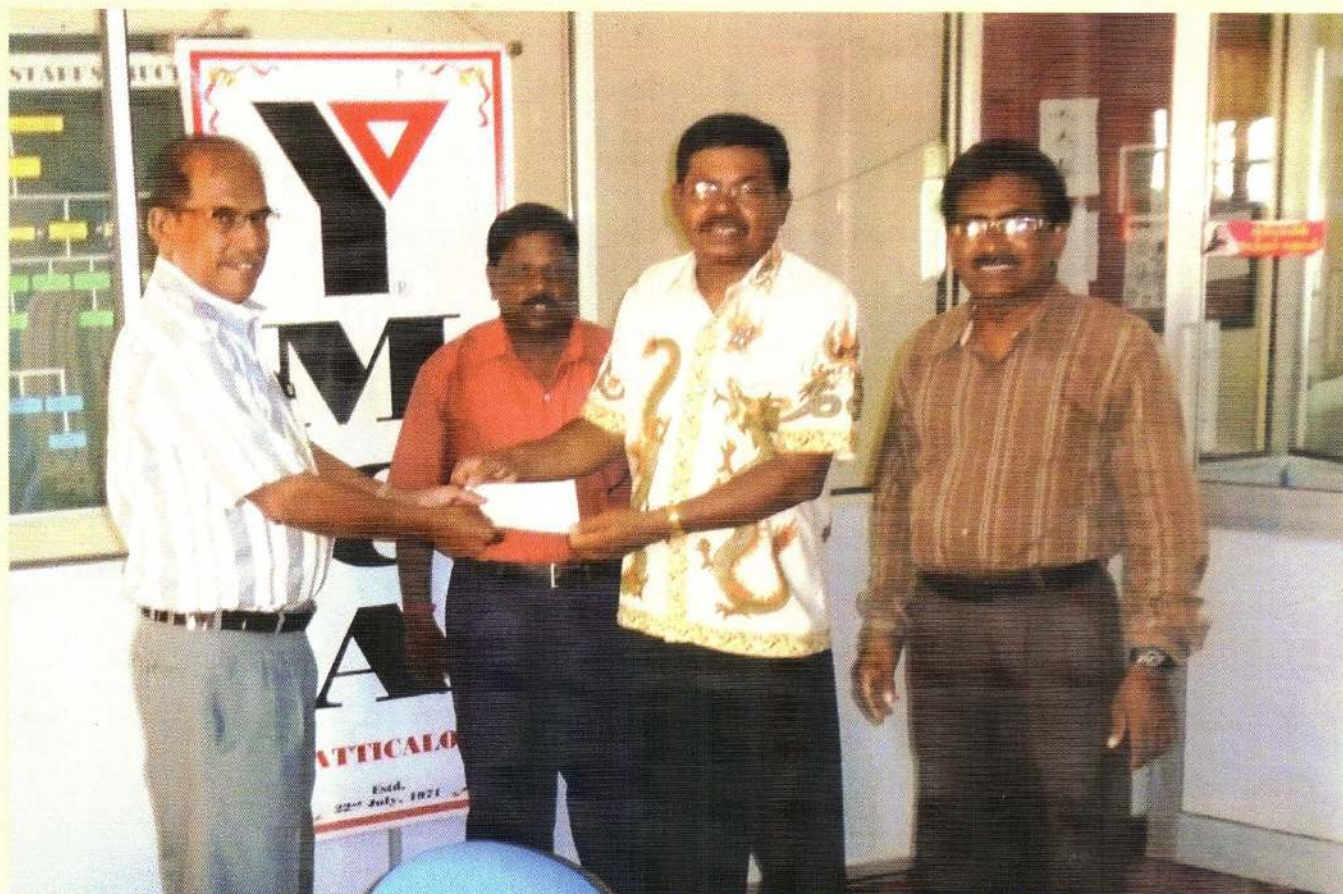

Yours in His Services

D.D.David,
General Secretary & CEO,
YMCA Batticaloa, Sri Lanka.
